

Twenty-Eighth Annual Feast of Weeks – 6011/2008

THE SEVEN LAST PLAGUES

PART 16

On this day, in the year of our Lord and Savior, **יהוה בן יהוה**, let all of us who are here in this place unanimously and with one voice lift up high praise unto the Sovereign of the Universe who rides upon the vast expanse of the galaxies by His unparalleled name, **יהוה**. Praise **יהוה**! Yes, our God, **יהוה**, has the authority to move in and out of the Earth's atmosphere into His celestial domains at speeds incomprehensible to the ordinary human mind. Yet, He has allowed many to witness with their own eyes the aeronautic machinery, known as space ships, at His command, as they dart through the skies, according to Psalm, Chapter 68, verse 4, which says, *Sing unto God, יהוה, sing praises to His name: extol Him that rideth upon the heavens by His name, יהוה, and rejoice before Him.* Selah!

We, as keepers of the laws of **יהוה בן יהוה**, must be forever mindful of His astounding invincibility and give thanks for His continuous blessings. Praise **יהוה**! All praises be unto **יהוה**, and the Only Son of **יהוה**—**בן יהוה** **יהוה**!

Shalom Aleichem, and welcome, family, friends, and supporters of the true God, יהוה בן יהוה, to this place—the Marriott Chateau Champlain, in the bustling city of Montreal, Quebec, Canada. We are assembled here to pay homage and respect to the Most High God, יהוה, as well as present tributes of freewill offerings unto our Messiah, יהוה בן יהוה. This is the law of the *Feast of Weeks* established in Deuteronomy, Chapter 16, verse 10, and we—as citizens of the Nation of יהוה—are celebrating this festival for the twenty-eighth time. Praise יהוה! Praise יהוה בן יהוה!

I greet you all on this day, and invite you to embark on an intellectual journey with me as we discourse upon Part 16 of the seminar series titled, **“The Seven Last Plagues.”** However, let us take a moment to summarize what we brought to light in Parts 14 and 15 of this seminar series.

First, we relied upon the world’s most renowned scholarly tools to prove that the official seat of government of the UNITED STATES OF AMERICA—located in Washington, D.C.—shall be broken up into **THREE** particular city districts and put under the direct control and jurisdiction of an organized body of troops from the army, navy, marines, and air force. These persons shall be especially commissioned, high-ranking military officers who shall receive authoritative (or executive) orders issued directly from the

President of the UNITED STATES OF AMERICA in the form of a document giving them authority over the **DOMAIN** of Washington, D.C.

Secondly, our facts revealed that a small minority group established within the **ROMAN CATHOLIC CHURCH**, called the Society of Jesus, shall have *absolute* government authority in the United States of America at a precise time for the purpose of putting all dispensable political officials into concentration camps, along with all dark-skinned people of the world. With the help of dictionaries, thesauri, and the like, we documented conclusively that the leader in charge of this devious plot shall be the President of the United States of America, **GEORGE W. BUSH**, who has gained his power by appealing to the *emotions* of the American people rather than to their *rational* minds.

Moreover, we provided undeniable evidence that the **UNITED NATIONS**, which is located in New York city, shall lose all of the authority it presently wields and will eventually have no force—militarily or otherwise. To put it plainly, the political delegates in each branch of the United Nations shall lose their high offices involuntarily.

Overall, the enactment of the *divine* seventh and last plague of ייהי shall cause the political infrastructure of the United Nations to collapse, subsequently bringing about the consummate defeat of all its power.

Now, we shall read our foundation Scripture as found in Revelation, Chapter 16, verses 19, which underlines the circumstances that shall come about during the execution of the last plague, which will be full of the wrath of יהוה. Let us read:

*[19] “And the great city was divided into three parts, and the cities of the nations fell: **and great Babylon came in remembrance before God, יהוה**, to give unto her the cup of the wine of the fierceness of His wrath.*

Now we learned from our decoding of the first phrase, “*And the great city was divided into three parts, and the cities of the nations fell,*” that the **GREAT CITY** is actually the official political seat of the government of the **UNITED STATES OF AMERICA**, located in Washington, D.C. The next phrase to decode in Revelation 16:19 is, “... *and great Babylon came in remembrance before God, יהוה.*”

However, before we begin, take note of the colon between the two statements. The significance of the colon here is very important. According to *Random House Webster’s Unabridged Dictionary*, copyright 1999, Software Edition, a **colon** is “the sign (: ) used to mark a major division in a sentence, to indicate that what follows is a summation.” In the same source, a **summation** is “a review of previously stated facts or statements, often with final conclusions drawn from them.”

Such being the case, the significance of the colon is to mark a division, and to indicate that what follows is a review of the previously given facts and statements from which our final conclusions can be drawn. We can draw from this that **GREAT BABYLON** is actually a “review” of the **GREAT CITY**. Moreover, the name **BABYLON** is used in the second part of Revelation 16:19 to provide a more dramatic description of the **CITY** known as Washington, D.C.

The adjective “great” described both the *city* and *Babylon*. We learned in Part 14 the city—Washington, D.C.—was depicted as **GREAT** because those who sit in the seat of the government of the United States of America are swollen and inflated with an unreasonable amount of self-esteem and a high level of conceit. Additionally, these same people exhibit lofty airs and unbridled contempt of others.

Question: Why is the great **CITY** also called great **BABYLON**? It is because the name Babylon is a **mystery** (Revelation 17:5), and it is used to fully reveal and thoroughly express the true character and essential nature of the official political seat of government in the United States of America, located in Washington, D.C. without vagueness (as documented *Webster’s New World Dictionary & Thesaurus*, copyright 1998 and *Merriam-Webster 11<sup>th</sup> Collegiate Dictionary*, copyright 2003, computer software).

Keeping these facts in mind, let us proceed with our study of the word *Babylon*. In *e-Sword*, Bible Computer Software, copyright 2000-2004, **Babylon** is positioned under the Greek Dictionary reference number 897, pronounced *bab-oo-lone*, which is “the capitol of Chaldaea (literally or figuratively as a type of tyranny).” This definition allows us to assert that figuratively, the name **BABYLON** is used to describe the official political seat of government in the United States of America, as a type of *tyranny*.

To gain a full understanding of what this means, we must consult with *Webster’s New World Dictionary & Thesaurus*, which defines something **figurative**, the root word of *figuratively*, as a “metaphor.” Subsequently, a **metaphor** is “the application of a word or phrase to something that is not meant literally but to make a *comparison*” (as taken from *Microsoft Encarta Dictionary*, copyright 1993-2004, Computer Edition).

Hence, we have undeniable confirmation that the word **BABYLON** is not to be applied in a literal sense in our foundation Scripture; but, instead, it is used to show a “comparison” between Ancient Babylon and the official political seat of government of the United States of America (located in Washington, D.C.). Therefore, since our Greek definition says that **BABYLON** is interpretative of a type of **tyranny**, then we need to uncover what this word actually means.

As substantiated in the *Microsoft Encarta Dictionary*, copyright 1993-2004, **tyranny** is an, “oppressive government by one or more people who exercise absolute power cruelly and unjustly.” Furthermore, the *Random House Webster’s College Dictionary – Word Genius*, copyright 2004, Computer Edition, dictates that **tyranny** is “arbitrary or unrestrained exercise of power; despotic abuse of authority.”

On these grounds, we can draw the conclusion that the official political seat of the government of the UNITED STATES OF AMERICA—located in Washington, D.C.—is symbolically compared and likened to **BABYLON** because it is an oppressive government ruled by one or more people who exercise absolute power cruelly and unjustly. Their unrestrained and abusive exercise of power and authority is so arbitrary that they actually operate a *despotic* government. To understand this, we must define both *arbitrary* and *despotic*.

Accordingly, whereas **arbitrary** means “based solely on personal wishes, feelings, or perceptions, rather than on objective facts, reasons, or principles”; congruently, **despotic** is “relating to, typical of, or behaving like a despot” (in *Microsoft Encarta Dictionary*). And, in the etymology of the *Shorter Oxford English Dictionary*, Sixth Edition, Computer Software, copyright 2002, **despot** is of “French origin *despote*, earlier from Medieval

Latin *despota*, [and] from Greek *despotēs*, meaning master and lord [as] originally applied to a god and to the absolute ruler of a non-free people.”

Using these definitions as our means of justification, we can factually deduce that the official political seat of the government of the United States of America, located in the capitol city of Washington, D.C., is likened to **BABYLON**, by virtue of the fact that it is an oppressive government ruled by masters who behave themselves as lords and gods. This can be validated in Ezekiel, Chapter 28, verse 2, which reads:

*“... Thus saith the Lord GOD, יהוה, Because thine heart is lifted up, and thou hast said, I am a God, I sit in the seat of God, in the midst of the seas; yet thou art a man, and not God, יהוה, though thou set thine heart as the heart of God, יהוה”:*

These oppressive rulers have said in their own hearts that they are gods and believe that they sit in the seat of God; yet, they are men and *not* God, יהוה.

Added to this, the rulers of the government of the United States of America make all of their decisions based solely on their own personal wishes, feelings, and perceptions, rather than on objective facts, sound reasons, and “divine” principles. Such being the case, they are in fact absolute rulers (lords and gods) over a *non-free* people, whether the people of America realize it or not.

Let us be more specific as to whom these *rulers* are referred to today. Trusting the opinion of the *Bartlett’s Roget’s Thesaurus*, copyright 1996, on page 902, the word **despot** leads to reference number 52.7 for **person in authority**, which names, the “president, commander in chief, cabinet member, senator, congressman and congresswoman.” Moreover, in this same source, **ruler** from page 1256, is the same as **governor** (under reference number 49.23), and under **governor** is “president and vice president.” Also, under **ruler** (reference number 68.3) is **leader**, which is classified as “secretary of state.”

Thusly, we can draw the logical conclusion that in our foundation Scripture, the rulers who sit in the official political seat of the government of the UNITED STATES OF AMERICA, located in Washington, D.C., are referred to as **PRESIDENT** or **COMMANDER-IN-CHIEF**, **VICE PRESIDENT**, secretary of state, cabinet members, senators, congressmen, and congresswomen. יהיה warns against such people in Romans, Chapter 16, verses 17 and 18, which read:

[17] “Now I beseech you, brethren, **mark them which cause divisions and offences contrary to the doctrine which ye have learned; and avoid them.**

[18] *For they that are such serve not our Lord, יהוה בן יהוה, but their own belly; and by good words and fair speeches deceive the hearts of the simple.”*

As previously stated, our God, יהוה, warns us to avoid such people because they serve not His Son, יהוה בן יהוה, and have caused division among the people and who commit offences that are contrary to His teachings. And, even more, they make fair speeches, using words that sound good, to deceive the minds of the simple. As a result, all of their decisions are based solely on their *own* personal wishes, feelings, and how they see things, rather than from objective facts and sound reasons. From all of these compelling facts show why **AMERICA** is compared to **BABYLON**, and why she shall be called to **COME IN REMEMBRANCE BEFORE GOD, יהוה!** Praise יהוה! Praise יהוה בן יהוה!

For further study of why **AMERICA**—with its central government located in Washington, D.C.—is parallel to **BABYLON**, we shall use the expertise of the *Interpreter’s Bible Dictionary*, copyright 1962, Volume A-D, page 338), which states, “Babylon is noted for her earthly prosperity and luxury.” In the *American Heritage Talking Dictionary and Thesaurus*, copyright 1997, Computer Software, **prosperity** is “an abundance of

material possessions or resources: wealth and riches.” **Luxury** is “(habitual indulgence in) choice surroundings, food, etc.”

Therefore, the analogy between **AMERICA** and **BABYLON** is to show that, like the Babylonians, Americans are driven to accumulate an abundance of earthly material possessions and resources: such as great wealth, large amounts of money, and much property. Like the Babylonians, Americans habitually indulge themselves in living an expensive, glamorous, and elegant lifestyle; having plenty of choice foods that appeal to their highly cultivated tastes, and, ultimately, just being filthy rich.

In fact, it is for these reasons that people from all nations want to come to America. She portrays herself as the “*land of opportunity*” where anybody can get rich quick and live his or her life with the freedom to make his or her own choices. Nevertheless, because America is so fixated on all these earthly material possessions, as opposed to the laws of יהוה, she must **COME IN REMEMBRANCE BEFORE GOD, יהוה**. Praise יהוה! Praise יהוה בן יהוה! Now, let us look at some of the reasons why.

Referring again to the *Interpreter’s Bible Dictionary*, on page 338, “**Babylon** is an age-long reality including idolatrous kingdoms as ... Sodom [and] Gomorrah ....” Based on the authority of *Webster’s New World Dictionary & Thesaurus*, **idolatrous** means “heathen.” A **heathen** is

described “in the Old Testament, [as] a member of any nation or people not worshiping the God of Israel.” In the same reference source, **Sodom** is “a city destroyed by fire together with a neighboring city, Gomorrah, because of the sinfulness of the people: Gen. 18-19.” What might the *sinfulness* of the people be?

Trusting the *Microsoft Encarta Dictionary*, copyright 1993-2004, Computer Edition, **sinfulness** means, “engaging in behavior that goes against the law or teachings of a particular religion.” Moreover, the **law** is “the body of principles or precepts held to express the divine will, especially as revealed in the Bible” (as agreeable with *American Heritage Talking Dictionary and Thesaurus*).

All of these definitions allow us to assert that as **SODOM AND GOMORRAH**, America is comparable to *Babylon* because those who sit in the official seat of the government of the United States of America do **not** worship יהוה, the God of Israel. As such, they pass legislation that allow the people the freedom to engage in and display wicked behavior that goes completely against the “divine” will of יהוה, especially as revealed in the Holy Bible.

An example of the sinfulness of the people who lived in **Sodom and Gomorrah** is found in Genesis, Chapter 19, verses 1 through 8. These

verses tell the story of how two angels of יהוה came to Sodom where they were met by Lot. Now Lot, having rose up to meet them, invited the angels into his house. However, the angels told Lot that they would rather abide in the street all night. Lot, hearing this and knowing what type of people roamed the streets of Sodom at night, pressed upon them greatly to come into his home. The angels of יהוה obliged and went into Lot’s house.

However, before they could even lie down, both the *young* and *old men* of Sodom surrounded the house from every quarter, and they called unto Lot, and said unto him, Where are the “*men*” which came in to thee this night? They demanded Lot to bring the angels of יהוה out unto them so that they could know (have sex) with them. Lot even offered to give these wicked men his own daughters in the place of the angels of יהוה, but those men didn’t want to have sex with girls. They were flamboyant homosexuals who wanted to have sex with the angels of יהוה—not Lot’s daughters.

As it was in Sodom and Babylon, so is it in America today. The homosexual community is so powerful in America that they have lobbied those who sit in the official seat of government in the United States of America to influence the voting on legislation that allows them equal rights and privileges. Many states now allow or have pending legislation that will permit same sex marriages between gays and lesbians. Homosexual couples

have been granted the permission to adopt children even before straight couples.

And, even more, many major cities in the United States and Canada allow their gay communities to put on gay pride parades every year where some of the most deviant people openly display their depthless moral depravity. Furthermore, more and more young boys and girls are coming “out of the closet” than ever before. It was recently reported that the homosexual websites get more hits than any of the others. These immoral acts are just a few more reasons why she (America) shall ***COME IN REMEMBRANCE BEFORE GOD, יהיה***.

This brings us to our last documentation to show the comparison between ***AMERICA*** and ***BABYLON***. Referring once again to the *Interpreter’s Bible Dictionary*, on page 338, “**Babylon** was the kingdom into which the people of Israel and Judah had been taken captive.” In the past, Judah was taken captive. Let us read Jeremiah, Chapter 20, verse 4, beginning after the colon to verify this:

*“... and I [יהיה] will give all Judah into the hand of the king of Babylon, and he shall carry them captive into Babylon, and shall slay them with the sword.”*

This is solid verification that Babylon was the kingdom into which the people of Judah were taken captive, given into the hand of its king, and slain with the sword. The question now is, Who is Judah (in Hebrew *Yehuwdah*)?

Biblically, Judah is the seed of Abraham, Isaac, and Jacob (Jacob’s name was changed to Israel in Genesis 32:28): And יהוה told Abraham that his *seed* (descendants) would be a stranger in a land (America) that was not theirs and would be treated evil and afflicted (lynched, maimed, sold from master to master, raped, etc.) for *four hundred* years (Genesis 15:13; Acts 7:6). In 1555, the whole tribe of Judah (Yehuwdah) was carried away captive to the southern cities of America (Jeremiah 13:19) by ships and sold to their enemies (plantation owners) as bondmen and bondwomen--slaves (Deuteronomy 28:68). Further, Judah was “cut off” from being a *nation* and from the remembrance of their name *Israel*; plus stripped completely of the knowledge of their “true” history, language, culture, land, and God—as it is this day (Psalm 83:1-5).

Thus, **Judah** is the fourth of the twelve tribes of Israel (Exodus 1:2-4), who today are the so-called Black people of America, descendants of slaves. Like in ancient Babylon, today America is the kingdom into which the people of Judah have been taken captive, are in the hands of its rulers, and are being slain with the sword. However, יהוה promised our forefather

Abraham something very important in Acts, Chapter 7, verse 7, so let us turn and read what He promised him:

*“And the nation to whom they shall be in bondage will I judge, said God, יהוה: ...”*

Judah—the so-called Black people of America, descendants of slaves—have been in bondage in America for over 400 years, 453 years to be exact. Therefore, America is now being called into judgment before our God, יהוה. To receive her judgment, she shall **COME IN REMEMBRANCE BEFORE HIM**.

Now it is time for us to decode our next and last part of our foundation Scripture (Revelation 16:19), which is “... *came in remembrance before God, יהוה*.” Acknowledging the integrity of *Webster’s New World Dictionary & Thesaurus*, copyright 1998, Computer Software, the word **come** (from the word *came*) means, “to appear.” Accepting the veracity of *Bartlett’s Roget’s Thesaurus*, **appear** is located on page 744, under reference number 843.15 for **show oneself**, which means to “come face-to-face.” In connection with the above explanations, the same aforementioned source says that **remembrance** is a “record” (on page 660, reference number 750.1). And, on page 226, reference number 181.1, a **record** is the same as

“government papers, documentation, chronicle, historical record, official record, and criminal record.”

Henceforth, these definitions confirm that those sitting in the official political seat of government in the UNITED STATES OF AMERICA—the President, Vice President, Secretary of State, cabinet members, senators, congressmen, and congresswomen—are being called to come face-to-face before the true and living God, יהוה, Himself. Subsequently, as they come before Him, He shall judge them based upon their own official records, government papers, and documents that chronicle their entire criminal and unlawful history against יהוה, His Son, יהוה בן יהוה, and the people of Judah. These facts are corroborated in the Book of Jeremiah, Chapter 25, verse 14. Let us read beginning after the colon:

*“... and I [יהוה] will recompense them according to their deeds, and according to the works of their ‘own’ hands.”*

This will *not* be a case of “he said, she said” because according to all of their own wicked deeds, and according to the evil works of their own hands will they all be judged. Praise יהוה! Praise יהוה בן יהוה!

Now that we have defined the words **came** and **remembrance** separately, we will now examine “... *came in remembrance* ...” from a *phrasal* perspective. Referencing *e-Sword*, Bible Computer Software, the

Greek Dictionary number 3415, is pronounced as *mnaḥ'-om-ahēe*, which means “to punish.” The word **punish**, as taken from the *Shorter Oxford English Dictionary*, Sixth Edition, is defined as “to cause (an offender) to suffer for an offence.”

Predicated on the accuracy of *Merriam-Webster's 11<sup>th</sup> Collegiate Dictionary*, copyright 2003, Computer Software, **suffer** is avouched as “submit to or be forced to endure.” In addition, using the *Bartlett's Roget's Thesaurus*, **suffer** is denoted as, **need money** (located under reference number 848.14), which is tantamount to “have no money, suffer a financial disaster, come to financial ruin, fall below the poverty line, lose one's fortune, lose one's inheritance, and go bankrupt.”

As we speak, the government of the UNITED STATES OF AMERICA is in a trillion dollar deficit, so this financial calamity is already upon her. She can no longer continue to borrow money from foreign countries, because this will cause her to continue to go even further into debt. Experiencing such financial disasters, all of those sitting in the seat of the government of the United States of America have caused the people to come to total monetary ruin, and many are now living below the poverty line. All of their family fortunes and inheritance (gained from the labor of the so-called Blacks) will be lost, and they all will eventually go bankrupt.

From the same aforementioned source, **suffer** is also printed under number 848.13, as **be in trouble**, “fail, fall on hard times, go down in the world, fall from grace, and hit rock bottom.” Factoring in the soundness of these definitions, we can draw the final conclusion that יהיה shall force the people who sit in the official political seat of government in the UNITED STATES OF AMERICA, located in Washington, D.C., as a whole, to submit to and endure the complete and utter financial failure of their government.

Additionally, they—those sitting in high places—shall cause the American people to fall on hard times and actually hit rock bottom because the government will eventually have absolutely no money as a governing body. Let us read about this in Isaiah, Chapter 47, verses 1 and 5:

*[1] “Come down, and sit in the dust, O virgin daughter of Babylon, sit on the ground: there is no throne, O daughter of the Chaldeans: for thou shalt no more be called tender and delicate.*

*[5] Sit thou silent, and get thee into darkness, O daughter of the Chaldeans: for thou shalt no more be called, The lady of kingdoms.”*

To put it plainly, because of the wicked deeds and evil works of the self-proclaimed superpower of the world, the UNITED STATES OF AMERICA shall go down in the worldview and be looked upon as one who has fallen

from grace. She shall be made to sit in silence and be no more called tender and delicate as the lady of kingdoms. Praise יהוה! Praise בן יהוה!

Let us read Isaiah, Chapter 13, verse 19, then verse 20, stopping at the colon:

*[19] “And **Babylon, the glory of kingdoms, the beauty of the Chaldees' excellency, shall be as when God, יהוה, overthrew Sodom and Gomorrah.***

*[20] It shall never be inhabited, **neither shall it be dwelt in from generation to generation**”:*

Although America has been the glory of all nations in her excellence, יהוה shall yet overthrow her just as He did Sodom and Gomorrah. And because of the “divine” devastation that He shall cause to come upon her, none shall dwell therein from generation to generation. Praise יהוה! Praise בן יהוה!

In conclusion, from this diligent research, we have gained a realistic perception of the seventh and last plague of יהוה. Therefore, when we meet again, we shall proceed to reveal the next part of the divine judgment of **BABYLON-AMERICA** by uncovering how יהוה shall “*give unto her the cup of the wine of the fierceness of ‘His’ wrath.*”

To bring our study session to a close, let us all turn to and read Jeremiah, Chapter 50, verse 24:

*“I [יְהוָה] have laid a snare for thee, and thou art also taken, O Babylon, and thou wast not aware: thou art found, and also caught, because thou hast striven against the LORD, יְהוָה.”*

Our God, יְהוָה, has laid a snare for **BABYLON-AMERICA** and her troubles have truly come upon her while she was not aware. Because those sitting in the official political seat of government of the UNITED STATES OF AMERICA—the President, Vice President, Secretary of State, cabinet members, senators, congressmen, and congresswomen—have striven against the Lord, יְהוָה, His Son, יְהוָה בֶּן יְהוָה, and the people of Judah, they have not only been found, but they have also been caught in all of their wicked deeds and evil works.

Therefore, they shall all come face-to-face with the true and living God, יְהוָה, Himself to receive their just and inevitable reward. Praise יְהוָה! Praise יְהוָה בֶּן יְהוָה! All glory be unto יְהוָה, the God of gods, King of all kings, and Lord of all lords!

I pray that you all enjoy the remainder of this magnificent *Feast of Weeks* and delight in keeping the law of our God, יְהוָה, as taught to us by His Only Son and Servant, יְהוָה בֶּן יְהוָה. Shalom Aleichem!
