

יהוה בן יהוה COMING IN THE CLOUDS OF HEAVEN WITH “POWER” AND “GREAT” GLORY, PART 2

Shalom aleichem. I would like to testify to you today that יהוה is God, and that He has sent His Son, יהוה בן יהוה, to the Earth to gather His chosen people from among all nations, kindreds, people, and tongues to establish the theocratic government of יהוה on Earth. I would also like to testify to you that we serve the true and living God, one who has caused Himself to be put in a body that He might come to the planet Earth to cause those who are walking in darkness to see His Great Light. Isn't He a merciful God? Praise יהוה בן יהוה!

I have a personal testimony within myself that I was one who once walked in darkness, but יהוה בן יהוה has caused me to see His Great Light. Yes, I was also one who dwelt in the land of the shadow of death, but behold, upon me, He has chosen to let His light shine (Isaiah 9:2). I know I have some witnesses to His Great light in here. Praise יהוה בן יהוה!

His Light is like no other light. For only His light can penetrate the soul. His light is far-reaching. His light is infinite. His light is immeasurable. And His light is boundless. His light can cause you to see what no man on Earth can cause you to see. Only the Great Light, יהוה בן יהוה, can cause

you to “see” His marvelous light. And when He causes you to “see” His light, you come to understand well that you don’t have but **ONE** God, you only have but **ONE** mind, you don’t have but **ONE** love, and any action other than His **ONE** action is out of the question. Praise יהוה בן יהוה!!

Now in this seminar today, the information that I am about to share will bear witness to the “power” that is contained in the Great Light of יהוה בן יהוה, for He is in the world and He is the **LIGHT** of the world, and the whole world shall soon see Him coming into “power” and “great” Glory.

In Part 1, we showed you in Acts, Chapter 13, verse 48 that יהוה בן יהוה **“ORDAINED”** some *advanced, ultra sophisticated white Gentiles* who shall glorify His name, and they shall be among this “divine” group with whom the world shall soon see יהוה בן יהוה coming into **“power”** and **“great” glory**.

This **EVENT** shall be the most approved, the most important, and the most satisfying, readily visible or observable EVENT that will be so complete and convincing to the so-called Black people of America as to put conclusion *f-a-r* beyond a reasonable doubt that יהוה בן יהוה is not only our Savior and Redeemer, but He is also the Savior and Redeemer of the whole world. We validated with empirical facts that this extraordinary EVENT shall surpass all known human or natural powers and will be

ascribed to a supernatural cause. This shall be an unprecedented event—**UNLIKE** anything to ever take place upon the Earth.

Although we have proved that the **“ordained” advanced, ultra sophisticated white Gentiles** shall come to יהוה בן יהוה, the big question in my mind now and, perhaps in yours as well, is, WHAT “divine” plan will be used to **“CAUSE”** them to come to Him? What exactly is going to happen to **“CAUSE”** them to **COME** to יהוה בן יהוה? After hearing this “divine” plan, you will know that *o-n-l-y* God **Himself** can cause such an occurrence. And the answer to this question is the pivotal point of our discussion today.

In spite of the fact that the U. S. government has “physically” separated יהוה בן יהוה from us, and He can have absolutely no communication with us (His disciples), יהוה shall cause something to occur that shall be so miraculous that it will surpass **ALL** known human powers, and Isaiah, Chapter 60, verse 2, tells us exactly what it is, and it reads in part:

*. . . the LORD, יהוה, shall **arise** upon thee* (Israel, Judah, so-called Black people of America, descendants of slaves), **and His glory shall be seen upon thee.**

In accordance with *Random House Unabridged Dictionary*, Computer Software, the word **arise** is defined as, “to awaken, mount up, or come into action.” So, the Lord, יהוה, **SHALL** cause His Spirit that is in those of us

who have turned from transgressing His laws to awaken, mount up, and come into action, and He **SHALL** cause His *glory* to be seen upon us.

Let us probe further into the word **arise**. In *The New Strong's Exhaustive Concordance of the Bible*, copyright 1990, in the Hebrew and Chaldee Dictionary section, the word **arise** in Hebrew (Reference #2224) means, "to irradiate." Under questionable authority, the *Merriam-Webster's Collegiate Dictionary*, Computer Software, defines **irradiate** as, "to enlighten spiritually." In *Microsoft Encarta College Dictionary*, copyright 2001, on page 71, **arise** means, "be caused to happen as a result of something." יהוה caused the U. S. government to "physically" separate יהוה בן יהוה from us; and as a result of this separation, He is performing something that can only be ascribed as "supernatural," and that is, He is awakening His "divine" Spirit in us, and is enlightening us "**spiritually.**"

What does this mean?

The *Merriam-Webster's Collegiate Dictionary*, Computer Software, provides credible evidence to show that **enlighten** means, "to furnish knowledge to; to instruct; or to give spiritual insight to." **Instruct** is described as, "to provide with authoritative information." In *The Synonym Finder*, by J. I. Rodale, copyright 1978, on page 1145, **spiritual** means the same as sacred; and **sacred** (on page 1063) is synonymous to Biblical.

Under cross examination, these facts attest to the fact that while the government has “physically separated יהוה בן יהוה from us, He is causing His “divine” Spirit to mount up in us, and it is “spiritually” consuming us. He is furnishing us with “Biblical” knowledge that we might gain “spiritual” insight into the *“nature”* of words; that we might “intensify” and “magnify” the spiritualization of our research. And, most of all, His Spirit is guiding us to the “proper” tools we need to gather facts from *“authoritative”* information, which means information that can be validated, proven, and backed up.

In *Microsoft Encarta College Dictionary*, copyright 2001, on page 761, **irradiate** (from the word **arise**) is described as, “to make something intellectually clear.” Before the government separated יהוה בן יהוה from us, He had given us His “divine” **Ten-Step Study Method**, which is a “superior” method of inquiry. Therefore, He is causing us to use this “divine” method of study to make the Bible “intellectually clear,” meaning easily understood and without ambiguity. Truly, יהוה has “arisen” upon us.

As a result of יהוה causing these things to happen, the last part of Isaiah, Chapter 60, verse 2 tells us that something extraordinary shall take place, and it reads:

*... and His **glory** shall be seen upon thee.*

What exactly is His **glory**? Called before this body to give proof of its meaning is the *Roget's International Thesaurus*, Fourth Edition, copyright 1977, on page 984, which proffers that **glory** (Reference #1013.15) means, *“divine attributes.”* The only Man on Earth who has *“divine” attributes* is יהוה בן יהוה.

With that being the case, this definition provides conclusive evidence that יהוה shall cause the *“ordained” advanced, ultra sophisticated white Gentiles* to see the “divine” attributes of יהוה בן יהוה upon us: meaning they shall see that our **righteous** behavior, our **just** actions, our **upright** deeds, and our **honest** and **straightforward** demeanor are exemplary of His “divine” doctrines. They shall conclude that because of His guidance, we are **open** minded and **honorable** people.

Despite what the government and the news media have said, they shall see that we are **good** people; that we believe in doing **excellent** work; that we are **well behaved** and have the **right conduct**. In addition, they shall come to know that we are **principled** and **ethical** in our dealings; that we practice **truth**; that we do that which is **right**, and that we govern our lives by His “righteous” **rules**.

Moreover, יהוה בן יהוה being our Teacher, His *“divine attributes”* shall be identifiable in us, meaning that the *“ordained” advanced, ultra*

sophisticated white Gentiles shall recognize that we adhere to His “divine” **teachings**, and that we **conform** to His “moral” standards. Exemplifying that we conform to His “moral” standards demonstrates to them that we are a **virtuous** and **chaste** people, and that our **actions**, **minds**, and **feelings** are in accord with the “divine” Mind of יהוה בן יהוה and, as such, His will is our absolute **will**.

The “ordained” *advanced ultra sophisticated white Gentiles* shall see that we display an impeccable **character**, and as such conform to the very **nature** of יהוה בן יהוה. And just as importantly, they shall see that we use good **judgment** and exercise extreme **caution** in all that we do. Inclusive of all the above, יהוה shall also cause them to understand that our attributes are virtually identical to the “divine” attributes of יהוה בן יהוה. Indeed, our “glory” is our *righteousness*.

Therefore, our “righteous” attributes being virtually identical to the *“divine attributes”* of יהוה בן יהוה, as well as our “spiritual” enlightenment, is for a *“divine”* purpose, and Isaiah, Chapter 62, verse 2, tells us for what purpose it is, and it reads in part:

And the Gentiles shall see thy righteousness, and all kings thy glory: . . .

The “divine” purpose is so the *Gentiles* can “see” our “righteousness” and *ALL* kings our glory. Why is it important for “them” to see our righteousness, and “*ALL*” kings our glory? The answer is found in our foundation Scripture, Isaiah, Chapter 60, verse 3, and it reads:

And the Gentiles shall “COME” to thy light, and kings to the brightness of thy rising.

It is important that the Gentiles “see” our *righteousness* because this is the “supreme” strategy that יהוה shall use to cause them to “*COME*” to יהוה בן יהוה. Praise יהוה! When this occurs, it will be the most approved, the most important, and the most satisfying readily visible or observable event that will be so complete and convincing to the so-called Black people of America as to put conclusion *f-a-r* beyond a reasonable doubt that יהוה בן יהוה is their and our Redeemer, Savior, and Messiah.

Let us conduct an official inquiry into the logistics of how יהוה will cause this “divine,” strategic event to occur by decoding Isaiah, Chapter 60, verse 3, beginning with the word shall. With the permission of *Webster’s New World College Dictionary*, Fourth Edition, copyright 1999, on page 1316, **shall** is described as a word that “is used in formal speech or writing to express determination, compulsion, obligation, or necessity.” To

understand the magnitude of “shall,” we must validate the meaning of each of these words.

First, the word “determination.” On page 393, **determine**, the root of the word determination, means, “bound, decide upon, calculate precisely, and resolved.” On page 1220, **resolved** means, “firm and fixed in purpose.” So, we see that the *“ordained” advanced, ultra sophisticated white Gentiles* are **bound** by “divine” decree to come to our light. The fact of the matter is, their coming was already decided upon, calculated precisely, and firmly fixed in *“PURPOSE”* by יהוה Himself from the beginning.

Let us move now to compulsion, the second definition of shall. **Compulsion**, on page 300 means, “being compelled; an irresistible impulse to perform some act.” On page 297, the word **compel** is defined as, “to bring about by force.” On page 552, **force** is defined as, “to produce by unnatural effort; to exert beyond the natural limits.” This makes it clear that the *“ordained” advanced, ultra sophisticated white Gentiles* coming to יהוה בן יהוה shall be brought about by an unnatural effort that will be exerted beyond the natural limits of man, for יהוה has put in their very “nature”—their chemical concoction—an **“irresistible”** impulse that shall cause them to come to יהוה בן יהוה because they shall “see” a reflection of His “divine” light in us. Praise יהוה בן יהוה!

What is an “irresistible” impulse? I now put under oath *The Synonym Finder* by J. I. Rodale, copyright 1978, on page 605, to offer proof of what this means. It presents compelling evidence to show that the word **irresistible** means the same as overpowering. **Overpowering**, in *The Random House Dictionary of English Words*, Unabridged Edition, copyright 1967, on page 1029, means, “to subdue by superior force; to gain mastery over the bodily powers or mental faculties.” In *The Random House College Dictionary*, Revised Edition, copyright 1988, on page 670, **impulse** is defined as “the influence of a particular feeling, mental state; sudden, involuntary inclination prompting to action; a single, usually sudden flow of current in one direction.”

So, the Gentiles shall come to יהוה בן יהוה because יהוה shall exercise His superior force to influence a particular feeling to occur in their minds that will cause an involuntary inclination to prompt them to come. This will be a single, usually sudden flow of magnetic current that will gain mastery over their bodily powers and mental faculties. It will be so overwhelming that it will move them only in “**one**” direction, and that is straight to the “**LIGHT**” of יהוה בן יהוה that is in us.

The Gentiles “**SHALL**” come. Continuing with **obligation**, the third meaning of **shall**. On page 995 (*Webster’s New World College Dictionary*,

Fourth Edition), **obligation** is defined as, “a thing that one is bound to do by promise, moral responsibility, etc.; the fact of being indebted to another for a favor or service received; legally bound to make payment or perform services for the benefit of another.”

Shall confirms that the *“ordained” advanced, ultra sophisticated white Gentiles* are bound by **“divine”** promise that our God, יהוה, made to our forefathers Abraham, Isaac, and Jacob in Genesis 15:13-14 that after we had served America for four hundred years, we would come out with great substance. So they have a moral responsibility to come to יהוה בן יהוה because they are indebted to us for the favor and service they received from the free labor of our ancestors when they captured and brought them to America to work as slaves. They are indebted to us because they must pay us reparations for the lost, damage, and injury they have caused us. They are indebted to us because they must give back our property or land that they took from us.

Furthermore, the white Gentiles are also **“legally”** bound to come to our light, because they must make restitution to us by performing the services we need for the benefit of establishing the theocratic government of יהוה on Earth; just as we did for them when they used the “free” slave labor of our fore parents to build their nation: The United States of America. We

must not forget that it is from the blood and sweat of our fore-parents as well as us—their seed—that America is what it is today.

And now, “necessity,” the last definition of **shall**. **Necessity** (*Webster’s New World College Dictionary*, Fourth Edition, on page 962) is defined as “anything that is inevitable, unavoidable, etc., as a result of ‘natural’ law; a great need; something that cannot be done without.” The **“ordained” advanced, ultra sophisticated white Gentiles** coming to the light of יהוה בן יהוה that is in us is inevitable and unavoidable, meaning it is “sure” to occur, happen, or come about. Their coming will be the result of the “natural” law of יהוה—the law of physics, which is the law that governs energy and motion. Since יהוה created energy and motion, then it is He who shall compel the “ordained” **advanced, ultra sophisticated white Gentiles** to come to יהוה בן יהוה.

Question: Why is so much attention given to the Gentiles? One such reason is because יהוה has put the **“ordained” advanced, ultra sophisticated white Gentiles** in control of things that cannot be done without in establishing the Kingdom of Heaven. To make this even clearer, in *The Cassell Concise Dictionary*, Revised Edition, copyright 1998, on page 972, **necessary** (the root of the word **necessity**) means, “requiring to be done; not

voluntary, not of free will; anything which is essential for some purpose; indispensable; and **MONEY**.”

Thus, the coming of the **“ordained” advanced, ultra sophisticated white Gentiles** to יהוה בן יהוה shall not be voluntary and neither shall it be of their own free will but, rather, יהוה is requiring this to be done. Why? Because the Gentiles are most essential to helping us to build the New World Order—the Kingdom of יהוה. Besides, they are “indispensable,” because they not only have the professional “skills” we need, but they also have “all” of the required “tools” and “equipment” we need for setting up the righteous government of יהוה. And above all, the **“ordained” advanced, ultra sophisticated white Gentiles** have and control **“A-L-L”** the **M-O-N-E-Y** on the planet Earth! And looking at how they have destroyed Earth, the planet of יהוה, we are going to need **“ALL”** of it to build Heaven on Earth! Selah.

Now that we understand that the **“ordained” advanced, ultra sophisticated white Gentiles** coming to יהוה בן יהוה is not voluntary, but rather by “divine” decree, let us now move on to the phrase (“*The Gentiles shall . . .*”) **come to** (Isaiah 60:3). In accordance with *The American Heritage Dictionary of Idioms*, copyright 1997, on page 130, the phrase

come to means, “recover consciousness.” Recover consciousness from what? Jeremiah, Chapter 16, verse 19 has the answer, and it reads in part:

*. . . the Gentiles shall come unto thee from the ends of the earth, and shall say, Surely our fathers have inherited lies, vanity, and “**things**” wherein there is no profit.*

The “ordained” white Gentiles from the ends of the earth shall soon recover consciousness and become “acutely” aware that they have inherited nothing but straight up lies. They shall find out that *a-l-l* they have inherited is nothing but absolute vanity; that they have inherited “**things**” that don’t belong to them—wherein there is unquestionably no profit to them nor to their generations to come. They have inherited lies about יהוה “the” Creator. They have inherited lies about His Son and the Messiah. And they have inherited lies about the so-called Black man of America, the chosen people of the Bible—to name a few.

Realizing this, the “ordained” white Gentiles shall **come to** בן יהוה יהוה. To explain what this means, the *Bartlett’s Roget’s Thesaurus*, copyright 1996, on page 858, is summoned to give another meaning of the phrase **come to** (Reference #670.11, page 594). It verifies that it means the same as “merge or convert.” In accordance with *The Synonym Finder*, by J. I. Rodale, copyright 1978, on page 724, the word **merge** is synonymous to,

become absorbed, become a part of; become one with; and lose one's identity or individuality.

Therefore, these facts confirm that the *“ordained” advanced, ultra sophisticated white Gentiles* shall become **absorbed** in the light of **בן יהוה** **יהוה** that is in us, meaning that their attention shall be fully occupied with our light, so much so that they shall become a part of our light. In fact, they shall become ultimately “one” with our light, even resulting in them eventually losing their own identity and individuality.

Well, the white Gentiles are not going to have any problem losing their own identity and individuality. The truth of the matter is, they have already lost their identity and individuality. Have you noticed how **black** white people are becoming? I don't know what is happening to white people. To tell you the truth, white people have gone just plain crazy: I mean, they don't even talk white no more: I hear them taking about “Yo, man”; “Go Girl”; “Get out of here! Get out of here! Get out of here!” Now just last week, I was watching the television, and what I heard, I know I passed out momentarily: One white boy said, “Yo, man!”; and the other one said, “What's up dog?” I could not believe what I had heard! Now that was it for me! That confirmed they have truly gone way o-f-f.

But that is not all, have you heard that they are having surgery just to enlarge their lips and butts? They are dressing black like Snoop Dog: pants all hanging down off their butts; b-i-g shirts hanging down low; tennis shoes with the soles about “five inches” thick; b-i-g chains hanging all around their necks, and gold teeth. Yes, they are losing their identity! Then they have changed their whole style of singing and dancing: They are singing like Whitney Houston and dancing like Janet Jackson, Michael Jackson, and the rap artists: grabbing stuff and bending all over and sliding and gliding and splitting. Not only are the white Gentiles becoming black, but the whole world is becoming black: black people in America have the whole world rapping: the Japanese, the Chinese, the Koreans, the Germans, the Pakistanis, the Palestinians, the Iraqis—all nations. And, too, White people are wearing their caps backward; music turned up high in their cars and SUV’s. Listen to this, they have even changed their walk: they are walking like “P Diddy” —right shoulder all hanging down to the side. White people don’t care nothing about Ophrey Winfrey, Tiger Woods, the Williams sisters, Michael Jordan, Shaq, and Kobe being black. Now to bring it on home: they are all in the black churches: they are singing in the choirs, and clapping their hands “*on beat*”; they are even shouting and speaking in tongues just like black people.

My point is this: The “ordained” white Gentiles shall come to יהוה בן יהוה, and they are not going to have *n-o-o-o* problem with losing their own identity and individuality: for יהוה shall cause the “ordained” white Gentiles to merge with His “divine” light that is in us.

The next definition of the phrase **come to** is “convert.” On the authority of *Webster’s New World College Dictionary*, Fourth Edition, copyright 1999, on page 318, **convert** is defined as, “to cause to change as from one religion or course to another.” Because of the light of יהוה בן יהוה that is in us, the **“ordained” advanced, ultra sophisticated white Gentiles** shall soon change from their false religions and come to believe in the “divine” teachings of יהוה בן יהוה. They shall learn and practice the commandments, judgments, laws, and statutes of יהוה; and by doing so, they will begin to follow His “moral” course of action.

The Gentiles shall come to our “LIGHT”. . . Given that it is our **“LIGHT”** that is the “star witness” in the plan that יהוה shall use to cause the **“ordained” advanced, ultra sophisticated white Gentiles** to come to יהוה בן יהוה. In the *Merriam-Webster’s Collegiate Dictionary*, Computer Software, the word **light** means, “spiritual illumination; inner light.”

Let us break down each of these definitions. First, “spiritual illumination.” In *The Synonym Finder*, by J. I. Rodale, copyright 1978, on

page 1145, **spiritual** is described as godly, or Christlike. **Illumination** implies “intellectual enlightenment.” **Intellectual** means the same as “mind.” And **enlightenment** is tantamount to “knowledge.” This information confirms that the Gentiles shall come to יהוה בן יהוה because they shall come to understand that He has caused us to have Christ-like minds; that we have godly knowledge that can only come from the “divine” Mind of יהוה בן יהוה.

Now **inner light**, the second definition of light. The “**ordained**” **advanced, ultra sophisticated white Gentiles** shall come to יהוה בן יהוה because of our **inner light**. I now give interlocutory instructions to *Random House Webster’s Unabridged Dictionary*, Computer Software, to dispel the mystery of what **inner light** means. **Inner light** is defined as, “the light of Christ in the soul of every person, considered as a guiding force.”

The “ordained” **advanced, ultra sophisticated white Gentiles** shall come to יהוה בן יהוה because the light that is in them shall cause them to know that He is the guiding force of our light. The guiding force of our light means that יהוה בן יהוה is the motive behind our light, the reason for our light, and the cause of our light. And not only that, but He is also the impetus and the objective of our light. In fact, He is the sole purpose of our light as well as the hope, inspiration, and guiding principle of our light. To

tell the truth and nothing but the truth, He is, without a doubt, the guiding “Spirit” in our light.

In *Random House Webster’s Unabridged Dictionary*, Computer Software, **illumination** (from the word light) is also synonymous to revelation, insight, and wisdom. So it is because of our “revelations, insight, and wisdom that the **“ordained” advanced, ultra sophisticated white Gentiles** shall be compelled by an irresistible impulse to come to בן יהוה יהוה. Let us be more specific by examining each of these words and all of their intricate parts.

Let us begin with the first word, **revelation**. In *Merriam-Webster’s Collegiate Dictionary*, Computer Software, **revelation** by definition is “an act of revealing or communicating ‘divine’ truth; something that is revealed by God to humans; an astonishing disclosure (as shocking revelations).” Thus, the **“ordained” advanced, ultra sophisticated white Gentiles** shall come to בן יהוה יהוה because they shall become cognizant of the fact that He has given us the ability to reveal and communicate “divine” truth: truth that can only be revealed to us by God, יהוה Himself. That being the case, they shall perceive that He has given us the power to make astonishing disclosures and shocking revelations of things written in the Bible that have never been revealed before.

In the same source, **revelation** also means, “apocalyptic writings.” In *The Synonym Finder*, by J. I. Rodale, copyright 1978, on page 56, **apocalyptic** is equivalent to revelatory, prophetic, predictive, and prognosticative. Therefore, the **“ordained” advanced, ultra sophisticated white Gentiles** shall be drawn to יהוה בן יהוה, because they shall read on the Internet our shocking revelatory writings, meaning our striking disclosures of things never before realized. They shall be provided a strong motive to come to יהוה בן יהוה, because they shall realize that the method of study, the Ten-Step Study Method, He has given us is the reason our prophetic writings are incontestable, indisputable, and undeniable. They shall be magnetized to יהוה בן יהוה, because of our predictive ability, that is, our ability to foretell the future. And they will see evidence of our prognosticative capability, meaning our capacity to show the probable course and outcome of the cataclysmic conditions upon the Earth today, and their relationship to Bible prophecy.

We shall now move to the second definition of illumination—**insight**, which means “the act or result of apprehending the inner nature of things or of seeing intuitively; a power to see what is *not* evident to the average mind.” The **“ordained” advanced, ultra sophisticated white Gentiles** shall come to יהוה בן יהוה because they shall see that He has given us the ability

to apprehend the inner “nature” of words, as well as the capacity to see intuitively, meaning the power to perceive truths and facts that are “independent” of any reasoning process, clearly suggesting that we possess the “divine” power to give logical and intelligible practicality to what is not evident to the average mind.

And now the third definition of illumination (which comes from the word *light*): **wisdom**. In accordance with the *Random House Webster’s Unabridged Dictionary*, Computer Software, **wisdom** is described as “sagacity; scholarly knowledge.” In *The Synonym Finder*, by J. I. Rodale, copyright 1978, on page 1065, **sagacity** means the same as, sound judgment, clear thinking, common sense, understanding, and perspicacity.

The “*ordained advanced, ultra sophisticated white Gentiles*” shall become absorbed in our knowledge, because they shall see clearly that יהוה בן יהוה has given us scholarly knowledge: knowledge of how to use sound judgment in demystifying some of the greatest mysteries in the Bible. They shall quickly compute that He has caused us to be clear thinking in our Scriptural translations, as well as how to use common sense in making inferences, assertions, and deductions.

More specifically, they shall come to יהוה בן יהוה because they shall see that He has taught us how to disassemble perplexing metaphors,

decipher puzzling allegories, unravel mysterious similes, and break down complex symbols. And most of all, they shall recognize that we possess perspicacity, which means that יהוה בן יהוה has trained us in how to present a “clear” picture and give “thorough” consideration to our analyses, to the point that we don’t stop until we have deeply penetrated all cryptic writings and arrived at the “full” truth of a matter.

Let us continue with Isaiah, Chapter 60, verse 3. While יהוה shall compel the *“ordained” advanced, ultra sophisticated white Gentiles* to come to our “divine” knowledge and “spiritual” luminosity, *the “kings” of the Earth*, however, shall come to יהוה בן יהוה because of something else, and it reads:

. . . and kings to the brightness of thy rising.

יהוה shall cause the **kings** to come to the *brightness* of the rising of the so-called Black people of America who are following the moral teachings of יהוה בן יהוה and have turned from transgressing the laws of יהוה.

Now let us subpoena the supreme counsel of *Roget’s International Thesaurus* (Fourth Edition, copyright 1977, on page 1045) to give credence to the definition of **king**. It testifies to the fact that **king** (Reference #749.6-11) means the same as, *Potentate*. *Webster’s Third New International Dictionary*, Unabridged, Volume II, H-R, copyright 1966, on page 1775,

corroborates that **potentate** is “the chief officer of a secret fraternal order; one who possesses great power or sway; a powerful company.” The *Bartlett’s Roget’s Thesaurus*, copyright 1996, on page 977, further confirms that **fraternal order** (Reference #59.4) means the same as **Secret Society**. In the *Random House Webster’s Unabridged Dictionary*, Computer Software, **sway** is defined as “to cause (a person) to incline or turn in a specified way; influence.” **Incline** means “to bow.”

We see here that the word **kings** is representative of the **“chief” officers in the Secret Societies**, the most powerful company of men and women in the world, who possess such great power that they can cause all nations, kindreds, peoples, and tongues to turn in a specified way. These are the people who influence all national and international affairs. The destiny of every country is determined largely by this powerful group. They must absolutely approve all matters that affect the global populace. Believe it or not, it is this group with whom you shall soon see **יהוה בן יהוה** coming into **“power”** and **“great”** glory.

The “chief” officers of the Secret Societies are lofty and haughty men and women who are accustomed to men bowing down to them, not them bowing down to someone. But these men and women have been “ordained”

and “chosen” by יהוה בן יהוה to fulfill prophecy, and Isaiah, Chapter 2, verses 11-12, tells us that:

The lofty looks of man shall be humbled, and the haughtiness of men shall be bowed down, and the LORD, יהוה, alone shall be exalted in that day.

For the day of the LORD, יהוה, of hosts shall be upon every one that is proud and lofty, and upon every one that is lifted up; and he shall be brought low:

And not only shall this mighty company of men and women bow, but Romans, Chapter 14, verse 11 also says:

For it is written, As I live, saith the Lord, יהוה, every knee shall bow to Me, and every tongue shall confess to יהוה.

According to *Roget's International Thesaurus*, Fourth Edition, copyright 1977, Reference #749.6-11, **king** means the same as head of state, president, and the man in the White House. These words affirm that among this great company of men and women are the heads of state, presidents of countries, including the man in the White House. All of these people are bound by “divine” decree to come to יהוה בן יהוה because of the brightness of our rising.

Research shows that the vast majority of the six million secret society members worldwide reside in the **USA** and **Great Britain**. יהוה made the white Gentiles of the United States of America the most powerful and

respectable people on the planet Earth. He has caused America to be recognized around the world as the undisputed “superpower”: When America speaks, the whole world listens. What happens in America affects the whole world. יהוה has blessed America above all nations on Earth, and He shall use America for His “divine” purpose: to fulfill prophecy. Given that fact, יהוה **shall**, beyond question, cause every nation, and every kindred, and every people, and every tongue to bow to America. Then He shall cause America to bow to יהוה בן יהוה. And when America, the most powerful country in the world, bows to יהוה בן יהוה, all nations, and kindreds, and people, and tongues **shall** also bow, according to Revelation.

Chapter 7, verse 9, which reads:

After this I beheld, and, lo, a great multitude, which no man could number, of all nations, and kindreds, and people, and tongues, stood before the throne, and before the Lamb, יהוה בן יהוה, clothed with white robes, and palms in their hands;

Let me share this with you: I heard with my own ears George W. Bush, the President of the United States of America, say something that was so profound that if I had had false teeth, they would have fallen out of my mouth. He said on CNN (latter part of August or early September 2002) that, **“America was given the right to rule by God.”** What he said is in fact true: **America was given the right to rule by God.** Now what makes this

statement true is the fact that the same God who gave America the right to rule is the same God that shall take it away, and that is verified in Psalm, Chapter 75, verse 7, which reads in part:

But God, יהוה, is the judge: He putteth down one, and setteth up another.

In the same source (*Roget's International Thesaurus*, Fourth Edition, copyright 1977, Reference #749.6-11), the word **king** is tantamount to Secretary of State. You mean to tell me that Secretary of State Colin Powell shall come to יהוה בן יהוה because of the brightness of our rising? Behold, the **“chief” officers of the Secret Societies** already know that the Messiah is in America, and that He is black. This is “one” reason why Colin Powell, Condoleezza Rice, and Kofi Annan—all black people—were put in the powerful positions they are in today. The black people wield the most powerful positions in the world. Don't be fooled by this secret move by the “chief” officers of the Secret Societies. Their stratagem is—knowing that יהוה בן יהוה shall soon come into “power” and “great” glory—to “secretly” prepare all world rulers to accept and follow the authoritative orders and commands of black people, so when יהוה בן יהוה, the black Messiah, takes rulership over all nations, they will be comfortable and will

have no problem following His “divine” orders. Let us verify this with the facts. Psalm, Chapter 72, verse 11, reads:

*Yea, **ALL** kings shall fall down before Him [יהוה בן יהוה]:
ALL nations shall serve Him.*

Continuing with the same reference, the word **king** affirms beyond a reasonable doubt that all sovereign rulers and monarchs of all nations shall come to יהוה בן יהוה because of the brightness of our rising. Princes, crowned heads, and emperors shall come. Grand dukes shall come. Even the Holy Roman Emperor shall come, and we strongly suggest that He be straight—standing up straight as well as sexually straight. No pedophile. In fact, don’t even “think” about it! Selah!

The word **kings** corroborates that among this powerful group of men and women will be the Dalai Lama as well as shahs, sheikhs, and rajas. Great Moguls, sultans, Grand Turks as well as princes, princesses, and queens shall come. Yes, that is inclusive of Queen Elizabeth, Princess Margaret, and Prince Charles and His heirs.

According to Reference #918 (in the same source), **king** validates that people who are referred to by such titles as Excellency, Eminence, His/Her Excellency, and Lord shall come to יהוה בן יהוה by virtue of the brightness of our rising. People who are acknowledged by such titles as His Royal Highness, Majesty, Royal Majesty, Imperial Majesty, and Serene Majesty

shall come. And people who are called by such titles as Most Excellent, Most Worthy, the Most Worshipful, and the Most Honorable shall come to יהוה בן יהוה as a result of the brightness of our rising.

In addition, the word **king** (Reference #830.1) gives sanction to the fact that people who are known as magnates and tycoons shall come. The world's top business leaders, top executives, industrialists, and captains of industry shall all come to יהוה בן יהוה because of the brightness of our rising.

King (Reference #836.9-13, on pages 654-655) attests to the fact that bankers and financiers shall come to יהוה בן יהוה. The word **king** gives supporting evidence to substantiate that the secretary of the Treasury, head of the Federal Reserve bank, head of Wall Street bank, Bank of England, Bank of France, the Swiss bank, and head of Ft. Knox shall all come to יהוה בן יהוה by reason of the brightness of our rising. Moreover, the top officials from the World Bank and the International Monetary Fund shall come before יהוה בן יהוה because of the brightness of our rising.

Let us continue with the last part of our foundation Scripture (Isaiah 60:3: “. . . *to the **BRIGHTNESS** of thy rising.*”) Since the kings—“chief” officers of the secret societies—shall be compelled by an irresistible impulse to come to the brightness of our rising, let us put the word

“BRIGHTNESS” on the witness stand so we can find out what this is all about. To give plausible testimony to its meaning, I now call on *The Synonym Finder*, by J. I. Rodale, copyright 1978, on page 133. It affirms that **brightness** means the same as brilliant. On page 134, **brilliant** confirms that the “chief” officers of the Secret Societies shall come because they shall see that יהוה בן יהוה has made us “divinely” intelligent, spiritually gifted, enormously apt, and supremely talented in the knowledge of the *ineffable* name, *יהוה*.

Brightness conveys that they shall come, because they shall perceive that יהוה בן יהוה has made us highly inventive, very resourceful, extremely proficient, and well accomplished in the infinite power in the *ineffable* name. Being well accomplished in the infinite power in the ineffable name suggests that they shall come to יהוה בן יהוה, because they shall notice that He has made us highly capable, exceptionally competent, notably able, and most efficient in understanding the unlimited authority endowed in the *ineffable* name.

Most assuredly, they shall become conscious of the fact that יהוה בן יהוה has made us in such a manner that we are quick in our assessments, clever in our judgments, and sharp in our linguistic analyses of the infinite wisdom that is deeply embodied in the *ineffable* name *יהוה*.

The “chief” officers of the Secret Societies shall come to בן יהוה because they shall see that He has taught us wisdom that far surpasses not only them, but also all Bible scholars in recognizing the commanding force that encircles the *ineffable* name. They shall acknowledge that He has made us quick-witted in searching out and uncovering the “natural” forces that empower the *ineffable* name.

Recognizing that we have a “direct” channel to the “natural” forces that empower the *ineffable* name says to the “chief” officers of the secret societies that בן יהוה יהוה has caused us to be thoroughly observant and most definitely clear-eyed in examining the “divine” attributes subsumed in the *ineffable* name. Understanding this lets them know that בן יהוה יהוה has given us the ability to comprehend and grammatically analyze all the essential constituents that embrace the *ineffable* name.

Embracing all of these qualities proves to the “chief” officers of the Secret Societies that בן יהוה יהוה has created us in such a way that we are truly wise, absolutely profound, and unquestionably deep in the controlling forces that encompass the *ineffable* name. With that understanding, they shall conclude that בן יהוה יהוה has made us the most scholarly, the most educated, the most learned, and the most well read in the jurisdiction and political control that extend on all sides of the *ineffable* name.

Subsequently, the “chief” officers of the Secret Societies shall bow to יהוה בן יהוה, because they shall understand well that He has made us the most worthy to proclaim as well as the most deserving to testify to the Sovereignty of the *ineffable* name יהוה.

Now that we understand our **brightness** is about our “spiritual knowledge” of the *ineffable* name, let us continue our journey and find out what the word **rising** means, as the kings of the Earth shall come to the brightness of our **“RISING.”** In *Roget’s International Thesaurus*, Fourth Edition, copyright 1977, on page 1181, **rising** is equivalent to “course” (Reference #267.2), which is equivalent to soaring.

I now request permission to question the authority of *The Synonym Finder*, by J. I. Rodale, copyright 1978, on page 1131, to affirm the definition of the word **soar**, the root of the word soaring. **Soar** is synonymous to towering. On page 1248, **towering** confirms that the “chief” officers of the Secret Societies shall come to יהוה בן יהוה, because they shall come to know that He has shaped our minds in such a way that we are greater, better, and superior to all others in Biblical interpretations. They shall come because they shall take note that we are head and shoulders above all others in making the prophecies in the Bible clear and understandable; that we are outstanding in our decoding of the Scriptures;

that we are matchless, second to none, and in a class all by ourselves in exacting every day meanings to words in the Bible. Being able to do all of these things says to the “chief” officers of the Secret Societies that בן יהוה יהוה has raised our spiritual intellectual powers to a level that we are unequaled, unmatched, and unrivaled not only by them, but also by all so-called Bible scholars in decrypting that which has been “encrypted” in the Holy Bible.

Isaiah, Chapter 60, verse 5 offers clear and convincing evidence as to why יהוה shall cause the “*ordained*” white Gentiles” to come to בן יהוה יהוה as a result of our light, and the kings—the “*chief*” officers of the Secret Societies—to the brightness of our rising, and it reads:

. . . the abundance of the sea shall be “converted” unto thee (so-called Black people of America who are descendants of slaves), *the FORCES of the Gentiles shall come unto thee.*

The answer is, because the abundance of “*all*” that “travels” by the “sea” shall be converted (or returned) unto us, and the FORCES of the Gentiles (the “*ordained*” *advanced, ultra sophisticated white Gentiles*) shall come unto us.

Question: What does the word **FORCES** mean? I now call forth the *Hebrew-Greek Key Study Bible*, on page 914, to validate its meaning. It

refers you to Reference #2428 (on page 1612) which solemnly swears that, “the main meanings of **FORCES** are strength, army, wealth, and virtuous.”

On the authority of *Webster’s Ninth New Collegiate Dictionary*, copyright 1989, on page 1166, **strength** means “support.” On page 1186, **support** is defined as “to assist, help; to provide a basis for the existence of; to uphold as valid or right; to promote the interest or cause of; to vote for.” To assist means that the “ordained” *advanced, ultra sophisticated white Gentiles* will aid us, meaning they will provide יהוה בן יהוה with what is useful or necessary to accomplish the task of building the Kingdom of Heaven on Earth. In helping us they will cooperate effectively with יהוה בן יהוה, which suggests that they will make things easier or less difficult.

First Chronicles, Chapter 28, verse 4 declares that יהוה chose Judah to be the ruler. In light of this, they will be out front promoting the interest and cause of our “righteous” rulership. And most of all, they will vote for what ever is necessary to help יהוה בן יהוה in establishing His kingdom of true holiness and righteousness in all the Earth.

Now, come, let us reason together—or let’s be real: Not all nations, kindreds, peoples, and tongues are going to welcome the coming of יהוה בן יהוה into power and great glory: some will mourn at His coming; still others will decide they are not going to acknowledge Him as the Supreme Ruler,

which carries a severe penalty for failure to comply with the wishes of יהוה בן יהוה.

In accordance with *Webster's Ninth New Collegiate Dictionary*, copyright 1989, on page 103, **army** (from forces) is defined as, “a complete military organization of a nation for land warfare; a large organized body of men armed and trained for war, esp. on land; a body of persons organized to advance a cause.”

These facts show how the kings—the “chief” officers of the Secret Societies—of all the nations of the Earth will come and bring with them large complete organized bodies of men and women “armed” for land warfare for those who choose **not** to comply with the orders of יהוה בן יהוה. This body of men and women shall be organized for the purpose of advancing the “divine” cause of יהוה בן יהוה—His New World Order. Revelation, Chapter 12, verse 5 backs this up, because it tells us how יהוה בן יהוה shall rule all nations, and it reads in part:

*And she brought forth a man child, who was to rule **ALL nations** with a rod of iron: . . .*

He shall rule **ALL** nations with what? A **rod** that is of iron. What kind of iron is this? On the authority of *Random House Webster's Unabridged Dictionary*, Computer Software, **iron** is defined as “a ‘weapon’

made of iron.” In the same source, **iron** is described as “a pistol; something used to shackle.” **Weapon** is defined as “any instrument used in defense in combat, as a rifle or cannon.”

Heads of governments, acting on the orders of the “chief” officers of the Secret Societies, shall come with their military forces to enforce the commands of יהוה בן יהוה with weapons made of iron: shackles, pistols, guns, cannons, and the like.

From a historical perspective, Daniel, Chapter 3, verse 29 makes it crystal clear as to how these weapons made of iron shall be used upon those who speak against יהוה בן יהוה, and it reads:

Therefore I (Nebuchadnezzar) make a decree, That “every” people, nation, and language, which speak any thing amiss against the God of Shadrach, Meshach, and Abednego, shall be cut in pieces, and their houses shall be made a dunghill: because there is no other God that can deliver after this sort.

The name of the God of *Shadrach, Meshach, and Abednego* was and still is יהוה. To speak anything **amiss** means to speak falsely, inappropriately, or unfavorably. So all those who want to “lip off” or show no respect, and want to speak falsely, inappropriately, and unfavorably against יהוה בן יהוה shall be cut in pieces and their “houses” shall be made repugnantly filthy.

Now note that Nebuchadnezzar did not just make the decree to only his people, but rather he had the “authority” and “approval” to make it to

every people, *every* nation, and *every* language: symbolic of the power and authority of the “chief” officers of the Secret Societies from around the world.

All nations that will not serve בן יהוה and His chosen and will not adhere to His “moral” rulership and “righteous” commands, shall suffer the fate described in Isaiah, Chapter 60, verse 12, which reads:

For the nation and kingdom that will not serve thee (בן יהוה) shall perish; yea, those nations shall be utterly wasted.

That is very clear: they shall be “utterly” wasted or useless. Now, the Random House Webster's Unabridged Dictionary, Computer Software, tells us that **wealth**, the third word from the definition of forces, is “a great quantity or store of money, valuable possessions, property, or other riches.” The leaders of the nations of the Earth shall come with “great” quantities and stores of money, valuable possessions, properties, and other such riches.

The fourth and last word in this series of definitions from **forces** is **virtuous**. From the same source, **virtue**, the root of the word virtuous, means “conformity of one’s life and conduct to moral and ethical principles, uprightness; rectitude.” The “chief” officers of the Secret Societies are “chosen” men. These are men who already conform their lives to moral and ethical principles. They already conform to uprightness. And they already

conform to being rectitudinous, meaning being correct in judgment and following righteous procedures.

Now the word **forces** in Hebrew is *chayil* (in *The New Strong's Exhaustive Concordance of the Bible*, Reference #2428), and it means, “great company, host.” Let us define each of these words. First, **company**. In *Random House Webster's Unabridged Dictionary*, Computer Software, the word **company** means, “a nation's major intelligence-gathering and espionage organization, as the U.S. Central Intelligence Agency.” Following the directives of the “chief” officers of the Secret Societies, the kings—heads of nations—shall supply יהוה בן יהוה with their “major” intelligence-gathering and espionage apparatuses, as the U.S. Central Intelligence Agency. They are already trained in and fully equipped to gather **whatever** intelligence יהוה בן יהוה will need to establish peace and good will toward all men on Earth (Luke 2:14).

And now, the next definition, **host**. In accordance with *Bartlett's Roget's Thesaurus*, copyright 1996, on page 1032, **host** (Reference #126.12) means the same as, lead the way, head up, assume command, assume responsibility, and take the helm. The “chief” officers of the Secret Societies, whose members include the leaders of all countries as well as the “ordained” advanced ultra sophisticated white Gentiles, shall come and lead

the way in helping יהוה בן יהוה to set up the Kingdom of Heaven. They shall follow the dictates of יהוה בן יהוה by assuming command of and taking responsibility for establishing “His” **order** and **protocol**. They shall come forth to יהוה בן יהוה and take the helm or positions of control in areas He assigns.

Host (Reference #473.14) also means, to receive someone, greet, welcome, receive guests, usher in, entertain, and keep open house. בן יהוה יהוה shall use the “chief” officers of the Secret Societies for receiving world leaders who shall come to meet with Him. יהוה בן יהוה shall use them to greet, welcome, and receive rulers from around the world. He will use them to usher or bring them to Him. He will even use them to set up the entertainment for those coming to worship Him. In addition, they will also be responsible for keeping open house as well as keeping open the gates continually so that the kings of the Earth may be brought, according to Isaiah, Chapter 60, verse 11, which reads:

*Therefore thy gates shall be open continually; they shall not be shut day nor night; that men may bring unto thee the forces of the **Gentiles**, and that their kings may be brought.*

Another word for **forces** is **valiant**. In *Random House Webster’s Unabridged Dictionary*, Computer Software, **valiant** means, “boldly courageous; brave; stout-hearted; worthy.” The “chief” officers of the Secret

Societies have been searching for the light. They are boldly courageous, brave, and stout-hearted, meaning they have the quality of mind or spirit that enables them to face difficulty, danger, pain, etc., without fear. יהוה created them in this fashion so His work on Earth can be done. These men and women are stout-hearted, meaning dauntless: they are not easily intimidated.

In closing, let us read Romans, Chapter 11, verse 25, and it reads:

*For I would not, brethren, that ye should be ignorant of this mystery, lest ye should be wise in your own conceits; that blindness in part is happened to Israel (the so-called Black people of America who are descendants of slaves) **until the fulness of the Gentiles be come in.***

These words are so you will not be ignorant as to why the so-called Black people of America, descendants of slaves—also known as African-Americans and people of color—have rejected their Redeemer, בן יהוה יהוה. The reason being: they are blind “in part.” The United States government and news media have published false statements about בן יהוה יהוה to suppress the truth and to keep from public view that He is in the world; therefore, the world “knows” Him not.

Be not ignorant of this mystery, my sisters and brothers, lest you be wise in “**your**” own theory and speculation: the so-called Black people of America, descendants of slaves, shall not come to בן יהוה יהוה until they

“see” with their own eyes the **“FULLNESS”** —(meaning completely filled with and fully occupied by)—of the white **“GENTILES”** (*the white “chief” officers of the Secret Societies* and the “ordained” *advanced ultra sophisticated white Gentiles*) coming to יהוה בן יהוה.

Isaiah, Chapter 9, verses 6 reads:

*For unto **US A** child is born, unto **US A** son is given: and the government shall be upon His shoulder: and His name shall be called Wonderful, Counselor, The Mighty God, The Everlasting Father, The Prince of Peace.*

יהוה בן יהוה, the **PRINCE OF PEACE**, is in the **USA**, and the establishment of the theocratic government of יהוה בן יהוה is upon His shoulder. His Father, יהוה, shall cause the **“ordained” advanced, ultra sophisticated white Gentiles** all over the world to come to our “spiritual” luminosity, and the kings (the “chief” officers of Secret Societies from all nations) to our profound wisdom, supreme knowledge, and unlimited understanding of the **ineffable** name—יהוה.

This information should make it crystal clear in our minds just how close it is to יהוה בן יהוה coming into power and great glory. For September 2002 was the first time in our history that the Gentiles all over the world were and still are able to come to our light, and the kings to the brightness of our rising. Our seminars with **Shocking Revelations** are the

LIGHT that shall **CAUSE** the Gentiles to **COME** to יהוה בן יהוה—for they shall come to know that our light is a “direct” reflection of His **LIGHT**.

Every eye on Earth can now read our “*Shocking Revelations*” on the Worldwide Web—the Internet, and we shall soon witness יהוה בן יהוה coming into public view with “power” and “great” glory with the kings, *the “chief” officers of the Secret Societies*, and *the “ordained” advanced ultra sophisticated white Gentiles*, who were ordained to eternal life by יהוה to help יהוה בן יהוה establish the Theocratic Government of יהוה on Earth. All praises be to יהוה בן יהוה for His divine wisdom, knowledge, and understanding! Selah.
