

## יהוה בן יהוה COMING IN THE CLOUDS OF HEAVEN WITH “POWER” AND “GREAT” GLORY, Part 3

All praises be to our Almighty God, יהוה, the God of Heaven and Earth, the sea and all that are in them. Bless His holy name. I want to give all praises and honor to יהוה בן יהוה the only One whose right it is to take it upon Himself to sacrifice His life that we might be forgiven for our sins of breaking the laws of יהוה. I shall forever thank Him for His love, mercy, and forgiveness. I come humbly before you, my Hebrew brothers and sisters, to speak what יהוה has given me to share with you as well as the whole world. Praise יהוה!

As we come together in peace and love, America and all nations are in an unbelievable uproar because of terrorist threats. How can America, the undisputed superpower of the world, allow two little men (Osama bin Laden and Saddam Hussein) who they call “terrorists,” to cause them to be in such an uproar and shake like a leaf on a tree? I don’t know about you, but I am under the opinion that America does not want to acknowledge the “real” Terrorist. They want to divert your attention away from the “real” Terrorist, **י-ה-ו-ה**, transliterated in English, Yahweh.

Now if you don’t believe that יהוה is the “real” Terrorist, then just watch what happens when the wicked in the American government sends His little

wicked angels to touch any one of us—the chosen of Almighty God, יהוה. I declare to you that at that very moment, they shall be introduced to the wrath of the “real” Terrorist—the Almighty יהוה Himself, who shall terrorize them, and all joined on to them, with unprecedented natural disasters. He shall send forth record-breaking *snowstorms* like the world has never seen before. In addition to His snow, He shall terrorize them with rainstorms, sand storms, dust storms, windstorms, and lightning storms. The “real” Terrorist, יהוה, shall terrorize them with His hurricanes, typhoons, cyclones, and tornadoes. He shall terrorize them with wild fires, heat waves; floods, hail; Earthquakes, volcanoes; electrical blackouts; famine; SARS, AIDS, and many other deadly diseases. He shall even terrorize them with more drought. And that is not all, but the “real” Terrorist, יהוה, shall also send forth millions of grasshoppers and billions of fire ants that will eat up and destroy all of their crops even before they mature. Anyone who chooses to mess with those of us who are doing the will of יהוה, are sealing their own fate and setting themselves up to have a face-to-face confrontation with the “real” Terrorist, י-ה-ו-ה. I suggest to America that you just might want to go on, and continue fighting with Osama bin Laden, Saddam Hussein, Kim Jong, and the like, because you **shall** *never* win against יהוה, the “real” Terrorist. Praise יהוה!

Welcome to Feast of Tabernacles 6006, here in beautiful Montreal, Quebec, Canada, the place where יהוה has chosen to place His name. I welcome you also

to this seminar entitled, *בן יהוה בן יהוה Coming In the Clouds of Heaven with “Power” and “Great” Glory*, Part 3. Our foundation Scriptures for this seminar are found in Isaiah 60:10-11, which reads:

*And the **sons** of strangers shall build up thy walls, and their **kings** shall minister unto thee: for in My wrath I smote thee, but in My favor have I had mercy on thee.*

*Therefore thy gates shall be open continually; they shall not be shut day nor night; that men may bring unto thee the forces of the **Gentiles**, and that their **kings** may be brought.*

In Part 2, we validated that the **kings** are the “chief” officers of the Secret Societies. Now before we get into discussing these verses, I have some additional, clear and convincing evidence that will lay to rest who the Gentiles are today. Let me direct your attention to one of the world’s most respectable authorities, *The Hebrew-Greek Key Study Bible*, copyright 1991, on page 1569, in Revelation, Chapter 11, verse 2, which gives the Reference #1484 for *Gentiles*. In the Lexical Aids To The New Testament section, on page 1710, Reference #1484, it reads that the word Gentile in Greek is “*ethnos*: a nation, people.” The synonym for Gentile is **demos** (Reference #1218), and it means “a popular assembly from which is derived the English word **democracy**.” Now Reference #1482 and #1483, which also come from *ethnos*, reads that:

“Gentile pertains to those who are *unconnected* with the people and the God of salvation.” Reference #1218 (on page 1703), reads: “**Demos**; from *deo*, A people, so called because they are

united by laws and ties of society. From this word is derived **democracy** where the people rule.”

These facts assert positively that the Gentiles are a nation of people who are *unconnected* with the people and the God of salvation. They are a nation or people who are governed by *democratic* rule, and do not acknowledge יהוה, the God of the Bible nor His laws. Furthermore, they are a nation of people who are united by the laws and ties of society where the people rule.

Being armed with these indisputable facts, is there any doubt in your mind as to who the Gentiles are today? These preponderant facts prove beyond a reasonable doubt that Gentiles are the American white people--the “chief” promoters, supporters, and upholders of **“DEMOCRACY.”** It is America that has been going to and fro and walking up and down in the full width of the Earth with a mission to *democratize* the whole world; even this very moment: Iraq, Afghanistan, Iran, Syria, China, Korea, Russia, Cuba, to name a few.

Although America is a nation of people who are unconnected to יהוה, the **God of salvation**. He has, yet, “ordained” some advanced, ultra sophisticated white Gentiles in America who *shall* glorify His word; and as many as He has “ordained” to eternal life *shall* believe (Acts 13:48). Now I know that many of you do not believe all that I have said in Parts 1 and 2 about the things the Gentiles and the “chief” officers of the Secret Societies shall do, but let me remind you of

something that we can all relate to which probably looked or sounded unbelievable over 400 years ago. Let us read Genesis 15:13:

*And he said unto Abram, Know of a surety that thy seed shall be a stranger in a land that is not theirs, and shall serve them; and they shall afflict them four hundred years;*

No doubt, at the time יהוה spoke these words, our ancestors from the tribe of Judah thought that was impossible. But read what happened to them in Deuteronomy 28:68, and it reads:

*And the Lord, יהוה, shall bring thee into Egypt again with ships, by the way whereof I spake unto thee, Thou shalt see it no more again: and **there ye shall be sold unto your enemies for bondmen and bondwomen, and no man shall buy you.***

Can we all attest to the fact that this indeed happened? Question: Did יהוה use the Gentiles—the American white people—to fulfill this prophecy? Yes, He did! Well, in like manner, He shall also use them today, knowingly or unknowingly, to fulfill “all” that He has decreed them to do. יהוה has always raised up “**men**” who would fulfill His “divine” will and purpose, not some angels with wings floating down out of the sky as we have seen in movies and in books. Every man on this planet today has a duty to perform and a mission to fulfill in regard to doing the will of יהוה, consciously or unconsciously.

Now let us refresh our minds with some historical facts to show the power of יהוה in controlling the affairs of men and how He uses them to fulfill prophecy and to manifest that which seems impossible. Let us read Genesis 41:40-41:

*Thou shalt be over my house, and according unto thy word shall all my people be ruled: only in the throne will I be greater than thou.*

*And Pharaoh said unto Joseph, See, I have set thee over all the land of Egypt.*

Joseph was hated by his brethren, sold into slavery, falsely accused of some wrongdoing, and thrown into prison. However, Joseph was brought out of prison and made ruler over all the land of Egypt. I believe that was truly “unimaginable” to the Egyptians.

And one last Scripture is found in Daniel 2:48, which reads:

*Then the king made Daniel a great man, and gave him many great gifts, and **made him ruler** over the whole province of Babylon, and chief of the governors over all the wise men of Babylon.*

Even though Nebuchadnezzar had Daniel cast into the den of lions; yet he made Daniel ruler over the whole province of Babylon, and *chief* of the governors over all the wise men of Babylon. I suppose that, too, was “unthinkable” to the people of Babylon at the time.

I believe my points of view are well taken in that יהוה used men to fulfill all of these Scriptures, no matter how powerful they were at the time. Such is the case today: He *shall* use the “chief” officers of the Secret Societies as well as the

“ordained” advanced, ultra sophisticated white people to do His will regardless of how impossible it may appear. Now with those facts firmly established, let us return to our first foundation Scripture for today, Isaiah 60:10, which reads:

*And the **sons** of strangers shall build up thy walls, and their **kings** shall minister unto thee: for in My wrath I smote thee, but in My favor have I had mercy on thee.*

The fact that our walls must be built up suggests that they were torn down, which is affirmed in Deuteronomy 28:52, which reads:

*And he shall besiege thee in all thy gates, until thy high and fenced **walls** come down, wherein thou trustedst, throughout all thy land: and he shall besiege thee in all thy gates throughout all thy land, which the Lord thy God, יהוה, hath given thee.*

יהוה used the white Gentiles to besiege us throughout all of our land, and until all of our high and fenced walls came down. Why? Because יהוה, in His wrath, smote us for breaking His laws but, today, in His favor, He is having mercy on us and is causing the white Gentiles in America to *build up* our walls.

According to *The Cassell Dictionary & Thesaurus*, copyright 1999, on page 146, **build up** is defined as “to set up; to establish.” *The New Strong’s Complete Dictionary of Bible Words*, copyright 1996, on page 273, Reference #2426, refers us to Reference #2428, which describes **wall** as “power, strength, resources, wealth, great forces, goods, riches, substance, etc.” Therefore, יהוה is causing America to set up the standard operating procedure for *all* of our power,

strength, resources, wealth, and great forces to be returned to us. They must establish plans and organize the means by which all of our goods, riches, substance, which they besieged, must be reinstated. This is why יהוה is requiring them to fulfill our second foundation Scripture, Isaiah 60:11, and it reads:

*Therefore thy gates shall be open continually; they shall not be shut day nor night; that men may bring unto thee the forces of the **Gentiles**, and that their **kings** may be brought.*

Having said that, of all the people on the planet Earth, יהוה has chosen the “ordained” advanced, ultra sophisticated white **Gentiles** of America to play the most prominent role in יהוה בן יהוה coming into “power” and “great” glory. The men who have been chosen to fulfill these roles were chosen from the foundation of the Earth, which is affirmed in Genesis 3:24, which reads:

*So he drove out the man; and he **placed** at the east of the garden of Eden **Cherubims**, and a **flaming sword** which turned every way, to keep the way of the Tree of Life.*

Let us closely examine what happened here. In *The New Strong's Complete Dictionary of Bible Words*, copyright 1996, on page 193, **placed** (Reference #7931) is defined as “to permanently stay.” Thus, we see that יהוה placed the *Cherubims* in the east of the garden of Eden to *permanently* stay until He returns and restores us to the Garden of Eden, the Promised Land.

So now, let us identify this *flaming sword*. In this same source, on page 99, (Reference #3858) **flaming** by definition is “enchantment,” while in *The Random*

*House College Dictionary*, Revised Edition, copyright 1988, on page 435, **enchant**, the root of the word enchantment, is “to subject to magical influence.” On page 804, **magic**, the root of magical, implies “any extraordinary or irresistible influence.” So *flaming* confirms that יהוה has given the Cherubims extraordinary power and irresistible influence to fulfill His will.

The next word we shall define is *sword*. Referring back to *The New Strong's Complete Dictionary of Bible Words*, copyright 1996, on page 251, **sword** (Reference #2719) is “a sharp implement.” In accordance with *The Random House College Dictionary*, Revised Edition, copyright 1988, on page 667, **implement** is described as an “agent; a means.” An **agent** (on page 25) is “a person authorized by another to act on his behalf.” On page 828, **means** is depicted as “considerable financial resources; riches.” Therefore, יהוה has authorized the Cherubims to act on His behalf. He has blessed them with considerable financial resources and *great* riches, which are enabling them to carry out His “divine” wishes here on Earth.

Given the fact that the Cherubims were to *permanently* stay where יהוה placed them, let us *affirm* exactly who these **Cherubims** are today. While *Webster's Ninth New Collegiate Dictionary*, copyright 1989, on page 231, describes **cherub**, the singular of Cherubims, as “an *order* of angels”; on page 830, the word **order** is defined as “a group of people united in a formal way: as a fraternal society (the Masonic *Order*).” On the authority of *Bartlett's Roget's*

*Thesaurus*, copyright 1996, on page 1163, **order** (Reference #59.4) is the same as Secret Society. In conformity with *The Synonym Finder* by J. I. Rodale, copyright 1978, on page 813, **order** is also reciprocal to *Skull and Bones*. Based on all of these facts, we can reasonably confirm that the Cherubims are an “ordained” group of people who were united in a “formal” way into a Secret Society known as *Skull and Bones*.

The next word in the definition of Cherub is *angel* (“an order of **angels**”). In *Webster’s Ninth New Collegiate Dictionary*, copyright 1989, on page 85, **angel** is characterized as a “messenger.” A **messenger**, on page 745, is a “forerunner.” In agreement with *Merriam Webster’s College Dictionary*, Tenth Edition, copyright 1993, on pages 456-457, **forerunner** is “one that precedes and indicates the approach of another; a precursor.” And a **precursor** (on the same page) is “a person paving the way for the success or accomplishment of another; one that proclaims or announces the arrival of a notable event.” In *Microsoft Encarta College Dictionary*, copyright 2001, on page 1066, the phrase **pave the way (for something)** means “to prepare for and facilitate the progress of something.”

These subsequent facts further confirm that the “chief” officers of the Secret Societies, more specifically Skull and Bones, have been “ordained” by יהוה to prepare for His Son, יהוה בן יהוה, coming into “power” and “great” glory. A large part of their responsibility is to prepare for and facilitate the progress of יהוה

בן יהוה to successfully accomplish the shifting of powers: from democracy to *theocracy*. They have been chosen to precede and to indicate the preliminary “approach” of בן יהוה to His holy throne. Moreover, they have also been “charged” to proclaim the coming of בן יהוה into “power” and “great” glory, as well as to “officially” announce the arrival of this most notable event.

Referenced in *The New Strong's Complete Dictionary of Bible Words*, copyright 1996, on page 47, **Cherubim** (Reference #3742) is described as an “imaginary figure.” On the authority of *Random House Webster's Unabridged Dictionary*, copyright 1999, Computer Software, the word **imaginary** is synonymous to “shadowy.” In the same source, **shadow**, the root of the word shadowy, means, “without official authority: *a shadow government*; not having official status; a mere semblance.” In *The Synonym Finder* by J. I. Rodale, copyright 1978, on page 1089, **semblance** means the same as appearance or face. And **figure** is a “prominent personality.”

Thus, **cherubims**, from the perspective of an imaginary figure, are a prominent group of people who are *without* official authority in their “divine” work. They constitute a “*Shadow*” *Government*. And as such, they work *without* “official” authority in the “elected” and “appointed” government of America. That being the case, they have absolutely no “*official*” status. But, however, the “divine” work they are doing in “secret” gives the “appearance” (or “face”) of

having not only “official” authority, but also “official” status. As a “Shadow” Government, they operate “secretly” alongside the *officially* “elected” and “appointed” government.

Now let us further examine the word **Cherub**, the singular of Cherubims, from another source. The *Webster’s New World Dictionary*, Third College Edition, copyright 1994, on page 241, describes **cherub** as “one of the *winged* Heavenly beings that support the throne of God or act as guardian spirits.” To understand this clearly requires close scrutiny. Therefore, we shall decode the words *winged* and *Heavenly*. First, the word *winged*. Referenced in *Random House Webster’s Unabridged Computer Dictionary*, copyright 1999, Computer Software, **winged** is defined as “elevated; having wings.” **Wing** (in the same source) depicts “traveling,” and **travel** by definition is “to move in a fixed course.” On page 623 (*Webster’s New World Dictionary*, Third College Edition, copyright 1994), the second word, **Heavenly**, is synonymous to *celestial*, while **celestial** on page 225, means “of the highest kind.”

The Cherubims—the “Shadow” Government, elevated beings of the “highest” kind—have been “ordained” to support the throne of יהוה and to act as His guardian spirits. In agreement with *The Synonym Finder* by J. I. Rodale, copyright 1978, on pages 477 and 1196, to *support* the throne of יהוה and to act as His *guardian spirits* means that they must protect, watch over, secure, and defend

יהוה בן יהוה. Moreover, while moving in a “fixed” course, they must also provide for, take charge of, and set up the One World Order on His behalf.

Meanwhile, let us go back to the definition of *travel* (“to **move** in a fixed course”) and define the word *move*. In *Webster’s New World Dictionary*, Third College Edition, copyright 1994, on page 888, **move** means “to turn.” On page 1441, **turn** is described as “to twist.” In accordance with *Random House Webster’s Unabridged Dictionary*, Computer Software, copyright 1999, **twist** is described as “to cause to move with a rotary.” Using the same source, **rotary** is defined as, “turning around on an axis as a **wheel**.” And **turn** also means “to change the course of.”

In light of these facts, we can infer that these “winged” beings of the highest kind; specifically, **Skull and Bones**, shall change the course of history by turning America around from one direction to another, like that of rotating or revolving on an axis, as a **wheel**. On the authority of *Microsoft Encarta College Dictionary*, copyright 2001, on pages 1548-1549, to **turn around** authenticates that they shall cause America to change direction and follow a different path. And most importantly, they shall enact “orders” that shall cause America to even undergo a change of *allegiance*, and thus, “secretly” carry out all of the necessary procedures to complete the setting up of the Kingdom of יהוה on Earth.

Now in *Bartlett's Roget's Thesaurus*, copyright 1996, on page 1364, **turn around** (Reference #680.22 and #682.14) also means the same as *whirl, circle, and wheel*. From these facts, we can see that the work of the Cherubims is like that of a wheel, where things are turning around in circles or whirls, as a wheel. This is, in fact, describing the **wheel** that Ezekiel saw in the middle of a wheel. Based on the teachings of יהוה בן יהוה, we cannot form conclusions without the facts. So let us put the facts in the hot seat.

Please open your Bible to Ezekiel, Chapter 1. As we read this Chapter, please pay very “close” attention to the repeating of the same words. Let us read please, starting at Verse 4 through 22:

*Ezekiel 1:4 And I looked, and, behold, a **whirlwind** (circles) came out of the north, a great cloud (circles), and a fire (light) infolding (circle) itself, and a brightness was about it, and out of the midst (circle) thereof as the colour of **amber**, out of the midst (circle) of the fire.*

*Ezekiel 1:5 Also out of the midst (circle) thereof came the **likeness of four living creatures**. And this was their appearance; they had the **likeness of a man**.*

*Ezekiel 1:6 And every one had **four faces**, and every one had **four wings**.*

*Ezekiel 1:7 And their feet were straight feet; and the sole of their **feet was like the sole of a calf's foot**: and they sparkled like the colour of burnished brass (light).*

*Ezekiel 1:8 And they had the hands of a man under their **wings** on their **four** sides; and they **four** had their **faces** and their **wings**.*

*Ezekiel 1:9 Their **wings were joined one to another**; they turned not when they went; they went every one straight forward.*

*Ezekiel 1:10 As for the likeness of their **faces**, they **four** had the **face** of a man, and the **face** of a lion, on the **right side**: and they **four** had the **face** of an ox on **the left side**; they **four** also had the **face** of an eagle.*

*Ezekiel 1:11 Thus were their **faces**: and their **wings** were stretched upward; two **wings** of every one were **joined one to another**, and two covered their bodies.*

*Ezekiel 1:12 And they went every one straight forward: whither the spirit was to go, they went; and they turned not when they went.*

*Ezekiel 1:13 As for the likeness of the living creatures, their appearance was like burning coals of fire, and like the appearance of lamps: it went up and down among the living creatures; and the fire was bright, and out of the fire went forth lightning.*

*Ezekiel 1:14 And the living creatures ran and returned as the appearance of a flash of lightning.*

*Ezekiel 1:15 Now as I beheld the **living creatures**, behold one **wheel** upon the Earth by the **living creatures**, with his **four faces**.*

*Ezekiel 1:16 The appearance of the **wheels** and their work was like unto the colour of a beryl: and they **four** had one likeness: **and their appearance and their work was as it were a wheel in the middle of a wheel.***

*Ezekiel 1:17 When they went, they went upon their **four sides**: and they turned not when they went.*

*Ezekiel 1:18 As for **their rings**, they were so high that they were **dreadful**; and **their rings** were full of eyes round about them **four**.*

*Ezekiel 1:19 And when the **living creatures** went, the **wheels** went by them: and when the **living creatures** were lifted up from the Earth, the **wheels** were lifted up.*

*Ezekiel 1:20 Whithersoever the spirit was to go, they went, thither was their spirit to go; and the **wheels** were lifted up over against them: for the **spirit of the living creature** was in the **wheels**.*

*Ezekiel 1:21 When those went, these went; and when those stood, these stood; and when those were lifted up from the Earth, the **wheels** were lifted up over against them: for the spirit of the **living creature** was in the **wheels**.*

*Ezekiel 1:22 And the likeness of the firmament upon the heads of the **living creature** was as the colour of the **terrible crystal**, stretched forth over their heads above.*

Ezekiel, Chapter 10 describes similar things. Only יהוה Himself can reveal what this means. Both chapters are written in the form of a parallelism. As noted in *Microsoft Encarta College Dictionary*, copyright 2001, on page 1054, **parallelism** is defined “in writing, as the deliberative repetition of particular words for effect.” On page 457, **effect** means “an impression produced in the mind of somebody who reads something, especially, one that is deliberately intended.” The words are deliberately repeated to produce an impression in the mind of the reader. The first impression in my mind was the repetition of words. Realizing that they were

deliberately intended for a particular purpose forced me to look beyond the rhetoric and focus more specifically on the “words” repeated.

Now when we closely examine Ezekiel, Chapters 1 and 10, this is what he saw: He saw the likeness of **the throne of יהוה בן יהוה**. He saw **four living creatures** who had the likeness of a man. Ezekiel 10:20 describes these living creatures, and it reads: *“This is the **living creature** that I saw under the God of Israel by the river of Chebar; and I knew that they were the **Cherubims**.”* The **four** living creatures were Cherubims. Every one had **four faces** and every one had **four wings**. As for the likeness of their **faces**, they **four** had the **face** of a man, and the **face** of a lion, on the right side: and they **four** had the **face** of an ox on the left side; they **four** also had the **face** of an eagle. Two **wings** of everyone were joined together. Their **wings** were **joined** one to another. Now this is the most substantive of all: As for their **appearance** and their **work** they had **one likeness**: it was as it were a **wheel in the middle of a wheel**. Their **rings** were so high that **they were dreadful**; and were full of **eyes** round about them. Every one stood at the door of the **east gate** of the Lord’s house; and the **glory of God, יהוה**, was over them above.

Between Ezekiel, Chapters 1 and 10, the word **four** occurs 19 times; **wheels** 18 times; **wings** 17 times; **living creature(s)** 14 times; and **faces** 9 times. The meaning of these words shall reveal one of the most hidden mysteries in the entire

Holy Bible. **Four** by definition is a set number of things. In accordance with *The New Strong's Complete Dictionary of Bible Words*, copyright 1996, on page 277, **wheel** (Reference #1534) is a reduplicate from #1556. Look a few numbers down at 1538 (which is also a reduplicate of 1556) and it describes **wheel** as “*skull*.”

Because Ezekiel, Chapter 1 is so highly figurative, every possible scenario must be explored. So, we shall seek an understanding of the “physical” **skull**. In *The Random House College Dictionary*, Revised Edition, copyright 1984, on page 1234, **skull** is defined as “the **bony** framework of the head, enclosing the brain and supporting the **face**; the skeleton of the head.” On page 1231, **skeleton** is defined as “the **bones** of a man considered as a whole, together forming the framework of the body.”

From these points of view, we can see that the **skull** as a whole is **bones**. The skull encloses the brain: both are circles (in fact, double circles). The **skull** also supports the **face**, which contains all doubles: two eyes; two sets of eyelids and eyebrows; two ears; two nostrils; two lips, two sets of teeth; two cheek bones. Keep this in mind as we decode what this means. These facts validate that this is cryptically describing **skull** and **bones**: a body of double eagles.

Now let us move on to something even more technical, and define two parts of the human skull, which will clearly reveal the hidden mystery in Ezekiel, Chapter 1. Hold onto your seats, you are in for the shock of your life. As I read the

definitions of these bones, please reflect on the words that were repeated in that Chapter. In *The Random House College Dictionary*, Revised Edition, copyright 1988, on page 1234, the **human skull** has what is called the *sphenoid bone* and *zygomatic bone*. On page 1379, in *Webster's New World College Dictionary*, Fourth Edition, copyright 1999, the **sphenoidal bone** is defined as “a wedge-shaped **crystal** form having *four* triangular *faces*.” (This bone symbolizes the **four faces** in Ezekiel 1:6 and 10:14; and that terrible **crystal**, stretched forth over their heads above, as described in Ezekiel 1:22.)

Let us move on now to the *Microsoft Encarta College Dictionary*, copyright 2001, on page 1389, to get a second opinion about the **sphenoid bone**. It is also defined as “a bone with *prominent wings* at the base of the cranium.” (This bone is symbolic of the **wings** in Ezekiel 1:6, 8-9, 11.)

At this time, let us define the second bone: the **zygomatic bone**. In *Webster's Third New International Dictionary*, Volume III, copyright 1966, on page 2662, **zygoma**, the root of the word **zygomatic**, means “to **join together**” (as written in Ezekiel 1:9, 11—two wings of every one were **joined** one to another.) On page 1534 (*The Random House College Dictionary*, Revised Edition, copyright 1984), the **zygomatic bone** is defined as “a bone on **each side** of the **face** below the **eye**, forming the prominence of the cheek and part of the orbit.” (Ezekiel 1:10: they **four** had the **face** of a man and the **face** of lion on the **right side**: and the

face of an ox on the **left side**; they four had the **face** of an eagle.) On page 935, the **orbit** is defined as “the **bony** cavity of the **skull** that contains the **eye**.” (Ezekiel 1:18: ... and their rings were full of **eyes** round about them four.)

All that is figuratively described in Ezekiel, Chapter 1 is hidden in the meaning of the physical **bones** of the **skull**. There you have it! With all of the ambiguities and repetitiveness removed, Ezekiel saw the Secret Society, **Skull and Bones**—the “Shadow” Government—preparing for and setting up the throne of יהוה בן יהוה, and it was as the appearance of a sapphire stone. Praise יהוה!

Let us continue. Their overall **APPEARANCE** and **WORK** was as **ONE** likeness: as it were **a wheel in the middle of a wheel** (Ezekiel 1:16; 10:10). Praise יהוה! Curiosity is getting the best of me. So, I am going to jump right into **a wheel in the middle of a wheel**. To decrypt this, I already know I must summon all my top authorities. So let us begin by first calling forth *Webster’s New Universal Unabridged Dictionary*, copyright 1996, on pages 2163-2164, to give meaning to the word **wheel**. It confirms that **wheel** is “an involved interaction of agencies operating to produce the final result: *Government agencies are a study of wheels within wheels.*” This definition is most interesting because now we see that **wheel in the middle of a wheel** is an involved interaction of agencies operating to produce the final result: יהוה בן יהוה coming into “power” and “great” glory.

In *Metaphorically Speaking*, copyright 1990, on page 284, *wheels within wheels* is described as “secret machinations.” Let us define the word *secret* first. Referenced in *Webster’s Ninth New Collegiate Dictionary*, copyright 1989, on page 1061, **secret** is defined as “containing information whose unauthorized disclosure could endanger national security; closemouthed; working with hidden aims or methods; conducted in secret; remote from human notice; revealed only to the initiated.”

The plans that the “chief” officers of the Secret Societies, especially Skull and Bones, have for יהוה בן יהוה coming into “power” and “great” glory are so “secretive” that they contain information whose unauthorized disclosure could endanger not only national security but also international security as well. Therefore, this knowledge is known only to the “super” (or “chief” officers) of **Skull and Bones**; those who are far beyond even the 33-degree masons. In fact, this group is called the “elite” cadre of “super masons.” Knowing the highly sensitive nature of their “divine” mission, they are extremely closemouthed. They work with hidden aims and methods. Their meetings are conducted in the most secret places that exist on Earth, reserved and far removed from any human notice.

We shall now define the second word, **machinations**. On page 713, (in *Webster’s Ninth New Collegiate Dictionary*) **machine**, the root of the word **machinations**, is defined as “an organization that resembles a machine; a

combination of persons acting together for a common end along with the agencies they use; a highly organized political group . . . .”

Skull and Bones is a “secret” organization that resembles a machine in that it is made up of a combination of persons acting together for a common end along with the federal agencies they are using in the “elected” and “appointed” government. They are a highly organized political group. This elite group consists of the most influential people in the world; all acting together as *ONE* to fulfill the “divine” will and purpose of God, יהוה. They are the most dreadful group of men on Earth, so much so that they are held in awe and reverential fear. Too, they are full of eyes round about, meaning they hear, see, and know all.

When יהוה drove man out of the Garden of Eden, He gave the Cherubims the power to **turn every way, to keep the way of the Tree of Life**, as written in Genesis 3:24, which reads in part

*So he drove out the man; and he placed at the east of the garden of Eden Cherubims, and a flaming sword which turned every way, to keep the way of the Tree of Life.*

יהוה בן יהוה *is* the **Tree of Life**. And יהוה has “ordained” these Cherubims—“chief” officers of the Secret Society, Skull and Bones—to turn every way to keep the way of יהוה בן יהוה. Referenced in *The Random House Dictionary of the English Language*, the Unabridged Edition, copyright 1967, on page 495, **every way** means “in every direction, manner, or respect.” On page 407, **direct**, the root

of the word direction, is defined as “without intervening persons, influences, factors; etc.; straightforward.” On page 872, **manner** is every “method, mode, or style.” **Respect**, on page 1221, is “preference”; **preference**, on page 1134, means “that which is preferred; choice.” And **direction** in *The Synonym Finder* by J. I. Rodale, copyright 1978, on page 296, is the same as order; command.

Therefore, יהוה has given the Cherubims—the Secret Society, Skull and Bones—the right to carry out his “divine” plan without intervening persons in the “elected” and “appointed” government, without any outside influences, or without any other contributing factors. All of their actions are being carried out in a straightforward manner. They have the power to issue any orders or commands, and to use every method, mode, or style they prefer or choose in order to perform their duties and to fulfill their mission of ushering in the New World Order—the government of theocracy—on behalf of the Messiah, יהוה בן יהוה.

Using the same source, on page 623, **keep** (. . . *to keep the way of the tree of life*) is equivalent to obey, submit to, respect, and acknowledge. The “chief” officers of the Secret Societies, particularly Skull and Bones, are to lead the world in obeying, submitting to, respecting, and acknowledging יהוה בן יהוה at His coming to bring peace on Earth and goodwill toward men.

This circle of men, figuratively described as the *wheel in the middle of a wheel*, is “secretly” turning America in a different direction; putting it on a

different course that prophecy might be fulfilled: and that is, יהוה בן יהוה coming into “power” and “great” glory. To do this, the “Shadow” Government is using agencies within the “elected” and “appointed” government of America to put in place the means by which the ordination of יהוה בן יהוה can be done in the safest and most orderly fashion.

The principal agency they are using is called FEMA (Federal Emergency Management Agency). **FEMA** has a close pronunciation to that of *femur*. In *Webster’s Ninth New Collegiate Dictionary*, copyright 1989, on page 456, **femur** is defined as “the proximal **bone** . . .” Let us examine the definition to determine how this bone connects with FEMA. In *The Webster’s Third New International Dictionary*, Unabridged, copyright 1966, Volume II, on page 1828, the word **proximal** is described as “located toward the center of the body.” Referenced in *Roget’s International Thesaurus*, Fourth Edition, copyright 1977, on page 839, **body** (Reference #788.1), is synonymous to political machine; society.

We can reasonably assert from these facts that FEMA is actually a political machine that is located toward the center (or middle) of the “elected” and “appointed” government of America. The “Shadow” Government—Skull and Bones—shall use this agency to ensure that the induction of יהוה בן יהוה be brought about with little disruption.

To guarantee little or no disruption and to secure the peaceful changeover from democratic rule to *theocratic* rule, the “Shadow” Government has subreptitiously put in place **executive “orders”** associated with FEMA that will suspend the Constitution and the Bill of Rights. These executive “orders” can be enacted by the stroke of a presidential pen. Allow me to share a few with you and discuss why they are so important and the role they play in the coming of בן יהוה into “power” and “great” glory:

**EXECUTIVE “ORDER” 10990 allows the government to take over all modes of transportation and control of highways and seaports.** Let us read Numbers

20:17-18, 20-21 to find out why this order is so important, and it reads:

*Numbers 20:17 Let us pass, I pray thee, through thy country: .*

...

*Numbers 20:18 And Edom said unto him, Thou shalt **not** pass by me, lest I come out against thee with the sword.*

*Numbers 20:20 . . . And Edom came out against him with much people, and with a strong hand.*

*Numbers 20:21 Thus Edom refused to give Israel passage through his border: wherefore Israel turned away from him.*

When בן יהוה calls for His people, He will execute this order which will give Him full control over all modes of transportation and control of highways; thus, all borders as well. Therefore, no one will be able to turn away anyone He

wants to pass through. Now, why the seaports? Well, Isaiah 60:5, tells us why, and it reads in part:

*. . . because the abundance of the sea shall be converted unto thee, the forces of the Gentiles shall come unto thee.*

One such reason is so the abundance of the sea shall be converted unto us, as well as the forces of the Gentiles shall come unto us. יהוה בן יהוה shall have full control of seaports so the wealth of all the nations of the Earth can be brought and so that accurate accountability can be properly ascertained and recorded. Plus, He shall have control so no mad cow, genetically altered foods, and the like, will be able to enter any country.

**EXECUTIVE “ORDER” 10995 allows the government to seize and control the communication media.** When יהוה בן יהוה comes into power and great glory, He shall immediately seize control of all the communication media. There won't be any need for anyone to hear anything other than what He has to say. He shall seize control of both print and electronic media: radio, television, Internet; all newspapers, magazines, and publishing companies. Nothing they say, write, nor print is about morality, righteousness, or keeping the laws of the God of salvation. So there won't be a need for anyone else to have access to any of the communication media, including satellite. All programming will be on the laws of יהוה and related subjects. When He wants to speak live to all nations of the Earth or have His representatives to speak on His behalf, these mediums will be

available. Let us go to one Scripture to prove the importance of this order. Let us read Matthew 28:19-20 in terms of יהוה בן יהוה speaking to all nations:

*Matthew 28:19 Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost:*

*Matthew 28:20 Teaching them to observe all things whatsoever I have commanded . . . .*

**EXECUTIVE “ORDER” 10997 allows the government to take over all electrical power, gas, petroleum, fuels and minerals.** This will end all the fighting over the oil, energy, and minerals, and natural resources of יהוה. Genesis 26:15 tells us how crucial this order is, and it reads:

*For all the wells which his father’s servants had digged in the days of Abraham his father, the Philistines had stopped them, and filled them with Earth.*

The oil wells belong to יהוה which were digged in the days of our forefather Abraham. America is over there fighting in Iraq right now for oil because she has drained all of her oil wells dry, stopped them up, and filled them with dirt. So יהוה בן יהוה shall take over all of these natural resources. Under His control, you won’t have to worry about blackouts, ancient grid lines, and such.

**EXECUTIVE “ORDER” 10998 allows the government to take over all food resources and farms.** As it was in the days of Joseph, so shall it be at the coming of יהוה בן יהוה. Let us read Genesis 41:57:

*And all countries came into Egypt to Joseph for to buy corn; because that the famine was so sore in all lands.*

Famine shall soon be sore in **all** lands, including America, and unless בן יהוה takes over all the food resources and farms *very soon*, there will be no food. Therefore, בן יהוה shall swiftly execute Leviticus 26:34-35, which reads in part:

*Leviticus 26:34 Then shall the land enjoy her sabbaths, as long as it lieth desolate, and ye be in your enemies' land; **even then shall the land rest, . . . .***

*Leviticus 26:35 As long as it lieth desolate it shall rest; . . . .*

בן יהוה shall take over all food resources and farms, let the land rest as commanded by יהוה, and **all** countries shall come to Him to buy their food.

**EXECUTIVE “ORDER” 11000 allows the government to mobilize civilians into work brigades under government supervision.** בן יהוה has always

maintained that He has a job for every man on the planet Earth. Using this executive order, He shall mobilize civilians into work brigades to fulfill Amos 9:14

which reads:

*And I will bring again the captivity of my people of Israel, and they shall **build the waste cities**, and inhabit them; and they shall **plant vineyards**, and drink the wine thereof; they shall also **make gardens**, and eat the fruit of them.*

Just building the waste cities alone will create a job for every person on the planet Earth. Under the theocratic ruler ship of בן יהוה, there will be no more slums

and ghettos in any country, as every one will have adequate housing and the financial means to support their families. In addition, let us read 2 Chronicles 17:12 in part:

*And Jehoshaphat waxed great exceedingly; and he **built** in Judah **castles**, and **cities of store**. . . .*

You know, “my” mind told me יהוה had a castle waiting for me. Todah, יהוה. Praise יהוה!!!! And above all the building that shall take place, that **great city**, holy **Jerusalem** (Revelation 21:10-21), shall also be built, which is where the Messiah, יהוה בן יהוה, shall dwell.

**EXECUTIVE “ORDER” 11001 allows the government to take over all health, education, and welfare functions.** Let us read Matthew 10:1:

*And when he had called unto him his twelve disciples, he gave them power against unclean spirits, to cast them out, and to **heal all manner of sickness and all manner of disease**.*

יהוה בן יהוה shall teach all nations His dietary laws, and when obeyed, the people shall be healed. Now the medical doctors *scribble* some marks on a piece of paper, you take it to the pharmacist, and whatever he *scribbled* on that piece of paper, called a prescription, is what he says will heal you. The “righteous” prescription for healing the world of all sickness and disease, AIDS, heart attacks, cancer, strokes, epilepsy, diabetes, you name it, is written on a piece of paper in Psalm 107:20, which reads:

*He sent his **WORD**, and healed them, and delivered them from their destructions.*

We are witnesses that the **Word** of יהוה can heal you. He shall close all educational institutions in the world, and replace them with Universities of יהוה.

With respect to welfare, under the rulership of יהוה בן יהוה, we are all one, according to Galatians 3:28:

*There is neither [Hebrew] nor Greek, there is neither bond nor free, there is neither male nor female: for ye are all one in Christ, יהוה בן יהוה.*

There will be no discrimination under the theocratic government of יהוה. All nations, kindreds, people, and tongues—black, white, red, brown, yellow—are *one* in the eyes of יהוה בן יהוה.

**EXECUTIVE “ORDER” 11002 designates the Postmaster General to operate**

**a national registration of all persons.** In order to divide the land equally and provide for households properly, etc., יהוה בן יהוה shall immediately call for an *international* registration of all persons in every country. These numbers shall be used to determine how many houses shall be built, amount of food needed, jobs, and the like. Let us read Numbers 26:52-55 and Deuteronomy 32:8:

*Numbers 26:52 And the Lord, יהוה, spake unto Moses, saying,*

*Numbers 26:53 Unto these the land shall be divided for an inheritance according to the number of names.*

*Numbers 26:54 To many thou shalt give the more inheritance, and to few thou shalt give the less inheritance: to every one shall his inheritance be given according to those that were **numbered** of him.*

*Numbers 26:55 Notwithstanding the land shall be divided by lot: according to the names of the tribes of their fathers they shall inherit.*

*Deuteronomy 32:8 When the Most High divided to the nations their inheritance, when he separated the sons of Adam, he set the bounds of the people according to the **number** of the children of Israel.*

**EXECUTIVE “ORDER” 11003 allows the government to take over all airports and aircraft, including commercial aircraft.** No matter where you

travel in America, almost every airport is undergoing extensive construction, renovations, in spite of the dramatic decrease in airline travel. And, even more, extensive road construction is going on all over America, despite the fact that people are traveling less. Why do you suppose all of this construction is going on?

Isaiah 66:23 tells us why, and it reads:

*And it shall come to pass, that from one new moon to another, and from one sabbath to another, shall all flesh come to worship before me, saith the Lord, יהוה.*

Let us also read Zechariah 14:16 in part:

*And it shall come to pass, that every one that is left of all the nations which came against Jerusalem shall even go up from year to year to worship the King, the Lord, יהוה, of hosts, . . . .*

This is the reason for all the construction we see going on: the “Shadow” Government is “secretly” getting the King’s high ways (Numbers 20:17) ready for all nations to come up to worship the King of Israel, יהוה בן יהוה. The “elected” and “appointed” government wants you to think it’s because the roads need repair and to create jobs, but the “Shadow” Government knows well why. In addition, the airline industry has almost shut down, however, they will be brought back on line and all airports and aircrafts, including commercial aircraft, shall be under the “direct” but “secret” control of the “Shadow” Government, that transportation might be provided for all nations to come up to worship the King, יהוה בן יהוה.

**EXECUTIVE “ORDER” 11004 allows the Housing and Finance Authority to relocate communities, build new housing with public funds, designate areas to be abandoned, and establish new locations for populations.** Every city in America is in a waste state, and likewise in all countries. Let us read Isaiah 61:4 and find out why this order was put in place:

*And they shall build the old wastes, they shall raise up the former desolations, and they shall repair the waste cities, the desolations of many generations.*

These old waste cities have been desolate for many generations. Since the “Shadow” Government controls all the money and financial institutions, this order will provide the means for יהוה בן יהוה to relocate communities, because of over crowding, desolation, and so on. He shall designate areas to be abandoned;

especially, all the city ghettos and the thousands upon thousands of abandoned buildings; and He shall establish new locations where families can have adequate space and be comfortable. This shall be done all over the world.

**EXECUTIVE “ORDER” 11005 allows the government to take over railroads, inland waterways, and public storage facilities.** Why is this order needed? One such reason is written in Zechariah 14:14:

*. . . and the wealth of all the heathen round about shall be gathered together, **gold**, and **silver**, and apparel, in great abundance.*

Heathen means the same as Gentile. We shall inherit the wealth of the Gentiles from around the world, and all the **silver** and **gold** that they *shall* bring to בן יהוה יהוה will have to be transported over railroads and inland waterways to designated locations to be properly stored and secured; and apparel in great abundance will be stored in various storage facilities.

**EXECUTIVE “ORDER” 11051 specifies the responsibility of the Office of Emergency Planning and gives authorization to put all Executive Orders into effect in times of increased international tensions and economic or financial crisis.** Let us read Daniel 7:14 in part:

*And there was given him dominion, and glory, and a kingdom, that **all people, nations, and languages**, should serve him [יהוה בן יהוה]: . . . .*

This “Shadow” Government, while secretly using this agency (the Office of Emergency Planning) within the “elected” and “appointed” government, has authorized that all of these orders be put into immediate effect should any increased “international” tensions arise and any economic or financial crises develop as a result of יהוה בן יהוה coming in to “power” and “great” glory.

**EXECUTIVE “ORDER” 11310 grants authority to the Department of Justice to enforce the plans set out in Executive Orders, to institute industrial support, to establish judicial and legislative liaison, to control all aliens, to operate penal and correctional institutions, and to advise and assist the**

**President.** The “Shadow” Government—the “chief” officers of the Secret Societies, most especially *Skull and Bones*—have put this order in place such that when יהוה בן יהוה comes into “power” and “great” glory, the Department of Justice, by this order, shall enforce the plans set forth in all of these Executive Orders to institute the industrial support needed among trade, manufacturing, and businesses; as well as, to establish judicial and legislative liaison to ensure that all act in concert. For example, to build the waste cities, the manufacturing industry must provide the tools, equipment, etc., as well as lend the professional support required to build and sustain these worldwide building projects: architects, engineers, scientist, electricians, plumbers, and so on. In addition, the “Shadow”

Government has authorized this order so that יהוה בן יהוה will be able to control all identified as aliens. Why? Isaiah 61:5 tells us why, and it reads:

*And strangers shall stand and feed your flocks, and the sons of the **alien** shall be your plowmen and your vinedressers.*

The “Shadow” Government, who represents יהוה בן יהוה prophetically, knows that the aliens have a job to do. And the last part of this executive order is most important. It grants יהוה בן יהוה the “legal” authority to take control over the penal and correctional institutions, and to advise and assist the President. One such piece of advice יהוה בן יהוה shall give to the President upon His inauguration will be about the penal and correctional institutions in America and the world, with respect to His people. Let us read about this in Isaiah 42:22 and Exodus 9:1, which read:

*Isaiah 42:22 But this is a people robbed and spoiled; they are all of them snared in holes, and they are **hid in prison houses**: they are for a prey, and none delivereth; for a spoil, and none saith, Restore.*

*Exodus 9:1 Then the Lord, יהוה, said unto Moses, Go in unto Pharaoh, and tell him, Thus saith the Lord God of the Hebrews, יהוה, Let My people go, that they may serve Me.*

Moreover, יהוה has sent יהוה בן יהוה to do as written in Isaiah 61:1, which reads in part:

*. . . He hath sent Me to bind up the brokenhearted, to proclaim liberty to the captives, and the **opening of the prison** to them that are bound;*

There are far too many black men in prison who don't belong there; and yet, there are many who do belong there. However, when יהוה בן יהוה comes into power, He shall proclaim liberty to all the captives who don't belong in prison, and use this order to open the prison doors to let them out. But, on the other hand, the wicked who put them in prison unjustly, like they did יהוה בן יהוה Himself, shall themselves go into prison, as written in Daniel 6:24, which reads:

*And the king commanded, and they brought those men which had accused Daniel, and they cast them into the den of lions, **them, their children, and their wives**; and the lions had the mastery of them, and brake all their bones in pieces or ever they came at the bottom of the den.*

**EXECUTIVE “ORDER” 11049 assigns emergency preparedness function to federal departments and agencies, consolidating 21 operative Executive Orders issued over a fifteen-year period.** The “Shadow” Government has “secretly” authorized the use of the federal department and agencies within the “elected” and “appointed” government of America to carry out “*emergency*” preparedness functions to prepare for the coming of יהוה בן יהוה into “**power**” and “*great*” glory. Let us read Malachi 3:1 please:

*Behold, I will send My messenger, and He shall prepare the way before Me: and the Lord, יהוה, whom ye seek, shall suddenly come to His temple, even the messenger of the covenant, whom ye delight in: behold, He shall come, saith the Lord, יהוה, of hosts.*

The “Shadow” Government has “secretly” prepared the way in the “elected” and “appointed” government of America for יהוה בן יהוה to reign over all the nations of the Earth with a rod of iron (Revelation 12:5). And now the last Executive order:

**EXECUTIVE “ORDER” 11921 allows the Federal Emergency Preparedness Agency to develop plans to establish control over the mechanisms of production and distribution of energy sources, wages, salaries, credit and the flow of money in U.S. financial institution in any undefined national emergency. It also provides that when a state of emergency is declared by the President, Congress cannot review the action for six months.** The “Shadow” Government made provisions in this order to give this agency in the “elected” and “appointed” government the authority to develop plans to establish control over all of these areas. In fact, The International Emergency Economic Powers Act enables the President of the United States to seize the property of any foreign country. This executive order is ready for activation upon the *formal* investiture of יהוה בן יהוה to His holy throne. With respect to wages, let us read Leviticus 19:13 and Malachi 3:5 (in part):

*Leviticus 19:13 Thou shalt not defraud thy neighbour, neither rob him: the wages of him that is hired shall not abide with thee all night until the morning.*

*Malachi 3:5 And I will come near to you to judgment; and I will be a swift witness . . . against those that oppress the hireling in his wages,. . . .*

Absolutely no one will be able to rob the people of their just wages under the righteous rulership of יהוה בן יהוה. Fear not, יהוה בן יהוה has a “righteous” plan to deal with all the mechanisms of production and distribution of energy sources, wages, salaries, credit and the flow of money in *all* the financial institutions, not only in America, but also, in any undefined international emergency. There won’t be any need for review, because once the plans of יהוה בן יהוה are activated, they shall stand forever.

In conclusion, Ezekiel saw the Secret Society, **Skull and Bones** (the “Shadow” Government), in the middle of the “elected” and “appointed” government of America setting up and “secretly” preparing for יהוה בן יהוה coming into “power” and “great” glory. And the whole world *shall* soon see the *physical* manifestation of the *wheel* that Ezekiel saw *in the middle of a wheel*. While in the cotton fields in America picking cotton as slaves, our ancestors used to sing: “*Ezekiel saw the wheel, way up in the middle of the air. Ezekiel saw the wheel way in the middle of the air.*” It was so beautiful, that in Ezekiel 1:28, he described it:

*As the appearance of the bow that is in the cloud in the day of rain, so was the appearance of the brightness round about.*

*This was the appearance of the likeness of **THE GLORY OF THE LORD, יהוה**.*

It was as *the “appearance” of the likeness of **THE “GLORY” OF THE LORD, יהוה***! Selah.

I give all thanks, praises, honor, and glory to יהוה for this “divine” revelation. For only He Himself could reveal this unto us. We thank thee, O יהוה, forever and ever. I hope you have enjoyed it. And may יהוה continue to bless and keep you. Let *everything* that has breath, praise יהוה!!!! Shalom Aleichem.
