

***יהוה בן יהוה COMING IN THE CLOUDS OF  
HEAVEN WITH “POWER” AND “GREAT” GLORY  
PART 4***

Giving all honor and praises to יהוה and to His Son, יהוה בן יהוה, the King of Israel. יהוה has allowed men on earth to use the titles of king and lord. And He has blessed them with great honor, enormous riches, and immense glory. But, contrastingly, the kings of the earth have set themselves, and the rulers have taken counsel together in their G7 and G8 Summits, against not only the Lord, יהוה, but also against His anointed, יהוה בן יהוה. They have said among themselves: Let us break their bands asunder, and cast away their cords from us.

But, my Bible tells me (Psalm 2:4) that: He that sitteth in the heavens is laughing: the Lord, יהוה, has all of them in complete derision. יהוה is speaking unto them in His wrath (through a global economic collapse, spiraling social depravity, widespread diseases, and unparallel natural disasters), and He is also vexing them in His sore displeasures--by bringing upon them great mental pain and suffering; physical diseases not only upon people but also upon their chickens, cattle, and the like. And even more, they are being vexed daily with threats of terrorist attacks (Psalm 2:2-4). This is why the heathens are raging all over the earth, and the people are

imagining vain things (Psalm 2:1). This is why they have no solutions to the moral debauchery that is going on in the world: all they imagine in their minds are nothing but *vain* things: vain ideas, vain talk, vain actions, vain decisions, and vain solutions.

Despite all that the heathens are doing, יהוה is yet causing the ordained” Gentiles to set up everything and to make final preparation for His Son, יהוה בן יהוה, to come in the clouds of heaven with “power” and “great” glory as King of kings and Lord of lords over all the earth. Praise יהוה!

It is indeed my great pleasure to welcome you to this seminar entitled, *יהוה בן יהוה Coming In the Clouds of Heaven With “power” and “great” Glory*, this is Part 4. I am and shall forever be thankful to my Father, יהוה, for giving us wisdom, knowledge, and understanding. For it is only He who can reveal to us the many hidden mysteries you have heard in our seminars or read about on the Internet. Truly, *only* He is worthy to be praised.

In Part 3, יהוה revealed to us one of the greatest mysteries ever written in the Holy Bible: *The wheel in the middle of the wheel*. We shared with you that the **Cherubims** are in fact the “chief” officers of the Secret Societies whom יהוה put in the garden of Eden in Genesis 3:24 to permanently stay there until His return. יהוה gave them a flaming sword--

unrivaled power, profound influence, and great wealth--to **turn** every way to keep the way of the *Tree of Life*--a metaphoric representation of בן יהוה יהוה. From among this elite circle, **Skull and Bones** was chosen to play the most *pivotal* role in preparing the world for the coming of בן יהוה יהוה into “power” and “great” glory.

We learned that a great part of their responsibility is to precede and to indicate the preliminary approach of בן יהוה יהוה, to proclaim His coming, and to *officially* announce to the world the arrival of this most notable event. In addition, we confirmed that they should also lead the world in obeying, submitting to, respecting, and acknowledging בן יהוה יהוה at His coming to bring peace on earth and goodwill toward all men.

Moreover, we presented compelling testimony to show that the “chief” officers of the Secret Societies in general, but more specifically **Skull and Bones**, are “secretly” *turning* America in a different direction and putting her on a different course that prophecy--as written in this Bible--might be fulfilled. To successfully accomplish their mission, they are “secretly” working in the middle of the “elected” and “appointed” government of America to set up the **New world Order** on behalf of בן יהוה יהוה, which is, in reality, the preliminary stages to establishing the theocratic government of בן יהוה יהוה on earth. Their **APPEARANCE** and their

**WORK**, we told you, can best be described as it were **A WHEEL IN THE MIDDLE OF A WHEEL**.

The hour has come wherein all the people of earth shall soon see the fulfillment of what Daniel saw in Daniel 7:13-14, and it reads:

*I saw in the night visions, and, behold, one like the Son of man came with **the clouds of heaven**, and came to the Ancient of days, and they brought Him near before Him.*

*And there was given Him [the Son of man] **dominion, and glory, and a kingdom, that all people, nations, and languages, should serve Him: . . .***

יהוה has given unto His Son, יהוה בן יהוה, dominion, glory, and a kingdom that **“ALL”--A-L-L** people, **“ALL”** nations, and **“ALL”** languages on earth *should* serve Him. This has never been fulfilled. Nevertheless, we are living in the last days, and the *fulfillment* of this prophecy is upon us all.

This event that the entire world shall soon witness shall surpass all known human or natural powers and shall be ascribed as a “supernatural” cause. In fact, nothing else will be so convincing as to put conclusion “beyond” a reasonable doubt that יהוה בן יהוה is the **“MESSIAH”**--the One promised to come in the Old Testament.

Now I already know that the reality of all this coming to pass is unfathomable to many; however, today, we are going to discuss the manner in which יהוה Himself shall cause all of this to evolve right before our eyes.

Before I go there, however, let me share what happened to Joseph and Daniel that might help shed some light on the veracity of this most unprecedented event.

יהוה caused Joseph to be put in prison and held in captivity by the Pharaoh of Egypt. During the time that Joseph was in prison, Pharaoh had a dream that was so troubling that he called forth all the magicians and all the wise men of Egypt to tell him the dream, but there was *none* that could interpret the dream unto Pharaoh. Fortunately, his chief butler, who had been in prison with Joseph, told him that while he was in prison he, too, had had a dream and that an Hebrew named Joseph had interpreted his dream for him. In desperation to know the dream, Pharaoh finally sent and called for Joseph out of prison, who interpreted his dream. And the thing that Joseph interpreted was good in both the eyes of Pharaoh and all his servants. He quickly realized that Joseph was a man in whom the Spirit of יהוה dwelt. After realizing that only יהוה could have shown the interpretation of his dream to Joseph, Pharaoh acknowledged that there were *none* in Egypt so discreet and wise as Joseph, so Pharaoh eventually made Joseph *ruler* over all the land of Egypt (Genesis 41:1-41).

This is also similar to what happened to Daniel (Daniel, Chapters 1-6). And as a result, Nebuchadnezzar, the mighty king of Babylon, made

Daniel ruler over the whole province of Babylon, and *chief* of the governors over all the *wise* men of Babylon (Daniel 2:48). And even after his son, king Belshazzar, was slain, king Darius appointed three presidents, of whom he preferred Daniel above all the presidents *and* princes (Daniel 6:2-3).

I stand before you today to boldly proclaim, as well as to audaciously declare, that just as יהוה caused these powerful rulers--who reigned over the most powerful and prosperous nations in the ancient world at the time--to set Joseph and Daniel over their kingdoms, He shall in like manner cause the modern-day Pharaoh of America to do the same to יהוה בן יהוה today. Praise יהוה!

Now Joseph and Daniel were just types: יהוה בן יהוה is the Anti-Type. יהוה used these great rulers to show forth His power and might to rule in the affairs of men that He might demonstrate that He alone appoints over kingdoms whomsoever He will (Daniel 2:21; 5:21). Behold, be it known unto you that יהוה בן יהוה shall not ride in a second chariot as did Joseph (Genesis 41:43), neither will He be second to any ruler on earth as was Daniel. Why? Zechariah 14:9 tells us why, and it reads:

*And the Lord, יהוה, shall be King over **all** the earth: in that day shall there be one Lord, יהוה, and His name one.*

When יהוה uses modern-day Pharaoh, along with the “chief” officers of the Secret Societies, to bring יהוה בן יהוה into “power” and “great” glory, He “alone” shall be **King** over **ALL** the earth, and He shall be the only Lord, who shall have only **“ONE” NAME**. (That kills the name Jesus, because thousands of people in America alone already have the name *Jesus*.)

The diplomatic strategy as to how this shall be accomplished is figuratively spelled out in our foundation Scripture, Genesis 41:42, which reads:

***And Pharaoh took off his ring from his hand, and put it upon Joseph's hand, and arrayed him in vestures of fine linen, and put a gold chain about his neck;***

This act dramatically altered the course of history. In order to understand how all of this relates to יהוה בן יהוה coming into “power” and “great” glory, we must summon the world’s most renowned authorities, because the magnitude of all that Pharaoh did to set Joseph over all the land of Egypt is hidden in symbols. So, let us begin to decrypt these symbols by first finding out what the word *Pharaoh* means.

On the authority of *The New Strong’s Complete Dictionary of Bible Words*, copyright 1996, on page 192, the Hebrew word for Pharaoh is פרעה (fay, raysh, ayin, hey), Reference #6547, pronounced *par-ə* ; and it is

defined as “a general *title* of Egyptian kings.” Thus, the word **Pharaoh** was used as a general “*title*’ of an Egyptian king.”

A **title**--according to the *Random House Webster’s Unabridged Dictionary*, copyright 1999, Computer Software--is “a distinctive appellation, esp. one belonging to a person by office, etc.” While **king** is “the chief authority over a country and people”; in *Merriam-Webster’s Collegiate Dictionary*, copyright 2000, Computer Software, **appellation**, on the other hand, is defined as “an identifying name.” And **chief** is “the person highest in authority.”

On the basis of this information, we can conclude with certainty that the word *Pharaoh* was used in this Scripture as a distinctive, identifying “*name*” that distinguished him by virtue of the office he held as the person highest in authority in Egypt, similar in nature to that of the identifying name of *President*--as used in modern-day Egypt, America.

Pharaoh, the person highest in authority in Egypt, “. . . **took off his ring from his hand, and put it [his ring] upon Joseph’s hand . . .**”

Obviously, this is more than just a literal giving of a ring to another. This is esoteric knowledge meant to be understood by only the select few who have *special* knowledge. However, using the “divine” Ten Step Study Method of יהוה בן יהוה, we shall crack the code to this esoteric knowledge.

Let us continue our adventure by decrypting the phrase “. . . *took off his ring*. . .” A ring on the finger is like that of a *wheel in the middle of a wheel*. Keeping that in mind, we shall begin our initial approach by first decoding the word “**ring**,” which will immediately dispel the inquisitiveness about what Pharaoh actually *took off*. Therefore, on the authority of *Webster’s New Collegiate Dictionary*, copyright 1953, on page 730, **ring** is described as “the rim of a *wheel*.”

To help us understand **ring** from this unique perspective, *The Oxford Study Dictionary*, copyright 1991, on page 592, declares that a **rim** is “the outer edge of a wheel, on which a tyre is fitted.” On page 753, **tyre** is “a covering fitted round the rim of a wheel to absorb shocks . . .” Considering these facts, **ring** from this point of view represents the outer edge of a *wheel*, on which the covering is fitted around it to absorb shocks.

To leave no stones unturned, we shall consult the *Webster’s New Collegiate Dictionary*, copyright 1953, on page 973, which solemnly swears that **wheel** is “. . . symbolizing the rapid alternations of human fate; a revolution; the moving power; as, *the wheels of government*; the directing or controlling force.”

Viewing **ring** from this unusual line of thought, we can see that it is symbolic of the outer covering that the “chief” officers of the Secret

Societies--more specifically **Skull and Bones**--have fitted around the outer edges of all world governments to absorb the political and economic consternation (or shocks) that will result from יהוה בן יהוה coming into “power” and “great” glory. In anticipation of the enormous impact the *rapid* alternations of human fate shall have upon the world, they have fitted America with “executive orders” to be implemented upon the enthronement of יהוה בן יהוה to help absorb the shocks or confusion that shall come about as a result of the radical constitutional changes.

Moreover, they have also fitted the moving powers--the *wheels of national and international governments* (those responsible for directing or controlling the forces of the political apparatus)--with the authority to exercise constitutional immunity that they might absorb the shocks that will be the outcome of their involvement in this new moral and spiritual revolution. This **revolution** (*Random House Webster's Unabridged Dictionary*, copyright 1999, Computer Software) will completely replace the present world political systems, as well as all religious and educational institutions. The ultimate reality is that it will bring about sudden, radical and pervasive changes in society, such that it will eventually *turn around* the entire social structure of the whole world.

Naturally, when we hear the word revolution, most of us think about revolutions that are accompanied by violence. On the contrary, this “global revolution” will **not** be by a violent overthrow, because Isaiah 54:17 tells us:

*No weapon that is formed against thee shall prosper; and every tongue that shall rise against thee in judgment thou shalt condemn . . . .*

יהוה בן יהוה coming into “power” and “great” glory was “divinely” decreed by His Father, יהוה. Therefore, absolutely no weapon formed against His investiture shall prosper; and every tongue that shall rise against or be in opposition to His rulership shall be **condemned**, which means יהוה shall “adjudge them unfit for use or consumption; and they shall be **doomed**, which guarantees that their fate shall be fixed and their destruction made certain” (according to *Merriam-Webster’s Ninth New Collegiate Dictionary*, copyright 1989, on pages 273, 375 respectively).

Another definition of **rim**--coming from the definition of **ring** (“*the rim of a wheel*”) is found in *Webster’s New Collegiate Dictionary*, copyright 1953, on page 730, which acknowledges that it is “specif. a removable outer band on an automobile wheel, to which the tire is attached.” To lend credence to this definition, the *Random House Webster’s Unabridged Dictionary*, copyright 1999, Computer Software, verifies that a **tire** is “a band of rubber . . . placed over the rim of a wheel to provide traction or

resistance to wear.” In consultation with *The Synonym Finder* by J. I. Rodale, copyright 1978, on page 93, **band** is equivalent in meaning to *secret society*; while **traction** is equivalent to tension; and **resistance** is similar to counteract, revolt, or defeat.

Pharaoh taking off (or removing) his ring is symbolic of how יהוה shall use the Cherubims, mainly Skull and Bones, to put in place an “outer group” of removable “chief” officers of the secret societies with unlimited constitutional authority to remove all who provide tension or exert themselves so as to counteract, revolt against, or to defeat the coming of יהוה בן יהוה into “power” and “great” glory.

Given the gravity of this situation, let us switch gears and look at **ring** (“Pharaoh took off his **ring** . . .”) from yet another perspective. Note the *possessive adjective* “his” before ring. It was placed there to authenticate that Pharaoh had full possession and control of the ring. In conformity with *The World Book Encyclopedia*, Volume 16, Q-R, copyright 1973, “a **ring** has long been a *symbol* of a ruler’s authority.” In agreement with *Webster’s New World College Dictionary*, Fourth Edition, copyright 1999, on page 95, **authority** is described as “the right to give commands, enforce obedience, take action, or make final decisions.”

Acting under *direct* orders from the “chief” officers of the Secret Societies in general, but more specifically Skull and Bones, the President--the person highest in authority in America--shall **turn over** his right to give commands, enforce obedience, take action, or make final decisions on behalf of the American people to יהוה בן יהוה.

While *The New Strong's Complete Dictionary of Bible Words*, copyright 1996, on page 218, describes **ring** (Reference #2885) as “a seal,” *The American Heritage Dictionary of the English Language*, High-School Edition, copyright 1979, on page 1170, depicts **seal** as “a small paper bearing such an imprint and affixed to a document to prove authenticity; to make binding forever; to close hermetically.” And the *Random House Webster's Unabridged Dictionary*, copyright 1999, Computer Software, offers proof that **hermetically** means “not affected by outward influence or power.”

Therefore, Pharaoh taking off his ring is symbolic of how the President--acting on well-defined orders from the “chief” officers of the Secret Societies, most especially Skull and Bones--shall follow proper protocol and use a small paper bearing an imprint and affixed to a document to prove authenticity to voluntarily remove himself from office and be replaced by יהוה בן יהוה. This document shall serve two purposes: (1) to

close any possibility of this transition ever being affected by any outward influence or imperial powers, and (2) to ensure that the transition of power is binding for ever and ever, which will fulfill Revelation 11:15, and it reads in part:

*. . . The kingdoms of this world are become the kingdoms of our Lord, יהוה, and of His Christ, יהוה בן יהוה; and He shall reign for ever and ever.*

The kingdoms of this world are become the kingdoms of whom? And? And He shall reign how long?

Let us continue with our foundation Scripture, Genesis 41:42, and break the code to “**take off**” (“*And Pharaoh took off his ring . . .*”). “**Take off**” shall *reaffirm* what **ring** has already verified. Thus, according to *Webster’s Third New International Dictionary*, copyright 1966, Volume III, on page 2332, **take off** means the same as discontinue, withdraw, or release. While in Volume I, on page 646, **discontinue** is defined as to “abandon; come to an end.” In Volume III, on page 2626, **withdraw** is “to remove (oneself) from an office.” And in the *Random House Webster’s Unabridged Dictionary*, copyright 1999, Computer Software, **release** means “to give up, relinquish, or surrender (a right, claim, etc.).”

Therefore, these supporting facts show clearly how יהוה shall intervene in the affairs of men and use them to bring יהוה בן יהוה into

“power” and “great” glory. He has sent His Cherubims on a diplomatic mission, and acting upon their *direct* charge, the President, the person highest in authority in America, shall abandon or remove himself from office and, subsequently, bring his ruler ship to an end. Simply stated, he shall give up his right, relinquish his claim, and surrender the power of his official title to יהוה בן יהוה.

So that we will continue on our straight path, we will take another crack at **take off** (the present form of *took off*) from the prospective of *Bartlett’s Roget’s Thesaurus*, copyright 1996, on page 1335, Reference #749.6, 7 (page 660), which establishes that it is equivalent to divest, shift, or uproot; to enact (Reference #187.13). To not be remiss in my duty to prove my points of view beyond a reasonable doubt, we will closely examine each of these words. First, **divest** (in *Microsoft Encarta College Dictionary*, copyright 2001, on page 419) means “to take away something, especially power, from somebody.”

This definition verifies that the President--the highest person in authority in America, adopting strict orders from the “chief” officers of the Secret Societies, most especially Skull and Bones--shall take away his power to make final decisions and turn it over to יהוה בן יהוה. The same way that

Pharaoh set Joseph over all the land of Egypt is similar to how the President shall turn over power to יהוה בן יהוה to rule over all America.

**Shift**, the second word (from the word “**take off**”) is defined in *Merriam-Webster’s Collegiate Dictionary*, copyright 2000, Computer Software, as “change direction of.” Commensurate with *Microsoft Encarta College Dictionary*, copyright 2001, on page 238, **change** is similar in meaning to transform, which translates into “making a radical change into a different form . . .,” while on page 406, **direction** means the same as “way.” In *Random House Webster’s Unabridged Dictionary*, copyright 1999, Computer Software, **form** is described as “a set order”; and **way** is defined as “direction or progress on a course.”

Therefore, the implications are resoundingly loud and clear in these definitions: For they strongly suggest that when the President--following explicit instructions from the “chief” officers of the Secret Societies, particularly Skull and Bones--relinquishes his power to יהוה בן יהוה, it will bring about radical changes in the entire infrastructure of all world governments; thereby, relegating them to a completely different set order--the *New World Order of יהוה*--which will take them in a different direction and lead them to progress on a completely different course.

The truth of the matter is, these changes will be as radical as symbolized by the four Cherubims who “. . . *had the face of a man, and the face of a lion, on the right side: and they four had the face of an ox on the left side; they four also had the face of an eagle*” (Ezekiel 1:10). The *face* of this world as we know it today will be no more. So prepare yourself now to pay your last respect to this world, as we know it.

And now the third word from the synonyms of “*take off*,” which is **uproot**. Acting on the practical advice of the *Random House Webster’s Unabridged Dictionary*, copyright 1999, Computer Software, **uproot** is to “tear away, as from customs.” On the basis of these facts, we can affirm that instead of following tradition, the President--following the undeviating edict from the “chief” officers of the Secret Societies, chiefly Skull and Bones--shall tear himself away from the customary democratic process in terms of electing a leader in America, and will instead officially renounce his position and turn it over to יהוה בן יהוה.

For the first time in the history of America, the President was not put into office by being elected by the American people, but rather power was “*turned over*” to him by the most *unconventional* way--in that he was *appointed*. This was by no means coincidental. The truth of the matter is, this was a tactical maneuver masterminded by the *shadow government* to

prepare the people to accept a new way for *turning over* power: a “dress rehearsal” for when the President, with permission of the “chief” officers of the Secret Societies, shall **turn over** sovereignty of America to בן יהוה יהוה--or shall we say, “*take off*” his ring.

Moving now to our last word under “*takeoff*,” which is “to enact.” On the recommendation of *Merriam-Webster’s Collegiate Dictionary*, copyright 2000, to **enact** something is “to establish by legal and authoritative act; specifically: to make (as a bill) into law.” To remove himself from the right to take action on behalf of the American people, the President--in full agreement with Skull and Bones--shall take it upon himself to make into law a bill that will establish, by a *legal* and *authoritative* act, the right for him to no longer plot and control the course of the American government, but rather to turn over this responsibility to בן יהוה יהוה, as Pharaoh to Joseph and Nebuchadnezzar to Daniel.

Conclusively, it is evident that בן יהוה יהוה coming in the *clouds of heaven* with “power” and “great” glory will be by the most *unconventional* method since the beginning of the world to this time, and ever shall be.

Now that we understand what “*took off his ring*” is referring to, let us move now to the next part of Genesis 41:42, which reads in part:

*“And Pharaoh took off his ring **from his hand, and put it upon Joseph’s hand . . .**”*

Let us access this mystery by first deducing the phrase “. . . *from his hand*.” In *The American Heritage Dictionary of the English Language*, High-School Edition, copyright 1979, on page 529, **from** is defined as “out of the jurisdiction.” Adopting the opinion of *The Synonym Finder* by J. I. Rodale, copyright 1978, on page 484, **hand** equates to “jurisdiction, control.” Assuming the accuracy of *Random House Webster’s Unabridged Dictionary*, copyright 1999, Computer Software, **jurisdiction** is defined as “the right to administer justice . . . .”

This information confirms that יהוה shall put it in the President’s heart to carry out the assignment given him by the “chief” officers of the Secret Societies, specially Skull and Bones, and remove himself from the right to *administer justice* and turn this right or just claim over to בן יהוה--the only One whose right it is. Evidence of this truth is corroborated in Psalm 9:8, and it explicitly states how He shall judge all people, nations, and languages, and it reads:

*And He, יהוה בן יהוה, shall judge the world in **righteousness**, He shall minister judgment to the people in **uprightness**.*

Because He shall judge the world in righteousness and shall minister judgment to the people in uprightness, Romans 15:12 tells us how the White Gentile world will react to His ruler ship, and it reads in part:

*. . . There shall be a root of Jesse, and He that shall rise to reign over the Gentiles; in Him shall the Gentiles trust.*

With that fact established, the Gentiles--particularly the American white people, as well as all kings--shall “trust” in His ruler ship, which is in agreement with Psalm 72:11, which reads:

*Yea, all kings shall fall down before Him: all nations shall serve Him.*

Maintaining our course of action, we shall now seek counsel from *The New Strong's Complete Dictionary of Bible Words*, copyright 1996, on page 120, which sanctions that **hand** (Reference #3027) is a figurative way of indicating *means*. In *Bartlett's Roget's Thesaurus*, copyright 1996, on 1115, **means** (Reference 484) is synonymous to money--wealth, gold, gold reserves, silver, and financial control. This authenticates that the President--moving on stringent orders from the “chief” officers of the Secret Societies, mainly Skull and Bones--shall turn over to יהוה בן יהוה all rights to the gold, gold reserves, and silver, along with absolute financial control over all the wealth of America. This will fulfill Haggai 2:8, and it reads:

*The **silver** is Mine, and the **gold** is Mine, saith the Lord,  
יהוה, of hosts.*

The *wise men* of America, as well as their religious counterparts throughout the world, are well versed in the Scriptures, and they know well what they must do--with respect to the wealth of the Gentiles. Let us read Zechariah 14:14:

*And **Judah** also shall fight at Jer**USA**lem; and the **wealth** of **all** the heathen [or Gentiles] **round about** shall be gathered together, **gold**, and **silver**, and apparel, in great abundance.*

With those established facts, let us examine--

*“And Pharaoh took off his ring from his hand, **and put it upon Joseph’s hand**,*

Conceding to *Merriam-Webster’s Ninth New Collegiate Dictionary*, copyright 1989, on page 958, **put** means the same as “assign”; and **assign** (on page 109) is “to transfer to another; to appoint to duty”; and **duty** (on page 390) is interpreted as “obligatory tasks or functions that arise from one’s position.” While **upon** is synonymous to *on*; **on** is “used as a function word to indicate the focus of some action.” Now relating these facts to modern-day Pharaoh, this tells us that, like Joseph, the focus of all the President’s obligatory tasks and functions shall be transferred or appointed to יהוה בן יהוה.

After having consigned to Joseph all of his legal rights to sovereignty, accompanied by all the gold and silver, Pharaoh then did something else that was extraordinary, and the next phrase in our foundation Scripture (Genesis 41:42) tells us what it was, and it reads:

*“And Pharaoh took off his ring from his hand, and put it upon Joseph’s hand, **and arrayed him, . . .**”*

Pharaoh *arrayed* Joseph. Accepting the objective view from *Webster’s New World Dictionary*, Third College Edition, copyright 1994, on page 76, we can affirm that **arrayed** means “to place in order; an impressive display of assembled persons.”

In considering these facts, we can be assured that יהוה shall put it in the heart of the President to adhere to the commands of the “chief” officers of the Secret Societies, especially Skull and Bones, and to have everything placed in the proper order for יהוה בן יהוה “prior” to His coronation. Inclusive in all of this will be an *impressive* display of assembled persons to be at His immediate disposal--just like Pharaoh did for Joseph.

As referenced in *The New Strong’s Complete Dictionary of Bible Words*, copyright 1996, on page 15, the Hebrew word for **arrayed** is *labash* (Reference #3847), and it means “to wrap around, i.e. (by impl.) to put on a garment.” According to *Microsoft Encarta College Dictionary*, copyright

2001, on page 1660, **wrap** is described as “to surround something with a particular type of atmosphere; to wind oneself around somebody.”

On the basis of these facts, we can assert with absolute certainty that the President--along with the “chief” officers of the Secret Societies, especially, Skull and Bones and all the “ordained,” ultra sophisticated White Gentiles--shall wind themselves around יהוה בן יהוה, thus, surrounding Him with the most cosmopolitan atmosphere to ever exist on earth.

Seeking a second opinion, the *Merriam-Webster's Collegiate Dictionary*, copyright 2000, Computer Software, defines the word **wrap** as “to surround with an *aura*.” In the same source, **aura** is described as “a luminous radiation.” While *Random House Webster's Unabridged Dictionary*, copyright 1999, Computer Software, describes **luminous** as “brilliant intellectually”; **radiation**, on the other hand, is characterized as “something that is radiated”; and **radiate**, a derivative of radiation (in the same source), is to “project a glow.”

**Luminous radiation** equates to the President--under the auspices of the “chief” officers of the Secret Societies, most especially, Skull and Bones--surrounding יהוה בן יהוה with a super “cosmopolitan” atmosphere by encircling him with men that are the most brilliant intellectually--so much so that they give off a *radiant* glow.

From an even broader perspective, *The Synonym Finder* by J. I. Rodale, copyright 1978, on page 80, affirms definitively that **aura** also means the same as “nimbus.” *The American Heritage Dictionary of The English Language*, Fourth Edition, copyright 2001, on page 1190, defines **nimbus** this way: a radiant light that appears usually in the form of a circle about the head in the representation of a god.”

This radiant circle of persons that will appear about the head of יהוה בן יהוה will be in the representation of gods. The intelligence that will beam from these brilliant intellectuals will be representative of the *halo* that we have all seen on pictures around the head of the man called Jesus.

Retrospectively, the word **arrayed** (from its Hebrew rendering, *labash* Reference #3847) is also a counterpart of apparel. In *Random House Webster’s Unabridged Dictionary*, copyright 1999, Computer Software, a synonym for **apparel** is habiliments.” **Habiliment** is defined as a “way of life, etc.; accouterments.” *The Bartlett’s Roget’s Thesaurus*, copyright 1996, on page 1396, characterizes **way of life** (Reference #399.9) as manners. Returning to *Random House Webster’s Unabridged Dictionary*, we find that **manners** is “the prevailing customs, ways of living, and habits of a people; customary way of doing or saying.”

We can offer with plausible certainty that the President and his brilliant intellectuals shall introduce יהוה בן יהוה to the prevailing customs of the office and suggest ways of living that are customary to the seat. They will even introduce Him to the habits of the position, as well as make recommendations to the traditional way of doing things and the diplomatic way of saying things. Simply put, they will inform יהוה בן יהוה of all the customs that have long been socially obligatory.

In agreement with *Merriam-Webster's Collegiate Dictionary*, copyright 2000, Computer Software, **wrap** (coming from **arrayed**, which means “to wrap around”) also means, “to conceal.” In compliance with *The Cassell Concise Dictionary*, Revised Edition, copyright 1998, on page 298, **conceal** acknowledges that the President--acting on an uncompromising proclamation from the “chief” officers of the Secret Societies, mainly Skull and Bones--shall hide יהוה בן יהוה from sight or observation by keeping Him in the most exclusive, undisclosed place on earth. To insure His safety, they shall surround (or wrap) Him with a large or excessive amount of unprecedented security; in other words, the security will be such that it will cover him with majesty and glory. It will be unlike any security the world has ever witnessed.

These men that shall surround יהוה בן יהוה are already accustomed to living the life of the rich and famous, so they already have the finest *accouterments* the world has to offer waiting for His official crowning: the best the world has to offer in apparel; specially built private jets, custom-made supersonic airlines, made to order luxury cruise liners, specially made Rolls Royces, customized limousines, and super lavish resorts where no man has ever lived, just to name a few. (This can be validated in *The Bartlett's Roget's Thesaurus*, copyright 1996, on page 754, Reference #470.)

With those facts firmly established, we shall now advance to the next part of our foundation Scripture, which is --

*“And Pharaoh took off his ring from his hand, and put it upon Joseph's hand, and arrayed him **in vestures of fine linen, . . .**”*

Like Pharaoh, the President shall surround יהוה בן יהוה with “**vestures of ‘fine’ linen.**” **Vesture** is another name for covering. **Of** in *Random House Webster's Unabridged Dictionary*, copyright 1999, Computer Software, is “(used to indicate qualities).” Continuing in the same source, **fine** is synonymous to superior quality and of the highest kind. And it is also similar in meaning to **elegant**, which suggests “a refined and graceful superiority that is generally associated with luxury and a cultivated taste.” In

*The Dictionary of Biblical Imagery*, copyright 1998, on page 513, **linen** “in the Bible is a ‘power fabric,’ an unequivocal sign of *earthly success* . . . .”

These definitions support all of our previous contentions. Thus, the President--operating on clear directives from the “chief” officers of the Secret Societies, especially Skull and Bones--shall enshroud יהוה בן יהוה with a refined and graceful superiority that will be associated with luxury of superior quality and of the highest kind in cultivated taste. These social trappings will be unequivocal signs of His earthly success.

Now the last part of Genesis 41:42 tells us that Pharaoh did something else that was miraculous, and it reads:

*“And Pharaoh took off his ring from his hand, and put it upon Joseph's hand, and arrayed him in vestures of fine linen, **and put a gold chain about his neck**”;*

From a literal point of view, a chain about the neck forms into a round circle with connecting links joined on one to another and has the “appearance” of a wheel in the middle of a wheel. Let us now decode the phrase, “. . . **put a gold chain** . . .” Consistent with the facts in *The Cassell Dictionary & Thesaurus*, copyright 1999, on page 885, **put** means “to bring into some particular state.” On the authority of *Microsoft Encarta College Dictionary*, copyright 2001, on page 1, the letter **a** is defined as being “used before a singular countable noun to refer to one thing not previously known.”

Now this tells us that the President--acting on the unanimous consent of the “chief” officers of the Secret Societies, especially, Skull and Bones--shall bring “one” thing not previously known in the world into some *particular* state.

Concurring with the *Merriam-Webster’s Collegiate Dictionary*, copyright 2000, Computer Software, **state** is “a government having a particular character.” The definition of “a” added to “put” translates into bringing יהוה בן יהוה and His government, not previously known on earth, into some *particular character*, meaning into some particular moral qualities, ethical standards, principles, and the like (according to *Random House Webster’s Unabridged Dictionary*, copyright 1999, Computer Software).

A recall of the letter “**A**” (*sometimes l.c.*)--from its “*logic*” rendering in *The Random House Dictionary of the English Language*, The Unabridged Edition, copyright 1967, on page 1--refers us to “*universal affirmative.*” Now we see that from a logical perspective, “*a*” has something to do with “*universal*” **affirmative**. On page 1555, **universe**, the diminutive of universal, is described as “all existing things including the earth and its creatures, the heavenly bodies and all else throughout space; the whole world, esp. with reference to mankind.”

Putting all of our facts together from “*put a*,” we can conclude, comfortably, that the President--along with the “chief” officers of the Secret Societies, and tactically orchestrated by Skull and Bones--shall prepare the way for יהוה בן יהוה to bring forth a moral, ethical, and principled government that will be founded upon the commandments, judgments, laws, and statutes of יהוה. This will make His government likened unto that of a *gold chain*, where all existing things including the earth and its creatures--even the heavenly bodies and all else throughout space, especially with reference to mankind--shall ultimately respond in the **affirmative** to His moral laws.

As proposed by the same source, on page 25, **affirm**, the basis of the word affirmative, can be interpreted as “to confirm or ratify; maintain as true”; and **confirm** (on page 308) is “to acknowledge with definite assurance.” It is also equivalent to **substantiate**, which implies “the offering of evidence that sustains the contention”; and, **ratify** (on page 1192) is “to confirm by expressing approval.”

These subsequent facts authenticate that the President of the United States shall lead the whole world in acknowledging with definite assurance the *true* moral government of יהוה בן יהוה, which will be unlike any government previously known on earth. The credibility and integrity of the

President, along with the “chief” officers of the Secret Societies and the “ordained” ultra sophisticated white Gentiles, shall offer overwhelming evidence to sustain any contention (or opposition) to the government of יהוה--so much so that the whole world shall, in the end, maintain (affirm or declare) His government to be the only “true” government, and thereby express their approval. Let us read Isaiah 2:2-3:

*And it shall come to pass in the last days, that the mountain of the Lord, יהוה [’s] house shall be established in the top of the mountains, and shall be exalted above the hills; and all nations shall flow unto it.*

*And many people shall go and say, Come ye, and let us go up to the mountain of the Lord, יהוה, to the house of the God of Jacob; and He will teach us of His ways, and we will walk in His paths: for out of Zion shall go forth the LAW, and the word of the Lord, יהוה, from JerUSAlem.*

Let us now move to what this *gold chain* symbolizes. We will define each word. First, the adjective, *gold*; and then the noun, *chain*. Assenting to *Webster’s Third New International Dictionary*, Volume I, copyright 1966, on page 974, **gold** is described as “something *resembling* gold: something treasured as the finest exemplification of its kind.” This chain that Pharaoh put around Joseph’s neck was something that resembled gold, and it was also something treasured as the finest exemplification of its kind.

Praise יהוה! Now this brings us to our next word, which is **chain**. While *Random House Webster's Unabridged Dictionary*, copyright 1999, Computer Software, described **chain** as a “series of things connected or following in succession”; the *Webster's Third New International Dictionary*, Volume I, copyright 1966, on page 369, defines **chain** as “a series of usu. rings connected to one another so as to move freely, forming flexible ligament used for various purposes (as support). . . ; characterized by uniformity.” **Series** is something “arranged or happening in order”; and **uniform**, the base of uniformity (in *Merriam-Webster's Collegiate Dictionary*, copyright 2000, Computer Software) is rendered as “conforming to one rule.”

These facts suggest that this **gold chain** is representative of the finest exemplification of order: where everything is properly arranged and following in succession. It symbolizes order that is usually in the form of rings connected to one another so as to ensure that all things move freely, forming flexible ligaments to ensure that everything and everyone conform to “one” rule: *The “One” World Order of יהוה!*

On the recommendation of *Webster's Third New International Dictionary*, Volume I, copyright 1966, on page 369, we can advance our affirmation of **chain** even further in that it is also “a mesh of

interconnected rods and plates . . . that is used esp. for transmission of power; a continuous series of events in which each succeeding member depends upon, derives from, or interrelates with the preceding.”

The gravity of these definitions is such that we can reasonably assert that like Pharaoh, the President--acting on detailed orders from the “chief” officers of the Secret Societies, especially Skull and Bones--shall position יהוה בן יהוה in an intertwined infrastructure or interconnected network (or mesh) that will be used for transmission of power. This network will be for the purpose of ensuring a continuous order or line of communication in which each succeeding member depends upon, derives from, or interrelates with the preceding in conforming to one rule. This is what is called a **chain of command**, which is “a series of executive positions in order of authority, especially with respect to the passing on of orders from higher to lower” (same source, page 370).

On the authority of *Random House Webster’s Unabridged Dictionary*, copyright 1999, Computer Software, **chain** is “something that restrains.” Continuing in the same source, the word **restrain** is characterized as “keep in check or under control.” Thus, this chain is symbolic of the **chain of command**, the finest exemplification of its kind, that the President and the “chief” officers of the Secret Societies will set up

on behalf of יהוה בן יהוה to guarantee that His government is always kept in check and forever under control.

Since Pharaoh put this gold chain “. . . *about his neck*,” we have no choice but to conclude this matter by disclosing what “. . . *about his neck*” means. The *Random House Webster’s Unabridged Dictionary*, copyright 1999, Computer Software, defines **about** this way: “on every side of; around; in rotation.” In the same source, **rotate**, the rudiment of rotation, is described as “to turn around as if on an axis; a wheel.”

We are back to the wheel that Ezekiel (Chapter 1) saw in the middle of a wheel. Therefore, like יהוה touched Pharaoh’s heart, He shall in like manner touch the hearts of the President and the “chief” officers of the Secret Societies--most especially Skull and Bones--and they shall engage in and concern themselves with the **neck** of יהוה בן יהוה. They shall position themselves on every side, as well as all around His **neck**, so as to be of use in helping to **turn** the governments **around**, as if on an axis or as a *wheel in the middle of a wheel* that they might serve יהוה בן יהוה, the Messiah.

And finally, let us find out what the *neck* symbolizes. In *Roget’s Thesaurus of English Words and Phrases*, copyright 1937, on page 569, **neck** means the same as **resolute** (Reference #604, on page 207) or resolution, which is a derivative of resolve. So **neck** is a euphemism for

resolution. The *Bartlett's Roget's Thesaurus*, copyright 1996, on page 1244, confirms that **resolution** (Reference #780, page 688) is tantamount to **rule**; and rule (Reference #780.13) is “to wear the crown, sit on the throne, be in power.”

These ensuing facts support our contention that the President--like Pharaoh, and the “chief” officers of the Secret Societies, particularly Skull and Bones--shall exercise their “divine” authority that was given in the Garden of Eden to prepare the way for the nations of the earth to acknowledge the government of יהוה. Upon the bestowal of these things, יהוה בן יהוה shall be crowned King of kings, and sit on His holy throne as Lord of lords. It will be at this time that the “chief” officers of the Secret Societies shall acknowledge Him as the *Blessed and “Only” Potentate*, Grand Master of the Celestial Lodge, Architect of the Universe, as written in 1 Timothy 6:15, which reads:

*Which in His times He shall show, who is the blessed and only Potentate, the King of kings, and Lord of lords;*

Furthermore, on page 1397 (in the same source), **to wear the crown** (Reference #49, on pages 77-78) is symbolic of world government; theocracy, sovereignty; United States government; United Nations. Therefore, based upon all of these facts, we can assert with plausible certainty and justifiable exactitude, that like Pharaoh, the President--acting

on the conditional terms of the “chief” officers of the Secret Societies from around the world, most especially Skull and Bones--shall orchestrate bringing the United States, as well as the United Nations and all world governments, into compliance with the *One World Order of יהוה* and the supreme sovereignty of יהוה בן יהוה. This is the mighty works that Ezekiel (Chapters 1 and 10) saw and described as *a wheel in the middle of a wheel*.

**Neck** (in *Roget's Thesaurus of English Words and Phrases*) also means, conclude or resolve. While **conclude** is defined in *Random House Webster's Unabridged Dictionary*, copyright 1999, Computer Software, as “to come to an end”; **resolve** means “a determination made, as to follow some course of action.” **Determination** is “a fixed purpose toward some end.”

Pharaoh putting a gold chain about Joseph's neck was his final act as the person highest in authority in Egypt. This final act was to show that his authority to govern Egypt had come to an end, and that he was following a “divine” course of action, which had a fixed purpose that was directed toward some end.

With all of that said and done, we will now bring our decryption to a conclusion. Our final meaning of **neck** (under **resolve**, the root of **resolution** --Reference #773) is eschatology, Day of Judgment, or end of the world.

Pharaoh putting a gold chain about Joseph's neck was symbolic of finality. Today, it symbolizes the eschatology, which denotes "the final events in the history of the world or of mankind" (according *Merriam-Webster's Collegiate Dictionary*, copyright 2000, Computer Software). It also issues in the Day of Judgment, and the end of this world, as we know it.

The manner in which יהוה used Pharaoh to set Joseph over all the land of Egypt is only a foreshadow of how He shall use the President of the United States and the "chief" officers of the Secret Societies--most especially Skull and Bones--to prepare the way for יהוה בן יהוה to reign over all the nations of the earth.

Let me leave you with this: Know of a surety that the work the President and the "chief" officers of the Secret Societies are doing in preparing for יהוה בן יהוה to come into "power" and "great" glory *is not* by any means voluntary, neither is it of their own free will, but rather, by "*divine*" decree by Almighty God, יהוה, Himself. The fact of the matter is, their "divine" work was already decided upon, calculated precisely, and firmly fixed in purpose by יהוה from the beginning (Genesis 3:24). All that they are doing is by an *unnatural* effort that is being exerted far "**beyond**" **the natural limits of man**: for יהוה has put in them--in their chemical concoction--an irresistible impulse that shall compel them to turn every way

to bring the world into harmony with His Son, יהוה בן יהוה, who shall carry out His “divine” will.

These subsequent events shall be the most approved, the most important, and the most satisfying, readily visible or observable events that will be so complete and convincing to the so-called Black people of America as to put conclusion far beyond a reasonable doubt that יהוה בן יהוה is not only our Savior and Redeemer, but He is also the Savior and Redeemer of the whole world. All of these things *shall* come to pass, and יהוה בן יהוה **shall be crowned “King” of kings and “Lord” of all lords. He shall reign for ever and ever!**

As it is written, dominion, and glory, and a kingdom *shall* be given to יהוה בן יהוה, that **all** people, **all** nations, and **all** languages should serve Him: His dominion shall be an *everlasting* dominion, which shall not pass away, and His kingdom that which shall not be destroyed (Daniel 7:14). I am sounding the trumpet, and saying with a great voice, “the kingdoms of this world **SHALL** become the kingdoms of our Lord, יהוה, and of His Christ, יהוה בן יהוה. Yes, and **HE SHALL REIGN FOR EVER AND EVER!!!**” (Revelation 11:15). Praise יהוה!!! יהוה בן יהוה “*is*” King of kings and Lord of lords! Let *everything* that has breath--praise יהוה!!!
