

יהוה Twenty-Fourth Feast of Passover and Feast of Unleavened Bread 6007

“Go to the Ant,” Part 18

Praise יהוה! Praise יהוה! Hallelu-יהוה! Praise יהוה!

It gives me great joy, delight, satisfaction and jubilation to stand as a witness, to treat in words the marvelous works of the Son of יהוה in progress, and to remind all people in the world that the **Kingdom of יהוה בן יהוה is at hand!** Praise יהוה!

This is that day which was prophesied from Genesis through Revelation of a scheduled and future event that was written to take place in the latter days. These latter days would have had to be referring to the appointed fate of the rulers of darkness in high places as Judgment Day.

This day would also be known as Doomsday, the End of Time, the Day of Wrath, Writing On the Wall, and Termination for some; while on the other hand, this same day would be known to others as the Kingdom of Heaven, Our Father’s House, the Hereafter, Resurrection Day, the Throne of יהוה בן יהוה, New Jerusalem, and the Land of Milk and Honey.

This last day and time, or crack of doom for the wicked, will be a time when all things sealed, all things closed, all things hidden, all things shut up, all things stopped up, and all things concerning mysteries that were sealed in the best-selling Book of all times have been opened; and divine knowledge to repair the destroyed and scattered people of יהוה בן יהוה has increased throughout the earth.

Know without a doubt, with absolute certainty, that the allegorical **season of winter**--a time of tribulation, a time of Jacob's troubles--is a time of woe in the earth, because the devil and the rulers who are hiding in the dark secret places have come down intensely upon you with chilling, immobilizing wrath because he knows most assuredly that his kingdom has at this moment **“but a short time.”**

Praise יהוה!

Moreover, the prince of darkness is using all of his last-ditch efforts to hold up his satanic and defacto rulership; nevertheless, his Day of Judgment is at hand, his last judgment is at hand, his last days of ruling in darkness are at hand, because the resurrection of the Sovereign Ruler of Everlasting Light, יהוה בן יהוה, is at hand!

Praise יהוה!

Let all of you, the servants and the chosen who wait for the glorious kingdom of יהוה בן יהוה, be glad, rejoice, and give honor, for יהוה בן יהוה is rising in time and on time to take His rightful place as the King of all kings, the Lord of all lords, and the Heir of all things! Praise יהוה בן יהוה!

Welcome to our **Twenty-Fourth Annual Passover and Feast of Unleavened Bread 6007**, on the beautiful Hutchinson Island in the city of Stuart, Florida, where יהוה has chosen to place His magnanimous, omnipotent, and redeeming name.

Only יהוה בן יהוה, all by Himself, has come to us that we might overcome the liars, the abominable, the murderers, the fearful, the unbelieving, and the ideas of this demonic world. Only יהוה בן יהוה has come with the **only name** wherein we all who choose Him can be saved. Praise יהוה for His First Begotten Son, בן יהוה יהוה! Praise יהוה!

We have previously discussed in Proverbs 6:8 that at the conclusion of the execution of the harvest of יהוה בן יהוה to reap all people who stand for good out of this world, a **turbulent winter of tribulation and woe** as written in Matthew

24:21 and Mark 13:18 will blanket the entire earth denying all people their God-given right and civil liberty that they thought they rightfully had.

We have also discussed that this **severe and turbulent winter** will blow upon all people blasts of global deception, enormous misinformation, fraudulent communications, and massive global round ups through a **one world** global media, international coalition military forces, and a massive network of global computer technologies.

Today, we will continue to discuss and examine the allegorical times and **season of winter** stemming from Proverbs 6:8, appointed for the purpose of establishing the Kingdom of יהוה בן יהוה forever while simultaneously consuming the wicked kingdoms of the rulers of darkness in high places.

Moreover, in our study and research, through the inspired teachings of בן יהוה יהוה, it is in order that His method of study reveal, expose, show, and bring to light this final phase of the devil as well as the princes who sit and hide in the dark, secret places as they move frantically to unleash the height of a global conspiracy to usher in the dark, lean, and vicious **season of winter**. Let us read St. John 16:13:

13 Howbeit when He, the Spirit of truth, is come, He will guide you into all truth: for He shall not speak of Himself; but whatsoever He shall hear, that shall He speak: and He will show you things to come.

It is only יהוה בן יהוה, the Spirit of Truth, who has revealed and shown to us those prophetic things which must shortly come to pass. Let us read Revelation 1:1 in part:

1 The Revelation of יהוה בן יהוה, which God, יהוה, gave unto Him, to show unto His servants things which must shortly come to pass;. . .

Let us begin by considering once again another panoramic point of view about how this **turbulent season of winter** will affect all people as we pursue a sequence of thoughts as prophesied from the revelatory words of יהוה בן יהוה. Let us read Mark 13:18 and 19:

*18 And pray that your flight be not in the winter.
19 For in those days shall be affliction, such as was not from the beginning of the creation which God, יהוה, created unto this time, neither shall be.*

To begin on our course of understanding some of the hidden things in Mark 13:18 and 19 concerning the allegorical **season of winter**, we will move forward to examine the intimate nature of the word **winter**.

The word **winter** according to *The New Strong's Exhaustive Concordance of the Bible*, copyright 1990 in the Greek Dictionary of the New Testament under the reference number 5490, is the Greek word "**chasma.**" The word **chasma** comes from "**a form of the obsolete primary c-h-a-o--'chao'.**"

Now in order to understand the secret meaning, mystery, or coded message hidden behind the intimate nature of **winter** or the Greek word **chasma**, which comes from the obsolete primary "**chao,**" we must define the words **primary** and **obsolete.**

The word **obsolete**, according to *The American Heritage Dictionary of the English Language*, Fourth Edition, copyright 2000, means "**no longer in use.**"

This definition clearly lets us know that someone or something caused the customary way in which the word **chao** (stemming from chasm) **was** to be linguistically understood, therefore causing the primary use of the word **chao** to become obsolete and no longer in linguistic use.

Next, the word **primary**, from the root word **prime**, referenced in the same source means “**first in time, order or sequence.**” The word **primary** is also defined as “**having a word root as a basis that cannot be broken down.**”

So, based on the facts according to these definitions, it is evident that the original primary word root **chao**--being the first in time, order, and sequence--could not be broken down linguistically in the customary way as a basis for understanding the true meaning and intimate nature of the word **winter**.

Because of these reasons, the customary use of the primary word root “**chao**” was caused by someone or something to be **obsolete** and **no longer in linguistic use** to hide its relevance at the end of satanic rule as it relates to the Great Tribulation, the Kingdom of יהוה בן יהוה, and the rulers who sit in the dark high places. Let us read Ephesians 6:12:

12 For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.

Now let us continue in our examination of the word **winter** in *The New Strong's Exhaustive Concordance of the Bible*, copyright 1990 in the Greek Dictionary of the New Testament under the reference number 5490 for more understanding.

Under the reference number 5490, the English word **winter** or the Greek word **Chasma** also means “**a chasm.**” To further show that the symbolic and allegorical meaning of **winter** has been hidden once again behind the definition “**a chasm,**” we must go to the word **c-h-a-o-s (chaos)**.

According to *The American Heritage Dictionary of the English Language*, Fourth Edition, copyright 2000, the **obsolete** meaning of the word **chaos** is also “**a chasm.**”

So at this point, as can be seen from the facts examined, it is very clear that before the Greek word for winter “**chasma**” or its English meaning “**chasm**” was the obsolete primary word root “**chao**” hidden in the word chaos.

It is with absolute certainty that **chao** and **chasm** are two key words leading to the present day and modern use of the current word **chaos**. In addition to these findings, it is equally important to understand that the mysteries of a **winter of**

chaos erupting from **winter chasms** have been closed and concealed until the end times or the latter days.

However, these hidden mysteries of a prophetic **winter of chaos** have been opened to our understanding in due time as revealed by יהוה בן יהוה, announcing that perilous times are now at hand so that we might withstand the imminent danger that is in active implementation and moving quickly toward complete execution upon us. Let us read 2 Timothy 3:1:

1 This know also, that in the last days perilous times shall come.

Now let us proceed further in our examination to get more of a panoramic view of this season of **winter** by taking a closer look into the Greek word **chasm** and the modern word **chaos**. We will begin with the word **chasm**.

The word **chasm** as referenced in the *The American Heritage Dictionary of the English Language*, Fourth Edition, copyright 2000, means “**a sudden interruption of continuity.**”

This definition of **chasm** tells us that a period of time as a **winter chasm** will come upon all people by a sudden interruption of continuity. This sudden interruption of continuity will come unexpectedly, quickly, and without specific warning. Let us read Ecclesiastes 9:12:

12 For man also knoweth not his time: as the fishes that are taken in an evil net, and as the birds that are caught in the snare; so are the sons of men snared in an evil time, when it falleth suddenly upon them.

Next the word **interruption**, also from the definition of **chasm** in the same source, means “**to hinder or stop the action or discourse of (someone) by breaking in on.**”

The word **interruption** tells us that this **chasm** or sudden interruption of continuity, due to “supposed” suspicion, will be brought about by breaking in on any person abruptly to hinder, to stop the action or open discourse of by gagging, censorship, screenings, annoying delays, and security checks intentionally placed at anytime to impede and make regular movement of all people deliberately difficult. Let us read Proverbs 6:15:

15 Therefore shall his calamity come suddenly; suddenly shall he be broken without remedy.

The word **continuity** also stemming from the definition of **chasm** referenced in *The Merriam-Webster's Collegiate Dictionary*, copyright 2000, Computer Software, means “**uninterrupted continuation especially without essential change.**”

From this definition, a **winter chasm** of **continuity** tells us here that the normal, uninterrupted continuation of daily activities of all people **will be** suddenly and elusively interrupted, abruptly hindered, and stopped unexpectedly especially without warning of an essential change. Let us read Proverbs 24:22 to the semicolon in part:

22 For their calamity shall rise suddenly; . . .

Now let us continue as we gain an overall view of this **winter chasm** that will erupt into a full-fledge **winter of chaos** by looking now into the nature of the word **chaos**.

According to *The Random House Webster's Unabridged Dictionary*, copyright 1999, Computer Software, the word **chaos** means “**a state of utter confusion or disorder and a total lack of organization or order.**”

Now based on the facts given, these two definitions clearly let us know that the same circle of forces that caused the obsolete primary word **chao** to become obsolete or no longer in linguistic use in these last days (as we know it) are the same forces, using secret surreptitious procedures, who will suddenly, abruptly, and without warning interrupt and stop the continuity of the daily activities of all people, resulting in a state of utter confusion and unquellable disorder. Let us read Isaiah 47:11:

11 Therefore shall evil come upon thee; thou shalt not know from whence it riseth: and mischief shall fall upon thee; thou shalt not be able to put it off: and desolation shall come upon thee suddenly, which thou shalt not know.

These secret, surreptitious procedures or **winter chasms** will, in a short time, cause all inhabitants of the earth to undergo a total lack of order and organization. All people, unsuspectingly, will be forced into a condition or place of great disorder and mass confusion.

It will be the season of the “symbolic” **winter of chaos**, the great tribulation that signals an impassable period of violent disturbances on civil, political, social, economical, and domestic affairs, scaling that of tumultuous storms and floods of pouring rain. Let us read Isaiah 59:19:

19 So shall they fear the name of the LORD, יהוה, from the west, and His glory from the rising of the sun. When the enemy shall come in like a flood, the Spirit of the LORD, יהוה, shall lift up a standard against him.

Let us read Matthew 24: 38 and 39:

*38 For as in the days that were before the flood they were eating and drinking, marrying and giving in marriage, until the day that Noe entered into the ark,
39 And knew not until the flood came, and took them all away; so shall also the coming of the Son of man, יהוה בן יהוה, be.*

These days are now subtly upon us: for all these things we have examined thus far today must surely and shortly come to pass.

However, at this point in our examination of a **winter of chaos**, we will focus our attention on how the devil and the rulers who are hiding in dark secret places have come down to you with great wrath and how they will execute a **winter chasm** of

concealed global conspiracy to create a state of utter confusion and mass disorder upon all inhabitants of the earth. Let us read Matthew 24:21:

21 For then shall be great tribulation, such as was not since the beginning of the world to this time, no, nor ever shall be.

We will also observe closely how through their wrath, they have initiated a “secret” crisis to purposely mislead and intentionally confuse the masses so that they will not be able to distinguish “normal” order from “obscure” disorder.

This obscure disorder of massive confusion will result in a wicked solution for “supposed” order, fueled by false deception of restored peace, security, and an artificial sense of order. Let us read Matthew 24:11 and 24:

***11 And many false prophets shall rise, and shall deceive many.
24 For there shall arise false Christs, and false prophets, and shall show great signs and wonders; insomuch that, if it were possible, they shall deceive the very elect.***

Now let us continue on to reflect on the revelations given in 1984 in the book *Concentration Camps* written by יהודה בן יהודה, copyright 1995, for conclusive research and for the remainder of this study to see how some of these great signs,

wonders and events we “thought” were from the past, actually relate to this **winter chaos of great tribulation** induced by the dark side of the United States government and all the rulers of darkness.

As we look back on scenes we “thought” were only from the past, research of the Scriptures validates that the dark side of the Babylonian government--their presidents, princes, governors, captains, judges, treasurers, counselors, sheriffs, and rulers of the clergy in all of the provinces who sat in high places--activated a covert force of law to massively interrogate, entrap, detain, and kill our Hebrew brothers. Let us read Daniel 6:7:

7 All the presidents of the kingdom, the governors, and the princes, the counsellors, and the captains, have consulted together to establish a royal statute, and to make a firm decree, that whosoever shall ask a petition of any God or man for thirty days, save of thee, O king, he shall be cast into the den of lions.

For further proof of this covert force of law, let us read Daniel 3:10 and 11:

10 Thou, O king, hast made a decree, that every man that shall hear the sound of the cornet, flute, harp, sackbut, psaltery, and dulcimer, and all kinds of music, shall fall down and worship the golden image:

11 And whoso falleth not down and worshipping, that he should be cast into the midst of a burning fiery furnace.

From what we have seen, in both cases, it is clear that a decree was caused, created, provided, and brought into a force of law by the King of Babylon and a group of global co-conspirators upon all people of the land in their secret efforts to interrogate, entrap, prosecute, and detain Daniel and the Hebrew children.

The secret and crafty actions of this clandestine group to entrap Daniel and the Hebrew children by a forced decree of law allegorically symbolizes the existing plan to destroy יהוה בן יהוה, The Nation of יהוה, the whole of Judah, and all people who stand for righteousness this day.

This brutal and bitter secret force of law was menacingly cold and strategically designed in such a way that it could not be altered or changed. Let us read Daniel 6:8, 9, and 15:

8 Now, O king, establish the decree, and sign the writing, that it be not changed, according to the law of the Medes and Persians, which altereth not.

9 Wherefore king Darius signed the writing and the decree.

15 Then these men assembled unto the king, and said unto the king, Know, O king, that the law of the Medes and Persians is, That no decree nor statute which the king establisheth may be changed.

For further proof of an evil covert operation, let us proceed in our investigation of the men who hid in the dark high places of the Babylonian government that enacted a secret decree to entrap, detain, and kill Daniel and the Hebrew children by accusations of “supposed” criminal intent and moral depravity. Let us read Daniel 3:8 and 12:

8 Wherefore at that time certain Chaldeans came near, and accused the Jews [Hebrews].

12 There are certain Jews [Hebrews] whom thou hast set over the affairs of the province of Babylon, Shadrach, Meshach, and Abednego; these men, O king, have not regarded thee: they serve not thy gods, nor worship the golden image which thou hast set up.

Let us read on for more proof of a conspiracy by this clandestine group of **certain chaldeans** to construct and certify false accusations in Daniel 6:4 and 13:

4 Then the presidents and princes sought to find occasion against Daniel concerning the kingdom; but they could find none occasion nor fault; forasmuch as he was faithful, neither was there any error or fault found in him.

13 Then answered they and said before the king, That Daniel, which is of the children of the captivity of Judah, regardeth not thee, O king, nor the decree that thou hast signed, but maketh his petition three times a day.

Now, based on the facts in both cases, we have seen it is without a doubt that these **certain men of Babylon and other nations**, along with the **King of Babylon** who secretly assembled together seeking occasion to accuse both Daniel and the Hebrew children, were a group of wicked men in dark, high places who held great power to influence and legislate laws concerning the security of their kingdoms and their secular political governments of that time.

These **certain men** were not ordinary men but, rather, a “specific, organized” group of elite men from Babylon and adjoining nations who were illumined in not only the canons of spiritual law but also in civil law as well. Let us read Daniel 6:5:

5 Then said these men, We shall not find any occasion against this Daniel, except we find it against him concerning the law of his God, יהוה.

These **certain men of Babylon and adjoining nations** in both cases were the highest ranking chief priests of the Babylonian council of jurisprudence and the Babylonian council of clerics or clergymen, who were skilled luminaries in the sacred laws of יהוה but, at the same time, diabolical irreverent craftsmen abiding

in their own lofty high places of spiritual wickedness. Let us read 2 Kings 17:29 for clarification:

29 Howbeit every nation made gods of their own, and put them in the houses of the high places which the Samaritans had made, every nation in their cities wherein they dwelt.

This hierocracy of **certain men** and those **nations united with** them institutionalized and worshipped their own gods in all the provinces of Babylon as they masked, ascended, and exalted themselves as the supreme grand council sitting on the mounts of all the congregations. Let us read Isaiah 14:13 and 14:

13 For thou hast said in thine heart, I will ascend into heaven, I will exalt my throne above the stars of God, יהרה: I will sit also upon the mount of the congregation, in the sides of the north:

14 I will ascend above the heights of the clouds; I will be like the most High.

These **certain men** ruled and influenced the King of Babylon concerning all official decisions of the Babylonian Department of Justice, their Treasury Department, their Commerce Department, their Labor Department, their Agriculture Department, their Department of Defense, their Defense Intelligence Agency, their Council on Foreign Relations, their Department of Education, the

ecclesiastical affairs of the clergy and their synagogues, their secret fraternal orders, and all other departments or branches of government that could be named.

Let us read 2 Chronicles 11:15:

15 And he ordained him priests for the high places, and for the devils, and for the calves which he had made.

The fact is that the King of Babylon and this circle of “**certain men**” who had the power to **ordain** men into offices in the Babylonian circuits of dark, high places, regularly and methodically assembled in secret, conspired in obscurity, and agreed in private to advance their top secret plans of luceferian world rulership or supreme dominance.

In addition, the primary concern of these **certain men** was that of “**one world**” global domination and, secondly, to prevent the theocratic rule of Daniel along with the Hebrew children under יהוה over the whole kingdom and anyone whose god or image was other than their own Babylonian gods.

Up to this point, the secret plans decreed by these **certain men** with the **King of Babylon** to prevent the rise of Daniel and to detain (by rounding up) the Hebrew

children and all godly people, foreshadow, allegorically, the execution of a **winter of chaos and great tribulation** that is now pressing elusively upon all of us today.

But I am so glad to know that we serve the Son, יהוה בן יהוה, and His Father, יהוה, who rules in the affairs of all men! Praise יהוה! Let us read 1Thessalonians 5:4:

4 But ye, brethren, are not in darkness, that that day should overtake you as a thief.

Praise יהוה! For further research, illustrated facts of this same type of covert and preventive tactics from since the time of the J. Edgar Hoover administration can be found at length in the book, *YOU ARE NOT A NIGGER: "Our True History, the World's Best Kept Secret"* written by יהוה בן יהוה, copyright 1981 on pages 183 and 184.

Moreover, further research shows that as we meet this day the same type of laws and preventive tactics that were secretly decreed and clandestinely legislated against our Hebrew brothers in the past up to and since the J. Edgar Hoover administration are the same laws in these last days of satanic rule, but are more strengthened, heightened, and intensified.

In addition, be assured that these same laws, legislated through a type of the same circle of “**certain men,**” have been severely escalated and have also evolved up to this time under many names.

These laws have evolved as *King Alfred, The Choice (A Plan to Destroy the Obsolete People), Rex 84, the USA Patriot Act, USA Patriot Act II, the Domestic Security Enhancement Act, TIPS (Terrorist Intervention Prevention Systems), TIA (Total Information Awareness), CAPSII (Computer Assisted Passenger Screening), Video, Database, and Communications Surveillance, Big Brother and many other technologies, acts, and names as the US Visits Program* that will soon emerge.

Let’s take a closer look now to get another panoramic view of how these conspired acts of surveillance laws interconnect and how these laws will bring in violent **winter chasms** that will erupt into massive unemployment, adversity, discontentment, physical and spiritual famine, chemical warfare and nuclear annihilation, hailing in an impassable interval of a **winter chaos**.

As we take a closer look, we must remember that the global efforts of certain Babylonian men who created surveillance laws to accuse, entrap, and prevent the rise of Daniel and the Hebrew children in the past, allegorically depicts the

theocratic rise and rule of יהודה בן יהודה, the Tribe of Judah (The Nation of בן יהודה), and all who stand for righteousness today.

Let's begin by listing some of the Rex 84 national security directives issued on April 5, 1984, the USA Patriot Act national surveillance provisions or the USA Patriot Act II expanded revisions issued on Oct. 26, 2001 (after 9/11) wherein the CIA, FBI, Military, and Law Enforcement officials, under the executive powers of the "Bush conspirators," have secretly moved forward with chilling unregulated, intensified "**sweeping powers.**"

These sweeping executive powers secretly ordered through the allegorical modern-day "King of Babylon," President George W. Bush, along with "**certain men**" sitting in dark and spiritually wicked high places, have now observably placed in full view with unquestionable evidence their one-world government coalition forces under "Homeland Security."

Also, these one-world coalition forces have unlimited enforcement powers under the game of suspected terrorism, potential terrorism, domestic terrorism, or immigration reform so that they can monitor and accuse anyone--such as

undocumented immigrants, American citizens, or non-citizens--of some “suspected” wrong doing.

Research shows clearly that US Federal agents can label any person or any organization (if they do not agree with your belief system) as a “domestic terrorist” or as engaging in “domestic terrorism” so as to seize all of your personal assets and property without prior notification, with the intent of effectively bankrupting you as well as that organization.

Under expanded provisions, the US Attorney General, having heightened powers, can detain, deport, or strip the citizenship of any American naturalized or natural born who joins, donates, or provides support to any group designated or deemed by the government as a “domestic terrorist group” and is believed to endanger its national security.

US Federal Agents can now enter any home or office, without informing you that a warrant has been issued, to exercise a secret “sneak and peek” search; and based on so-called “suspicious” evidence found, any one can be labeled an “enemy combatant” facing imprisonment or solitary confinement indefinitely, solely on the

say-so of government officials--without charges, without examining the facts with a lawyer, and without an open or public trial.

Research also shows that US agents of the FBI, CIA, and other military police forces have increased freedom to do “domestic spying,” thus, infiltrating on any religious or secular group that the “Bush conspirators” feel are, in their views, “controversial.”

In the same fashion, any event that is open to the public--as ירוה feast conventions, traditional religious services or conventions, political conventions, and any public meetings--face infiltration and overall surveillance on just the “say so” of the President and government officials without evidence or proving any connection to terrorism or any crime.

Also, at the present time, the US Federal government can state to a secret federal court judge (without proof) that a PR/TT (“Pen Register/Trap and Trace”) search warrant is necessary in a so-called criminal investigation, to wiretap all phone conversations, to collect all phone numbers dialed out and received from any cell phone, office, or any home telephone.

In fact, some cell phones today can digitally photograph you. All Global Positioning System cell phones that are GPS phone ready are also capable of voice and word recognition, and can automatically track and report the location of any owner especially if 911 is dialed, or even if 911 is not dialed.

Also, in like manner, without being suspected of a crime, the US Federal government agents (by force) can collect information on you while gagging anyone with access to your records with the threat of jail.

They can collect records on what libraries and bookstores you visit, what books you read, where you travel, your medical history, and collect your financial history. They can also monitor and watch what Internet sites you visit, your e-mail communications, and your web addresses.

Next, we will look at an additional list of laws that have been secretly crafted and expanded by President George W. Bush and certain men who hide in the dark secret places.

Under the “TIPS” (Terrorist Intervention Prevention System) program, community neighbors have been subtly encouraged by the US Federal government to become informants and to spy on one another, looking for some kind of suspicious activity.

Even at this present time, under the “Total/Terrorism Information Awareness” program, all personal information registered or recorded on all Americans by the FBI and any other government or commercial databases have been gathered, detailed, and mined together into centralized expansive dossiers by one of the world’s largest private data mining companies, namely ChoicePoint based in Atlanta, Georgia, which profiles and records all of your life activities.

In addition, through a secret federal government contract with ChoicePoint, US Federal government agents can review and extract from these massive databases of private information on **all** Americans at any time. Next, further research shows in the area of “computer identification systems” that video surveillance cameras can now publicly monitor and track every American citizen across the country from city to city. Surveillance cameras are now in military and law enforcement aircrafts, public schools, metro transit stations, public streets, neighborhoods, public buildings and a host of businesses.

Furthermore, from a half mile away through (GPS) Global Positioning Systems and wireless technology, law enforcement officials from a centralized network surveillance center in Washington D.C. and throughout the country in various cities can, from across the city, view images and zoom in on the activities of any person.

Identification technologies of this kind now used in this “brave new world” can also be seen and used in banks for deposits and withdrawals, grocery stores, service stations, in restaurants, and school campuses for methods of payment and for any building utilizing twenty-four hour wireless security surveillance.

If you are in any way labeled by the government as being “suspicious,” you will be tracked and monitored as you move about in any city. Let us read on to learn how these types of surveillances were used to entrap Daniel and the Hebrew children allegorically in the Scripture after being labeled “suspicious” and a “domestic terrorist.”

Let us read Daniel 6:10 and 11:

10 Now when Daniel knew that the writing was signed, he went into his house; and his windows being open in his

chamber toward Jerusalem, he kneeled upon his knees three times a day, and prayed, and gave thanks before his God, as he did aforetime.

11 Then these men assembled, and found Daniel praying and making supplication before his God, יהוה.

Allegorically, as we can see, these **certain elite men**, who were united and joined together for the security of their satanic kingdom, had the daily activities of Daniel and the Hebrew children under constant surveillance.

Also, the secret laws crafted by these **certain men** peering and probing through the “**windows**,” which were opened in Daniel 6:10 and 11 for routine surveillance, symbolizes the eavesdropping and filtering software developed for the “Bush conspirators” that computer technology companies, under clandestine contracts with them, use in wireless electronic data surveillance today.

Through these clandestine contracts, the US government can secretly monitor and record how many people, after opening “**windows**” on their personal computers, eagerly log on to our יהוה בן יהוה website, send emails, or download the words of יהוה בן יהוה for intense mental application and study in the privacy of their own homes.

Further research has shown just recently, under the US Visits program and the air security screening program “CAPSII” (Computer Assisted Passenger Screening technology), any person can be profiled, tracked, and identified as to their travel history, credit card history, and other personal information through face recognition (digitally photographed), iris or retina scans, and **“right”** fingerprinting identification.

Also, further research shows that computer identification technology systems, as GPS chips, can be found in child tracking (locator) wristbands for children, personal tracking locaters for personal use, and in today’s cars as global positioning devices or navigation systems.

GPS chips placed in a type of black box in the latest model cars can and will record the speed, location, movement, and operation of your vehicle. This GPS device can monitor and report to law enforcement officials anywhere you go and what you do in the privacy of your own vehicle.

Next, in conjunction with surveillance technologies, there is the national ID card which can take shape through your state issued driver’s license (or for some, the present “green card”) which can also combine all of your personal information into

a wide range of information shortly becoming the only means by which you will be able to participate in daily activities.

Additional research shows that these national ID cards combined with RF (radio frequency) ID (identification) chips and biometric technology will create an overwhelming surveillance system that will affect every aspect of your life. These chips embedded in the card itself emit a short-range radio signal that will identify, when scanned, all of the information that is stored on the chip.

Presently, radio frequency ID chips are being used in some major credit cards now and soon will not only be necessary to make business transactions but also to gain entry and have access to all commercial, private, and public buildings.

Moreover, as we move about our various cities, radio frequency chips are being used right now in identifying speed passes at tollbooths from city to city and plans are underway to use chips as bar codes on every product you can imagine that can be bought or sold.

Then, through the ultimate deception, a chip will be embedded in the top of the right hand or in the forehead in order to buy or sell. Let us read Revelation 13:17:

17 And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.

Let us read on to see a type of deceptive call to signify and indicate a desire to cooperate (make an image) with the technological accomplishments of the US Federal government to secure economic stability, civil law, and civil order symbolized through the implementation and physical use of an embedded chip.

Let us read Revelation 13:14:

13 And deceiveth them that dwell on the earth by the means of those miracles which he had power to do in the sight of the beast; saying to them that dwell on the earth, that they should make an image to the beast, which had the wound by a sword, and did live.

We must bear in mind that the declaration of a conspired “secret crisis” to make an image to the beast, to restore civil order and maintain the covert plans against יהוה בן יהוה and the Nation of יהוה is the period set for **winter chaos** of **Great tribulation** which will have a devastating effect upon all people of the earth. Let us read Revelation 13:16:

16 And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads:

Consequently, if any U.S. citizen or non-citizen resist or speak out against receiving the embedded chip in their right hand or forehead--as a necessary measure to restore a collapsed economy, uphold the democratic freedom and global dominance of the American people from “suspicious evil terrorist,” or to secure “**certain men**” in their dark high places from their inevitable loss to theocratic rule--their “secret crisis” will be thrust out into the open for all the deceived world to see. Let us read Daniel 3:4 and 5:

*4 Then a herald cried aloud, to you it is commanded, O people, nations, and languages,
5 That at what time ye hear the sound of the cornet, flute, harp, sackbut, psaltery, dulcimer, and all kinds of music, ye fall down and worship the golden image that Nebuchadnezzar the king hath set up:*

From the facts that we have seen concerning deceptive laws and miracles set up through massive global surveillance technologies, all people worldwide who speak out against or who do not yield themselves to the opinions, conditions, treatment, and control--under the image of the beast executed through the powers of the US President and **certain men** who sit in dark, spiritually wicked high places--will be rounded up, detained, and prosecuted facing certain death, as was Daniel and the Hebrew children. Let us read Daniel 3:6, 19 and 20:

6 And whoso falleth not down and worshipping shall the same hour be cast into the midst of a burning fiery furnace.

19 Then was Nebuchadnezzar full of fury, and the form of his visage was changed against Shadrach, Meshach, and Abednego: therefore he spake, and commanded that they should heat the furnace one seven times more than it was wont to be heated.

20 And he commanded the most mighty men that were in his army to bind Shadrach, Meshach, and Abednego, and to cast them into the burning fiery furnace.

Remember, that all of the judicial and military actions against Daniel and the Hebrew children symbolize that of *Concentration Camps, King Alfred and The Choice (a plan to destroy the obsolete people)*, which will happen to all of us very soon in our day and time.

As a final result of this national and international chaos of a total collapse of political, economical, educational, social, and spiritual order in America and the world, all people will be urgently identified, numbered, registered, assigned, and marshaled into a “season,” place, and condition of deep suffering, regret, misfortune, grief, and affliction. Many people will be concentrated, mobilized, and bound into bundles, then warehoused in burning brutal labor camps. Let us read Daniel 3:21-23:

21 Then these men were bound in their coats, their hosen, and their hats, and their other garments, and were cast into the midst of the burning fiery furnace.

22 Therefore because the king's commandment was urgent, and the furnace exceeding hot, the flame of the fire slew those men that took up Shadrach, Meshach, and Abednego.

23 And these three men, Shadrach, Meshach, and Abednego, fell down bound into the midst of the burning fiery furnace.

This unprecedented time to establish deceptive beliefs of peace and safety disguised as “Homeland Security” will mark the season of great tribulation, affliction, and woe; but know that our Father, יהוה, will have His way and His Son, יהוה בן יהוה, will not let the false wicked deceivers escape. Let us read 1 Thessalonians 5:2-4:

2 For yourselves know perfectly that the day of the Lord, יהוה בן יהוה, so cometh as a thief in the night.

3 For when they shall say, Peace and safety; then sudden destruction cometh upon them, as travail upon a woman with child; and they shall not escape.

This time of great tribulation will be that gap or period of time that all of you who seek יהוה בן יהוה with your whole heart must **pray** that your **flight** “be not” in this freezing, chilling, and agonizing **winter of chaos**. Let us read Mark 13:18:

17 And pray ye that your flight be not in the winter.

Know without a shadow of a doubt that as we live in an ever-increasing totalitarian police state, this very day, that it is now the time that we must earnestly move forward (more than ever before) toward and near the Divine Mind of יהוה בן יהוה.

We must be seriously urgent in our desires to intentionally allow the words of יהוה to go before us so that our attention is given over to only those things concerning the “will” of יהוה. All of our efforts must be purposely and deliberately in tune to the mission of יהוה בן יהוה and to regarding יהוה בן יהוה with great admiration, adoration, devotion, and respect.

We must reverence and worship יהוה בן יהוה as our Lord and Savior with the greatest honor, thanksgiving, and moral duty. This is the season that we **must not** be proud, haughty, or arrogant concerning secular and profane things, but humbly ask יהוה to save and protect us from the imminent danger of **winter** that is deceptively before us.

This is the season that we must **pray** to not be distracted by the illusions and deceptions of this world. This is also the season that we must continue to study

and “practice” the laws of יהוה, which will place us under the safety and protection of our Provider, יהוה בן יהוה.

We must earnestly **pray** that these overwhelming deceptions do not cause us to flee, shun, or evade the commitment we have made to serve יהוה and His Son, יהוה בן יהוה; so that in the height of this **winter chaos of great tribulation**, we, the elect and chosen of יהוה בן יהוה, will be saved.

Praise יהוה for His Merciful and Benevolent Son, our Provider, יהוה בן יהוה!

Thank You, יהוה בן יהוה, for the prophetic revelations of Your everlasting word and Your everlasting truth. Praise יהוה!
