

## יהוה Twenty-Fourth Annual Feast of Weeks 6007

### “Go to the Ant,” Part 19

Praise יהוה! Shalom and welcome to יהוה Twenty-Fourth Annual Feast of Weeks 6007, on the beautiful Hutchinson Island in the city of Stuart, Florida, where יהוה has chosen to place His most sovereign, most absolute, and holy preeminent name. Praise יהוה!

It gives me great pleasure and much joy to stand before you as a witness and to testify to you that we serve a mighty God who is great, a God who is good, and a God who is the Savior of all good people. We serve a God who promised that--after the so-called black man was afflicted in a strange land, entreated with evil in that same land, and served as bondmen to the people in that same land for over four hundred years--He would come back in an appointed time, on time, in time to deliver them from the hands of the people who subjected them to servitude in that land.

Well, I stand as one of the descendants, and as one born again, coming up from the so-called black people in that same land--that the God of the Bible, the God of our salvation, the God of the Hebrews, the Holy One of Israel, the God of our

redemption, the Son of the Ancient of Days, the only Messiah who will ever come, The Blessed and only Potentate, **יהוה בן יהוה**--is calling forth the righteous and He is setting the captives free with His message of deliverance.

This is the appointed day that **יהוה בן יהוה** was prophesied to come to judge the nation known as America; and at this same appointed time, He shall deliver His people. Praise **יהוה**!

This is the Day of Judgment, a time of trouble, a time of great rivalry and opposition, unlike any since America became a nation. And through the “divine” teachings of **יהוה בן יהוה**, the books that were “shut up” to the end, concerning all ancient mysteries, have been opened, and the sons of perdition are being revealed. Praise **יהוה בן יהוה** for His divine revelations of the truth. Praise **יהוה**!

We discussed in our last seminar that at the conclusion of the execution of the harvest of **יהוה בן יהוה** to reap all good people who stand for good out of this world (Proverbs 6:8), a turbulent winter of tribulation and woe (Mark 13:18) will blanket the earth.

We told you that this severe winter season would blanket the people of the earth with blasts of global deception, misinformation, fraudulent communications, and global round ups through a one-world global media network and an international coalition of military forces, as well as through massive computer technologies. We warned you that these blasts would be executed to deny all people their God-given rights and civil liberties that they “thought” they rightfully had.

We also discussed that the same type of laws and preventive tactics that were secretly decreed and clandestinely legislated by the **King of Babylon** and other nations united with her, who had men sitting in dark high places, are the same laws being executed in these last days of satanic rule; however, they are more strengthened, heightened, and intensified.

In addition, we foretold that violent winter chasms of global conspiracy will soon erupt into sudden calamities of massive unemployment, adversity, discontentment, physical and spiritual famine, chemical warfare, manufactured and natural disasters and nuclear annihilation. We alerted you that these disasters will issue in an impassable period in which many people will be concentrated, mobilized, bound into bundles, and then warehoused into brutal labor camps or killed by the hands of military forces.

This unprecedented winter of international and global **chaos** will be used to establish deceptive beliefs of securing peace, disguised as “Homeland Security” and “Road Map to Peace,” and this chaos will effectuate the season of great tribulation. At this time, many people will be positively identified, numbered, registered, assigned, and marshaled into a place and a condition of great suffering, regret, misfortune, grief, and inevitable affliction.

Today, we will take another panoramic view of how this freezing, chilling, and ever increasing totalitarian police state shall imminently move forward upon us, and how we must pray that we not turn away from, but to move closer than ever before to, the Divine Mind and true protection of **יהוה בן יהוה**.

To begin, we will continue on another course of study from scenes we thought were only from the past, that we might examine and understand more of the ancient, hidden mysteries to be found concerning the people of **יהוה** and the effects of the allegorical **season of winter** that is not only upon them, but also upon the good people throughout the world.

Let us turn and read in the Book of Daniel 3:1 to initiate our examination:

***3:1 Nebuchadnezzar the king made an image of gold, whose height was threescore cubits, and the breadth thereof six cubits: he set it up in the plain of Dura, in the province of Babylon.***

This scripture tells us first that Nebuchadnezzar, the King of Babylon, made an image of gold, and he set it up in the plain of Dura, in the province of Babylon. We must find out what this image that was made of gold represents today and where it is located.

In order to gain an understanding of this particular image and the ramifications of this image upon our Hebrew brothers being faced with the threat of death in a fiery furnace, let us go now into the **nature** of the place called **Babylon** to get a picture of what the social, political, and spiritual atmosphere was like for the people of Babylon and the effects of the Babylonian lifestyle on the Hebrews, the people of **יְהוּדָה**.

Since this took place in Babylon, let us learn something about this place. The word **Babylon** according to *The American Heritage Dictionary of the English Language*, Fourth Edition, copyright 2000 computer version, means “a place of great luxury, sensuality, and often vice and corruption.”

Also, the word **Babylon**, from *The Webster's Third New International Dictionary of the English Language Unabridged*, copyright 1966, on page 157, means “a large city regarded as luxurious, wicked, or given to the gratification of the senses.”

From these two definitions, we can see that Nebuchadnezzar set up an image of gold in a place of great luxury, vice, and corruption. These cities were characterized by much wickedness and given to much gratification of the senses. These facts show that the lifestyle of the people of this place would continue on to wax worse and worse to the magnitude of rampant degradation.

To put it plainly or in today's terms, this was like a place that was given over to extreme makeovers in anything; and it was a place that promoted such things as, sex in the city, nip tuck, American idol, and queer eyes for the straight guys. Let us read 2 Timothy 3:1-7:

*3:1 This know also, that in the last days perilous times shall come.*

*2 For men shall be lovers of their own selves, covetous, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy,*

*3 Without natural affection, trucebreakers, false accusers, incontinent, fierce, despisers of those that are good,*

*4 Traitors, heady, highminded, lovers of pleasures more than lovers of God;*

*5 Having a form of godliness, but denying the power thereof: from such turn away.*

*6 For of this sort are they which creep into houses, and lead captive silly women laden with sins, led away with divers lusts,  
7 Ever learning, and never able to come to the knowledge of the truth.*

Now let us take another look at the word **Babylon** as it relates to the last days and the Hebrew people of **יְהוּדָה**. From *The American Heritage Dictionary of the English Language*, Fourth Edition, copyright 2000, the word **Babylon** also means “a place of captivity or exile.”

So from this definition, we can assert emphatically that Babylon--or “Baby-land,” America--has, since its establishment and inception, up to today, is the present-day place where the physical, spiritual, and mental captivity of the so-called Black man or exiled tribe of Judah, children of Israel, or the people of **יְהוּדָה** are being held.

Let us read Jeremiah 13:19:

*19 The cities of the south shall be shut up, and none shall open them: Judah shall be carried away captive all of it, it shall be wholly carried away captive.*

Let us read Acts 7:6 and 7 to further validate the prophesied Babylon. Read:

*6 And God, **הוה**, spake on this wise, That his seed should sojourn in a strange land; and that they should bring them into bondage, and entreat them evil four hundred years.*

*7 And the nation to whom they shall be in bondage will I judge, said God, יהיה: and after that shall they come forth, and serve me in this place.*

יהיה כן יהיה has taught, shown, and proved, based on historical and biblical facts, that the tribe of Judah--the Black people of America, descendants of slaves--was driven out of their native homeland, held captive by force for over 449 years, put into a spiritual and mental condition of subjugation, made into pitiful slaves, and then bound in servitude as the legal property of the most evil, depraved, greedy, sinful, vile, sensual, and immoral nation on earth; thus, verifying, once again, that the nation called **America**--“the home of the free and the brave; the land of golden opportunity”--is the prophesied **Babylon** of the last days of satanic rule.

These facts clearly establish that America is that nation today where the present day King of Babylon will set up a revived and revised image of gold. For proof of this assertion, let us look further into the word **Babylon** to understand the marked and distinguishing character that symbolized the attitude and activities of the Babylonian people.

According to *The New Strong's Exhaustive Concordance of the Bible*, copyright 1990 in the Hebrew Dictionary of the Old Testament, the word **Babylon**

corresponds to the Hebrew reference number 894, “Babel,” which is the Hebrew word for “Babylon.”

In order to get a better picture of the underlying factors of the character and natural outgrowth of the people belonging to the city of Babylon (Babel) in the past as well as the present, we must go to Genesis 11: 4. Let us read please:

*4 And they said, Go to, let us build us a city and a tower, whose top may reach unto heaven; and let us make us a name, lest we be scattered abroad upon the face of the whole earth.*

Now let us look at the words **build**, **city**, and **tower**. In *The Synonym Finder*, by J. I. Rodale, copyright 1978, on page 137, **build** means the same as “set up.” And in *Merriam-Webster’s Collegiate Dictionary*, Eleventh Edition, copyright 2003, on page 226, **city** is described as “an inhabited place of greater population....” And according to *The New Strong’s Exhaustive Concordance of the Bible*, copyright 1990 in the Hebrew Dictionary of the Old Testament, under the reference number 4026 the word **tower** by analogy means “a rostrum.”

The word **rostrum**, from the *Webster’s New World Dictionary & Thesaurus* computer version copyright 1998, is “any platform, stage, etc. for public speaking or public speaking collectively.

The word **platform** from *The American Heritage Dictionary of the English Language*, Fourth Edition, copyright 2000, is defined as “a place, means, or opportunity for public expression or opinion; and a formal declaration of the principles on which a group makes its appeal to the public.”

So from these definitions, we can reason and infer that out of the general body of people on the whole earth cleaving to the laws and teachings of יהוה, a group from within agreed to mask a hidden, concealed opinion or will that was contrary to the will and instructions of יהוה.

To make their concealed attitude, outlook, and opposing views known to the public, they set up a place for the opportunity of publicly expressing their hostile opinions, diametrical beliefs and ideas that were in complete opposition to the laws of Almighty God, יהוה.

This group of people agreed and formally declared in secret that in order to make their covert appeal of opinions interesting and attractive to the people, they would make it on the world stage, that they might gain the loyal allegiance of other unsuspecting people.

Also the word **rostrum**, according to the *Random House Webster's Unabridged Dictionary*, copyright 1999, means “the pulpit; the clerical profession; the ministry; and members of the clergy collectively.”

Now based on this added information, we can assert that to firmly establish their public arena throughout the world, this opposing group of people used the pulpit. They institutionalized the clerical profession as the means to make their opinions known to the world. They did this by establishing or setting up ministries all over the world and used the members of the clergy collectively to spread their public opinions against יהוה to the masses of the global populace.

They sought a split among the people in Babylon (Babel) to build and strengthen a kingdom of evil and deception whose top may reach unto heaven; thereby, once again, becoming the prototype of all earthly rebellion against יהוה and His Anointed, יהוה בן יהוה. Let us read Romans 1:21:

***21 Because that, when they knew God, יהוה, they glorified him not as God, neither were thankful; but became vain in their imaginations, and their foolish heart was darkened.***

We see here that this opposing group even when they knew יהוה, they did not glorify Him as God neither were they thankful, but rather they became vain in all their imaginations, which resulted in their foolish hearts being consumed with darkened spirits.

So the attitudes and activities of the initial people of Babylon was a product of them being from the direct lineage, family tree, seed and offspring of Lucifer himself. They were committed to reviving his one world program and plan of total worship to Lucifer **only** and to express their public opinion against the plan of יהוה, even as we speak today. Let us read John 8:44:

*44 Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it.*

Now let us take another look at the word **tower** that describes the essential concealed elements of Babylon itself. According to *The New Strong's Exhaustive Concordance of the Bible*, copyright 1990 in the Hebrew Dictionary of the Old Testament, the word **tower** also stems from the Hebrew reference number 1431, which comes from a primitive root meaning “to twist.”

**Twist** from the *Merriam-Webster's 11th Collegiate Dictionary*, copyright 2003, computer version, means “to cause to take on moral, mental or emotional deformity; to make one’s way in a winding and devious manner to a destination or objective; to distort; pervert; and alter the meaning of.”

These definitions let us know clearly that the ulterior motives concealed within the ideas, beliefs, opinions and principles of the Babylonian ministry--the clerical profession and members of the clergy collectively--were to construct a creed, a doctrine, a code, a faith, a policy, a dogma, a system, and a science that would be built on the skill and knowledge of how to distort, pervert, and alter the truth of God, יהוה. Let us read Romans 1:22-25:

*22 Professing themselves to be wise, they became fools,  
 23 And changed the glory of the uncorruptible God, יהוה, into  
 an image made like to corruptible man, and to birds, and  
 fourfooted beasts, and creeping things.  
 24 Wherefore God, יהוה, also gave them up to uncleanness  
 through the lusts of their own hearts, to dishonour their own  
 bodies between themselves:  
 25 Who changed the truth of God, יהוה, into a lie, and  
 worshipped and served the creature more than the Creator,  
 who is blessed for ever. Amen.*

The clerical profession collectively professed themselves to be wise, but have proven themselves to be fools. Therefore, יהוה has given them up to uncleanness through the lust of their own hearts.

Through this twisted system of deceptive principles of distorting, perverting, and altering the truth of our God, יהוה, America has used members of the clergy to cause the people of יהוה to take on moral, mental, and emotional deformity. Let us read Jeremiah 4:22:

***22 For my people is foolish, they have not known me; they are sottish children, and they have none understanding: they are wise to do evil, but to do good they have no knowledge.***

Because members of the clergy have caused the people of יהוה to take on moral, mental, and emotional deformity, they have become a foolish people, who have absolutely no knowledge and no understanding of יהוה. They are wise to do evil, but to do good they have absolutely no knowledge. Let us read Isaiah 5:20:

***20 Woe unto them that call evil good, and good evil; that put darkness for light, and light for darkness; that put bitter for sweet, and sweet for bitter!***

In addition, because the ministry of opposition to the laws of יהוה was able to make their way in such a devious manner in their objectives to exercise the full deceptive techniques and expertise of their satanic craft, the knowledge and worship of the initiator in the science of the craft was not to be discernible by the people, but only known intelligibly by those who had undergone some degree of “secret” enlightenment. Let us read 1 Peter 4:8:

***8 Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour:***

The opponents of יהוה snaked their ways into the minds of the people of יהוה by tricking them away from His righteous rulership and leading them to false doctrines, religions, and idol worshiping. Let us read Romans 1:26-32:

***26 For this cause God, יהוה בן יהוה, gave them up unto vile affections: for even their women did change the natural use into that which is against nature:***

***27 And likewise also the men, leaving the natural use of the woman, burned in their lust one toward another; men with men working that which is unseemly, and receiving in themselves that recompense of their error which was meet.***

***28 And even as they did not like to retain God, יהוה, in their knowledge, God, יהוה, gave them over to a reprobate mind, to do those things which are not convenient;***

***29 Being filled with all unrighteousness, fornication, wickedness, covetousness, maliciousness; full of envy, murder, debate, deceit, malignity; whisperers,***

***30 Backbiters, haters of God, יהוה, despiteful, proud, boasters, inventors of evil things, disobedient to parents,***

*31 Without understanding, covenantbreakers, without natural affection, implacable, unmerciful:*

*32 Who knowing the judgment of God, יהוה, that they which commit such things are worthy of death, not only do the same, but have pleasure in them that do them.*

This is “exactly” what is going on all over the world even as I speak... this very moment. So in these last days, America, in all of her pomp and glory, stands as a classic monument of the prophetic deception of Babylon and holds to its commitment, from inception, of building a tower and name in honor of the ancient satanic mysteries of Lucifer and to hide the name of the True and Living God, יהוה.

Likewise, so was the allegorical effort of Nebuchadnezzar as he went about setting up the golden image. Let us turn back to read Daniel 3:1:

*3:1 Nebuchadnezzar the king made an image of gold, whose height was threescore cubits, and the breadth thereof six cubits: he set it up in the plain of Dura, in the province of Babylon.*

Now let us take a look at the word **Dura**, which is the place where Nebuchadnezzar set up the golden image in the Province of Babylon.

According to *The New Strong's Exhaustive Concordance of the Bible*, copyright 1990 in the Hebrew Dictionary of the Old Testament, under the reference number 1757, the word **dura** means “circle or dwelling”; also under the reference number 1753 **dura** stems from “to reside”; and under the reference number 1752 the word **dura** corresponds to a primitive root properly meaning “to move in a circle.”

From these definitions, it is clear that the image of deception in the ancient mysteries set up by the Babylonian king Nebuchadnezzar was appointed, established, and ordained to dwell, to reside, and to move in a circle that it might remain concealed or veiled.

In that this image of deception moved only in a particular circle, this circle later became the instrument used to translate and encode the Holy Bible, our holy Hebrew Book from יהוה, into written allegories and symbols, in which this veil of mysteries could only be done away through our Savior, יהוה בן יהוה. Let us read 2 Corinthians 3:14:

***14 But their minds were blinded: for until this day remaineth the same veil untaken away in the reading of the old testament; which veil is done away in Christ, יהוה בן יהוה.***

From within the core of the ancient mysteries, the knowledge of a secret worship of evil was to move in circles only in the realms of spiritual and political principalities bound by a central figure obscurely buried within their high dark and secret places. Let us read Ephesians 6:12:

***12 For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.***

This circle of deception was to freely wind and coil its way around the political, educational, social, economical, and spiritual branches of all Babylonian knowledge to direct the minds of the people to the tree of good and evil while, at the same time, away from the hidden name יהוה and away from the Tree of Life, יהוה בן יהוה , who is here this day to teach us the knowledge of good.

Moreover, these circles or branches of deceptive knowledge were to revolve around the very image of Satan, the devil, as the point and axis in which the minds of all people would become bound and his opposing ideas accepted.

Furthermore, this point and axis of evil deception would reside at its highest level, not only in the spiritual realm but also in the political realm of the Babylonian

government as well. For clarification and more understanding of this image, let us go back and read Daniel 3:1 after the colon:

*...he set it up in the plain of Dura, in the province of Babylon.*

Let us now turn our attention to the word **province** from the phrase, “**in the province** of Babylon.” According to *The New Strong’s Exhaustive Concordance of the Bible*, copyright 1990 in the Hebrew Dictionary of the Old Testament, under the reference numbers 4083 and 4082, the word **province** means “judgeship, jurisdiction, district, and region.”

Now these definitions clearly show that Nebuchadnezzar, the king, set up an image of gold bound in a circuit of deception, and he appointed, ordained, and invested men illumined in the ancient craft as judges with judicial power, having administrative jurisdiction over all districts throughout the Babylonian regions.

Furthermore, this golden image was also disguised, masked, and cloaked beneath a united league or men from many nations who had judgment and jurisdiction to govern the central district of Babylon first, and then the geographical whole of the Babylonian region or the known world.

In fact, this same type of circuit of deception and judicial jurisdiction over a district or region as that of ancient Babylon, which was inside Babylonia within the land of Mesopotamia, still exist even to this day.

For example, the Vatican City has a judicial district inside Rome within Italy; and, in the same fashion, the federal district of Washington D.C. is a judicial district in a specific area in the states of Maryland and Virginia within the United States of America. Each of these districts and areas house both centralized as well as independent jurisdictions.

Therefore, in these last days of satanic rule, the President of the United States, George W. Bush, just as King Nebuchadnezzar--using his predetermined administration will make sure, with resolve, that all nations comply with the policies of the league of men sitting in the United Nations--so called peace keeping organization with global jurisdiction--as they move within the secret circles of deception to globalize all nations under the revived golden image--the “new world order” or “one world under one satanic order.”

Let us continue on in our examination to gain an understanding of the word **image** spoken of in Daniel 3:1.

According to *The New Strong's Exhaustive Concordance of the Bible*, copyright 1990 in the Hebrew Dictionary of the Old Testament, under the reference 6755 and 6754, the word **image** is described as “an idolatrous figure.”

**Idolatrous** (an adjective) is a derivative of idol. An **idol** is “an image of a deity other than God,” according to *Random House Webster's Unabridged Dictionary*, copyright 1999, computer version. And in the same source, a **figure** is “a person.” Therefore, an idolatrous figure is an image or person worshipped as a deity other than God, יהוה.

From these definitions, we can see that Nebuchadnezzar exalted and lifted up a deity other than God, יהוה, and gave him a deceptive name for all the people on earth to recognize as their symbol of divinity and to express before him their praise and their object of worship, instead of the “true” God, יהוה.

This false deity, which was considered to be precious as gold to them, was only known to those who were illumined in the mysteries of the ancient craft to be a false notion, false conception, and a deliberate distortion of the one “true” God of the Hebrews, יהוה.

Nebuchadnezzar set up the very prototype of Babel--a satanic worship, a phantom, and an illusion. Today this **imposter** is known as **Jesus or Je-zeus**. And, again, just as Nebuchadnezzar, President George W. Bush and the joint league of united nations are secretly fulfilling a restored policy to impose upon all people today the same “set up” of a one-world demonic religion and a one-world demonic order.

The word **imposter** from *The Webster’s Third New International Dictionary of the English Language Unabridged*, copyright 1966, on page 1136 means “one that assumes an identity, character, and title not his own for the purpose of deception.”

This **imposter** will be set up to give the people *indistinct* light, and this will cause him to assume the identity, character, and title of the “True” Light and True Messiah, יהוה בן יהוה. He will do this to further deceive the masses of the people, which is in agreement with Revelation 12: 9:

***9 And the great dragon was cast out, that old serpent, called the Devil, and Satan, which deceiveth the whole world: he was cast out into the earth, and his angels were cast out with him.***

Upon close examination of the first three letters in the word **imposter** (**i-m-p**) (from the same reference source) we find that the word **imp** means “a small demon, devil, or wicked spirit.”

Therefore, it is true that this **imposter**, cloaked behind the name **Je-zeus**, will be exalted in the flesh and imposed upon all people of the world. In other words, he will be lifted up as the deity other than יהוה.

The truth of the matter is, he will be a devil, demon, or wicked offspring and child with the very spirit of Satan himself. And, even more, he will be positioned in the highest dark places in America--the prophetic Babylon. Furthermore, he will also be the abomination of desolation spoken of in Daniel 12:11. Let us read Daniel 12:11:

*11 And from the time that the daily sacrifice shall be taken away, and the abomination that maketh desolate set up, there shall be a thousand two hundred and ninety days.*

The abomination of desolation just didn't happen it was in fact "set up." By whom? By the same evil circle of men moving in high places in the province of Babylon America.

Now since this **imposter** was set up within veiled circles in the Province of Babylon, then it is certain that King Nebuchadnezzar and all of his appointed judgeships, who revolved around the same central figure of deception, were perhaps by descent and by association Babylonians.

In accordance with *The Webster's Third New International Dictionary of the English Language Unabridged*, copyright 1966 on page 157, the word **Babylonian** means "Roman catholic."

**Roman catholic** from the same source on page 1969 is described as "a member of the Roman Catholic church; of or being a Christian church with a hierarchy headed by the pope; a usual Latin rite centered in the Mass, seven sacraments, veneration of the Virgin Mary and the saints, clerical celibacy, many religious orders and dogma including transubstantiation and papal infallibility."

From this definition, we can see that **Babylonian, Roman Catholic** and **Christian Church** are all synonymous. Therefore, we can assert that through members of the Roman Catholic or Christian Church, with the hierarchy headed by the **Pope**, that Satan himself, masquerading as a phantom behind the illusion of the name **Je-zeus**, is the central figure of deception and concealed object of worship.

Also, through the pyramidal hierarchy of many religious orders and dogma, including Latin rites, papal infallibility, the idolatrous rituals of mass, transubstantiation (by bread and wine), sacraments as baptism, veneration of the Virgin Mary and the saints, and clerical celibacy of the priests, the Roman Catholic

church has skillfully crafted deceptive techniques to be revered by the people, and to shimmer “as” that of gold--as something to be worshipped.

Let us move on to see how this universal golden image that was “set up” by King Nebuchadnezzar came on the scene and how the worship of the image was imposed on all the people in the regions of Babylon. Let us turn and read Daniel 3:2 and 3:

*2 Then Nebuchadnezzar the king sent to gather together the princes, the governors, and the captains, the judges, the treasurers, the counsellors, the sheriffs, and all the rulers of the provinces, to come to the dedication of the image which Nebuchadnezzar the king had set up.*

*3 Then the princes, the governors, and captains, the judges, the treasurers, the counsellors, the sheriffs, and all the rulers of the provinces, were gathered together unto the dedication of the image that Nebuchadnezzar the king had set up; and they stood before the image that Nebuchadnezzar had set up.*

Now according to these Scriptures, King Nebuchadnezzar sent to gather all of the rulers of Babylon to come in unto the dedication of the image in which they were to stand. Let us define the word **dedication** for clarification.

According to *The New Strong's Exhaustive Concordance of the Bible*, copyright 1990 in the Hebrew Dictionary of the Old Testament, under the reference numbers

2596, 2597 and 2598 the word **dedication** means “to initiate; initiation; and consecration.”

These definitions tell us that Nebuchadnezzar assembled all of the potentates whom he had given judgment and jurisdiction to govern over the central region of the Babylonian empire, to gather all to be initiated or consecrated in the golden image which he had set up.

It would be a global initiation to honor the false notion, false conception and evil distortion of the return of the Christian deity **Jesus** to be exalted and lifted up other than **יהוה בן יהוה**, the true Messiah.

Today, in these prophetic times or end times, George W. Bush, the President of the United States of America, through the Roman Catholic Christian Church, will call upon all apostatized potentates opposed to the True and Living God, **יהוה בן יהוה**-- who dominate and govern a veiled priesthood from within the united league of nations-- to align themselves in full allegiance to the order of their concealed worship. Let us read Revelation 13:12:

*12 And he exerciseth all the power of the first beast before him, and causeth the earth and them which dwell therein to worship the first beast, whose deadly wound was healed.*

In addition, these same potentates will begin to rise up and join the President in his efforts to globally identify, number, and initiate all people, in their jurisdictions, under a universal ceremonial oath by forcing them to vow their loyalty to the freedom and security of American international foreign policies, their false idolatrous Christian doctrines, and their ancient “*mystery*” faith.

Now after the satanic religious dedication took place in Daniel 3:3, an official order crafted in a presidential decree was communicated throughout the world. Let us read Daniel 3:4 and 5:

*4 Then an herald cried aloud, To you it is commanded, O people, nations, and languages,  
5 That at what time ye hear the sound of the cornet, flute, harp, sackbut, psaltery, dulcimer, and all kinds of music, ye fall down and worship the golden image that Nebuchadnezzar the king hath set up:*

This herald cried aloud to not just the Babylonian people, but also to all people, nations, and languages. Let us look now at the word **herald** as it relates to the dedication of the false deity or golden image.

According to *The New Strong's Exhaustive Concordance of the Bible*, copyright 1990 in the Hebrew Dictionary of the Old Testament, under the reference numbers 3744 and 3745, the word **herald** means “to proclaim and to make a proclamation.”

So from these facts, we know that this herald proclaimed and made an official proclamation that was decreed by King Nebuchadnezzar and implemented with the help of certain appointed potentates in their given jurisdictions. To gain a clearer understanding, we will continue to examine the word **herald**.

The word **herald** from the *Merriam-Webster's 11th Collegiate Dictionary*, copyright 2003, computer version, is synonymous to the words **announce** and **publicize**. The word **publicize** is synonymous to advertise. **Advertise** means “to announce publicly especially by a printed notice or a broadcast; and the word **broadcast** means “the act of transmitting sound or images by radio or television.”

Based on these facts, we can deduce that just as Nebuchadnezzar used printed notices or broadcast mediums to announce publicly his message concerning the dedication to the golden image, the President of prophetic Babylon, America, will in like manner transmit his message by radio or television today.

So it is clear that as the winter season develops and the end of satanic rule approaches, an official formal announcement or proclamation will be publicized and advertised by printed notices, by transmitting sound through public radio, and images through television broadcasts.

Moreover, this official announcement by the President of America will be in the form of a governmental ruling or executive decision that will be publicly addressed through a mass medium of communication--newspapers, radio, internet, and television via satellite (GPS)--that is designed to reach the masses throughout the world that the people might honor his golden image.

This official executive decision will strike like an army with the force of a great hailstorm or great earthquake.

The President of America, prophetic Babylon, will display the height of arrogance, which will be the crowning point and end of satanic rule--concluding the hour of winter as oppressive and hostile, thus, the great tribulation and a time of great trouble.

Now let us continue on in our investigation to find out what happened in the regions of Babylon after the decree announced by the herald from Nebuchadnezzar went out to all people. Let us read Daniel 3:5 and 6:

*5 That at what time ye hear the sound of the cornet, flute, harp, sackbut, psaltery, dulcimer, and all kinds of music, ye fall down and worship the golden image that Nebuchadnezzar the king hath set up:*

*6 And whoso falleth not down and worshipping shall the same hour be cast into the midst of a burning fiery furnace.*

So, again, it holds true that every one who heard the decree intelligibly in their native language on a global scale was commanded to obey King Nebuchadnezzar's oppressive force of law. Let us read Revelation 13:14 and 15:

*14 And deceiveth them that dwell on the earth by the means of those miracles which he had power to do in the sight of the beast; saying to them that dwell on the earth, that they should make an image to the beast, which had the wound by a sword, and did live.*

*15 And he had power to give life unto the image of the beast, that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed.*

Also in Daniel 3:4, after the herald publicized and advertised the executive decision decreed by Nebuchadnezzar, it is important for us to understand that the decree was constructed in the form of two orders **entwined and twisted** into one.

The first case was that all people must obey the executive order imposed by Nebuchadnezzar himself from His political seat of civil government and, secondly, that all people were to fall down before the idolatrous image or false deity that he “set up” to be worshipped in the highest seat of spiritual darkness.

The point that we must fully understand here is that if either of the two intertwined orders are not obeyed by the people that dwell on the earth, then a penalty of being cast into the midst of a fiery furnace or being killed will be the result.

As we discussed earlier in Daniel 3:2, Nebuchadnezzar appointed top secret judges and potentates--who stood in the presence of his idolatrous image within their own districts, regions, and jurisdictions to assess, identify, number, and collect all people who showed obedience and allegiance to his executive ruling as well as those who would not. Let us read Daniel 3:6 once again for more clarification:

***6 And whoso falleth not down and worshippeth shall the same hour be cast into the midst of a burning fiery furnace.***

Those who do not fall down or show obedience or allegiance to the Presidential decree or his executive order to worship his image will be cast into the midst of a

burning fiery furnace... prison, concentration camps, etc. Let us look at the words **falleth** and **worshippeth**.

According to *The New Strong's Exhaustive Concordance of the Bible*, copyright 1990 in the Hebrew Dictionary of the Old Testament, under the reference number 5307, the word **falleth** means "to fall and to be accepted."

**Fall** the root of **falleth** from the *Merriam-Webster's 11th Collegiate Dictionary*, copyright 2003, computer version, means "to pass suddenly and passively into a new state or condition."

So based on these definitions, fall tells us that all people under the presidential ruling or executive order will be brought forth and called upon to fall, accept and to pass suddenly and passively into a new state or condition which, in reality, is "new world or one world order."

The next word we will examine in Daniel 3:6 is **worshippeth** (using the same reference source under the reference numbers 5457 and 5456), and it means "to prostrate oneself (in homage) and to fall down."

The word **prostrate** from the *Random House Webster's Unabridged Dictionary*, copyright 1999, means “to cast oneself face down on the ground in humility, submission, and adoration.”

So worshippeth tells us that anyone who would not fall down and cast themselves face down on the ground in humility, submission, and adoration to the golden image would be cast into the midst of a fiery furnace.

Likewise, in this prophetic season of great tribulation, every nation from Afghanistan to Zimbabwe will be ordered in their own speech, in their own language, and in their own tongue to pledge under oath to the deceptive and satanic golden image that prophetic Babylon, America, shall set up.

Also, Daniel 3:6 shows us that all of the people, nations, and languages who do not align themselves with modern-day Nebuchadnezzar or, today, with the President of the United States of America, and who do not consent to worship the golden image, shall be considered a dangerous threat to the international community.

In fact, all people who stand for the true God, **יהוה**, will be a threat to his distorted sense of peace, the security of all satanic kingdoms, as well as a threat to the

freedom of rebellion against the theocratic rule of **בן יהוה** of which the idolatrous image (in his evil thinking) would bring; thus proving the President of America, prophetic Babylon, to be the “Anti-Christ” and the universal Christian Pope--with his false deity, Jesus--the image of the idolatrous “golden” figure. Let us read Revelation 17:5

***5 And upon her forehead was a name written, MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH.***

Let us read 2 Thessalonians 2:7-9:

***7 For the mystery of iniquity doth already work: only he who now letteth will let, until he be taken out of the way.***

***8 And then shall that Wicked be revealed, whom the Lord shall consume with the spirit of his mouth, and shall destroy with the brightness of his coming:***

***9 Even him, whose coming is after the working of Satan with all power and signs and lying wonders,***

In addition, all people in any nation who will not agree with the executive decision decreed by the President will be identified as being domestic terrorists. As a result, a plan of emergency in America and throughout the world will have to be put in place for immediate execution in each region under secret jurisdictions.

Let us define the word **region** to learn how a plan of threaten security will be implemented to assess all people considered to be a threat to national and international security.

According to the *Merriam-Webster's 11th Collegiate Dictionary*, copyright 2003, computer version, the word **region** means “an administrative area, division, or district.” **District**, from the same source means “an area region or section with a distinguishing character.”

Based on these definitions, we can see that regions throughout Babylon under presidential orders were divided into administrative areas, divisions, and districts with each having sections of distinguishing characters.

Remember each region was under a secret jurisdiction for emergency management and mobilization. Let us read Revelation 13:16 and 17:

*16 And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads:*

*17 And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.*

With these Scriptures in mind, let us refer to the book, *יהיה Judges America*, written by *יהיה בן יהיה*, copyright 1985 on pages 257-259 to see how this same regional division is set up under Presidential orders in America, prophetic Babylon, and the effects of an emergency management or mobilization plan in a particular section having distinguishing characteristics; for example, the minority black, Negro, colored, African American, Haitian, Jamaican, Hispanic, ghetto or whichever will apply.

Research shows that **at the time** when, particularly the so-called black man (Jacob) is denied the right to buy or sell, and an inevitable outbreak of violence arise in the minority community, the nation has already been divided into 10 regions for immediate activation to assemble, gather, and mobilize the minority population in each city in America.

The regions listed under *King Alfred* are the Capital region, Northeast region, Southeast region, Great Lakes region, South Central region, Deep South region, Deep South region II, the Great Plains, Rocky Mountain region, the Southwest region, and the West Coast region.

Research goes on to show that under *King Alfred*, all participating federal agencies as well as all participating state and local agencies under top secret federal jurisdictions will be put in immediate action in the event of any widespread racial disturbance in any of these regions.

In addition, in case of emergency, all minority members will be evacuated from the cities by federalized national guard units, local and state police and, if necessary, by units of the Regular Armed Forces, using public military transportation, and detained in nearby military installations until a further course of action can be decided.

As can be seen, it seems that the President of Prophetic Babylon, as was King Nebuchadnezzar, is predestined by יהוה to bring all of the people to a point of deciding between the golden image to provide for their basic needs or to trust in the “true” God, יהוה, to provide for all of their basic needs.

Moreover, he stands prepared and ready to deny all people their God given right to worship יהוה through His Son, יהוה בן יהוה, as they **choose**, with the pending threat of being cast or detained in the midst of a nearby furnace or, presently, a nearby military installation.

Whom will you choose? Let us read Joshua 24:15:

*15 And if it seem evil unto you to serve the LORD, יהוה choose you this day whom ye will serve; whether the gods which your fathers served that were on the other side of the flood, or the gods of the Amorites, in whose land ye dwell: but as for me and my house, we will serve the LORD, יהוה.*

Now in order for Nebuchadnezzar to cast anyone into the fiery furnace or to cast certain of the children of the king's seed that were already in captivity into the fiery furnace, first they had to be identified, assessed, and then publicly accused.

Let us read Daniel 3: 8:

*8 Wherefore at that time certain Chaldeans came near, and accused the Jews.*

In short, this Scripture confirms that **at that time** when the President of America, Prophetic Babylon, exalts the imposter, the illusionist, the image of a golden Pope under a “new world” religious universal order, it will be the time and season that the Hebrew children, followers of יהוה בן יהוה in particular, will be confronted by the fouls of the sea and the fouls of the air with overwhelming and unrelenting slander, disgrace, humiliation, and shame.

We will meet our enemies face-to-face who have been so near, closely related, and intimately associated with us. We will be brought before the people of the world under false charges that will misrepresent, defame, and damage our good reputation. It will be a sinister and fraudulent scheme to bring about the fall and collapse of the Nation of **יהוה**.

But just as the wicked in America seek to cast us in the fiery furnace and to “think” that they have accomplished their evil plan to overthrow **יהוה** and His anointed, **יהוה בן יהוה**, as they did in the past, know that they have imagined a vain thing; because our God, **יהוה**, who sits in heaven shall laugh while He confounds them, holds them in derision, and vexes them in His sore displeasure.

Are you happy about the outcome? Well, I’m happy about the outcome. I am happy and thankful because we serve a Great, Good and Terrible Black God whose name is **יהוה**, who shall deliver us and pay our wicked enemies with His wrath to their evil faces.

Praise **יהוה** for His Son, **יהוה בן יהוה**! Praise **יהוה**!
