

יהוה Twenty-Fourth Feast of Tabernacles 6007 “Go to the Ant,” Part 20

Praise יהוה! Shalom and welcome to יהוה Twenty-Fourth Annual Feast of Tabernacles 6007, on Hutchinson Island in the city of Stuart, Florida, where יהוה has chosen to place His most grand, most supreme, all enduring, and most preeminent name. Praise יהוה!

I have been granted the blessed honor, bestowed privilege, and cherished opportunity to testify to you about the Man who is the Bestower of all good and perfect gifts. This Bestower of perfect gifts is not an ordinary Man, but a Man who knows the beginning of all hidden things as well as the end of all hidden things.

This Bestower of all good and perfect gifts has come to us (the so-called Black people of America) bearing the gift of all gifts—which emphatically is none other than Himself—having His reward with Him. This reward He brings with Himself—to all good people of the earth who awaits His Glorious coming—is His Spirit of Truth, His Kingdom of Heaven, Eternal Light, Eternal Life, and the only True Salvation that will ever exist—forever.

Let us give our utmost praise, adoration, thanks, and loving worship to the Most Honorable Man, the Most Worthy Man, the Most Excellent and

Altruistic Man, our Lord and Savior, יהוה בן יהוה. Praise יהוה! For only יהוה and His Anointed Son יהוה בן יהוה are worthy of all praise. Praise יהוה!

Welcome to our twentieth seminar entitled “Go to the Ant.” What a blessing it is to be able to “**go to**” the righteous laws of יהוה and consider the wisdom of His ways. Praise יהוה!

In our last seminar, we discussed that the same type of laws and preventive tactics in Daniel 6:8 and Daniel 3:10, 11 that were secretly decreed and clandestinely legislated by the **King of Babylon** and men sitting in dark high places are the same laws being executed in these last days of satanic rule; however, they are now more strengthened, heightened, and intensified.

We informed you in our discussion that a violent unprecedented winter of international and global **chaos** will be used to establish deceptive beliefs of securing peace while disguised as “Homeland Security,” “War on Terrorism,” and “Road Map to Peace”; and that this same manufactured global **chaos** would effectuate the season of great tribulation as found in Mark 13:18.

In addition to this global **chaos**, we discussed that Nebuchadnezzar, the king, in Daniel 3:1 set up an image of gold, bound in a circuit of

deception; and he appointed, ordained, and invested men illumined in the ancient craft as judges with judicial power, having administrative jurisdiction over all districts throughout the Babylonian regions.

Moreover, we affirmed that this golden image was also disguised, masked, and cloaked beneath men from many nations who had judgment and jurisdiction to govern the central district of Babylon first, and then the geographical whole of the Babylonian region or the known world.

Furthermore, we conferred in our last seminar that in these last days of satanic rule, the President of the United States, George W. Bush—just as King Nebuchadnezzar, using his predetermined administration—would make sure with resolve, that **all** nations comply with the policies of the league of men sitting “high” above many men of the United Nations.

Compliance by member nations would be met, as they move within the secret circles of deception to globalize all nations of the world under the revived golden image—the “New World Order” or “One World under one satanic order.”

We told you that during this time, many people who do not consent to, obey, or show allegiance to worship the one world satanic religion of the global conspirators would be positively identified, numbered, registered, assigned, and marshaled into a place and a condition of great suffering, grief,

and inevitable affliction. Your only hope, my brothers and sisters, is **בן יהוה** **יהוה**. Praise **יהוה**!

Lastly, we also discussed that America today, in all of her pomp and glory, stands in true arrogance as the classic monument of the prophetic deception of Babylon; and she holds to her commitment, from inception, of building a tower and name in honor of the ancient satanic mysteries of Lucifer and, ultimately, to hide the name of the True and Living God, **יהוה**, and His Son, **יהוה בן יהוה**.

Let us begin our seminar today by closely examining Daniel, Chapter 3, from yet another perspective, that we might show how this chapter, in particular, relates to the Nation of **יהוה** in the latter days, end times, last days, time of trouble, and prophetic **winter** of great tribulation.

Let us turn now to read Daniel 3:2 and 3:

2 Then Nebuchadnezzar the king sent to gather together the princes, the governors, and the captains, the judges, the treasurers, the counsellors, the sheriffs, and all the rulers of the provinces, to come to the dedication of the image which Nebuchadnezzar the king had set up. 3 Then the princes, the governors, and captains, the judges, the treasurers, the counsellors, the sheriffs, and all the rulers of the provinces, were gathered together unto the dedication of the image that Nebuchadnezzar the king had set up; and they stood before the image that Nebuchadnezzar had set up.

These Scriptures tell us emphatically that Nebuchadnezzar, acting in the position as the king of Babylon, was in fact a **top secret czar** appointed to continue the building and fulfillment of a global satanic religion. Let us define the word **czar** so we can understand clearly what this is alluding to.

Referenced in the *Random House Webster's Unabridged Dictionary*, copyright 1999, computer version, the word **czar** is defined as “any person exercising great authority or power in a particular field.”

This definition lets us know that under the directives of a hidden network of illumined men in high “secret” places, Nebuchadnezzar (Neb-oo-kad-nets-**tsar**) exercised great power and absolute authority to invoke, call forth, and bring together an assembly of initiated men and women in their particular fields of the highest orders.

This covert assemblage from the Babylonian military, civil, political, and religious governmental forces were to move forward expeditiously with efficient activation toward the operation and launching of the one world satanic religion and satanic order as instructed.

So, as it is today, in the same fashion, prophetic Babylon America under the administration of George W. Bush—or whoever is prearranged to sit in the seat as the official President of the United States—is an appointed **top secret czar** fulfilling the same ongoing prophetic plan of action as that

of King Nebuchadnezzar and the concealed executive, legislative, and judicial network of illumined men.

Now the first question to consider in our examination is what prompted King Nebuchadnezzar, at this particular time, to summon, invoke, assemble, and gather together from the Babylonian regions all of the illumined apostatized princes, governors, captains, judges, treasurers, counselors, sheriffs, and ruling potentates —under a sworn oath—to the dedication of the satanic image? Let us turn and read Daniel 2: 44 to direct us in this question:

44 And in the days of these kings shall the God of heaven, יהוה בן יהוה, set up a kingdom, which shall never be destroyed: and the kingdom shall not be left to other people, but it shall break in pieces and consume all these kingdoms, and it shall stand for ever.

So it is clear, from what we can see according to Daniel 2:44, that King Nebuchadnezzar and all of the illumined men and women of the Babylonian military, judicial, civil, and religious governments—as a prototype of today— knew from the interpretation or explanation of Daniel’s speech from יהוה of things that would come to past; that the final days of building their satanic rulership had been numbered to the end.

Likewise, the same holds true this day in the coming, teaching, and persecution of יהוה בן יהוה to set up the righteous kingdom of יהוה. Acting

upon a global call, the spiritually wicked, the sons of perdition, sitting in the high places of prophetic Babylon America, have gathered themselves together—prompted by the appointed **top secret czar** for the one world satanic worship—to expedite their sworn allegiance to reject the government of יהוה בן יהוה.

They have been called to effect the elimination of the Nation of יהוה (Yahweh), thus proving them all to be the many anti-Christes prophesied to come in these last days of satanic rule. Let us read 1John 2:18:

18 Little children, it is the last time: and as ye have heard that antichrist shall come, even now are there many antichrists; whereby we know that it is the last time.

Now let us look further into the word **antichrist** to gain a better understanding of the role of “many antichrists” in these last days—for the last time.

According to *The New Strong's Exhaustive Concordance of the Bible*, copyright 1990 in the Greek Dictionary of the New Testament, the word **antichrist**, under the reference number 500, comes from the Greek word **ante-khris-tos** which means “an opponent of the Messiah.”

Now based on this definition, we can see that in the past,

Nebuchadnezzar—as well as all of the illumined men and women—knew from Daniel’s explanation of his (Nebuchadnezzar’s) troubling dream that יהוה would send a Deliverer for His Hebrew people whom he, at the time, held in captivity and bondage during his reign over the Babylonian kingdom.

Therefore, he set up a golden image for total and absolute global worship so that all who were secretly bound under oath to stand with him before the false illusive image and coerced to uphold the false conception of the deity would be direct opponents of יהוה , the God of Heaven, and the people of יהוה at that time. Similarly, as it is today, the same plan by the prophetic **top secret czar** along with the same spirits of international **antichrists**, have set up a false satanic deity as a one world messiah to deceive, mislead, deny, and be direct opponents to the one True Messiah, יהוה בן יהוה , as the rightful heir of all things, and even more to blatantly oppose the Kingdom of יהוה that is to stand forever. Let us read 1John

2:22:

22 Who is a liar but he that denieth that יהוה בן יהוה is the Christ? He is antichrist, that denieth the Father, יהוה and the Son, יהוה בן יהוה .

For more verification that this deception is already in the world, let us turn

back to 1 John 4:3:

3 And every spirit that confesseth not that יהוה בן יהוה is

come in the flesh is not of God, יהוה : and this is that spirit of antichrist, whereof ye have heard that it should come; and even now already is it in the world.

It is clear that all who confess that יהוה בן יהוה is here to build the Kingdom of יהוה—the Kingdom of True Holiness, the Kingdom of Righteousness, and to save all good people who believe on His name—are a threat to the many global antichrists, their false deception of peace, their false messiah, and their satanic One World Order. This is the true reason for the so-called “War on Terror” for their “Homeland Security.” Praise יהוה!

Now let us turn back to Daniel 3:4 to investigate the commandment that was cried allowed to all people, nations, and languages that caused them to bow down and worship the false image—their false messiah. Let us read Daniel 3:4:

*4 Then an herald cried aloud, To you it is commanded,
O people, nations, and languages,*

Referenced in the *Webster's New World Dictionary & Thesaurus*, copyright 1998, computer version, the word **herald** is defined as “a person who proclaims or announces significant news.”

Based on this definition, the Scripture (Daniel 3:4) sheds light on the fact that a person who proclaims or announces significant news through all mediums of communications will publicly address and direct authoritatively

all people, all nations, and all languages. Let us define the word **cried** to understand the severity of the global commandment that was publicly announced by the Babylonian herald.

According to *The New Strong's Exhaustive Concordance of the Bible*, copyright 1990 in the Hebrew Dictionary of the Old Testament, under the reference numbers 7123 and 7121, the word **cried** means “to read or call out to through the idea of accosting a person.”

The root word **accost**, stemming from the word **accosting**, found in *The American Heritage Dictionary of the English Language*, Fourth Edition, copyright 2000, computer version, means, “to approach and speak to boldly or aggressively as in a demand or request.”

These definitions clearly tell us that the United Press International (UPI) and all associated press of prophetic Babylon America, via satellite technology, will publicly announce, read, and call out the executive decisions of the Bush Administration. In order to make the President's demands and request known, the press—through the idea of approaching and speaking to all people, and all nations, and languages—will act in a bold aggressive manner.

Also, the word **cried** from *The New Strong's Exhaustive Concordance of the Bible*, copyright 1990 in the Hebrew Dictionary of the Old Testament,

under the reference numbers 7121 and 7122 means “to properly address by name and to encounter whether accidentally or in a hostile manner.” These definitions also confirm that an international array of aggressive requests and demands of the Bush Administration will be broadcasted for the people to accept their deceptive Homeland Security proposals, which will require all people, all nations, and all languages to be properly addressed by name and rapidly encountered, whether accidentally or in a hostile manner. Now here, at this point, we must pay close attention to the fact that the person who proclaimed or announced significant news in Daniel 3:4 cried *aloud*. Let us consider for examination the word *aloud* as it relates to the command that was cried “aloud” throughout the region.

According to *The New Strong’s Exhaustive Concordance of the Bible*, copyright 1990 in the Hebrew Dictionary of the Old Testament, the word **aloud** under the reference numbers 2429 and 2428 means “an army or strength; and a force whether of men, means, or other resources.”

These definitions spell out conclusively that after the person who announces significant news **cries aloud** the alarming executive orders and illusive demands of the Bush Administration, ordering the absolute, total, and complete implementation of his intrusive security recommendations, an army of men (soldiers)—using the means of extreme military force, muscle,

and heightened powers—will aggressively encounter all people by name, utilizing all forms of available covert resources in their central intelligence community.

Moreover, not only will the army of men and women who stand with the recommendations of the Bush Administration come from the military divisions of the intelligence community, but they will also come from the covert resources of the religious, financial, judicial, educational, political, and civil divisions within the surrounding communities.

Now let us turn back to Daniel 3:4 and 5 to look into the **sounds** that were commanded through the person who announced the significant news that was to be heard by all people, and all nations, and all languages. Let us read Daniel 3:4 and 5:

4 Then an herald cried aloud, To you it is commanded, O people, nations, and languages, 5 That at what time ye hear the sound of the cornet, flute, harp, sackbut, psaltery, dulcimer, and all kinds of music, ye fall down and worship the golden image that Nebuchadnezzar the king hath set up:

These Scriptures attest to the fact that all the families of persons collectively speaking any and all languages and, specifically, the tribe of Judah—the people of יהודה throughout the Babylonian region—were commanded to carry out the bold demands of King Nebuchadnezzar’s judicial decisions upon hearing the sounds of specific instruments and all kinds of music.

However, let us define the word *sound* to better understand how these specific instruments would be heard by all people. Referenced in the *Merriam-Webster's Collegiate Dictionary*, copyright 2000, computer version, the word **sound** is defined as “to put into words; to make known and to order or signal.” Also the word **sound** from the *Random House Webster's Unabridged Dictionary*, copyright 1999, computer version, is defined as “a report or news.”

So, from these definitions, we can assert that the sound of the instruments in Daniel 3:5 was a signal put into words in a news report, to announce and make known publicly the official executive demands commanded by King Nebuchadnezzar and to indicate clearly the time when all of the people were to comply with his order.

Next, let us move on to investigate the public signal or news reports that were announced through various sound mediums by defining the word *instrument*.

Instrument from the *Random House Webster's Unabridged Dictionary*, copyright 1999, computer version, is defined as “a formal legal document as a draft; a means by which something is effected or done; and an agency or an apparatus.” **Apparatus** from the same source means, “any systematic organization of activities, functions, processes etc. directed

toward a specific goal.”

Now, based on the definitions of the words **apparatus** and **instrument**, it is clear that any systematic organization of activities, functions, and processes composed or drafted into a formal legal document by King Nebuchadnezzar and those sitting in high places would be done or effected through the means of many government agencies.

Through the use of these government agencies, all legal functions and processes would be made known through public news reports using all associated presses to direct all people toward a specific goal.

At this point, we will proceed in our examination to study the goal of King Nebuchadnezzar for all nations of people, the various types of instruments that will be used to further his demands, and the effect that the sound of these instruments will have throughout all of the regions. Let us turn back to our Scripture and read Daniel 3:5 once again:

5 That at what time ye hear the sound of the cornet, flute, harp, sackbut, psaltery, dulcimer, and all kinds of music, ye fall down and worship the golden image that Nebuchadnezzar the king hath set up:

We will continue our study by defining the first instrument in Daniel 3:5 beginning with the word *cornet*. **Cornet** from *The New Strong's Exhaustive Concordance of the Bible*, copyright 1990 in the Hebrew Dictionary of the Old Testament, under the reference numbers 7162 and

7161 means “a horn.”

The word **horn** from the *Merriam-Webster's 11th Collegiate Dictionary*, copyright 2003, computer version, is synonymous to trumpet; and **trumpet** means “to proclaim.”

From this definition, these instruments—the cornet, trumpet, and horn—symbolize to us today that a systematic medium of official public announcements will proclaim insistently that the proposals and recommendations of the Bush Administration are reliable and trustworthy for national and global safety, and that they are to protect the American people from enemy combatants or suspected terrorists.

The next instrument we will examine is the *flute*. **Flute** from *The New Strong's Exhaustive Concordance of the Bible*, copyright 1990 in the Hebrew Dictionary of the Old Testament, under the reference number 4953 and 8319 means “to whistle as a call.” **Whistle** from the *Merriam-Webster's 11th Collegiate Dictionary*, copyright 2003, computer version, means “to give a signal; issue an order or summons; and to make a shrill sound especially by rapid movement.”

These definitions tell us that this instrument, the flute, symbolizes to us today that a summons to all Americans will be issued under an executive order to draw all people in each district of a given region. The shrill sound of

these harsh orders will signal a sharp rapid movement of penetrating discomforts causing much pain and much irritation to one's senses. These intrusive orders will be cold, piercing, cutting, and biting; thus a signal of violent **winter chasms**.

Now let us go on to take a closer examination into the sounds of the next two instruments—the *harp* and the *sackbut*—to investigate the effects that the sound of these instruments will also cause to be heard.

The word **harp** from the same reference source is defined as “to dwell on a subject tiresomely or monotonously.”

This instrument suggests that massive global computer technologies and united international associated press will be used relentlessly, tiresomely, and monotonously to dwell on subjects of terror and the need to execute measures for peace and safety. This will be done on a twenty-four hour basis, seven days a week, through the means of fraudulent communications, deliberate misinformation, and deceptive simulations of international war.

The primary objective of using this type of instrument by the forces of the one world media—marked by great zeal, endless energy, and unrelenting determination—is to cause intense weariness upon all people. Their concentrated efforts will cause all people to become unresisting to so-called

peace efforts and, thereby, susceptible to an orchestrated plan of global deceit.

The next instrument in Daniel 3:5 we will examine is the *sackbut*. The word **sackbut** according to *The New Strong's Exhaustive Concordance of the Bible*, copyright 1990 in the Hebrew Dictionary of the Old Testament, under the reference number 5440, means "to entwine." **Entwine** referenced in the *Merriam-Webster's 11th Collegiate Dictionary*, copyright 2003, computer version, means "to become twisted."

From these two definitions we can assert that the sound of the **sackbut** will send a signal to warn us that the news media, via covert governmental agencies will broadcast misleading statements that will be twisted and entwined around the aggressive demands ordered by the Bush Administration.

Moreover, the word **twist**, from the word twisted, found in the same source is defined as "to make one's way in a devious manner to a destination or objective." **Devious** is synonymous to deceptive. **Deceptive** is defined as "tending to deceive"; and **deceive** means "to cause to accept as true or valid what is false or invalid."

The use of the sackbut in Daniel 3:5 points out further that the Bush Administration—along with all of the covert forces who stand with him in

making untrue statements with the intent to deceive—will, in the most devious manner, make their ways publicly known. Their direct destination will be concealed and global chaos will be their objective. All of this will be done to solidify their fraudulent One World Order.

In addition, the sound of this instrument will also serve to send forth a message that the ability and objectives of the Bush Administration to create false misleading impressions that will cause all people, and all nations, and all languages to accept their recommendations as true or valid and, therefore, be deceived as to what is false or invalid.

It is a fact that the concealed oath and worship of Lucifer by the forces that stand with President George W. Bush in building a false image are all liars, just as their father the devil; thus, once again, proving them all to be the spirit of many antichrists sworn to defend their satanic kingdom. Let us read St. John 8:44:

44 Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it.

The last instrument we will look into in our examination of Daniel 3:5 and the effects of the sound it will have on all people is the *psaltery*.

The word **psaltery** according to the *Webster's New World Dictionary &*

Thesaurus, copyright 1998, computer version, is a synonym of the word *Psalter*. **Psalter** is synonymous to the word missal. **Missal** according to the same source is defined as “a large book containing the prayers, readings, and rubrics authorized by the Roman Catholic Church for the celebration of Mass.” **Mass** stemming from the word missal, in the same reference source, is defined as “a musical setting for certain parts of this rite”; and while the word **Mass** is also synonymous to worship, the word **worship**—stemming from the words **psaltery**, **missal**, and **mass**—is defined as “reverence or devotion for a deity.”

Therefore, according to these definitions, the symbolism of the sound of the **psaltery** and the effect this instrument will have as it is imposed upon all people and nations and all languages will come as a sudden, sharp and painful tremor causing the people of the earth to shake with fear and anxiety.

In addition, we can concur that this instrument, drafted into words under an executive ruling, will be announced and boldly mandated to all people and nations in all languages to globally unite and merge as **one** under the Roman Catholic Church. Once this merger officially takes place, all people throughout the world will be required to celebrate in a universal reverence to or total devotion for the false deity using the only authorized religious book under the new order that will be allowed legally.

Furthermore, the content and version of this religious book—sanctioned by a concealed order of illumined men and women for the purpose of worshipping the false deity—will contain ritualistic prayers, readings, and rubrics (rules) to be used in celebration of the fraudulent reverence for or deep devotion to the false deity. This will cause those who *do not* adhere to the religious orders to shiver and tremble.

Now based on the facts from what we have gathered thus far in our examination, it is clear that the sounds and effects of all of the formal executive orders, symbolized as instruments in Daniel 3:5, were composed and orchestrated in unison into all kinds of music as one voice, like that of a grand symphony.

Let us read Daniel 3:7 to see what the people did after they heard the unanimous sound of the instruments—like that of a symphony—which was used to achieve the global worship of the false image. Let us read Daniel 3:7:

7 Therefore at that time, when all the people heard the sound of the cornet, flute, harp, sackbut, psaltery, and all kinds of music, all the people, the nations, and the languages, fell down and worshipped the golden image that Nebuchadnezzar the king had set up.

At this point in our study, we will look into the word *symphony* to gain a better understanding as to how the people fell down, paid homage,

and gave reverence to the satanic false image that Nebuchadnezzar the King had set up.

Referenced in the *Webster's New World Dictionary and Thesaurus*, copyright 1998, computer version, the word **symphony** etymologically derives from the Greek *symphonia* with *syn-*, meaning “together” and *phone*, meaning “a sound.” Also the word **symphony** etymologically directs us to the capitalized combining form **PHONO-** and the combining form **PHONO-** etymologically derives from the word **ban**.

The word **ban** found in the same source derives from the word **command** and is defined as “to prohibit, as by official order from doing, using, appearing, happening, etc.; to forbid and to censor; also a sentence or decree of outlawry.”

As can be seen here that King Nebuchadnezzar and all who stood before the golden image with him secretly crafted and orchestrated a global conspiracy by putting together unified instruments that were publicly announced in unison as one voice.

This global conspiracy that was orchestrated in unison as one voice was to prohibit, make illegal, and to rule out, as by official order, all the God-given rights of all people, and all nations, and all languages.

Moreover, in Daniel 3:5, all nations of people were informed that

there would be a set time and season wherein they would have to participate in all appointed occasions and, even more, they would have to comply with the official announcements cried aloud that were legislated as established law.

Also it is equally important to note that after the official orders were announced and the time had come for the orders to be put into full effect, all people would be commanded and required to **fall down**.

For example, all people under the new rulings that King Nebuchadnezzar established would be forbidden and censored, so as to not appear to be doing anything suspicious or unlawful, or happen to *appear* to be using anything unlawful, that was considered dangerous or in opposition to the Babylonian government.

That being the case, a universal prohibition and censorship on all people under the new rulings was ordered for the purpose of controlling and regulating their basic needs, even down to their very thoughts, beliefs, and daily actions that they might comply with the rule of their cruel, oppressive law.

Now let us continue on in our examination by turning back to Daniel 3:6 to look closer into the outcome of not consenting to the oppressive prohibitions and censorships under the established decree. Let us read Daniel 3:6:

6 And whoso falleth not down and worshipping shall the same hour be cast into the midst of a burning fiery furnace.

Daniel 3:6 conveys that all people and nations and all languages who did not comply with the deceptive rulings to achieve peace and security under a universal religion after becoming a law, were considered to be an outlaw, a danger or, today, a domestic terrorist or enemy combatant.

Now at this point in our study, another question comes to mind and that is How did King Nebuchadnezzar—after enforcing his clandestine executive rulings— come to know who did or did not fall down to his demands to worship the false golden image that he had set up?

In comparing the time of King Nebuchadnezzar to that of President George W. Bush today, there is one thing we must realize and that is, unlike King Nebuchadnezzar, President George W. Bush is being advised by many covert intelligence forces and agencies that are directly responsible for masterminding, monitoring, and operating domestic and international surveillance.

These agencies have been given “sweeping powers” to watch over and keep an eye on all nations of people through electronic surveillance—land, sea, air, and satellite surveillance—as they move forward to deceptively liberate or democratize all people as they **fall down** to a superficial freedom and to

the final goal of worshipping the *false* messiah.

It is a fact that the same decreed prohibitions and censorship—and the “implementation” of those prohibitions and censorship in the day of Nebuchadnezzar—exist even as we speak under code names Rex 84, King Alfred and The Choice (see *Concentration Camps* written by יהודה בן יהודה), and the US Carnivore Program, to name only a few.

However, all of the power invested in the conspired executive orders that have been granted to the seat of the Presidency have been composed into one rapacious oppressive Act—presently named “Uniting and Strengthening America Act by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001” known as the USA Patriot Act.

Moreover, research has shown that this oppressive Act today has allowed and given the US Justice Department unlimited powers to eavesdrop on conversations, monitor your computer use, seize your internet E-mail, seize private information about you, monitor what you study, monitor where you go, monitor what you buy, seize your property and financial assets, and even detain you without probable cause.

In like manner, according to the facts that we have gathered, just as King Nebuchadnezzar took away all civil liberties and God given rights of the people during his reign, the same holds true this very day. Do not be

mistaken about these facts. We are living in a time wherein the technology in your television, computer, cell telephone, watch, navigation system, video recorder, DVD, radio, CD, and cassette players have the ability to monitor what you say, where you go, and what you do. This is not a joke. Have you received any video mail lately?

Remember, we are all living under many anti-christs and under an absolute secret totalitarian Police State in which all civil liberties are being gradually taken away. We will soon be able to see the visible evidence of the sounds and effects of all of the instruments we have examined thus far in our life time.

Nevertheless, let us be assured today, in our life time, that though **יהוהבןיהוה** the Son of our Father, **יהוה**, the God of Heaven—has been judicially murdered in the U.S. Courts, and is serving the last third of His eighteen year prison sentence under onerous restrictions for bringing us the name of our God, **יהוה**, and suffering for our true salvation, He will yet, in the face of all the Kings of the earth, set up His righteous Kingdom which **will** consume them all and stand without end forever! Praise **יהוה**!

Further, documented facts show clearly that the founding fathers of prophetic Babylon America—along with a concealed group of men, since its

inception— crafted a secret destiny for America and the world, which was designed to control and bring together one world under one satanic religious order.

Let us move on with our examination of Daniel, Chapter 3, to see how these secret official orders and subsequent surveillance of all jurisdictions, once in full effect, directly violated the worship and way of life of the Hebrew Israelites that were held captive by the Babylonians. Let us read Daniel 3:8:

8 Wherefore at that time certain Chaldeans came near, and accused the [Hebrews].

This Scripture confirms that after the appointed time and season, that the executive ruling of King Nebuchadnezzar and the systematic surveillance of all people were visibly in effect, then **certain Chaldeans came near** and accused the [Hebrew Israelites].

At this point in our investigation, we will examine the phrase **came near** to find out the link or relationship at that time between King Nebuchadnezzar and the **certain Chaldeans** who **came near** and accused the [Hebrew Israelites].

The word **came**, in the phrase **came near**, according to the *Merriam-Webster's 11th Collegiate Dictionary*, copyright 2003, computer version is the past tense of the word **come**. Therefore, as a result of this definition, we

will examine the present tense phrase **come near**. According to the *Bartlett's Roget's Thesaurus*, copyright 1996 under the reference number 586.12, the phrase **come near** means "to converge."

Converge from the *Merriam-Webster's 11th Collegiate Dictionary*, copyright 2003, computer version means "to come together and unite in a common interest." The word **common** referenced in the same source means "shared by all members of a group."

Now based on this information thus far, we can assert that **certain Chaldeans**, keeping a watchful eye on the Hebrew Israelite people, gathered together first among themselves to point the finger and accuse the Hebrew Israelite people of some unlawful act or some wrong doing.

Once **certain Chaldeans** had agreed upon a unanimous and undivided decision first, then, **at that time**, they required King Nebuchadnezzar to come together and unite with them in a **common interest** to make false accusations that would indict the Hebrews of some wrong doing.

This **common interest** to secretly charge and prosecute the Hebrews of some wrong doing would be obscurely shared by all members of both King Nebuchadnezzar's and the Chaldeans' judicial groups. Let us turn and read Daniel 3:9

9 They spake and said to the king Nebuchadnezzar, O

king, live for ever.

We can infer from the conversation in Daniel 3:9, that when **certain Chaldeans** spoke to King Nebuchadnezzar, they urged, coerced, and forced him to act on their behalf due to their joint common interest against the Hebrew Israelite people.

So, King Nebuchadnezzar, acting on behalf of **certain Chaldeans**, reestablished their ongoing confederacy after joining them in their **common interest**, and revived his empire in a sealed agreement to set up the one world dominion under the control and influence of a phantom image—their false messiah.

We can infer further that this meeting was to also set in motion the underlying factors and final plans of their concealed agreement to come against and destroy the people of יהוה, and to oppose the coming of the righteous, sovereign rulership of יהוה בן יהוה. To verify the nature of this confederacy of **certain Chaldeans**, King Nebuchadnezzar and joining nations moved forward with their concealed plans to come against and cut off the people of יהוה. Let us read Psalm 83:1-5:

83:1 Keep not thou silence, O God, יהוה: hold not thy peace, and be not still, O God, יהוה.

2 For, lo, thine enemies make a tumult: and they that hate thee have lifted up the head.

3 They have taken crafty counsel against thy people, and consulted against thy hidden ones.

4 They have said, Come, and let us cut them off from being a nation; that the name of Israel may be no more in remembrance.

5 For they have consulted together with one consent: they are confederate against thee:

Accordingly, we can see once again from these Scriptures that in spite of the fact that the Hebrew people were already held under Babylonian captivity, additional shrewd and devious consultation along with crafty counsel had taken place against them and a systematic plan had been sealed to further cut them off from their God, יהוה, their name Israel, and from being a nation. Now let us go back and read Daniel 3:8 once again:

8 Wherefore at that time certain Chaldeans came near, and accused the [Hebrews].

At this point in our study, in relation to the **Chaldeans** who initiated a meeting with King Nebuchadnezzar to come together with them in a **common interest** to accuse the people of יהוה, we will continue with the word **common** stemming from the word **converge** and the phrase, **come near**.

Referenced in the *Merriam-Webster's 11th Collegiate Dictionary*, copyright 2003, computer version, the word **common** is synonymous to the word *familiar*. **Familiar** is defined as “a member of the household of a high official” and it is synonymous to the word *companion*. **Companion** in the

same reference source means “a comrade”; **comrade** points us to the word “chamber.”

The word **chamber** also referenced in the same source means “a judicial body and a voluntary council.” Lastly, the word **council** means “a federation of or a central body uniting a group of organizations.”

As we can see, from the facts we have uncovered, that the **Chaldeans** who **came near** and **accused** the Hebrew Israelite children of unlawful acts against the executive rulings authorized by King Nebuchadnezzar were members of a wealthy confederated household of the highest officials, and they were also members of the legislative judicial body consisting of a voluntary council.

Now being that these wealthy affluent men were of a secret club or secret judicial body and a voluntary council of **certain Chaldeans**, they were also a distinct federation and central body of men that functioned as familiar comrades at the apex of a federal union who had associated jurisdictions over the administration of the Babylonian government.

As a result, the unanimous efforts of these **certain Chaldeans** in consulting with King Nebuchadnezzar to secretly unite their organizations together by all members of both judicial groups, to come against the Hebrew Israelite people was that the knowledge pertaining to the Biblical inheritance

of their federal **Chaldean** union was to them at risk.

In addition, we can also concur, that these affluent **Chaldeans** had both power and influential authority to affect the legislative decisions and actions of King Nebuchadnezzar, especially in terms of how he enforced established laws. Now let us turn back to our working Scripture and read Daniel 3:8 and 9 once again:

*8 Wherefore at that time certain Chaldeans came near, and accused the [Hebrews].
9 They spake and said to the king Nebuchadnezzar, O king, live for ever.*

To further investigate from yet another perspective, the phrase **certain Chaldeans**, who came near to accuse the Hebrew Israelites of some wrong doing, as well as, compelled King Nebuchadnezzar to unite with them in their false accusations, we will look closer into the derivation and meaning of the word Chaldean.

According to *The New Strong's Exhaustive Concordance of the Bible*, copyright 1990 in the Hebrew Dictionary of the Old Testament, stemming from the reference numbers 3779 and 3778, the word **chaldean** refers to “an inhabitant of Chalda or Chaldees and is one that is a descendant of Kesed.” The Hebrew name *Kesed* found under the reference number 3777 is “a relative of Abraham.”

We can assert, based on these facts, that those **certain Chaldeans** in

Daniel 3:8, who also descended from *Kesed*, a relative of our patriarchal forefather Abraham, were privileged, powerful and high-ranking Hebrew leaders that inhabited and governed jurisdictions in the Babylonian Kingdom.

In addition, of the various groups of people inhabiting the Babylonian regions at that time and the diverse tribes of Hebrew people, one peculiar tribe—the tribe of Judah—was held in captivity, and the other Hebrew descendants at that same time were not.

Now in order to proceed to find out more concerning the **certain Chaldeans** who came near and accused, specifically, the Hebrew Israelites, we must continue to examine the name **Kesed** stemming from our study of **Chaldean**.

The word **Kesed** also referenced in the *The New Strong's Exhaustive Concordance of the Bible*, copyright 1990 in the Hebrew Dictionary of the Old Testament, under the reference numbers 3777, is from an unused root of uncertain meaning. However, the word **Kesed** at the end of this reference explanation is written using a cryptic linguistic phonetic code, spelled with the letters **C-n-e-s-e-d** in the place of the word **Kesed**.

Consequently, in order to crack the linguistic phonetic codes cryptically hidden in the words **Chaldean** and written with the letters **C-n-e-**

s-e-d for the name Kesed, we must refer to the system of phonetic rules for the English language.

According to the system of phonetic rules for the English language, the letter (c) can be represented by the sound and letter /k/; the double letters (ss) can be represented by the single sound and letter /s/; and the ending letters (**ed**) can be represented by the sound and letter /t/.

Therefore, if we follow the linguistic system of phonetic rules for the English language as we have seen, we can assert with positive proof that the hidden meaning in the cryptic word Chaldean is spelled **K-n-e-s-s-e-t** and properly pronounced today as **K-ness-et**.

With these facts in mind, let us move on in our investigation to find out the meaning of the word **Knesset** mysteriously hidden behind the cryptic word **Chaldean** as it relates to prophetic Babylon America and the high-ranking federation of **certain Chaldeans** who spoke to King Nebuchadnezzar to come against certain Hebrew Israelites in their concealed jurisdiction.

According to the *Microsoft Encarta Dictionary*, copyright 2003, the word **Knesset** is defined as “the parliamentary legislature of Israel having one legislative chamber with supreme authority.”

So, as it stands this day, in an unsuspecting encroachment of

totalitarian rule and loss of civil liberties, President George W. Bush, or whoever is appointed to sit in the seat of the presidency, will be compelled and required by **certain Chaldeans** within the parliamentary legislature of the State of Israel—who function under one legislative chamber with supreme authority—to haul up the people of יהוה under a falsified indictment and, ultimately, put on trial.

Let us look at the accusation of the **certain Chaldeans** and some of the ramifications which will bring about a massive indictment and court trial of the Hebrew Israelites. Let us turn to and read Daniel 3:10 through 12:

10 Thou, O king, hast made a decree, that every man that shall hear the sound of the cornet, flute, harp, sackbut, psaltery, and dulcimer, and all kinds of music, shall fall down and worship the golden mage:

11 And whoso falleth not down and worshipping, that he should be cast into the midst of a burning fiery furnace.

12 There are certain [Hebrews] whom thou hast set over the affairs of the province of Babylon, Shadrach, Meshach, and Abednego; these men, O king, have not regarded thee: they serve not thy gods, nor worship the golden image which thou hast set up.

These accusations that were brought against the Hebrew Israelites by **certain Chaldeans** and King Nebuchadnezzar were charges that violated their daily customs and beliefs, which eventually led to their subsequent unjust persecution.

Today, we will face these same accusations and charges for not acknowledging or having a favorable opinion regarding religious ordinances, bans, dictates, and restrictions.

We will also face accusations and charges of not acknowledging new methods of buying or selling and the use of (RFID) identification chips for satellite location technology as required under the new world decree.

Moreover, Hebrew Israelites, in like manner today, will also be accused of not idolizing movie stars, entertainers, sports figures, and of not showing devotion to government officials or worshipping any artificial heroes.

We will also be accused of not showing, what is perceived as extreme greed, worshippers of money, lovers of pleasure and excessive lusts for things of the flesh.

And, most of all, we will be accused because we will hold fast to our righteous conviction to not prostrate or consent to worshipping a demonic false image in the place of **יהוה בן יהוה**, our “one” true God. Praise **יהוה בן יהוה**!

Let us read Daniel 3:13 to see the proceedings of the accusations that will directly violate the way of life and worship of the Hebrew Israelite people.

Let us read Daniel 3:13:

13 Then Nebuchadnezzar in his rage and fury commanded to bring Shadrach, Meshach, and Abednego. Then they brought these men before the king.

These Scriptures affirm that after King Nebuchadnezzar was compelled and intimidated by the affluent and influential voluntary council of federated men, and after having full knowledge of their poisoned judicial accusations against the people of יהוה, the rage and fury of King Nebuchadnezzar became urgent upon the Hebrew Israelite people.

As a result of his anger and resolve, he ordered that all Hebrew Israelites from the Tribe of Judah in the various regions be assessed and positively identified to determine their assets, faith, principles, beliefs, and customary practices.

Furthermore, he decreed that all Hebrew Israelites in all districts throughout the region be rounded up and hauled into his circuit courts to be tried before him.

Based on all the facts we have examined today, they will signal, indicate, and mark a time of trouble that will bring about forced inquisitions resulting in great tribulations.

In addition, the President of prophetic Babylon America, as was King Nebuchadnezzar, and the many anti-Christ's who stand together with him (the President) this day, are predestined by יהוה —the God of Heaven—to

come down having great wrath, because he has but a **short time**.

Furthermore, as the President of prophetic Babylon America falls from his throne in our life time, he will position himself in total opposition to יהוה בן יהוה, and will decree that all Hebrew Israelites, and all true believers who **choose** the Son of God, יהוה בן יהוה, be brought before his halls of criminal justice and be subjected to the furnace of affliction and tried in the fire. Let us read Isaiah 48:10-12:

10 Behold, I have refined thee, but not with silver; I have chosen thee in the furnace of affliction.

11 For mine own sake, even for mine own sake, will I do it: for how should my name be polluted? and I will not give my glory unto another.

12 Hearken unto me, O Jacob and Israel, my called; I am he; I am the first, I also am the last.

Let us read Zechariah 13:8 and 9:

8 And it shall come to pass, that in all the land, saith the LORD, יהוה, two parts therein shall be cut off and die; but the third shall be left therein.

9 And I will bring the third part through the fire, and will refine them as silver is refined, and will try them as gold is tried: they shall call on my name, and I will hear them: I will say, It is my people: and they shall say, The LORD, יהוה, is my God.

Know of a surety this very day, my sisters and brothers, that just as the government of prophetic Babylon America persecuted and placed onerous restrictions on the Son of God, יהוה בן יהוה, so will they move to persecute and restrict the movement of the children of יהוה.

But let me tell you something, know without a doubt, that all of you who put

your trust in the Son, **בן יְהוָה**, and all of you who call on His name, don't you worry and don't you fret because this time, **this last time**, our Father, **יְהוָה**, holds the blueprints on the final plan. Let us turn to Daniel 4:17:

17 This matter is by the decree of the watchers, and the demand by the word of the holy ones: to the intent that the living may know that the most High ruleth in the kingdom of men, and giveth it to whomsoever he will, and setteth up over it the basest of men.

So, this day, be of a sound mind and know with absolute certainty and strong conviction, that when the American Government and those who sit in high places **come near** to try His children through their furnace of affliction, our God, **יְהוָה**, **will** protect His children.

Our God, **יְהוָה**, **will** guide His children. He **will** shelter His children.

And then He **will** pull His children out of the fiery furnace and the den of lions, and will do as written in Daniel 6: 24:

*24 And the king commanded, and they brought those men which had accused Daniel, and they **cast them into the den of lions, them, their children, and their wives;** and the lions had the mastery of them, and brake all their bones in pieces or ever they came at the bottom of the den.*

He **will** instead throw in His opponents, their wives, and their children.

Praise **יְהוָה**! Let us all thank and praise our Father, **יְהוָה**, and His Benevolent and Faithful Son **בן יְהוָה** for His love, His Protection, His mercy, and

His true salvation! Praise!
