

יהוה Twenty-Fifth Feast of Passover and Feast of Unleavened Bread 6008

“Go to the Ant,” Part 21

Praise יהוה! Let everything that hath breath, Praise יהוה!

We, the children of יהוה, have come together this day, in the place where our Lord and Savior, יהוה בן יהוה, has chosen to place His Holy name and to earnestly move forward—more than ever before—toward and near the Divine Mind of His Son, יהוה בן יהוה.

We, the children of יהוה, have also come together, this day, to intentionally allow the words of יהוה בן יהוה to go before us, so that our attention is given over to only those things that concern the will of our Father, יהוה, and His Son, בן יהוה .

Moreover, as the children of יהוה, we have come together to purposefully and deliberately attune our efforts to the mission of יהוה בן יהוה, and to regard יהוה בן יהוה with great adoration, devotion, and utmost respect.

This latter day and end time opens the prophetic season spoken of in Mark 13:18, wherein we, the children of יהוה, must not be proud, haughty, or arrogant

concerning secular profane things—but must humbly ask **יהוה** to save and protect us from the imminent danger that we have been divinely prepared, by the Light of **יהוה בן יהוה**, to watch for.

This is now the prophetic season we must pray that we not be distracted by the illusions and deceptions of this world, but to earnestly study and continue to practice the perfect laws of **יהוה**. We must fervently pray for the release of **יהוה בן יהוה** from the hands of the wicked in dark places, so that we can praise our Black God, **יהוה**, together once again; and to go forth with our mission to help build the Kingdom of Heaven here on earth for ever.

If we humble ourselves, pray, and turn to seek the face of **יהוה**, He will place us under the safety and protection of our only Savior and Deliverer, **יהוה בן יהוה**. Let us thank and praise our Great, Good, and Terrible God, **יהוה**, for His Merciful and Benevolent Son, **יהוה בן יהוה**. Let us thank and praise **יהוה בן יהוה** for His everlasting word, His prophetic revelations, and His everlasting truth. Let everything that hath breath—Praise the True and Living God, **יהוה**!

Welcome to our Twenty-Fifth Annual Passover and Feast of Unleavened Bread 6008, and to the twenty-first seminar entitled “Go to the Ant.” Indeed it is always a

joyous delight and wonderful blessing to “**go to**” the good and perfect laws of יהוה, so that we can consider the wisdom of His incomparable ways. Praise יהוה!

Today, we will continue to immerse our minds in the power and radiant light of יהוה בן יהוה. We will also focus our attention on particular findings from the “overall” series of expository studies that have been researched through Proverbs 6:6-9—the central foundation for the seminar—“**Go to the Ant.**”

When reading the Scriptures in Proverbs 6:6-9—that were divinely inspired writings by our ancestor, King Solomon, from יהוה—and other Scriptures related to the nature of Proverbs 6:6-9, we must remember that our Holy Bible was written in at least nine different ways.

So, hidden within all of these foundation Scriptures, Our Father, יהוה, has allowed an “order” of men (rulers of the craft), who came after the initial writings of King Solomon, to translate our Holy Bible and our salvation in allegories, metaphors, and symbols.

Therefore, as we do 2 Timothy 2:15 today, in reference to Proverbs 6:6-9, we must understand that as the descend-**ants** of Adam, we (the so-called Black people of America) have been subtly and deliberately hidden in these various allegories, metaphors, and symbols.

We must also remember from all the studies we have done of these Scriptures, that the phrase, “**Go to the Ant,**” is allegorically speaking about a group of “unconscious” people sojourning in a strange land who are not strong (Prov.30:25), and are hidden under such names as “**thou sluggard**” and “**O sluggard.**”

In addition, these “unconscious” people in Proverbs 6:6-9 were commanded and directed to proceed toward a special, unique, extraordinary, and powerful person. This powerful person was also hidden under many names; however, in this particular overall study, this powerful person was hidden under such words as “**The Ant**” and the pronoun “**her.**” Let us read Proverbs 6:6-9:

6 Go to the ant, thou sluggard; consider her ways, and be wise:

These allegories depicting this powerful person and His people emphasized the need of His people for wisdom and to be awakened out of their state of sleep. However, as this command relates today, the command would be to **come out** of the ways of America and **go to** the divine ways of **יהוה בן יהוה**, before the prophetic season of famine and plagues. Let us read Revelation 18:4:

4 And I heard another voice from heaven, saying, Come out of her, My people, that ye be not partakers of her sins, and that ye receive not of her plagues.

This process of coming out could only be done by the willingness of His unconscious people to adhere or to hearken to the commandments—words of יהוה, to consider the ways of His extraordinary Son, יהוה בן יהוה, and to become wise.

Further, in our overall examination of the Provider, יהוה בן יהוה, and His people in Proverbs 6:6-9, we discussed conclusively, that to everything there is a season and a time to every purpose under the heaven. Let us read Ecclesiastes 3:1 and 2.

1 To every thing there is a season, and a time to every purpose under the heaven:

2 A time to be born, and a time to die; a time to plant, and a time to pluck up that which is planted;

Based on the nature and validity of these Scriptures, we pointed out definitively in our studies that the esoteric meaning of four natural seasons appointed by יהוה, were hidden and coded within Proverbs 6:6-9. These allegorical times and seasons—spring, summer, fall, and winter—were all essential to understanding the obscure scriptures and spiritual nature of Proverbs 6:6-9.

Each of these enigmatic seasons symbolized key factors as to where, when, and how יהוה בן יהוה, the Son of יהוה, would awaken and deliver His people. Let us read Proverbs 6:9:

9 How long wilt thou sleep, O sluggard? when wilt thou arise out of thy sleep?

It was revealed from our dissection of Proverbs 6:6-9, that in order for **בן יהוה** to initiate, execute, and culminate His pre-ordained purpose and plan of salvation to awaken His people, He would follow a natural order as that of a 360 degree cycle of symbolic seasons—within a set prophetic time.

We also pointed out that the complete process and salvation plan of **יהוה בן יהוה** to deliver His people from mourning, famine, and plagues would be executed in sequence through each of these allegorical times and seasons.

Furthermore, through a natural progression, we authenticated that **יהוה בן יהוה** would first begin by reestablishing the righteous Kingdom of **יהוה**, true peace on earth eternally, while simultaneously setting judgment in the earth to eradicate evil rulership forever.

As we considered the ways of **יהוה בן יהוה** to uncover the secrets coded within the allegorical times and seasons hidden in Proverbs 6:6-9, our examination proceeded in several phases contained within the 360 degree cycle of the four seasons.

We began our expository research with the first natural season—spring. In our initial search, we discovered from *The World Book Encyclopedia, Volume S*, copyright 1977, on page 538, that **spring** was “mainly a time for sowing seeds.” Thus, we made it known that the first symbolic process of the allegorical season of

spring represented a time period—in the salvation plan of יהוה בן יהוה—for sowing “spiritual” seeds. Let us read Matthew 13: 37:

37 He answered and said unto them, He that soweth the good seed is the Son of man, יהוה בן יהוה;

In addition, spring was the time set for יהוה בן יהוה to sow the words of יהוה in the minds of His sluggard, stiff-necked, and rebellious people. This people in whom יהוה בן יהוה would come to sow the word—throughout these allegorical times—would be a prey walking in spiritual darkness (Isaiah 42:22-24) and a symbolic carcass buried in a strange land (Matthew 24:28). This sluggard, stiff-necked, and rebellious people would love darkness rather than the light. Let us read St. John 3:19 and 20:

19 And this is the condemnation, that light is come into the world, and men loved darkness rather than light, because their deeds were evil.

20 For every one that doeth evil hateth the light, neither cometh to the light, lest his deeds should be reproved.

However, knowing their pitiful condition, יהוה בן יהוה, The Great Light, began to sow the words of יהוה to fix, set securely and permanently the name and ways of יהוה in the minds of His people—the lost sheep of the house of Israel—first. Let us read Matthew 15:24:

24 But He answered and said, I am not sent but unto the lost sheep of the house of Israel.

We affirmed that there would be some among these lost sheep of the house of Israel—so-called Blacks of America—who would hear and receive the words of **יהוה בן יהוה**, and come into true moral consciousness; but on the other hand, there would be some who would not. Let us read St. John 3:21:

21 But He that doeth truth cometh to the light, that his deeds may be made manifest, that they are wrought in God, יהוה.

We also learned that **spring** from the *Merriam-Webster's Collegiate Dictionary*, computer software, copyright 2000, is described as “to come into being.” We asserted definitively from this point in the allegorical season of Spring that **בן יהוה** **יהוה**, the first-begotten of the dead so-called Blacks of America, would cause a body of disciples, a body of believers, and a body of followers to come into being as a microcosmic nation—The Nation of **יהוה**. Let us read 1 Peter 1:3:

3 Blessed be the God, יהוה, and Father of our Lord, בן יהוה יהוה, which according to His abundant mercy hath begotten us again unto a lively hope by the resurrection of יהוה בן יהוה from the dead,

Let us also read Revelation 1:5 and 6:

5 And from יהוה בן יהוה, who is the faithful witness, and the first begotten of the dead, and the prince of the kings of the

earth. Unto Him that loved us, and washed us from our sins in His own blood,

6 And hath made us kings and priests unto God, יהוה, and His Father, יהוה; to Him be glory and dominion for ever and ever. Amen.

Glory and Dominion be to Him—יהוה בן יהוה—forever! Praise יהוה! Next, we proceeded on in our studies of Proverbs 6:6-9 to examine the allegorical season of summer. Let us read Proverbs 6:7 and 8 to the comma:

7 Which having no guide, overseer, or ruler,

8 Provideth her meat in the summer,

We clearly illustrated that the season of summer was a time period wherein the stability and growth rate for the Nation of יהוה would be in its youth. Based on facts supported by *The Synonym Finder*, by J. I. Rodale, copyright 1978 on page 1191, **summer** represented a time “to blossom, flower and to fructify.” We concluded from this information, that summer was also the time when the Nation of יהוה would began to blossom, flower, and fructify. It was a season of thriving activity and a successful stage in the development of the followers, believers, and disciples of יהוה בן יהוה, as a revived nation.

Next, we continued on in our examination of summer to uncover that the same time period of **summer**—from *The New Strong's Exhaustive Concordance of the Bible*, copyright 1990, under the Hebrew Dictionary reference 7019—also

signified “the dry season”; while **dry** from the *Bartlett’s Roget’s Thesaurus*, copyright 1996 was defined as “provisions, food and meat.” Having these facts in mind, it was revealed that this dry summer season, was also a time for nourishing, feeding, and providing the firstfruits—summer wheat—(Revelations 14:4) with the meat of יהוה until His harvest. Let us read St. John 4:34:

34 יהוה בן יהוה saith unto them, My meat is to do the will of Him that sent me, and to finish His work.

Furthermore, we noted that as יהוה בן יהוה (1Corinthians 15:20) labored to finish the works of His Father, יהוה, His dry intense heat in the summer season, miraculously quickened, roused, and accelerated the spiritual development in His firstfruits—the people of יהוה.

Because of the miraculous heat of יהוה בן יהוה in summer, and the will to finish the work of יהוה, the people who fed themselves properly on His meat (the word of יהוה) grew steadily as they matured and ripened in due season. Thus, at the end of summer, they would be ready to communicate divine truths according to the approved method and prescribed use of study tools recommended by יהוה בן יהוה to determine His fall harvest. For these reasons, we indicated conclusively that the firstfruits of יהוה בן יהוה would endure the season of fall, as well as to execute the will of יהוה in the climatic season that was to come.

Contrastingly, we also substantiated in our analysis of the summer season that at this same time period, another phenomenal event would occur. We came to the understanding that the word **dry** in *The Synonym Finder*, by J. I. Rodale, copyright 1978, also suggested the words “wither, hardened, dried up, unproductive, and unprofitable.”

Upon discovering these synonyms, we illustrated further, that there would be some people within the Nation of יהוה who would not receive the “spiritual” food provided for nourishment, nor would they labor on the meat (the word of יהוה) during this same dry heat—in summer; therefore, they would begin to dry up, hardened, and wither.

Likewise, having lack of faith in יהוה בן יהוה and the lack of study to feed genuinely and honestly on His meat (the word of יהוה), the hardened members, we told you, then became unproductive and unprofitable. Their love and desire for the words of יהוה became uninteresting and, therefore, completely impersonal to them. Thus, they were not capable of enduring the dry summer that led to their eventual fall. Let us read St. John 6:27:

27 Labour not for the meat which perisheth, but for that meat which endureth unto everlasting life, which the Son of man shall give unto you: for Him hath God, יהוה, the Father sealed.

At this point in our overall research, we proceeded on in our investigation to uncover how the actions of hardened and withered members in the dry times of summer would result in harmful effects during the allegorical season of fall.

We confirmed from *The New Strong's Exhaustive Concordance of the Bible*, copyright 1990 under the Greek Dictionary reference 4431, that **fall** denoted a “crash such as a downfall.” And **crash** from the *Merriam-Webster's Collegiate Dictionary*, software copyright 2000, suggested “a sudden decline as of population.”

We asserted from these findings that in summer, the hardened members took part in *false* accusations, supported false media reports of hired false leaders and inside government informants, and fed on evil communication—communication other than the meat (the Word) of **יהוה בן יהוה**—which resulted in their crashing downfall.

This crashing downfall caused a sudden decline in the visible population of early original members who had come to the Nation of **יהוה**. Needless to say, other dried and hardened members continued to weaken spiritually—as they gradually withered—and fell further and eventually completely away from The Tree of Life, **יהוה בן יהוה**. Let us read 2 Thessalonians 2:1-3:

1 Now we beseech you, brethren, by the coming of our Lord, יהוה בן יהוה, and by our gathering together unto Him,

2 That ye be not soon shaken in mind, or be troubled, neither by spirit, nor by word, nor by letter as from us, as that the day of יהוה בן יהוה is at hand.

3 Let no man deceive you by any means: for that day shall not come, except there come a falling away first, and that man of sin be revealed, the son of perdition;

Without a doubt, from the falling away first, and the decline of His newly birthed Nation, יהוה בן יהוה knew that His season of fall had most certainly come—in other words, His season of fall was then at hand.

Moreover, יהוה בן יהוה knew from the preliminary season of spring and from the results of summer that among His wheat (firstfruits), there would be deceivers within the falling away of hardened members—symbolized as tares; as well as a “distinct” group of tares—symbolized as the Judas family. Let us read Matthew 13:25:

25 But while men slept, his enemy came and sowed tares among the wheat, and went his way.

We moved on further to examine and identify the tares as well as the enemy who sowed them. Let us read Matthew 13:38 and 39 to the second semicolon:

38 The field is the world; the good seed are the children of the kingdom; but the tares are the children of the wicked one;

39 The enemy that sowed them is the devil; the harvest is the end of the world;

We asserted that in order for the devil and the wicked tares in their efforts to deceive the good seeds in the fall season, the non-believing tare family initiated a clandestine nefarious plot and reprehensible plan of crafty skullduggery with the sons of perdition to betray יהוה בן יהוה. Let us read St. John 6:64:

64 But there are some of you that believe not. For יהוה בן יהוה knew from the beginning who they were that believed not, and who should betray Him.

Our examination showed us clearly that יהוה בן יהוה knew from the beginning of the allegorical seasons of spring and summer, throughout the end of fall, those who did not believe, and all those who should betray Him. He knew, based on Scriptural proof, that one symbolic deceiver, via a collusive and covert government indictment (the RICO Act), would achieve an unjust criminal persecution against Him and would ultimately lead to His crucifixion on the cross of judicial murder. Let us read Mark 14:10 and 11:

10 And Judas Iscariot, one of the twelve, went unto the chief priests, to betray Him unto them.

11 And when they heard it, they were glad, and promised to give him money. And he sought how he might conveniently betray him.

The ultimate and crucial plan of this one fallen member of the dishonest tare family—in the season of fall—was to conveniently seek the opportune time to seal the death and burial of **יהוה בן יהוה** completely in the tomb—and with unprecedented onerous restrictions. Because of the deceptive actions by Judas along with the dishonest tare family, we concluded positively that **יהוה בן יהוה**, the Son of **יהוה**, climaxing a mysterious phase in the fall season, yielded up the ghost as if falling from power, prosperity, and influence. Thus, all that **בן יהוה יהוה** had visibly built throughout the allegorical seasons of spring and summer began to wane in the cryptic season of fall.

As we continued to uncover mysteries of the four symbolic seasons researched through Proverbs 6:6-9, we pointed out that the spiritual falling away of many and the symbolic burial in relation to our Provider, **יהוה בן יהוה**, was not an ordinary fall. His peculiar, mysterious, and prophetic fall was set for a time and for a “divine” purpose. Let us read Luke 2:34:

34 And Simeon blessed them, and said unto Mary his mother, Behold, this Child is set for the fall and rising again of many in Israel; and for a sign which shall be spoken against;

Therefore, based on definitive facts from our studies, this phase in the fall season was not only a prophetic warning for all sons of perdition and principalities in high places, but, rather, an encouraging sign to the children of **יהוה**, that after the

peculiar fall of the cryptic child, **יהוה בן יהוה**, He was sure to rise again. Let us read Mark 8:31:

31 And He began to teach them, that the Son of man must suffer many things, and be rejected of the elders, and of the chief priests, and scribes, and be killed, and after three days rise again.

We indicated that the prophetic season of fall, as we speak today, is most certainly still a warning to the murderous Judas tare family: For they tremble with fear, knowing that after three days in the tomb, **יהוה בן יהוה** said He would gloriously and triumphantly, in due season, rise again. No doubt about it! Praise **יהוה** for His Son, **יהוה בן יהוה**! Praise **יהוה**! He shall rise again!

Now, the next point and stage that was revealed as **יהוה בן יהוה** ascends as the Anointed King of the whole earth, is that His mysterious fall would produce a fall harvest for the Kingdom of **יהוה**. From His peculiar fall in this season, **בן יהוה** would set in motion a time of great transformation and conversion. This time in the season would mark the ingathering of the 144,000 “righteous” minds promised to **יהוה בן יהוה**. Let us read on in Isaiah 11:12:

12 And He shall set up an ensign for the nations, and shall assemble the outcasts of Israel, and gather together the dispersed of Judah from the four corners of the earth.

We affirmed in our examination that during this set time and peculiar fall of יהוה in gathering His fall harvest from the four corners of the earth, He shall not fail in His mission nor shall He be discouraged until He has set judgment in “all” the earth. Let us read Isaiah 42:4:

4 He shall not fail nor be discouraged, till He have set judgment in the earth: and the isles shall wait for His law.

At this point in our examination, and while keeping these facts in mind, we went back to focus our attention on our next foundation Scripture from the Book of Proverbs. Let us read Proverbs 6:8 starting after the comma:

8 ... and gathereth her food in the harvest.

We noted further that at this same peculiar time, in the fall harvest, the children of יהוה, His firstfruits, would not be deceived by the evil program of the Judas tare family—up to the time of harvest. Let us read Matthew 13:30 up to the colon:

30 Let both grow together until the harvest: ...

Let us read 1 John 3:7:

7 Little children, let no man deceive you: he that doeth righteousness is righteous, even as he is righteous.

We went on to discuss that the symbolic light of the physical “sun” at harvest time represented the Light of the *spiritual* “Son,” יהוה בן יהוה. As the firstfruits

continued to receive and preserve the Light from the *spiritual* “Son,” **יהוה בן יהוה**, they matured and ripened through “divine photosynthesis.”

From this divine process, the matured and ripened firstfruits were given the power to reproduce, manufacture, and reflect the light they had received from the “Son,” **יהוה בן יהוה** (St. John 1:12).

In addition, it was expressed that this same radiating Light of **יהוה בן יהוה** in the season of harvest would manifest and reveal the children of the devil (tares) as well as the wheat—the children of God, **יהוה**. Let us read 1 John 3:10:

10 In this the children of God, יהוה, are manifest, and the children of the devil: whosoever doeth not righteousness is not of God, יהוה, neither he that loveth not his brother.

We told you that this miraculous purpose and manifestation by **יהוה בן יהוה** to close out the season of fall would be executed through “divine” judgment first (Matthew 10:35), in His own house, so that He might destroy the works of evil in the world forever. Praise **יהוה בן יהוה**! Let us read 1 John 3:8:

8 He that committeth sin is of the devil; for the devil sinneth from the beginning. For this purpose the Son of God, בן יהוה יהוה, was manifested, that He might destroy the works of the devil.

Clarity of our analysis in this segment of the fall season at harvest was illustrated further from the Book of Peter. Let us read 1 Peter 4:17 and 18:

17 For the time is come that judgment must begin at the house of God, יהוה: and if it first begin at us, what shall the end be of them that obey not the gospel of God, יהוה?

18 And if the righteous scarcely be saved, where shall the ungodly and the sinner appear?

Moreover, it was revealed in our examination of His fall harvest that in order to execute “divine” trials and procedures in the house of יהוה first, and then the world, יהוה בן יהוה would summon His reapers. Through diligent research from several internationally accepted reference sources, we discovered that a **reaper** was synonymous to “a harvester, an angel, and a messenger.”

Thus, the reapers of יהוה בן יהוה would be ready to execute the final warnings of יהוה before the time of trouble and to obey His ordained summons. Let us read Matthew 13:30 in part, starting after the first colon:

30 ... and in the time of harvest I will say to the reapers, Gather ye together first the tares, and bind them in bundles to burn them: but gather the wheat into My barn.

Moreover, we confirmed that in the last days, the reapers of יהוה בן יהוה in the fall season would cut and divide the house of יהוה בן יהוה into two portions: They would separate the seed of Adam, the children of יהוה, to be taken—crowned in

righteousness. Let us read 2 Timothy 4:8 to see what is laid up for the seed of Adam:

8 Henceforth there is laid up for me a crown of righteousness, which the Lord, יהוה בן יהוה, the righteous judge, shall give me at that day: and not to me only, but unto all them also that love His appearing.

Furthermore, we stated that at the same time of this miraculous phenomenon at the close of harvest season, the seed of Cain would be compelled to be left—crowned in wickedness. Let us read Matthew 24:40:

40 Then shall two be in the field; the one shall be taken, and the other left.

We stated conclusively from our research of harvest, that the seed of Cain would be left in bundles to weather the coming times of winter first, while the seed of Adam—the good children of יהוה—would be gathered safely in His barn (Matthew 13:30). Moreover, we stated further that the gathering from the fall harvest of יהוה בן יהוה, the children of יהוה, during the arrival of winter, will be taken as symbolic wheat, then stored away to continue producing an abundant supply of “spiritual” food. These provisions produced from the meat (the Word) of יהוה will last, as the desolate times of winter bear down upon all people. Let us read Titus 3:14:

14 And let ours also learn to maintain good works for necessary uses, that they be not unfruitful.

We further concluded that this is the latter day when all people must come to know that the closing harvest season of **יהוה בן יהוה** pronounces to the princes of darkness—who have come down to the lowest point into the valley of decision—that the final phase of their 6000-year-old sentence and world rulership is at its end. We went on to declare from our examination that all people have been summoned by the True and Living God, **יהוה**, into the valley of Jehoshaphat (Joel 3:9-12)—the valley of decision. And, further, that all people on the earth upon hearing the final warning of **יהוה בן יהוה** shall be required to come forth into a collective attitude, stance, or position in regard to the knowledge of **יהוה**. Let us read Joshua 24:15:

15 And if it seem evil unto you to serve the LORD, יהוה, choose you this day whom ye will serve; whether the gods which your fathers served that were on the other side of the flood, or the gods of the Amorites, in whose land ye dwell: but as for me and my house, we will serve the LORD, יהוה.

Furthermore, we concluded definitively that all people who choose to worship and conform collectively to the image of Lucifer shall be condemned with him and sentenced to the pits of hell. There is but one judgment day and but one Terminator, **הוה בן יהוה**. And He shall rise again! Praise **יהוה בן יהוה**!

Lastly, the summons of יהיה are His final signs to the wicked ones today that the prophetic separation of good and evil all over the world is taking place. The doom and destruction of the wicked is numbered by the Son, יהיה בן יהיה. Without a doubt, the sons of perdition know this very day that a time of trouble—for them—is now at hand, thus warning them “all” that they have but a **“short” time**.

With these facts in mind, we warned you to know of a surety that in the preliminary stages of the winter season, the great dragon—that old serpent called the devil and Satan—shall suddenly, without notice, come down upon all people of the earth having great wrath. Let us read Revelation 12:12:

*12 Therefore rejoice, ye heavens, and ye that dwell in them.
Woe to the inhabitants of the earth and of the sea! for the devil
is come down unto you, having great wrath, because he
knoweth that he hath but a short time.*

We verified that his seed would come down to you as a violent, hotheaded, inflamed, and belligerent person having fierce anger, animosity, and burning rage. He would stand with resolve and yet, at the same time, He would also be annoyed, vexed, and full of threatening wrath.

From our examination, we also noted in that the President of the United States of America, George W. Bush stated, “You’re either with us or you’re against us.” This public statement confirmed absolutely that he and his fellows who sit in dark

high places have already come down to you—without notice—disguised under such titles as “Homeland Security”; “The Fight for Freedom”; and today, “Defending America.”

We emphasized to you that all who speak out against the unrighteous behavior of the American government, under the Bush Administration—in deceiving the masses of all people of the earth—are in imminent danger this very minute.

Also, through their controlled “one world” global media of massive computer technologies, imminent danger is heating up and will intensify daily through crafted acts of global deception, misinformation, and fraudulent communication.

We informed you that the initial season of winter ushers in a **short time** for the height of oppressive procedures to deceive many and to advance top secret plans of Luceferian world rulership and supreme dominance. Let us read 2 Timothy 3:13:

13 But evil men and seducers shall wax worse and worse, deceiving, and being deceived.

We also warned you with substantiated facts that the harvest of **בן יהודה** was the season to “come out” of the ways of Babylon (America) while the perils of winter were at your door; and for those of you who could not decide whom you would serve (Matthew 6:24), to pray that your **flight** would not be in the full magnitude of the evil and oppressive winter to come. Let us read Mark 13:18-20:

18 And pray ye that your flight be not in the winter.

19 For in those days shall be affliction, such as was not from the beginning of the creation which God, יהוה, created unto this time, neither shall be.

20 And except that the Lord, יהוה, had shortened those days, no flesh should be saved: but for the elect's sake, whom He hath chosen, He hath shortened the days.

The end days of satanic rule will mark the coming season of winter set for fear, catastrophic misfortune, sudden widespread disturbances, and grievous afflictions.

At this point in our overall studies of the four seasons cryptically hidden in Proverbs 6:6-9, we began to examine the various symbolic scenes and stages of the final season of winter. We analyzed how the days of affliction and frigid tribulations of winter (Matthew 24:21) related to our spiritual Provider, בן יהוה, the Nation of יהוה, and all people of the earth before His prophetic rise.

To begin, we learned that **winter** from *The New Strong's Exhaustive Concordance of the Bible*, copyright 1990 under the Greek Dictionary reference 5494 signified “to pour”; while **pour** suggested “to move or come continuously”; and “to vent as to pour out one’s feelings full of thought, information, or matter in large quantities.” From our findings, we asserted with overwhelming evidence that the official bearing down of the darkened **winter season** shall commence before the prophetic rise of בן יהוה is to take place.

A crafted plan of attack will start to surge when something, someone, or some members of the Judas tare family make a final appearance to move and come continuously against יהוה בן יהוה and the Nation of יהוה once again. We noted that the same Judas tare family from summer and fall would aligned themselves with the sons of perdition, to set in motion a flood of lies full of negative thoughts, false information, and made-up matters against יהוה בן יהוה and the Nation of יהוה. They would vent by pouring out freely and in large quantities their poisonous feelings and noxious sources of false information to complete their renewed and final plans of sealing the death and burial of יהוה בן יהוה. Let us read Mark 15:13 and 14:

13 And they cried out again, Crucify him.

*14 Then Pilate said unto them, Why, what evil hath He done?
And they cried out the more exceedingly, Crucify Him.*

Moreover, we uncovered and proved even further that all of the fallen members of the Judas tare family—from coast to coast, who will cry out simultaneously—have united, joined, and connected together in bundles of associations. Soon, these bundles of tares will become “violently” agitated in the mind, in their feelings, and in their behavior. Thus, they will eventually form tumultuous **storm** clouds. We asserted that these symbolic **storm** clouds will soon make a large magnitude of noise, turmoil, confusion, and commotion.

They will continue to express their poisonous feelings in turbulent outbursts and violent assaults, as that of a great tsunami, against our Nation and the good works of **יהוה בן יהוה**. We informed you further that **winter** from the same Greek reference source under the number 5494 also signified “to pour through the idea of a channel”; while **channel** from *Merriam-Webster’s Collegiate Dictionary*, software copyright 2000, indicated “a band of frequencies of sufficient width for a single radio or television communication.”

We deduced from these definitions that turbulent and violent assaults would pour copiously through a band of frequencies having sufficient width on the “one world” syndicated radio and television networks. We added that these violent communications and floods of devastating lies would pour through collaborated channels of newspapers, magazines, and the worldwide web. They will have tremendous effects, even producing great tidal waves in catastrophic proportions.

In fact, their poisonous communications would be poured out and expressed continuously—live, up-close, and very personal—to injure, restrict, taint, and prevent the rise of **יהוה בן יהוה**, the only True Messiah—not of Christianity. And, likewise, their destructive communications would be to inhibit the activity and occurrence of our continuing to come together peaceably, to worship **יהוה** and His Son, **יהוה בן יהוה**, as The Nation of **יהוה**. Let us read Amos 8:7 and 8:

7 The LORD, יהוה, hath sworn by the excellency of Jacob, Surely I will never forget any of their works.

8 Shall not the land tremble for this, and every one mourn that dwelleth therein? and it shall rise up wholly as a flood; and it shall be cast out and drowned, as by the flood of Egypt.

These actions played out by the fallen Judas family will mark the winter season of beginning troubles for all of Jacob—the so-called black people of America—and particularly the Nation of יהודה. All of Jacob and all people who stand for righteousness in the earth will witness this out pouring of poisonous communication—as a pouring rain—produce a flood of lies on the scale of a violent **winter storm**. Let us read Matthew 24:38 and 39:

38 For as in the days that were before the flood they were eating and drinking, marrying and giving in marriage, until the day that Noe entered into the ark,

39 And knew not until the flood came, and took them all away; so shall also the coming of the Son of man, בן יהודה, be.

We went on to examine and discuss that the devastating floods of winter will also be offensive to the senses, and that many people shall be offended. The righteous wisdom and knowledge of the words of יהוה shall be disliked greatly; and the words of יהודה shall be hated with disgust by the tares of the Judas family and found repugnant to the violent opposing minds of this demonic world. Let us read Matthew 24:10:

10 And then shall many be offended, and shall betray one another, and shall hate one another.

Next in our research, we pointed out again that **winter** from the same Greek reference source also denoted “foul weather.” We discovered that foul weather during the frigid times of winter showed us clearly that not only will poisonous and noxious communications come from fallen members of the Judas tare family, but will also be the norm of global network communications of this time.

The happenings of the last days will be filled and covered daily with offensive subject matter exclusively designed by the foul princes of the network airwaves. This offensive subject matter shall be morally and spiritually incompatible with the truth of God, יהוה. In fact, it shall be blasphemous, as the Judas tare family and the sons of perdition continue to speak and broadcast daily, great things against יהוה כן יהוה and the Nation of יהוה throughout the entire earth. Let us read

Revelation 13: 4-7:

4 And they worshipped the dragon which gave power unto the beast: and they worshipped the beast, saying, Who is like unto the beast? who is able to make war with him?

5 And there was given unto him a mouth speaking great things and blasphemies; and power was given unto him to continue forty and two months.

6 And he opened his mouth in blasphemy against God, יהוה, to blaspheme His name, and His tabernacle, and them that dwell in heaven.

7 And it was given unto him to make war with the saints, and to overcome them: and power was given him over all kindreds, and tongues, and nations.

Moreover, the foul weather of winter will be a combative and depressing time period when the words of **יהוה בן יהוה** will be denounced by the tares of the Judas family and despised by the gods of immorality in all nations. As we continued in our investigation of the winter season from the same Greek Dictionary under the reference number 5490, we further learned that **winter** also indicated the key word “chasms” which derived from “chaos.”

We gathered from this point in our investigation of winter that as the pinnacle of offensive matter escalates against the truth of God, **יהוה**, the dark side of the United States government and all rulers of darkness will execute **winter chasms** of concealed global conspiracies. This will constitute the phase of a “symbolic” **winter of chaos**—the great tribulation that signals an impassable period of violent disturbances of global storms on civil, political, social, economical, and domestic affairs. These violent disturbances shall create conditions of utter confusion and mass disorder upon all inhabitants of the earth, such that they will lay opposing plans that shall mark the last days of evil rulership. Let us read 2 Timothy 3:1:

1 This know also, that in the last days perilous times shall come.

Let us also read Matthew 24:21:

21 For then shall be great tribulation, such as was not since the beginning of the world to this time, no, nor ever shall be.

We informed you that because of the wrath and short time for the rulers in dark high places, the President of the United States has already initiated a “secret” crisis to purposely mislead and intentionally confuse the masses of the people. This secret crisis will be so subtle that the people of earth will not be able to distinguish “normal” order from “obscure” disorder. Let us read Isaiah 47:11:

11 Therefore shall evil come upon thee; thou shalt not know from whence it riseth: and mischief shall fall upon thee; thou shalt not be able to put it off: and desolation shall come upon thee suddenly, which thou shalt not know.

In addition, a time shall come when sudden interruptions of continuity, will be brought about by breaking in on the actions of any person—due to “supposed” suspicion of perceived threatening beliefs—opposed to their deceptive democratic freedoms through national and federal security administrations.

Thus, the constitutional and civil rights of any person from the general public to have open discourse as determined by the rulers in dark high places shall be subject to interruptions of continuity by means of gagging and censorship.

These sudden interruptions will be intentionally put in place throughout the world, to impede and make regular movement of all people deliberately difficult and to hinder any supposed suspect by biometric screenings, biometric RFID implants,

annoying delays, and hand security checks. Moreover, the normal uninterrupted continuation of daily activities of all people shall be suddenly and elusively interrupted, abruptly hindered, and stopped unexpectedly without warning of any valid essential change. Let us read Proverbs 6:15:

15 Therefore shall his calamity come suddenly; suddenly shall he be broken without remedy.

We noted that these secret surreptitious procedures shall—in a short time—cause all inhabitants of the earth to undergo a total lack of order and organization. All people, unsuspectingly, shall be forced into a condition or place of great disorder and mass confusion. Our studies also showed that the foul tempestuous **winter--** according to the book, “*The Widow’s Son Raised*” by יהודה בן יהודה— shall also be a symbolic “**winter of unemployment**”; an impassable period and interval of time wherein the people of the “world” shall be unemployed.

The loss of jobs to support people shall come upon all people at an alarming rate. Most people will not be used for services or engaged in a gainful occupation. This will cause inconvenience, and discomfort. It will be horrifying, dismal, and oppressive. Let us read Isaiah 19:15:

15 Neither shall there be any work for Egypt, which the head or tail, branch or rush, may do.

We illustrated what this would mean for the Nation of **היה**. We concluded with absolute certainty from our series of study that this impassable period in **winter** will be the time when all righteousness will be spoken of as evil. Let us read Isaiah 5:20:

20 Woe unto them that call evil good, and good evil; that put darkness for light, and light for darkness; that put bitter for sweet, and sweet for bitter!

We verified that the activities of the children of **יהיה** to produce and to continue the works of **יהיה בן יהיה** will be forced to appear inactive with no evidence or means of visible support. Let us read St. John 9:4:

4 I must work the works of Him that sent Me, while it is day: the night cometh, when no man can work.

We reasoned at this point, during this interval in **winter**, that a chaotic winter storm of obscure disorder and utter confusion, manufactured by the rulers of darkness will be rampant throughout the earth. Many false Christs and prophets shall enunciate wicked solutions for “supposed” order, fueled by false deceptions to restore peace and security. This artificial sense of established order will be their strategy to control all people of the world. Let us read Matthew 24:11 and 24:

11 And many false prophets shall rise, and shall deceive many.

24 For there shall arise false Christs, and false prophets, and shall show great signs and wonders; insomuch that, if it were possible, they shall deceive the very elect.

By setting up a worldwide worship of servitude to their image of wicked ideas, lust, revelry, pleasures, and idolatries, the dark side of the United States government's false prophets, and false Christs shall deceive many with their satanic miracles. Moreover, they shall lift up the dark ancient craft of their past Babylonian ministry to execute principles of a concealed science that was built on the skill and knowledge of how to distort, pervert, and alter the truth of the Son of God, **יהוה בן יהוה**.

It was revealed that their ancient mystery worship and the initiator of their concealed science in the past (Genesis 11:4) was not discernible by ordinary people of the earth, but was known intelligibly by only those who had undergone some degrees of secret enlightenment.

With this understanding, we then examined scenes in Daniel, Chapter 3, which were prototypes from our past history but, yet, symbolizing prophetic times of today. We discovered that an image of deception within the same ancient mysteries was set up by the Babylonian King, Nebuchadnezzar. This image was established, ordained, and "set up" to dwell, reside, and move in specific circles in Babylon that the mystery of their craft might remain concealed or veiled.

In that this image of deception moved only in a particular circle, this circle later became the instrument used to translate and encode the Holy Bible, our holy Hebrew Book from יהוה, into written allegories, metaphors, and symbols. We now know this day, that this veil of mysteries could only be done away through the coming and receiving of our Savior, יהוה בן יהוה. Let us read 2 Corinthians 3:14:

14 But their minds were blinded: for until this day remaineth the same veil untaken away in the reading of the old testament; which veil is done away in Christ, יהוה בן יהוה.

Furthermore, we also came to the understanding that from within the core of the past ancient mysteries of Babylon, the knowledge of a secret worship of evil was bound by a central figure. This central figure—obscurely buried within their high, dark, and secret places—was to move in circles within the realms of principalities, political powers, rulers, and spiritual wickedness. Let us read Ephesians 6:12:

12 For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.

These circles of deception were to freely wind and coil their way around political, educational, and spiritual branches of all knowledge throughout the world. From this deception, the minds of the people would then be directed to the tree of good and evil; while at the same time, away from the hidden name יהוה and away from the Tree of Life, יהוה בן יהוה, who is here this day to teach us the knowledge of

good. Moreover, these circles and branches of deceptive knowledge were to reside and revolve around the very image of Satan—the devil—as the point and axis in which the minds of all people would ultimately become bound and his opposing ideas universally accepted.

We asserted conclusively from our studies that the outcome of the wonders and miracles—by which President George W. Bush and the global rulers from the circles of darkness were to deceive the people of the earth—was an absolute result of them being from the direct lineage, family tree, offspring and seed of Lucifer himself. Let us read John 8:44:

44 Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it.

Let us also read Revelation 13:14:

14 And deceiveth them that dwell on the earth by the means of those miracles which he had power to do in the sight of the beast; saying to them that dwell on the earth, that they should make an image to the beast, which had the wound by a sword, and did live.

Therefore, after the satanic mental conception—of an image of deception—is “set up” and all inhabitants that dwell on the earth are deceived to make an image to this conception of the beast, will symbolize the same exact attitude, orientation,

and precise prototype of all earthly rebellion (Romans 1:21) against יהוה and His Anointed Son, יהוה בן יהוה.

To substantiate our findings, we focused our attention on *The New Strong's Exhaustive Concordance of the Bible*, copyright 1990 under the Hebrew Dictionary reference numbers 6755 and 6754, which described **image** as “an idolatrous figure.” While **idolatrous**, deriving from **idol** in the *Random House Webster's Unabridged Dictionary*, copyright 1999, stood for “an image of a deity other than God”; and the word **figure** denoted “a person.”

We concluded from our findings that Nebuchadnezzar exalted and lifted up a deity other than God, יהוה, and gave him a deceptive name for all the people on earth to recognize as their symbol of divinity. They were to express before him their praise and to honor him as their object of worship—instead of the “true” God, יהוה. This false deity—which was considered to be precious as gold to them—was only known to those who were illumined in the mysteries of the ancient craft to be a false notion, false conception, and a deliberate distortion of the one “true” God of the Hebrews, יהוה.

We stated that the truth of the matter is that this false notion, false conception, and false deity will be a devil, a demon, or wicked offspring and child having the very spirit of Satan himself. And, even more, he will be positioned in the highest dark

places in America—prophetic Babylon. Furthermore, he will also be the abomination of desolation. Let us read Daniel 12:11:

11 And from the time that the daily sacrifice shall be taken away, and the abomination that maketh desolate set up, there shall be a thousand two hundred and ninety days.

After careful examination, we learned that it was Nebuchadnezzar who “set up” the very prototype of Babel—a satanic worship, a phantom, and an illusion. Today, this **imposter** is known as **Jesus or Je-zeus**. And, again, just as Nebuchadnezzar, President George W. Bush—the dark side of the supreme grand council of ancient mysteries, along with the joint league of united nations—have secretly fulfilled a restored policy to impose upon all people of the earth today the same “set up” of a one-world demonic religion and democratic order. In addition, we documented with indisputable facts that this hierocracy of luminaries from all nations are well versed in the sacred laws of יהיה, and, at the same time, they are also irreverent craftsmen abiding in their own lofty places of spiritual wickedness (2 Kings 17:29). With that being so, they have masked, ascended, and exalted themselves, and are now sitting on the mounts of all demonic congregations. Let us read Isaiah 14:13, 14, and 18:

13 For thou hast said in thine heart, I will ascend into heaven, I will exalt my throne above the stars of God, יהיה: I will sit also upon the mount of the congregation, in the sides of the north:

14 I will ascend above the heights of the clouds; I will be like the most High.

18 All the kings of the nations, even all of them, lie in glory, every one in his own house.

In these last days, just as ancient Babylon in their commitment to reviving a one world program and plan of total worship to Lucifer only, America stands as the exact representation, from inception, of capping the final satanic tower in honor of Lucifer; and, also, to hide the Son of יהוה and the name of the true and Living God, יהוה. We further noted that the global efforts and primary concern of George W. Bush—a concealed illumined czar—and this same supreme grand council of apostatized potentates from all nations, is to devote themselves to the cause and ideals of the image of the beast and to stand before the satanic image—their false deity. In addition, they have been called upon to align themselves in full allegiance to the order of their ancient mystery worship of Lucifer and, to execute clandestine operations to prevent the rise and theocratic rule of יהוה בן יהוה.

Moreover, they have been called to effect the elimination of the Nation of יהוה and all who stand for righteousness. Thus, this subsequent act will prove them all to be the many anti-Christes prophesied to come in the last days of satanic rule. Let us read 1 John 4:3:

3 And every spirit that confesseth not that יהוה בן יהוה is come in the flesh is not of God, יהוה: and this is that spirit of

antichrist, whereof ye have heard that it should come; and even now already is it in the world.

We established from our full examination that all who confess that **יהוה בן יהוה** is here to build the Kingdom of **יהוה**—the Kingdom of True Holiness, the Kingdom of Righteousness, and to save all good people who believe on His name—are a threat to the many global antichrists. We who believe in **יהוה** and His Son, **בן יהוה יהוה**, this very day are a threat to their *false* deception of peace, their *false* messiah, and their satanic “One World” democratic order. This is the true reason for the so-called “Defending America” and for their “Homeland Security.” Praise **יהוה**!

We concluded with positive proof in our analysis of Daniel, Chapter 3, that the modern-day King of Babylon (America), in the time of winter chaos, shall deceive many by setting up an image—the very prototype of Babel (Genesis 11:4), as that of King Nebuchadnezzar.

We also concluded in our examination of Daniel, Chapter 3, and the many phases of the winter of tribulations, that President George W. Bush, compared to King Nebuchadnezzar today, is being advised by many covert intelligence forces and agencies that are directly responsible for masterminding, monitoring, and operating domestic and international surveillances.

These agencies have been given “**sweeping powers**” to watch over and keep an eye on all nations of people through electronic global surveillance. Remember, they have but a short time so they are frantically moving forward to deceptively liberate, demonize, and democratize all people as they **fall down** to a superficial freedom toward an unsuspecting goal of worshipping their *false* messiah.

Now at this point, we proceeded in our examination to study the goal of King Nebuchadnezzar for all nations of people and the various types of legislative instruments that He used to further his demands. And we expressed the effects that the sound of those instruments had throughout all of the regions. We learned that King Nebuchadnezzar and all who stood before the golden image with him had secretly crafted and orchestrated a global conspiracy by putting together unified instruments that had been publicly announced in unison, as one voice.

Moreover, all nations of people had been informed that there would be a set time and season wherein they would have to participate and comply with all appointed official announcements cried aloud and already legislated as established law. Also, it is equally important to note that after the official laws had been announced and the set time had come for the orders to be put into full effect, then all people were commanded and required to **fall down**.

We illustrated in full that even today, like in the days of King Nebuchadnezzar, all of the power—invested in the same exact conspired “executive orders”—have been granted to the seat of the Presidency and are legal instruments composed into one rapacious oppressive Act. This same act is presently named today as “Uniting and Strengthening America Act by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001”—known as the USA Patriot Act.

We told you conclusively that the tribulations of winter under these new rulings will unleash universal prohibitions and censorships on all people. We established that these publicly announced rulings will be commanded for the purpose of controlling and regulating the basic needs, the very thoughts, beliefs, and daily actions of all people on earth, so as to comply with the rule of oppressive law.

Winter is that time and impassable period wherein all people will live under many anti-christs and under an absolute totalitarian Police State in which all civil liberties will be taken away. Our research of Daniel, Chapter 3, conveyed further that all people and nations and all languages who do not comply with these deceptive rulings to achieve peace and security under a universal religion after becoming a law, would be considered an outlaw, a danger, a domestic terrorist, or today, an enemy combatant.

Every nation from Afghanistan to Zimbabwe will be ordered in their own speech, in their own language, and in their own tongue to pledge, under oath, to the deceptive and satanic golden image that prophetic Babylon, America, shall set up.

All nations and people who do not yield themselves, and speak out against the opinions, conditions, treatment, operation, power, control, and authority of the American President will be rounded up, detained, and prosecuted—even face certain death. Likewise, all nations and all people who do not **fall down** or show obedience or allegiance to the decree to worship the false demonic messiah (image) shall be cast into the midst of a burning fiery furnace—prison or concentration camps. We will soon be able to see the visible evidence of the sounds and effects of all legislated instruments we have examined thus far in our life time.

We continued on to illustrate from Daniel, Chapter 3, that after the appointed time and symbolic season of winter, in which the executive ruling of King Nebuchadnezzar and the systematic surveillance of all people were visibly in effect, then **certain Chaldeans** in the province of Babylon **came near** and accused the [Hebrew Israelites]. We affirmed that the **Chaldeans** who **came near** and **accused** the Hebrew Israelite children of unlawful acts against the executive rulings authorized by King Nebuchadnezzar were in fact members of a wealthy

confederated household of the highest officials; and they were also members of a legislative judicial body that consisted of a voluntary council.

We discovered from overwhelming evidence, that the cryptic word **chaldean** examined from *The New Strong's Exhaustive Concordance of the Bible*, copyright 1990 under the Hebrew Dictionary numbers 3779, 3778, and 3777, led us to the words *Kesed* and *Knesset*; while **Knesset** from the *Microsoft Encarta Dictionary*, copyright 2003 indicated “the parliamentary legislature of Israel having one legislative chamber with supreme authority.” Upon discovering these convincing facts, we concurred definitively that these affluent **Chaldeans** had both power and influential authority to affect the legislative decisions and actions of King Nebuchadnezzar—especially in terms of how he enforced established laws.

We learned that these affluent **Chaldeans** coerced King Nebuchadnezzar to secretly unite both of their judicial groups in one “common interest” and to come against the Hebrew Israelite people because the knowledge pertaining to the “true” Biblical inheritance of their federal Chaldean union was to them in danger and at risk.

The Scriptures confirmed from our examination, that after King Nebuchadnezzar was compelled and intimidated by the affluent and influential voluntary council of federated men, and after having full knowledge of their poisoned judicial

accusations against the people of יהודה, the rage and fury of King Nebuchadnezzar became urgent upon the Hebrew Israelite people. As a result of his anger and arrogant resolve in protecting their concealed judicial union, he ordered that all Hebrew Israelites in all regions of the world be assessed and positively identified to determine their faith, principles, assets, and customary beliefs. Furthermore, he decreed that all Hebrew Israelites from the Tribe of (Yehudah) in all districts throughout His local region be rounded up and hauled into his circuit courts to be tried before him.

We will be accused, and rounded up because we will not acknowledge new security technologies of buying and selling with radio frequency identification chips. And because we hold fast to our righteous conviction to not fall down, prostrate, or consent to worshipping a demonic false image, under a demonic order, in the place of יהוה כן יהוה, our “one” true God.

Moreover, as it stands this day, in an unsuspecting encroachment of totalitarian rule and loss of civil liberties, President George W. Bush, or whoever is appointed to sit in the seat of the presidency, will be compelled and required by the dark side of the parliamentary legislature of **certain Chaldeans** within the *State of Israel* to haul up the people of יהודה under a falsified indictment and, ultimately, put us on trial.

Let us read Matthew 24:9:

9 Then shall they deliver you up to be afflicted, and shall kill you: and ye shall be hated of all nations for My name's sake.

We positively concluded from all we had examined in Daniel, Chapter 3, in regard to the winter season, that just as the fallen Judas tare family, the same dark council of the parliamentary legislature of **certain Chaldeans** from the *State of Israel*, and the modern-day King of Babylon, President George W. Bush, unite for their final conflict this day, we shall, in like manner, face the identical accusations and exact charges. Let us read Revelation 2:10:

10 Fear none of those things which thou shalt suffer: behold, the devil shall cast some of you into prison, that ye may be tried; and ye shall have tribulation ten days: be thou faithful unto death, and I will give thee a crown of life.

So, when George W. Bush shall stand openly and proclaim before the nations of the earth a united “common interest” with **certain Chaldeans** of the parliamentary legislature of the *State of Israel* to say “peace and safety” is established throughout the world, know that it shall result in their total destruction. And they shall not escape the wrath of our Great, Good and Terrible God, יהוה. Let us read 1 Thessalonians 5:3:

3 For when they shall say, Peace and safety; then sudden destruction cometh upon them, as travail upon a woman with child; and they shall not escape.

Praise יהוה! Nevertheless, in spite of the hate and affliction that shall be brought on by the Judas tare family, the present-day King of Babylon (America), and all opponents of יהוה בן יהוה, we do not have to worry or be afraid. Let us read Jeremiah 42:11:

11 Be not afraid of the king of Babylon, of whom ye are afraid; be not afraid of him, saith the LORD, יהוה: for I am with you to save you, and to deliver you from his hand.

The Son of יהוה is with us this day to save and deliver us from the hand of the present-day King of Babylon. Furthermore, the President of prophetic Babylon (America) shall fall from his throne in our life time. This shall take place shortly after He positions himself in total opposition to יהוה בן יהוה and decree that all Hebrew Israelites, and all true believers who **choose** the Son of God, יהוה בן יהוה, be brought before his halls of criminal justice, subjected to the furnace of affliction (Isaiah 48:10) and tried in the fire. Let us read Zechariah 13:9:

9 And I will bring the third part through the fire, and will refine them as silver is refined, and will try them as gold is tried: they shall call on My name, and I will hear them: I will say, It is My people: and they shall say, The LORD, יהוה, is my God.

The President of prophetic Babylon America, as was King Nebuchadnezzar and the many anti-Christ's who stand together with him (the President) this day are predestined by יהוה—the God of Heaven—to come down having great wrath

because he has but a **short time**. As we have seen from this expository series of “Go to the Ant,” Parts 1 through 20 and our closing summarizations of the four allegorical seasons of יהוה, we must pray and cry to our God, יהוה, for the release of יהוה בן יהוה and for the Nation of יהוה like never before. Therefore, let us be assured with absolute certainty, that in our life time, although יהוה בן יהוה—the Son of our Father, יהוה, the God of Heaven—has been judicially murdered in the U.S. Courts for bringing us the name of our God, and is still suffering for our true salvation—He **shall** rise in **due season** again.

Know with absolute certainty, that as יהוה בן יהוה serves the last third of His eighteen year prison sentence under onerous restrictions, He **shall** yet, in the face of all the Kings of the earth (Daniel 2:44), **set up** His righteous Sovereign Kingdom which **shall** never be destroyed. And it **shall** consume all kingdoms to stand without end forever! Praise יהוה!

Thank you יהוה בן יהוה! For we are so blessed to recognize that “**one**” who is **Greater than Solomon** is here—“**The Blessed and only Potentate.**” For “**the Elect**” shall not be ignorant of the mysteries concerning the Kingdom of יהוה, so that the final season of conflict will not overtake them **as a thief** in the bitter night of winter. Praise יהוה בן יהוה forever! Praise יהוה!
