

The Missionary Spirit, Part 18

Welcome to The Missionary Spirit, Part 18 or should I say part infinity, because even though the title may change someday, we'll still be studying about the One and Only, True and Living God, Yahweh Ben Yahweh. Praise Yahweh!

What is it about this Man, Yahweh Ben Yahweh that I love so much? How can I not love, the Maker of Heaven and Earth. How about you?

How can I not love the Blessed and Only Potentate, the Grand Master Architect of the Universe. How about you?

How can I not love my Savior, my Redeemer, my All and All. How about you?

How can I not love the One who reached out one day and said to me, out of 6 billion people: Daughter, come, follow me. How about you?

How can I not love the only Person who has shown me how to truly love and be loved. How about you?

And because this last part is so very true we need to lift our voices to Yahweh Ben Yahweh right now and tell Him we love Him, too! I love you Yahweh Ben Yahweh! I love you Yahweh Ben Yahweh! I love you Yahweh Ben Yahweh! Praise Yahweh

Now to begin, let's read the foundation scripture for this seminar, Isaiah 9:6, read:

For unto us a child is born, unto us a son is given, and the

government shall be upon his shoulder, and his name shall be called wonderful, counselor, The mighty God, the everlasting Father, The Prince of Peace.

To refresh everybody's memory, the last few segments of the Missionary Spirit have been exploring Isaiah 9:6 by looking at each phrase of the verse. Since Passover we have been on the phrase "and the government shall be upon His shoulder"...

In order to get the real scope of the matter, I have used words said and written by Yahweh Ben Yahweh Himself from the 18th Annual Passover/ Feast of Unleavened Bread in the transcript series entitled "**Worthy is the Lamb, Yahweh Ben Yahweh. Part 9**" in order to focus on this phrase.

Well, today will encompass a few more passages from that transcript to finish up this segment on judgment.

Therefore, I direct your attention to Pages 11 and 12 and I quote: "**I AM COME TO SET JUDGMENT IN THE EARTH. I WILL NOT BE DISCOURAGED, NEITHER WILL I FAIL. THE SON OF YAHWEH, YAHWEH BEN YAHWEH, IS THE JUDGE.**"

The reference scripture is Isaiah 42: 4, read:

He shall not fail nor be discouraged, till he have set judgment in the earth and the isles shall wait for his law.

The statement written by Yahweh Ben Yahweh is "I am come to set

judgment". Let's look at the phrase carefully. **I am** is equivalent to **I am that I am** in Exodus 3:14, who is Yahweh and Yahweh Ben Yahweh because they are one, John 10:30. Right?

So Yahweh Himself, in the flesh as the Son is come. Now **come** on page 190 of the Synonym Finder by J. I. Rodale © 1978 has a number of definitions that truly express what this phrase means.

Come means arrive, enter, hit town, appear, turn up, show up, make or put in an appearance.

Yahweh Ben Yahweh arrived on the earth to set judgment. "*And Yahweh Ben Yahweh said, For judgment I am come into this world*" ...John 9:39.

Yahweh Ben Yahweh entered into His present body. He "*made Himself of no reputation and came in the form of a servant*", Phil. 2:7, to set judgment.

Yahweh Ben Yahweh hit town to set judgment. Which town did He hit in 1979? Miami, Florida.

Yahweh Ben Yahweh turned up and showed up to set judgment. "*For the Father judgeth no man, but hath committed all judgment unto the Son*". John 5:22

And lastly, Yahweh Ben Yahweh put in an appearance to set judgment. The whole world has been looking for its savior to put in an appearance. "*Looking for that blessed hope, and the glorious*

appearance of the great God Yahweh and our Savior, Yahweh Ben Yahweh", Titus 2:13.

There should be no doubt in anybody's mind what Yahweh Ben Yahweh has come to do. He has come to set judgment in the earth. Praise Yahweh!

What is meant by the word **set**? **Set** according to the Strongest Strong's © 2001, in the Hebrew-Aramaic Dictionary on page 1460 is # 7760. The Hebrew pronunciation is sim.

Sim or **set** means to place, put, establish, and appoint among a whole host of things. Place in this instance is a verb and in the Synonym Finder on page 897, the verb form of place is lay, put, seat.

Lay according to the Merriam-Webster's Dictionary © 2001, Computer Edition means to put on or set down. So Yahweh Ben Yahweh has come to put judgment into motion and set down judgment.

Set also means SPREAD, therefore Yahweh Ben Yahweh has come to spread judgment.

Set means to impose especially as a duty or burden. The judgment that Yahweh Ben Yahweh sets will be a duty to some and a burden to others. It all depends on whether keeping His law is a pleasure to you or whether obedience brings you pain. Praise Yahweh.

Set means to bring to a specified condition. **Specify**, according to the Synonym Finder on page 1142, is detail. Sounds to me like there will be **no more generalities**, no hinting around. Yahweh Ben Yahweh is going

to detail His judgments. But you say how? He can't speak now.

And you know what? He doesn't have to speak directly Himself. Authority is given for words to be spoken through our divine connection to Him and here's just one example. This passage is from page 6 of Yahweh Judges America © 1985. You can turn to it also, it paraphrases Revelation 18:21:

And a mighty angel took up a stone like a great millstone and cast it into the sea, saying thus with violence shall the great country (America) be thrown down, and shall be found no more at all.

Mighty in the Barlett's Roget's Thesaurus © 1996 is #52.9 and means authoritative. Then on page 80 of the same reference, authoritative means powerful, empowered and strong.

So here we have an angel with authority, a powerful angel and an empowered angel. Empowered with what? The Holy Ghost which is a rational mind. The Holy Ghost, our divine connection to Yahweh Ben Yahweh, gives us the ability to dissect the scriptures.

Actually, we are decoding the scriptures to report loudly what we have found. We tell the **world**, because we know they are listening, what the Bible is really saying. And deception that has been encoded in the Bible is revealed. Praise Yahweh.

The mighty angel is a strong and potent angel. Potent on page 1056 of Webster's New World College Dictionary © 1996 means convincing, cogent, forceful, and to the point.

The mighty angel, of which we know there is more than one angel, has all the evidence laid out plain with no beating around the bush, pardon the pun.

Who is an **angel**? Page 52, of the same reference, states an angel is a messenger of Yahweh, a helper of Yahweh. That's plain enough isn't it. Does it need anymore explanation?

Now the **angel** in this verse, as a messenger and helper of Yahweh, takes up the **stone**.

Stone in the same reference is on page 1320 and means a hailstone. **Hailstone** is equivalent to **hail** on page 606. Hail on that same page is **call out**, which proves this whole thing is all about understanding and using words, doesn't it?

Hail also means to shower or pour violently. In the Synonym Finder on page 482 **hail** means batter, bombard, and beat down.

The angels, the messengers and helpers of Yahweh call out Satan and his angels and bombard them with words which they throw at the millstone. Now a millstone represents a heavy burden, a great weight (like the cross), hanging around the necks of the people.

The angel shows everyone that they have been deceived and caught up in the lie of the cross.

In Greek, millstone means hardship. The biggest hardship the world has suffered is the being robbed of knowledge of only true and living

God, Yahweh.

The people of world, including us, have suffered from by being deceived into believing in and following false gods like Jesus, Allah, Confucius, Buddha, and every body else except Yahweh.

What did the angel do to the millstone? The angel "cast it into the sea". On page 218 of same Webster's **cast** is to throw with force or violence, hurl, lash out, left fly, and explode.

Did the messengers, the helpers of Yahweh, the angels of Yahweh, at the last Feast, throw their words with force? Yes, their words lashed out and exploded, **flying into the sea**. Who did the angels identify as the See? The Pope, of course . Praise Yahweh.

"Saying thus with violence"... And they said their words with violence. Violence in the Synonym Finder on page 1321 is might, power, strength.

The messengers, the helpers of Yahweh saying thus with might and power and force, "shall that great country (America) be thrown down, and shall be found no more at all.

Back in the day, throw down to me meant we were going to be in a fight. Anybody remember that? And in actuality in the Synonym Finder on page 1234, the following definitions are under the word throw. It is listed with other such words as bring to the ground, vanquish, defeat, subjugate, overcome, overthrow, over power and bite the dust.

Bite the dust on page 332 is loose, fail, suffer defeat, go down, go under. **America, you are going down, no matter what you are trying to fool the world into believing about your strength and power.** Praise Yahweh.

And it what? "*No more shall be found*". **Shall be found** in Greek is # 2147 and means on page 34 of the Greek Dictionary of the New Testament found in the Hebrew-Greek Key Study Bible. It means to perceive.

The mighty angels, the messengers, the helpers of Yahweh are bringing out hidden information and making it available for the world to perceive, to attain awareness of and to realize the truth.

As the world as we know it, crumbles down around them, the people will truly perceive the true relationship between the See, who is the Pope and his beastly connection to the head America and other heads of countries. They all will go down, will lose, will fail, will suffer defeat.

This judgment has been **set** by Yahweh Ben Yahweh and **He** will not fail. The scripture shall be fulfilled. Praise Yahweh, Praise Yahweh!

But, you know what? If we lull ourselves into believing that everybody else will be judged except us, we are sadly mistaken.

One specific aspect of judgment involves you and me and is found in I Peter 4:17. You knew I had to bring you and me into the picture, right? Praise Yahweh.

Let's turn to I Peter 4:17, read,

For the time is come that judgment must begin at the house of Yahweh: and if it first begin at us, what shall the end be of them that obey not the gospel of Yahweh?

First let's look at **time** in this scripture- time is the Greek word *kai-ros* from page 39 of the Greek Dictionary of the New Testament in the Key Study Bible. And **time** by this definition means an occasion, i.e. a set or proper time. There's that word **set** again and since we have spent some time on it earlier, for now, let's move on to **proper**.

According to Webster's New World Dictionary of the American Language © 1957 on page 1167, **proper** has an obsolete definition which is **one's own**, and **belonging to oneself**. Yahweh Ben Yahweh has judgment for a people who are His own, who belong to Him.

In case there is any question about who belongs to Him, proper also means peculiar. Characteristically, who is identified as a peculiar people in the Bible in Deut. 14:2. We are His peculiar people, therefore based on this scripture, our time for judgment is come.

Judgment is # 2917, the Greek word *kri'-ma*. Maybe I'd better spell that. **No**, it's not cry ma, like ma help me in this time of judgment, but k-r-i - m-a. Praise Yahweh.

Krima or judgment is firstly, for or against and secondly it means "go to law". So it appears very clearly from definitions in this scripture that when it comes to His peculiar people, the judgment of Yahweh Ben

Yahweh will go to the law. His peculiar people, who are you and I, will be judged from the standpoint of whether we keep the laws of Yahweh or whether we don't. Whether we're for the laws of Yahweh or against the laws. Sound reasonable to everybody? Praise Yahweh.

Let's prove that it is our time for judgment another way. *"For the time is come that judgment must begin at the house of Yahweh."* **House** means nation according to the Synonym Finder on page 520.

"For the time is come that judgment must begin at the Nation of Yahweh". It seemed like there might have been this very same understanding at the last feast, at least to me.

There appeared to be a great awakening to the fact that He is starting with us as I heard comments like "time is short"; "I need to get serious"; "I'm going to study like never before". It was a joy for me to listen to the testimonies of what seemed also to me like revelations, as described in our newsletter.

Praise Yahweh.

Now the next phrase in I Peter 4:17 is: ***and if it first begin at us***,.... First is the Greek word pro'ton. In the Greek Dictionary on page 62, it means firstly (in time, order or place) before, at the beginning, chiefly.

In school I studied proton in the science field so I checked in the Bartlett's Roget's Thesaurus on page 1213 to verify the definition. Proton in that source means an atom, physical element, a little thing. Atom on page 26 in the same reference is not only proton, but neutron and binding

energy.

Our very being is made up of atoms, protons and neutrons. Does this mean we, of the Nation of Yahweh, will be judged all down in our inward parts, at the atomic level from the inside out, in our secret places? Turn to Jeremiah 23:24, read:

Can any hide himself in secret places that I shall not see him? saith the Lord Yahweh. Do not I fill heaven and earth? saith the Lord Yahweh.

Does this mean the Nation of Yahweh will be judged not by how we appear to be on the outside or by what we say? Yes, it does. Isaiah 11:3 verifies this very fact, read:

And shall make him of quick understanding in the fear of the Lord Yahweh: and he shall not judge after the sight of his eyes, neither reprove after the hearing of his ears.

The Nation of Yahweh, the house of Yahweh will be judged not by His physical eyes nor His physical ears but by the energy that binds us to Him. Yahweh Ben Yahweh is looking down into the depths of our very souls.

Perhaps He will be looking for the same type of person found in Numbers 27:18 when Yahweh told Moses to take Joshua, "a man in whom is the Spirit". Which spirit? The Missionary Spirit. Of course! Praise Yahweh.

The phrase in I Peter 4:17, **and if it first begin at us**, has a reference scripture, Luke 23:31, read:

For if they do these things in a green tree, what shall be done in the dry?

Let see how the explanation of this scripture relates to I Peter 4:17 and it will help us understand a little deeper why Yahweh Ben Yahweh begins with us.

"For if they do these things in green tree." Green according to the Library of Universal Knowledge © 1954 on page 324, is flourish. Green could mean a time when our nation was flourishing in properties and buildings and numbers, couldn't it?

But on the other hand, green in this scripture is # 5200 and it means wet, as in rain, and sappy. Sappy, gives us another side because it means silly or foolish according to the Merriam Webster Dictionary, © 2001 Computer Edition.

Tree from the Britannica Ready Reference, © 2001, Computer Edition means conifer, deciduous, evergreen, forest, shrub. In looking up all these words, the word deciduous best lent itself to describing the green tree in this scripture.

Deciduous in the Merriam Webster's Dictionary, Computer Edition means to arrive at a solution that ends uncertainty or dispute about.

The coming of Yahweh Ben Yahweh ended without a doubt the uncertainty of Who our Savior **is**. He has **also** come to save the world and is the solution to all the world's problems, isn't He. Praise Yahweh.

Deciduous also means to bring to a definite end, to induce to come to choice and to make a choice or judgment.

Therefore, we can extrapolate that "in a green tree" means making foolish or silly choices, coming up with foolish or silly solutions, having foolish or silly disputes both while our Nation was flourishing.

And if they do these things in a green tree. If we, as individuals within the Nation of Yahweh, are going to act foolish or silly, be a foolish virgin instead of a wise one, **what shall be done in the dry.**

Ordinarily, **shall** in the first person singular and plural and forms part of the future tense and the future perfect tense and simply foretells or declares what is to take place. But in this case, it is used in the interrogative, meaning there is a question being asked. Interrogatively, **shall** asks for direction or refers to the matter to the determination of the person asked. These definitions come from the Library of Universal Knowledge © 1954 on page 666.

So this is a direct question to each of us in the Nation of Yahweh. What shall or what direction are we going to take, what choices are you going to make in the dry?

Now **dry** in the previously mentioned Merriam Webster's reference means severe or wearisome. **Severe** in the Synonym Finder on page 1096 in definition #6 means exacting, rigorous, tough, demanding, fastidious, unsparing, grinding, oppressive, burdensome, grievous, and get this **onerous.**

So what times are we living in now? **Onerous** times. The time when onerous restrictions have been placed on Yahweh Ben Yahweh. Doesn't that mean **this** is the **dry** time?

And the very fact that the word **onerous** means **dry** is proof that we are living in the times when Yahweh Ben Yahweh is judging His house, His Nation first, He is judging us NOW! Praise Yahweh.

What are you going to do? Are we going to remain silly or foolish specified by the green tree? Or are we going to move over to the wise side?

Yahweh Ben Yahweh is so merciful that it sounds like He is giving us a chance, even in this onerous time. Praise Yahweh.

Now look back at I Peter 4:17 to the last phrase in that scripture, "and if it first begin at us, what shall the end be to them that obey not the gospel of Yahweh?"

For the answer to this question, I turned to Yahweh Judges America by Yahweh Ben Yahweh © 1985, pages 138, 139 and 122, respectively and I quote:

"The false leaders call themselves of the righteous claim to trust upon the God of the Bible, the God of Israel; Yahweh is His name. Why don't our false leaders teach us the knowledge of Yahweh and His laws, statues, judgments and commandments?"

"The wickedness of false leaders is clearly demonstrated all over

America: and Yahweh Ben Yahweh hates them for deceiving our people: for the wickedness of their doings I will drive them out of mine house; I will love them no more. All of our false leaders are rebels against Yahweh. (Hosea 9:15)”

“And the spirit of America shall fail in the midst thereof; and I will destroy the counsel thereof and confuse their judgments: and they shall seek to the idols, and the charmers, and to them that have familiar spirits, and to wizards.”

What drives the spirit of America? America's spirit is driven by money and strong arm tactics. The money side is locked up in buying and selling and buying is at an all time low. It's called consumer confidence is low which is where people are buying almost nothing. So much so that where I live, there was even a tax free buying weekend. Even low to no interest rates are in place almost everywhere trying to encourage buying.

But no matter what is done to shore up the economy, nothing is working. Why? because of the wickedness of false leaders in both business and in government.

Actually, I think they are one in the same. When your whole cabinet comes from big business, then there's no difference, right George “W”? Praise Yahweh.

Now we can go back to our original quote. “**I am come to set judgment.**” We still haven't finished with **set** yet. **Set** also means to put. **Put** means to set before one for decision. The world will be set before Yahweh Ben Yahweh for judgment. And given the way He has been treated,

many people will expect Him to be angry. But Isaiah, 52:13 let's us know how Yahweh Ben Yahweh will deal with judgment. Read:

Behold, my servant shall deal prudently, he shall be exalted and extolled, and be very high.

Prudent in the Library of Universal Knowledge © 1954 on page 579 is cautious or circumspect in determining any action or line of conduct; correct and decorous in manner.

Can you image the mightiness of the God we serve. After all the world has put Him through, Yahweh Ben Yahweh is going to be prudent in His judgment. He will remain cautious or foreseeing which means wise, sagacious and discerning in determining any line of action.

Image if you and I were placed in that position of judging with power and the wicked had done to you what has been done to Yahweh Ben Yahweh. Prudence, caution, restraint - all of those would probably go out the window. We'd probably be zapping people all over the place. Zap, zap, zap. That's exactly why we are not in charge of judgment.

What comes with His being prudent. Let's read Isaiah 52:13 again then go on to verses 14 and 15.

Behold, my servant shall deal prudently, he shall be exalted and extolled, and be very high.

As many were astonished at thee: his visage was so marred more than any man, and his form more than the sons of men.

So shall he sprinkle many nations; the kings shall shut their mouths at him: for that which had not been told them shall they see; and that which they had not heard shall they consider.

How will the kings shutting their mouths happen? Well, sprinkle may give us the answer. Sprinkle in the American College Dictionary © 1969 on page 1170 is scatter, to disperse or distribute here and there.

According to the Synonym Finder on page 1151, sprinkle means to broadcast. On page 1074 of the same reference scatter means broadcast. On page 309, Synonym Finder again, disperse means broadcast. And as you might suspect on page 315, distribute means broadcast also.

So shall Yahweh Ben Yahweh broadcast to many nations; the kings or rulers of these nations shall shut their mouths at him. Mouth in this scripture is # 6310 in the Hebrew-Chaldee Dictionary of the Key-Study Bible on page 93. Mouth means as a means of blowing, particularly speech, sentence. Speech in the Bartlett's Roget's Thesaurus on page 242 is talking, discourse, and yackety-yak. Sentence in the same reference on page 1273 is unfavorable verdict and detention.

The kings will shut their mouths meaning they will close their mouths and stop talking about Yahweh Ben Yahweh from the standpoint of the negative information surrounding the false unfavorable verdict.

That was the only thing they had heard. And they will stop talking negatively about His incarceration because for that which **had not been**

told them shall they see. They will be able to see Him for themselves.

They will be told the truth. And "*that which they had not heard shall they consider*". They have never heard both sides, so how could they have carefully examined the facts and come up with the truth?

What all kings and all nations will finally understand is the real reason why Yahweh Ben Yahweh is being persecuted. It has to do with judgment, and it has to do with the fact that **all** judgment has been given into the hands of Yahweh Ben Yahweh as confirmed in John 5:22, read:

For the Father judgeth no man, but hath committed all judgment unto the Son.

Perhaps one of the passages that will be broadcast is found in The Global Call To The Remnant by Yahweh Ben Yahweh, © 1999 on page 41-42:

"Judgment. The only way that you can have Judgment Day is for the Judge to come. I AM THE JUDGE. Nobody else has come as the Judge but Me. Therefore, I am able to give you wisdom, knowledge and understanding on both sides of all that you need to know so you can make a righteous judgment. And you don't have to worry about whether my judgment is going to sit, it tells you in the Scripture that it is going to sit. So I am telling you, **My judgment is going to sit!**

The reference scripture to this Daniel 7:26, read:

But the judgment shall sit, and they shall takeaway his dominion, to

consume and destroy it unto the end.

There are two words that need special attention in this scripture. The first is judgment, which in this scripture is the Hebrew word (deen) *diyn*, #1780. Judgment which corresponds to #1799. Judgment is the **suit**, justice, sentence or tribunal; by impl., also *strife*: - cause, judgment, plea. So here we have a **suit** identified from Daniel 7: 26.

And here's how important a word like suit can be. I hold in my hand a **suit** that has been filed against the Anti-Defamation League and the Southern Poverty Law Center which I obtained when I bought the Operation Word War book.

The suit was filed on behalf of citizens of the Nation of Yahweh for the amount of \$12 trillion dollars. This amount was equal to the national debt of the United States at the time it was filed.

What's the second word? The second word we need to pay special attention to is **sit** which in this scripture is the Hebrew # 3488 to sit or dwell, (be) set.

Sit on page 1116 of the Synonym Finder by J. I. Rodale means **settle**. **Settle** on page 1096 of the same reference means pay. On page 860, pay means compensate, reward, recompense, reimburse, indemnify, and refund.

All of the following definitions of settle are from the Merriam-Webster's Dictionary, Computer Edition, © 2001. Recompense means 1. to give compensation to, pay for. 2. to return in kind, and requite.

Reimburse means Etymology : re- + obsolete English word imburse, to put in the pocket, pay, from Medieval Latin imbursare to put into a purse, from Latin in + Medieval Latin bursa purse, from Greek byrsa : to pay back : make restitution : REPAY. Synonyms: indemnify, recompense, requite, compensate.

Indemnify 1 : to secure against hurt, loss, or damage; 2 : to make compensation to for hurt, loss, or damage. This suit specifically mentions hurt, loss and damage for which our whole Nation has to be compensated.

Now, I guess you all are saying, all Sister Sarah talks about is money and the fact that Yahweh Ben Yahweh and our Nation are going to get a lot of money.

Oh yes, I am talking about it, because it's the truth. Oh yes, everybody has to pay and they will be pay, repay, recompense, indemnify, compensate, and every other word for pay we can find in all the dictionaries on earth because of the hatred they have shown to Yahweh, Yahweh Ben Yahweh and us. They owe **Him** and they owe us. Read Hosea 9: 7:

The days of visitation are come, the days of recompense are come; Israel shall know it: the prophet is a fool, the spiritual man is mad, for the multitude of thine iniquity, and the great hatred.

The days of recompense are come. The days for us to get paid are come, and Israel, we will know when it happens.

The blessing of the Lord Yahweh, it maketh rich, and he addeth no sorrow with it. (Proverbs 10:22)

All these folks running around today calling themselves prophets- prophet so and so, prophetess so and so, are all fools. *And a fool's mouth is his destruction, and his lips are the snare of his soul. (Proverb 18:7)*

And the person who calls himself the spiritual man, all the priests, preachers, shamans, imams, etc. are crazy to keep the lie going because they all know the truth about Yahweh and Yahweh Ben Yahweh, yet they are still fooling the people into believing in false gods.

A drought is upon her waters; and they shall be dried up: for it is the land of graven images, and they are mad upon their idols. (Jer. 50:38)

So brother preacher, sister prophetess, Mr. Priest and Mr. Imam, pretend you don't know. Everybody knows there is a drought upon the land. Because to all of you who hate Him and us, and have done harm, the judgment of Yahweh Ben Yahweh shall sit. Praise Yahweh.

In summary, we've gone over two aspects of judgment during this seminar. The first was from the standpoint of Yahweh Ben Yahweh coming to set judgment in the earth.

We explored different flavors of set. One of which was the authority given to His angels to remind the world, especially America, of the judgment of Yahweh Ben Yahweh.

From there, we definitely proved that judgment is not just for others,

but is for the house of Yahweh, the Nation of Yahweh, also.

And that His judgment is happening now during these dry times, during these onerous times. But because Yahweh Ben Yahweh is a merciful God, He is giving us a chance to get our acts together. Praise Him for that.

Lastly, the other aspect of judgment explored took us to suit. A suit that was filed. And the suit will sit because sit means settle. The suit will be settled which means pay which means compensate which means recompense which in the short version means moe money, moe money, moe money. Praise Yahweh.

It is my strongest wish that I have shared something with you today that has both informed you and lifted you up. I thank and praise Yahweh Ben Yahweh for allowing me to be here today in the presence of His angels. Praise Yahweh. Shalom Aleichem
