

The Mysteries Of The Great Image: The Broken Image, Part 3

Shalom Aleichem. I would first like to give all praises, glory, and honor unto our **King**, יהוה בן יהוה, who is the **King** of all kings, who is the **King** over all the earth. **He** is the **Creator** of the heaven and the earth. When the earth was without form and void and full of darkness, then **He** commanded, “Let there be light,” and there was light! This **Unique One** that I am talking about is One who possesses “**divine**” **attributes** and “**majestic**” **power**. And that One is our **Heavenly Father**, יהוה בן יהוה. Praise יהוה! Isn't it a blessing to know that out of 6.6 billion people on the earth, we are the most blessed people? We were a people who at one time did not have any mercy, but now have obtained mercy through יהוה בן יהוה, who has come into our lives. Praise יהוה!

Just think, once we were walking around in **total** darkness about who we are as a people; in total darkness about who our **God** is. We were in “total” darkness: We could neither see nor hear anything. We could not understand anything. And we certainly could not “do” anything.

It was only at the coming of our **Heavenly Father**, יהוה בן יהוה, The **Great Light**, that we are no longer in darkness. The spirit of יהוה בן יהוה has penetrated our darkened minds with **His Great Light**, and has given us

the power to “see” what is not evident to the average mind of the 6.6 billion people on the earth. His **Great Light** has caused us to come forth from out of darkness into **His Marvelous Light**. Praise יהוה!

I would like to welcome you to this seminar, entitled, “**The Mysteries Of The Great Image: The Broken Image,**” **Part 3**. Today, we shall continue to explore and uncover one of the world’s greatest mysteries: a prophecy that was foretold in the Book of Daniel about the **great image**. The details about this great image have been shrouded in secrecy for thousands of years. Some of the details, we shall explain during the course of this seminar.

So let us now turn to Daniel, Chapter 2, verse 35, and read up to the colon. Please read:

“Then was the iron, the clay, the brass, the silver, and the gold, broken to pieces, together, and became like the chaff of the summer threshing floors; and the wind carried them away, that no place was found for them:...”

Hold it! At this ending point we see that there is a colon. This colon is key, and points out an important element that is needed in order for us to understand this prophecy.

On the authority of the *Hand Book for Writers*, copyright 1950, on page 121, it states, “The **colon** is a strong mark of punctuation; the **colon** is

used only as internal punctuation to point forward and indicate that the following material is closely related to the preceding material.” Also, according to The *Random House College Dictionary*, copyright 1988, on page 696, **internal** is described as, “existing solely within the individual mind; intrinsic.”

With these facts, we understand that in order to move forward to what follows the colon, we must first understand the intrinsic nature of the material that precedes it. So that it can be solely clear in our minds, let us reread the beginning of Verse 35 again. Read:

“Then was the iron, the clay, the brass, the silver, and the gold, broken to pieces, together, and became like the chaff of the summer threshing floors; and the wind carried them away, that no place was found for them:...”

In part 1, we learned from our research of the facts that the **great image** is the Pope, who is the supreme head of the Roman Catholic Church. **Iron** represents his unchallenged power that is characterized by wickedness. The **clay** exemplifies his weakness or defect of character; his exaggerated and unrealistic virtues and abilities. **Brass** is symbolic of his high-ranking officials and top executives. We also provided irrefutable evidence to substantiate that the **silver** describes his eloquent and persuasive speech. And **gold** is indicative of the Roman Empire.

Now, with that understanding, let us begin to decode Daniel, Chapter 2, verse 35, beginning with -- “*Then was the iron, the brass, the silver, and the gold, broken to pieces, together,...*” The words we shall define in this sentence are “***Then, was, broken, to pieces, and together.***” On the authority of *The Random House Dictionary Of The English Language*, copyright 1966, on page 1471, **then** means, “at that time; immediately, or soon after.” In accordance with *The American Heritage Dictionary*, Fourth Edition, copyright 2000, Computer Software, **was** is “first and third person singular past indicative.” Indicative is defined as “being the mood of the verb.” Mood, “in English, the indicative mood is used to make factual statements.”

The words **then** and **was** establish that we are dealing with factual statements of a past action. So after the factual statements were made about the stone that was cut out without hands, which smote the image upon his feet that was of *iron* and *clay*, and broke them to pieces (Daniel 2:34), at that time, immediately, or soon after was the iron, the clay, the brass, the silver, and the *gold* **broken** to pieces together.

To find out exactly what took place here, we shall define the next word, which is **broken**. To decode **broken**, we will go to its present tense, *break*. Therefore, documented in *The Webster's Third New International Dictionary*, copyright 1971, on page 271, **break**, the present tense of broken,

is defined as, “to make ineffective as a binding force; to disrupt the order of; and to prevent the effective operation of by disruptive action.” On page 217, **bind** means “to exert a compelling influence.” On page 887, **force** is described as “an act that forces the response of another into a predetermined pattern.”

The Roman Catholic Church was founded upon lies and deception. The disciples of יהוה בן יהוה--euphemistically called the stone--are filling the earth with the **knowledge** of יהוה (Isaiah 11:9), which is the truth that will make us free (John 8:32). As we fill the earth with the knowledge of יהוה, it is making ineffective the Pope and his angels’ ability to continue to exert a compelling influence upon the minds of the people. By doing this, we are preventing their effective operation of deception by disrupting their devious plans to continue to force the people to respond to them based upon their predetermined pattern, which is to deceive the whole world (Revelation 12:9).

Using the same source, **break** is also defined as “to defeat utterly and end as an effective force; to crush the spirit of; to sap (one’s) will to resist, withstand, or persevere; and to afflict with so much stress that the hope, resistance, or morale is weakened.” By publishing the word of יהוה, the word of truth, on *The Universe of יהוה* and the Internet, we, the stone (the

disciples of יהוה בן יהוה), are utterly defeating the global conspiracy of the Roman Catholic Church to hide the truth. The truth of יהוה is bringing to an end the effective force they have had upon the minds of the people. This truth is crushing the spirit of the entire Roman Empire and sapping their will to resist, withstand, or persevere. This truth that they have hidden from the people is afflicting them with so much stress that their hope, resistance, and morale have been terribly weakened.

Break (in the same source) is defined as, “to win against; to deprive of all chance of success; and to ruin the prospects of.” In accordance with *The Synonym Finder* by J. I. Rodale, copyright 1978, on page 952, **prospect** is synonymous to “outlook for the future; remote possibility.”

As the disciples of יהוה בן יהוה continue to promulgate the word of יהוה, we shall win against the institution of lies that have been put into operation as a law or decree by the Roman Catholic Church. And we shall deprive them of all chances of success to continue to set forth or teach publicly their false creeds and doctrines. Thus, ruining their outlook for the future and putting an end to any remote possibility of them continuing to mislead the people.

Continuing from the same source, the word **break** is defined as, “to demonstrate falsity or lack of credibility of.” In the *Webster’s Ninth New*

Collegiate Dictionary, copyright 1989, on page 338, **demonstrate** means “to prove or make clear by evidence; to illustrate and explain esp. with many examples.” On the authority of the *Microsoft Encarta College Dictionary*, copyright 2001, on page 383, **demonstrate** also means, “capable of being shown to exist or be true; to show or prove something clearly and convincingly.”

The stone, the holy ones of יהוה בן יהוה, shall continue to prove and make clear by convincing evidence the falsity of the teachings of the Roman Catholic Church. We shall give graphic illustrations and many examples to explain the magnitude of their falsity. In addition, we are most capable of showing to exist or to be true that they are in fact the synagogue of Satan, whose “sole” objective is to deceive the “whole” world (Revelation 12:9). We are presenting irrefutable facts to prove our claim and are providing undeniable evidence that the teachings of the Roman Catholic Church lack “*logical*” credibility.

From the same source, some additional definitions of the word break are, “to disprove; to stop, cut short, or bring to an end often suddenly; to destroy unity of; to serve to change the impression of regular continuity in; and to cause lack of regular continuity.”

This additional information confirms that the chosen people of יהוה shall disprove with verifiable facts the falsity of the Roman Catholic Church, thereby stopping, cutting short, and bringing suddenly an end to the hold they have had upon the minds of the people. The truth that we are proclaiming throughout the world shall destroy the unity of the high-ranking officials and top executives in the Catholic Church.

Furthermore, this truth shall serve to change the impression of their unchallenged power and customary respect. We shall, without interruption, shine the light on their exaggerated and unrealistic virtues. And by doing so, it shall cause the people to lack regular continuity in their church attendance, as well as lack regular continuity in their financial contributions.

We shall continue to decode the word **break** from Daniel 2:35 (“*Then was the iron, the brass, the silver, and the gold, broken to pieces, together,...*”). From the same source, **break** means “to cause to discontinue indulgence in a habit; to reveal or impart a confidence harbored in or at; to tell; crack; to make public or available for publication; and to publicize widely or permit wide publicity of something after a period of withholding.”

We, the stone--the saints of יהוה בן יהוה--shall continue to speak the word of truth with great boldness and deep profundity. This truth shall cause the people to discontinue indulgence in the habits of the Roman Catholic

Church. We shall reveal the truth or impart knowledge to destroy the confidence harbored in the minds of the people for the false teaching in the Catholic Church. We shall tell the world of the many “false” doctrines that they uphold as being righteous. Moreover, we shall crack open and make public or available for publication the manner in which they have deceived the whole world. In fact, we shall publicize widely and permit wide publicity of how they have withheld the truth of יהוה for the last six thousand years.

As we, the stone, continue to interpret the “true” meaning of the Scriptures--through the “divine” Ten Step Study Method of יהוה בן יהוה--the Pope and his perverted Jesuits shall no longer be able to persuade the people by their eloquent and persuasive speech. But rather, the people shall ultimately break away from the traditional habits and customs of the Roman Catholic Church, especially their false practices, senseless rituals, unscriptural customs, pagan celebrations and holidays, as well as their “unholy” fashions and styles.

We are still defining the word **break** (which is the present tense of broken) in Daniel 2:35. Continuing in the same source (*The Webster's Third New International Dictionary*, copyright 1971, on page 271) **break** is defined as, “to initiate (a campaign or course of action) often with fanfare and publicity.”

יהוה בן יהוה has caused His saints to be “spiritually” reborn and sanctified by undergoing a “spiritual rebirth.” And as such, we have initiated a global campaign with much fanfare and publicity to dispel the myths of the Roman Catholic Church.

Break means “to become publicly known; to become detached or disengaged and usu. as if by severing of bonds; to disassociate from a group.” **Break** also means to “take a different course; depart; or to make a sudden dash.” As a result of our steadfastness to publish the word of יהוה, we, the stone, are making the truth to be “publicly” known among the people. By exposing the false hierarchy of the Roman Empire, the people shall become detached from them, by suddenly disengaging and severing their bonds (or ties) with them.

Even today, they are disassociating themselves from the Christian Church and are taking a difference course of action. Some are even celebrating the Sabbath, the “seventh” day, in the comfort of their own home as commanded by יהוה, while others are departing and making a sudden dash from Christianity all together. They are searching for יהוה בן יהוה, the Spirit of Truth (John 16:13).

Now let us examine the word break from yet another perspective. **Break** (from the same source) is defined as, “to suffer completely or marked

loss of composure, resolution, morale, or command of a situation; to become severely affected by grief, disappointment or anguish.” **Resolution**, according to *The Random House College Dictionary*, Revised Edition, copyright 1988, on page 1123, means, “firmness of purpose.” On the authority of *Random House Webster’s Unabridged Dictionary*, copyright 1999, Computer Software, **morale** is described as a, “mental condition with respect to cheerfulness, confidence, etc., esp. in the face of opposition, hardship, etc.”

Because of our boldness to publish the truth, the Roman Catholic Church is suffering from a complete loss of composure. They no longer have a firm grip on their purpose. The entire Christian world is suffering a devastating loss in morale, as they no longer have a command of the situation that resulted from the pedophilic sex-abuse scandals. In the face of opposition, they no longer have the cheerfulness and confidence they once displayed to the public. The Roman Catholic Church has been severely affected by these scandals. In addition to their financial hardships, they are experiencing unbearable grief, many disappointments, and unrestrained anguish.

Further, the word **break** is defined as, “to die out, fail; bankrupt: or leave virtually without assets.” Referenced in *Webster’s Third New*

International Dictionary, copyright 1971, on page 281, **broken** (from the same source) also means, “reduced or shattered in worldly estate.” In *Webster’s Ninth New Collegiate Dictionary*, copyright 1989, on page 425, **estate** is defined as, “social status, esp. of a high order; political class; possessions, property; or a landed property usu. with a large house on it.”

The main purpose of the polished stone of יהוה בן יהוה is to bring an end to all the institutions of lies that have been established by the Roman Catholic Church and to help יהוה בן יהוה establish the theocratic government of יהוה on earth. The **truth** of יהוה shall cause the false teachings of the Roman Catholic Church to totally die out and completely fail in every way. The beginning of their downfall is already in effect, as hundreds of individuals and many groups have filed criminal charges against the Roman Catholic Church for the pedophilic practices of their Jesuit priests. These criminal cases are causing many parishes to file for bankruptcy, thus leaving them virtually without assets.

While Vatican City is the world’s smallest independent nation and headquarters of the Roman Catholic Church, it is yet the richest. They have possessions, properties, and land in every country on earth. But because their sins have reached unto heaven, and יהוה has remembered her iniquities (Revelation 18:5), all of their worldly possessions, properties, and land with

large houses on them shall be reduced and shattered--meaning shutdown and sold.

Many of the Roman Catholic Churches--the largest religious organization in the world--whose membership "exceeds" 1.7 billion people--have filed for **bankruptcy** behind these **sex-abuse scandals**. Never in the history of the Roman Catholic Church has it ever had to file for **bankruptcy**! Proof: In The National Post (in Canada) dated December 10, 2002, on page A13, it headlined: **Fallen Cardinal**. On page A15, it read: "Cardinal Law said this week the church is bankrupt. No truer words were ever said. This church is morally bankrupt." This is an admitted confirmation of the fulfillment of the destruction of this great image (the Pope and the Roman Catholic Church), thus fulfilling prophecy in these last days of their wicked ruler ship. Praise יהוה!

In accordance with *The Webster's Third New International Dictionary*, copyright 1971, on page 271, **break** is defined as, "to initiate (a campaign or course of action) often with fanfare and publicity; to discover the essentials of (a code or cipher system); and to solve (an encrypted message) without full knowledge of the keys."

יהוה בן יהוה gave us--His disciples--His "divine" Ten Step Study Method. Using this "divine" method, we have initiated a campaign to

discover the essentials of the code and cipher system that the Jesuit scholars used to hide the truth. Applying this Ten Step Study Method, we are able to solve the encrypted messages in the Bible--even without the full knowledge of “their” keys. We are pursuing this course of action with great fanfare and publicity.

Now let us continue on this course of defining **key** coming from the word break. According to *The Random House Dictionary Of The English Language*, copyright 1966, on page 784, **key** is defined as, “a pattern; something that secures or controls entrance to a place; spiritual authority; the authority of a Pope in ecclesiastical matters.”

By maintaining our course of filling the earth with the knowledge of יהוה, יהוה בן יהוה is using His spiritual authority to secure and gain control of the minds of the people. Thus, taking away the authority of the Pope in ecclesiastical matters. Through our diligent study, we have discovered the patterns that they--Jesuit scholars--used to hide representations of one thing, which carries hidden significance of something else. This pattern of writing is used in order to secure and control the masses of the people by keeping them blind to the truth. These writings are blocking and denying the people’s entrance or access to the tree of life,

which is causing them to seek knowledge in all the wrong places--the Christian Churches.

Now that we understand the method the stone--the disciples of יהוה בן יהוה--used to break the iron, the clay, the brass, the silver, and the gold, let us move on to the next word, which will tell us “how” these things were broken. Let us read Daniel, Chapter 2, verse 35: Read:

“Then was the iron, the brass, the silver, and the gold, broken to pieces, together...”

This scripture tells us that they were broken to pieces, together. Let us now define the phrase “to pieces.” According to *Webster’s Ninth New Collegiate Dictionary*, copyright 1989, on page 890, under the word piece, **to pieces** is defined as “without reserve or restraint.” On the authority of *The Random House College Dictionary*, Revised Edition, copyright 1988, on page 1380, **to** is, “(used for expressing a resulting state or condition).” In the same source, on page 1005, **piece** is described as “to assemble into a meaningful whole by combining available facts, information, details, etc.” The word **together** is equivalent to whole.

By combining available facts, valid information, specific details, irrefutable evidence, and undeniable proof of the true meaning of the iron, the brass, the silver, and the gold, the disciples of יהוה בן יהוה, using His “divine” Ten Step Study Method, have assembled into a meaningful whole

the physical, intellectual, and spiritual meaning of this prophecy--without reserve or restraint.

We shall continue decoding this **prophecy**. Let us return to Daniel, Chapter 2, verse 35, please. Read:

“... and became like the chaff of the summer threshing floors;...”

The first word we shall define in this phrase is *and*. Documented in the *Webster’s New World College Dictionary*, copyright 2000, on page 52, **and** means, “in addition.” Certified in *The Oxford Universal Dictionary*, copyright 1933, on page 64, **and** also means, “introducing a consequence, actual or predicted.” Authenticated in *The Reader Digest Great Encyclopedic Dictionary*, copyright 1968, on page 288, **consequence** is implied as, “that which naturally follows from a preceding action; a logical conclusion; outcome.”

The word *and* is denoting that in addition to assembling into a meaningful whole the physical, intellectual, and spiritual meaning of the iron, the clay, the brass, the silver, and the gold--without reserve or restraint--the logical conclusion or outcome of the preceding action was that they (the iron, the clay, the brass, the silver, and the gold) **became** “like” the chaff of the summer threshing floor.

The next word that we shall discern is became. On the authority of the *Webster's New Twenty Century Dictionary*, copyright 1962, on page 164, **became** is the past tense of **become**, and is confirmed as, “to be the fate of; to be the final subsequent condition of.” These facts describe the fate or the final subsequent condition of the iron, the clay, the brass, the silver, and the gold--which are euphemisms for the high-ranking officials and top executives in the Roman Catholic Church and their wicked actions.

Now let us continue on by looking at the word **fate** coming from the word become. In keeping with *The New Century Dictionary*, copyright 1944, on page 553, **fate** is described as, “a **prophetic** declaration, the agency by which events are inevitably predetermined; one's appointed lot or destiny; and doom to destruction.”

According to these indisputable facts, יהוה has inevitably predetermined the appointed lot or destiny of the Pope and the Roman Catholic Church through His “divine” **prophetic** declaration--the word of יהוה, as written in the Scriptures. By definition, they are doom to destruction. Praise יהוה! Let us read 2 Peter 2:1:

“But there were false prophets also among the people, even as there shall be false teachers among you, who privily shall bring in damnable heresies, even denying the Lord, יהוה, that bought them, and bring upon themselves swift destruction.”

The Pope and all of his “false” prophets shall bring upon themselves “*swift*” destruction, meaning their destruction shall be quick, speedy, and sudden. Even as there shall be false teachers among the Nation of יהוה, who secretly bring in among us damnable heresies, even denying יהוה בן יהוה who brought them the knowledge of יהוה. They, too, shall bring upon themselves “swift”--quick, speedy, and sudden--destruction.

Let us continue with the next part of Daniel, Chapter 2, verse 35, please. And it reads in part:

“... like the chaff of the summer threshing floors;...”

At this time, we shall examine the words *like, chaff, summer, threshing* and *floor.*” On the authority of *The Random House College Dictionary*, Revised Edition, copyright 1988, on page 776, **like** is defined as, “bearing resemblance.” Referenced in *The Random House Dictionary Of The English Language*, copyright 1966, on page 243, **chaff** denotes, “worthless matter.” Documented in *The Oxford Universal Dictionary*, copyright 1933, on page 2454, **worthless** means, “having no intrinsic value; unworthy of; contemptible and despicable.”

As we, the chosen of יהוה בן יהוה, remain faithful to our mission of filling the earth with the knowledge of יהוה, the ultimate fate or the final subsequent condition of the iron, the clay, the brass, the silver, and the gold--

which are euphemisms for the high-ranking officials and top executives in the Roman Catholic Church and their wicked actions--shall bear resemblance of being worthless, and having no intrinsic value. Many throughout the earth shall consider them unworthy of respect, so much so that they shall be looked upon as contemptible and despicable.

In addition, referenced in the *Dictionary of Biblical Imagery*, copyright 1998, on page 136, under the word **chaff**, it reads: "...chaff is something ephemeral, dead and worthless in contrast to something that is stable, flourishing, and alive. Metaphorically, chaff pictures something not worth keeping, to be burned up by fire." In *The Random House College Dictionary*, Revised Edition, copyright 1988, on page 443, **ephemeral** is defined as, "lasting a very short time."

As we, the stone--the pupils of יהוה--resume our mission of filling the earth with the knowledge of יהוה, the Roman Catholic Church shall become as dead and worthless in contrast to the Nation of יהוה, which shall be stable, flourishing, and alive. In other words, continual existence of the "false" doctrine of the Roman Catholic Church is but for a very short time.

Our next word is *summer (...like the chaff of the summer threshing floors; ...)* In conformity with the *Random House Dictionary Of The English Language*, copyright 1966, on page 1422, **summer** is characterized as, "the

period of the finest development.” On the authority of *The Oxford Dictionary and Thesaurus*, copyright 1996, on page 1530, **summer** is also defined as, “the height of achievement, powers, etc.”

Summer is describing the period during which the Roman Catholic Church have reached their finest stage of development; a time in which they have acquired the height of their achievement, and attained the highest powers in institutionalizing their immoral teachings and doctrines throughout the earth.

Now let us peruse the words *threshing floor*. According to the *Dictionary of Biblical Imagery*, copyright 1998, on page 867, under **threshing floor**, it states: “The worthless chaff represented anything useless or of no account, or anything that would pass away without trace.”

This information tells us that as the word of יהרהר continues to go forth out of our mouths, the Roman Catholic Church shall be looked upon as useless, or of no account. The Pope as well as his wicked Roman Empire shall soon pass away without a trace.

Let us delve even further into *threshing floor*. According to *The American Heritage Dictionary*, copyright 1980, on page 1340, **thresh** the root of the word **threshing** is defined as “of thrash.” On page 1339, **thrash** denotes, “punish; to defeat utterly, or vanquish.” Corroborated in the

Webster's Two New Riverside Universal Dictionary, copyright 1984, on page 488, **floor** represents, "the lower part of a room."

Because of the wickedness and exaggerated virtues in the Roman Catholic Church, יהוה is punishing them for their immoral actions. By spreading the word of truth through out the land, He is causing their institutions of lies to be utterly defeated, and their unchallenged power to vanquish, which means to be overpowered and subdued.

Referenced in the *Random House Dictionary Of The English Language*, copyright 1966, on pages 510 and 511, **floor** also means, "to puzzle completely; to reduce to stunned silence; to flabbergast." With permission of *Webster's New Universal Unabridged Dictionary*, copyright 1933, on page 694, **flabbergast** means, "to daze or make speechless." Validated in *The Oxford Universal Dictionary*, copyright 1933, on page 1629, **puzzle** means, "to cause (any one) to be at loss of what to do or where to turn; to confuse, bewilder the mind, brain, and understanding."

As a result of the angels of יהוה בן יהוה boldly broadcasting the truth of יהוה to the world, the high-ranking officials and top executives in the Roman Catholic Church shall resemble that of people who are lost of what to do or where to turn; they shall be confused and their minds, brains, and understanding bewildered. They shall resemble a people who have been

reduced to stunned silence. And, subsequently, they shall walk around in a dazed state, and made speechless.

Now let us continue to examine the phrase, *threshing floor*. In accordance with *Webster's Third New International Dictionary*, copyright 1971, on page 2383, **threshing floor** is defined as “floor space for treading out grain.” On page 2434, **tread** is “to step firmly with pressure on (as a person) in an effort to crush, beat down, injure, or destroy.” **Floor** is described as, “the bottom of any less hollow place.”

As we continue to promote the truth of יהוה among all nations of the earth, יהוה shall cause the downfall of the Roman Empire to resemble that of the bottom of any less hollow place. Their lies shall be crushed to pieces; their exaggerated unrealistic virtues and abilities shall be firmly beaten down; their credibility shall be irreparably injured; and the reputation of their high-ranking officials and top executives shall be destroyed forever. For they shall all be cast into the bottomless pit. Let us read Revelation, Chapter 20, verse 3 in part:

“And cast him into the bottomless pit, and shut him up, and set a seal upon him, that he should deceive the nations no more,”

Yes, they shall be cast into the bottomless pit, that they shall deceive the nations of the earth no more.

We shall now look at the final conclusion of what comes before the colon in Daniel, Chapter 2, verse 35, and it reads in part.

“. . . and the wind carried them away, that no place was found for them:...”

Out of this phrase the two **key** elements are the words wind and carried. First, we shall define the word wind.

According to the *Random House Webster’s Unabridged Dictionary*, copyright 1999, Computer Software, the word **wind** is characterized as, “the power of breathing freely, as during continued exertion; any influential force.” **Force** means, “power to influence, affect, or control; efficacious power.” Documented in the *Webster’s Ninth New Collegiate Dictionary*, copyright 1989, on page 210, **carry** is defined as, “to influence by mental emotional appeal; sway.” On page 1191, **sway** is depicted as a “sovereign power.” And in the *Random House Webster’s Unabridged Dictionary*, another definition of **sway** is “to cause (the mind, emotions, etc., or a person) to incline or turn in a specified way; to cause to swerve, as from a purpose or a course of action.”

Because of the continued exertion of the stone--the righteous servants of יהוה בן יהוה, יהוה shall exert His “sovereign” power to cause the minds and emotions of the people of the earth to incline or turn in a specified way: and that is, to the **way** of the **truth** and the **life** (John 14:6), who is בן יהוה

יהוה Himself: For He shall breathe freely the breath of life into the minds of the people. Let us read Ezekiel, Chapter 37, verse 6:

“And ‘I’ will lay sinews upon you, and will bring up flesh upon you, and cover you with skin, and put breath in you, and ye shall live; and ye shall know that I am the LORD, יהוה.”

For יהוה shall breathe the breath of life in them and they shall live and come to know that יהוה is God.

Furthermore, exercising His influential power to affect or control the thoughts of the people of the earth and using His strong efficacious power, He--יהוה shall cause the people to be influenced by the mental and emotional appeal of the disciples of יהוה בן יהוה to come to the Spirit of Truth: For He shall cause them to swerve from following after the heathen and to turn away from serving false gods. Most importantly, He shall cause them to suddenly deviate from their false purpose and wicked course of action.

And now, finally, the last part of Daniel 2:35, which reads in part:

“...that no place was found for them:...”

Absolutely no place was found for the Pope nor his wicked Roman Empire.

Let us understand the magnitude this. In *Bartlett's Roget's Thesaurus*, copyright 1996, on page 1146, a synonym for **no place** (reference #576.19, page 532) is away, which is synonymous to nowhere. In accordance with

Webster's New World Dictionary, Third College Edition, copyright 1994, on page 929, **nowhere** is defined as, "a place that is nonexistent." *The Random House College Dictionary*, Revised Edition, copyright 1988, on page 522, defines **found** as, "to set up or establish on a firm basis or for enduring existence."

As the truth of יהוה permeates the hearts of the people, the Roman Catholic Church shall become a place that is nonexistent. The Jesuits shall no longer be able to go to and fro and up and down in the earth setting up or establishing their institution of lies on a firm basis for enduring existence (Job 2:2).

יהוה בן יהוה is the Supreme Master of cryptology and He has raised up His servants, you and me, as cryptologists, that we might exercise cryptanalysis in our interpretation of the hidden mysteries in the Scriptures.

We Thank יהוה for the message He has given us today.

Selah!
