

The Seven Seals of the Apocalypse

Shalom Aleichem, which bids peace unto all who have come here to our Twenty-second Annual Feast of Weeks, where we are assembled to Worship יהוה בן יהוה In the Beauty of Holiness. To worship יהוה בן יהוה is the most blessed thing that any person on this planet can do. Worshipping יהוה בן יהוה gives you the sustaining power to push on in the heat of this battle, because you know, יהוה בן יהוה will bring you through. He is our provider; He is the love of our lives, our heart and soul. It is because of His mercy, kindness and beauty that He loved us in spite of our hardheadedness. Love does conquer all, which is why יהוה בן יהוה is the Supreme Conqueror; He is Love. Praise יהוה!

Because of His love and strength as the Conqueror, He has given us the key to show ourselves approved unto Him through study, which will be presented today. Praise יהוה.

In Daniel Chapter 12, verse 4, a commandment was issued by יהוה that the book, which foretold of the time of the end, be sealed.

Dan 12:4 -- But thou, O Daniel, shut up the words, and seal the book, even to the time of the end: many shall run to and fro, and knowledge shall be increased.

This commandment was carried out to its fullest extent unto the time of the end, which needless to say is now. Up until now we have been dead to and unenlightened concerning these seals and our standpoint in relation to them. Daniel, Chapter 12, verse 4, prophesied that at the time of the end the people of the earth would be in a state of derangement, running to and fro

throughout the earth. This is being fulfilled due to the world occurrences, for the masses are in a state of mental turmoil because of that which they don't understand.

Things have happened in the world that have caused those who once stood up for religion and politics as their prestige to now cast judgments of rebuttal upon both their religion and their politics. The hearts of the people being changed signifies the time of the end, whereas the world is searching for an answer to their distress. Some physically retaliate with violence while others raid any store that carries anything to do with prophecy. Yet, there are some that still gaze into the heavens pondering whether or not it's a bird or a plane, to catch a glimpse of their god, riding on the clouds of heaven. Well, to those persons who stare into heaven you are those clouds or that multitude upon which the seals of this book shall be opened and in whose distress shall the Messiah, the Son of Man, **יְהוָה בֶּן יְהוָה**, come. In fact, He has come, for except by Him no man could even begin to understand the meaning behind the sealed book.

Today, all who are present are commissioned to take part in the first series of "The Seven Seals of the Apocalypse." The heart of this subject will chiefly be focused in the book of Revelation, Chapter 6, with beginning corroboration from Chapter 5. To establish the reason as to why this subject was chosen, The Ryrie Study Bible Expanded Edition, KJV, copyright 1994, page 1927 gives footnotes in reference to Revelation 5:14 and Revelation 6:1 which say quote: [Revelation 5:14] -- "The heavenly scene of chaps. 4 and 5 give heaven's perspective on the need for the awful judgments to follow, for Christ's **יְהוָה בֶּן יְהוָה** right to reign must be realized and sin

must be punished. [Revelation 6:1] -- Here begins the first of three series of judgments in the book (seals, chap. 6; trumpets, chaps. 8-9; bowls, or “vials,” chap. 16).” End quote. The right of **יהוה בן יהוה** to reign has been realized, therefore in an attempt to hinder this process, **יהוה בן יהוה** has been placed under restrictions that are to thwart His objective of rulership. In light of this, let us initiate action with the first of the three series of judgments, which begins with the quest to find one who is worthy to open the book, in Revelation, Chapter 5, verses 1 – 5.

Revelation 5:1-5 -- And I saw in the right hand of him that sat on the throne a book written within and on the backside, sealed with seven seals.

And I saw a strong angel proclaiming with a loud voice, Who is worthy to open the book, and to loose the seals thereof?

And no man in heaven, nor in earth, neither under the earth, was able to open the book, neither to look thereon.

And I wept much, because no man was found worthy to open and to read the book, neither to look thereon.

And one of the elders saith unto me, Weep not: behold, the Lion of the tribe of Juda, the Root of David, hath prevailed to open the book, and to loose the seven seals thereof.

It is mystifying as to why no one was found worthy to open the book. Could you imagine the folks all gathered around the throne playing “hot-potato” with the book? Everybody is throwing it to the next person hollering, “You open it.” “Man, I ain’t touchin’ that thing. Ask her.” “Ask me for what? Don’t ask me nothing.” Maybe it is something about a book that isn’t open to public view that sparks curiosity, nevertheless only the one whose command it was that the book be sealed in Daniel 12:4 is licensed to open it back up.

Before getting into the seven seals in Revelation, Chapter 6, we will first find out the meaning behind Revelation 5:2 specifically the words, **worthy, open, book, loose and seal**, firstly seal. So what is a seal? I know that we are familiar with the seals on Tylenol or Motrin, which tells you, if the seal is broken do not use. Then you have your seals on jelly that says that the top will pop when the seal is broken. But when it comes to the seal on the book in Revelation Chapter 5, we are unenlightened of its meaning. *The New Strong's Exhaustive Concordance of the Bible*, Greek Dictionary, Reference number 4973 seal in Greek is *sphragis* which comes from the base of 5420 *phrasso* which figuratively means to silence. From the days of Daniel, there has been a decree of silence concerning the contents of this book, but why? Silence is “a withholding of knowledge or omission of mention” referenced in *The Merriam Webster's Collegiate Dictionary*, copyright 1999, page 1334. So this tells me, that יהיה commanded that the knowledge concerning this book be sealed, that knowledge concerning this book be omitted from being mentioned until He was ready to lift this veil. Looking at the close guard and keeping that this book was under and the extent of precaution that was taken to keep the contents from being exposed, this book must definitely contain unmatched power, otherwise there wouldn't be a reason to be concerned of its silence. When I thought about silencing someone, what initially came to mind was when a large firm gets into a sticky situation and a worker whom they have messed over, threatens to rat them out to the IRS. So then, they pay him off to keep his mouth shut. As you know, Revelation Chapter 5 is not speaking about that kind of sticky business, so my question is, “what is it talking about?”

From the common understanding of the scripture, we see that a book was sealed and all of this protection and security was placed upon this one book. Book is defined in *The Merriam Webster's Collegiate Dictionary*, copyright 1999, page 131 as “a position from which one must answer for certain acts.” According to this definition, this knowledge concerning a position where somebody has to answer for his acts has been withheld and has gone unmentioned for an interminable amount of time. To answer is to “pay for, suffer for, make amends for, and make reparation for” [*The Synonym Finder, by J. I. Rodale, copyright 1978, page 73*]. In view of the facts thus far, we can see that the cries made in heaven and earth to open the book was a cry for someone to break the silence or to expose or mention the one who must answer for, pay for, and suffer for certain acts. This book contains the judgment upon one that a record, diary, and journal have been kept of their actions so that at the appropriate time the proper punishment can be rendered.

While we have discovered one of the many meanings behind the book and the seals thereof there are yet still two action words to be understood, which are open and loose. The first of these two actions, **open**, will be the first defined in sequence since the scripture says, “**open** the book and to **loose** the seals thereof.” Open, is defined as, “to bring into view or come in sight of by changing position.” Open is to also, “begin a course of activity and to begin a series of performances” [*The Merriam Webster's Collegiate Dictionary, copyright 1999, page 814*]. Do you see what I see? Do you hear what I hear? This series of performances is the series of judgments set off by the book, which is being brought into view and sight by a change of position. *The Synonym Finder, by J. I. Rodale, copyright 1978, page 914*,

describes position as “attitude, way of looking at things, outlook, opinion.” This is telling me that the only way that the series of judgments can be brought into full swing is through people changing their attitudes toward the one to whom this judgment is being yielded. Opening the book is the start of judgment. Have you ever heard the phrase “Don’t start nothing, won’t be nothing.” If you have, then you can relate that to **יהוה בן יהוה** if He hadn’t started something by opening this book, there wouldn’t be any judgment upon Satan. The devil has a record a mile long that **יהוה** has let pile up not because He is lenient on evildoers but so that He can throw the book at Satan, the book of judgment, to pour out His cup of wrath and indignation. This thought brings us to the second action concerning this book and its seals, which is **loose**. Loose means to “set at liberty, emancipate, release and free” [*The Synonym Finder, by J. I. Rodale, copyright 1978, page 680*]. Further clarifying that for thousands of years, judgment has been smoldering, waiting until now to be unleashed upon the most vile and sinister beast of all times, Lucifer, the son of the morning.

Now, that we have established these basic principles which will be needed to take us to the point of no return in the opening of the book, let us see what is unleashed in Revelation, Chapter 6, verses 1 – 2.

Rev 6:1-2 -- And I saw when the Lamb opened one of the seals, and I heard, as it were the noise of thunder, one of the four beasts saying, Come and see. And I saw, and behold a white horse: and he that sat on him had a bow; and a crown was given unto him: and he went forth conquering, and to conquer.

This is a massive load of information full of symbolisms and allegorical text. So let’s pull up our sleeves and start digging at symbol

number 1: a white horse. In *The Merriam Webster's Collegiate Dictionary*, copyright 1999, page 560, horse is "calvary." Calvary is further defined as what you and I know it as being, the representation of the crucifixion of the Messiah, however it is also defined as "an experience of usually intense mental suffering" [*The Merriam Webster's Collegiate Dictionary*, copyright 1999, page 163]. Though the following was previously proven, without a doubt, that יהוה בן יהוה is the only one who is worthy to open the book, you can further see, that one of these reasons is because opening the book, releases the crucifixion of the Messiah. Even more, this proves that the crucifixion could not have taken place 2000 years ago, for it could not occur until the first seal had been loosed. So all of the mementos that are claimed to be for JC in the Middle East are phony. And, all of the Reverends, Brothers, Pastors, Deacons, Doctors, Evangelists, Ministers and Bishops who are collecting money from Yahweh Ben Yahweh's congregations by summoning them to come down to the altar of the Lord and partake of the blood and body of Christ on communion and eat crackers and drink grape juice are liars. Do you think those people really believe that is the blood and the body of Christ, if that were the case, there isn't any need for anybody to go to communion, if it's crackers and grape juice, most of us have the blood and the body of Christ in our own kitchens.

Calvary is the judicial murder of יהוה בן יהוה in the United States court system. Calvary is His intense mental suffering that He had to endure because He is the only one who could open that book to stamp the approval of judgment upon the wicked. You see, in order to open the book, you would have had to have been able to endure the mental suffering of coming to a people that you know are going to reject you, in the midst

of a country that you know would reject you, and those same people who you have come to save will be the same deceitful devils that are going to play the role of triggering your judicial murder. Do you not think that having foreknowledge of this kind of activity would cause you intense mental suffering? Do you think you could bear it? However, יהוה בן יהוה could, and this is one of the symbolisms of this horse in relation to the time of the release of the seals, at the crucifixion of the Messiah, יהוה בן יהוה.

Notice in the scripture of Revelation 6:2, this horse was specifically identified as being a “white” horse. In accordance with the *Bartlett’s Roget’s Thesaurus*, copyright 1996, under reference number 8.16, a keyword for “white horse” is “**wave.**” Under “wave,” one synonym given is “**swell,**” which is defined in the *Webster’s New World College Dictionary, Fourth Edition*, copyright 2000, page 1447, as “a person of social prominence.” In view of Revelation 6:2, where it is said “and I saw, and behold a white horse” we can assert that this is telling us that, at the time of the opening of the book -- the record which holds the series of judgment upon the wicked -- “a person of social prominence” – a white horse – was released.

What or who is a person of social prominence? Firstly, we will define the word “**person.**” In the *Webster’s New World College Dictionary, Fourth Edition*, copyright 2000, page 1074, person is defined as, “any individual or incorporated group....” This definition serves as clarity that this “white horse” is not the “ride” of some knight in shining armor, but that this person is an incorporated group with a purpose and

tactic specifically in mind for their unification. *The Synonym Finder*, by J. I. Rodale, copyright 1978, page 556 defines incorporate as, “federate.” “**Federate**” is defined as “united in an alliance or federation” with federation meaning “a federal government” [*The Merriam Webster’s Collegiate Dictionary*, copyright 1999, page 426]. So, once again, with respect to Revelation 6:2, that which was beheld was a white horse, a person of social prominence better yet, a federal government of social prominence. Let us get some background information on a federal government. On the authority of the *Microsoft Encarta 96 Encyclopedia* of the computer, copyright 1993-1995 - **Federal Government**, or federalism, form of government whereby political power is divided between a central or national authority and smaller, locally autonomous units such as provinces or states, generally under the terms of a constitution. What does this scenario remind you of? Are you familiar with a political power that is divided by a national authority with smaller units that is, states which are under the terms of a constitution? Now, I know that many of us “zonked out” in civil studies and many of us just got a plain “F” in history.

So, in case this was a class where you were asleep, let us narrow the choices of what this white horse, the person of social prominence, this incorporated group, this federal government is, which is under the terms of a constitution. Taken once again from the same reference source, it says under **Federal Government** – “After some experience as a confederation, the U.S. adopted the federal form of government in 1789, and the U.S. Constitution has been a model followed by many countries,

especially in Latin America.” If that isn’t enough solidification, under **Constitution** it states – “The supreme law of the land is the Constitution of the United States.” Thus far, we can determine from our research that, the *white horse* is the *United States* ruled by the Constitution, the *Federal Government*, an *incorporated group of social prominence*. I don’t think we knew this before. And even if we weren’t asleep, we still would not have learned this in civil studies or **his-story**, because **he** wouldn’t have told the story right.

Now, that it has been established this *white horse* represents the Government of the United States of America, we can re-read Revelation 6:2 replacing “white horse” with the Government of the United States of America.

“And I saw, and behold [The United States of America]: and he that sat on him had a bow; and a crown was given unto him: and he went forth conquering and to conquer.

Here you see that the *white horse*, The United States of America had a rider, a “he that sat on him.” Sat is the past participle of the word sit, which is defined in the *Cassell Concise Dictionary*, Revised Edition, copyright 1998, page 1378 as, “to hold or occupy a seat...” as well as, “to attend the ministrations of (a member of the clergy).” Now, what is a seat? A seat is defined in *The Synonym Finder*, by J. I. Rodale, copyright 1978, page 1082 as “**chair.**” In the *Bartlett’s Roget’s Thesaurus*, copyright 1996, reference number 126.7 under the keyword “manager,” “chair” is defined as **president**. From this we have undoubtedly shown that, he that sat upon the

white horse, The United States of America, is its president, however there is yet still a blank drawn as to what he does. Though it states in the Constitution that “Before he [the president] enter on the Execution of his Office, he shall take the following Oath or Affirmation: -- “I do solemnly swear (or affirm) that I will faithfully execute the Office of President of the United States, and will to the best of my Ability, preserve, protect and defend the Constitution of the United States.” But, what remains is how does one do those things in the Office of President, the **chair** or the **seat**? If you recall, sit meant to “hold or occupy a seat” as well as “to attend the ministrations of (a member of the clergy).” The latter definition tells us how the Office of President of the United States is executed, that the office holder’s duty is to *attend the ministration of a member of the clergy*. To attend renders the responsibility “to remain ready to serve.” So the president of the United States, *he that sat on the white horse* has a duty to remain ready to serve the ministration of a member of the clergy. Formerly, I’m sure many of us thought that the president’s duty was somewhat like that of the police, “to protect and serve” the American People, yet the facts show that his duty is to protect the U. S. by serving this member of the clergy. Therefore, at the inauguration of the presidents when they state that they “will faithfully execute the Office of President of the United States,” what they are saying is that they will execute their seat – seat being synonymous with office – and in their seat they will serve this member of the clergy.

Now, after much mention of this member of the clergy, it is time to reveal who this is. If we had some church-going folks up in here, they’d probably be holding their hearts, about ready to faint, wondering if it’s going to be their pastor -- thankfully, we don’t have to worry about that.

On the authority of the *Bartlett's Roget's Thesaurus*, copyright 1996, Reference number 84.5 “**member of the clergy**” is defined as vicar. Do we know of a specific vicar that would wield the kind of power to have the president of the United States of America, subservient to him? In the case we don't, let us get some information on this person, as referenced in the *Microsoft Encarta 96 Encyclopedia* of the computer, copyright 1993-1995 under “pope.”

Reader:

Pope - Besides the designation pope, the head of the Roman Catholic church also holds these titles: vicar of Christ; successor of Saint Peter; supreme pontiff of the universal church; patriarch of the West; primate of Italy; archbishop and metropolitan of the Roman province; sovereign of the State of Vatican City; and servant of the servants of God.

Who is referenced as the Vicar of Christ? The pope! This is showing that the president of the United States of America, *he who sits on the white horse*, has the duty upon election, to serve and attend to the ministration of the pope, the head of the Roman Catholic Church. This means that the entire government of America, all of their rules and delegations are in direct accord with the ministration of the pope. Ministration is defined in the *Webster's New World College Dictionary, Fourth Edition*, copyright 2000, page 918 as, “**administration**”, which on page 18, is “the officials in the executive branch of a government and their policies and principles.” This is showing that the United States government is run on the policies and principles of that of the Roman Catholic Church. If this is yet not enough to

prove that the USA is not a country run on its own factions, here is a statement made in their Declaration of Independence.

Reader:

“We, therefore, the Representatives of the United States of America, in General Congress, Assembled, appealing to the Supreme Judge of the World ... - Paused

Who was the appeal made to? The Supreme Judge of the World, keep that in mind.

Continued

...for the Rectitude of our Intentions, do in the Name, and by Authority of the Good People of Colonies, solemnly Publish and Declare, That these United Colonies are, and of Right ought to be, Free Independent States...”

In this declaration, an appeal was made to “The Supreme Judge of the World.” Now, we know that in 1776, they weren’t making an appeal to the true Supreme Judge of the World, יהוה בן יהוה. I don’t think they were appealing to my Father. Were they appealing to yours? So who is this speaking of? Judge is referred to in the *Bartlett’s* Ref. No. 52.7 as “head.” Do you see the direction? This has converted from being “The Supreme Judge of the World” to being “The Supreme Head of the World.” What world? World, in *The Synonym Finder*, page 1351 is universe. Universal, the adjectival form of universe, in the same reference source, on page 1289,

is catholic. Therefore, we can deduce that when the United States appealed for their freedom, they appealed to the Supreme Head of the Catholics or the Roman Catholic Church: The pope. As you can see from all of this, *the white horse*, The United States of America, is under the direct rule and jurisdiction of Rome, the office of the pope, through the duty of their president and their “so-called” *independence* established in 1776. Now, let us read Revelation 6:2, with our new understanding of who it is that sits upon this *white horse*.

“And I saw, and behold [The United States of America]: and he, the president, who serves the administration of the Supreme Head of the Roman Catholic Church, had a bow; and a crown was given unto him: and he went forth conquering and to conquer.

Next, in the scripture, you see that he who sat upon this white horse had a bow. What purpose does this instrument serve? Noted, in the *Oxford Study Dictionary*, copyright 1991, page 78, bow is defined as, “a piece of wood curved by a tight string joining its ends, used as a weapon for shooting arrows.” *The Cassell Concise Dictionary*, page 1658 defines weapon as, “an instrument of attack.” In applying this definition to bow, we have it as being an instrument of attack for shooting arrows. The kind of attack is qualified by “for shooting arrows.” I know we all had an idea of what it is to shoot an arrow, but just like all what we have discovered previously, from the *white horse* to the man that *sat* on him, we have been shown that the figments of our imagination are much more a reality, that we live in everyday. With this in mind, let’s find out what it is to shoot. Shoot is referenced in aforementioned *Oxford* as “to try to impress or convince someone by boastful talk.” So far, we have a person, more specifically, the president of

the United States of America who being under the authority of the Pope, as a part of his duty, has a bow, which is for the purpose of shooting, that is, trying to impress or convince someone by boastful talk.” What or who is he trying to shoot, that is, impress and convince? The arrow. This can make a person wonder, how can they convince an arrow? To prove how, in the *Bartlett’s* Reference number 183.7 arrow has the keyword of **indicator**. Indicate, the root of indicator, is defined as “to call for.” Call in the *Bartlett’s*, Reference number 76.18, under the keywords “**war measures**” defines call as, “recruitment, the draft, national service, enlisting, and checkout this one, doing one’s duty for God and country.” That last one is sickening, because it truly shows the power of persuasion put before unsuspecting people, to do their duty to God and their country, for a war that they didn’t even see coming. Is not this the type of manipulation taking place today? And who is doing it? The president of the United States of America, George W. Bush, Dubya or whatever name he goes by in the underworld. He is doing public performances in an attempt to convince, or shoot, his arrows, those recruits to be, who are going out there to serve their God and country. He, the president, while under the direction of the pope, is removing the rationalization from the minds of the American people and are training them like attack dogs, where at the word “terrorist” from his mouth they viciously attack whomever they are told to. This is all by design. It has been the Panther Movement, the Nation of Islam, the Muslims in the Middle East, so that at the last they can say it’s the Yahwehs. Yes, they have tried it before, however you and I are witnesses, and especially those who have come to **יהוה בן יהוה** after the media blitz. That goes to show that those whom Almighty **יהוה** has in His hand no man can pluck him out. John, Chapter 10, verses 25-29

John 10:25-29 - בן יהוה בן יהוה answered them, I told you, and ye believed not: the works that I do in my Father's name, they bear witness of me. But ye believe not, because ye are not of my sheep, as I said unto you. My sheep hear my voice, and I know them, and they follow me: And I give unto them eternal life; and they shall never perish, neither shall any man pluck them out of my hand. My Father, which gave them me, is greater than all; and no man is able to pluck them out of my Father's hand.

Though all of this is taking place right now, with America's war on terrorism, from all of what we have researched thus far, who runs and has always run America since they petitioned him for their "independence": the pope, the Roman Catholic Church. So is this actually America's war on terrorism? No, this is a façade erected by the Roman Catholic Church to keep the masses attention directed away from their intents to initiate the One World Order. This institution is vast and it has so many irons in so many fires until the people don't even know anything is burning. Their hand is in virtually everything you come in contact with; and if you come in contact with America, we have proven today that the hand of the Roman Catholic Church is there too. They think that these things are unseen actions, but Isaiah, Chapter 29, verses 15-18, tells me differently.

Isaiah 29:15-18 – Woe unto them that seek deep to hide their counsel from the LORD, יהיה and their works are in the dark, and they say, Who seeth ~~us?~~ ~~and~~ ~~knoweth~~ ~~our~~ ~~things~~ upside down shall be esteemed as the potter's clay: for shall the work say of him that made it, He made me not? or shall the thing framed say of him that framed it, He had no understanding? Is it not yet a very little while, and Lebanon shall be turned into a fruitful field, and the fruitful field shall be esteemed as a forest? And in that day shall the deaf hear the words of the book, and the eyes of the blind shall see out of obscurity, and out of darkness.

Of course, all of their underhanded actions are revealed unto יהוה, because when you look at all of what we have discovered up to this point, you see that it came from the first seal in Revelation 6:2, which בן יהוה, released upon the wicked. יהוה uses various ways to render judgment. As יהוה used 400 years of slavery, at the hand of the most reprobate mind, to punish Israel for their disobedience to His laws, the same God, יהוה is using the Roman Catholic Church, by way of America, in rendering His judgment. And as the oppressors of Israel will be punished for their actions so will this *white horse*, and those with him, released in one seal of the book.

With our newfound information, let us update the rendering of Revelation 6:2.

“And I saw, and behold The United States of America: and he, the president, who serves the administration of the Supreme Head of the Roman Catholic Church, was convincing the American people of war measures, with boastful talk, gaining recruits; and a crown was given unto him: and he went forth conquering and to conquer.”

Since, we have uncovered even further what is behind the first seal, we are at the point now where *a crown was given* to this horsemen, the president of the United States, along with his seat and, the one he is subservient to who is the pope, the head of the Roman Catholic Church. So what does the president being given a crown symbolize?

Notice that this next measure, “and a crown was given unto him,” is set apart from all that has been acted out previously, by the word **and**. This is a different action, that requires a different performance by the President. In the *Webster’s New World College Dictionary, Fourth Edition*, copyright

2000, page 348, crown is defined as, “to make (a person) a monarch; enthrone. Enthroned, taken from *Webster’s New World College Dictionary, Fourth Edition, copyright 2000*, page 474, means “make king or bishop.” Bishop is defined in *The Merriam Webster’s Collegiate Dictionary*, copyright 1999, on page 117 in the etymology as from Greek *episkopos*, literally, overseer, from *epi* + *skeptesthai* to look – more at Spy. So far, is this telling us that the president has been given power by the Pope to be a spy? Yes it is, the present president of the United States of America has been commissioned by the Pope to spy on someone. Now the question that remains is who, spy on whom, in your own country? Well, according to *The Cassell Concise Dictionary*, a **spy** is “a person employed by a government or business to obtain information about, and report on, the movements and operations of an enemy....” When one is commissioned to spy, it is usually not to the spy’s benefit or concern that they spy, as you can see, the spy has to report to the government that employed him. Therefore, president George W. Bush, the spy, has been commissioned by the pope to obtain and report on the movements and operations of his enemy, which is also the enemy of the Roman Catholic Church.

Who could possibly be an enemy to the pope and Roman Catholic Church? Well, the Roman Catholic Church is “the Christian church...” [*Webster’s New World College Dictionary, Fourth Edition, copyright 2000*, page 1244] with **Christian** meaning “of Jesus Christ....” Do you know of a person who has taught that there was and is no Jesus Christ? Now, if JC is the foundation of the *Christian or Roman Catholic Church*, then this person, whose teachings proves that there was and is no JC and that He is the Messiah, prophesied to come in the Old Testament, would be an enemy to

the Roman Catholic Church. Here reveals whom President, George W. Bush, is spying on: **יהוה בן יהוה**, the founder of the Nation of **יהוה**, the Supreme Grand Master of the Celestial Lodge, Architect of the Universe, our Messiah and Resurrector, because He has come as the Deliverer, to remove the veil from over our eyes as to the deception we have been victims of.

After having brought this revelation forward, let us once again read Revelation 6:2, with a new understanding.

*“And I saw, and behold, The United States of America: and he, the president, who serves the administration of the Supreme Head of the Roman Catholic Church, convincing the American people of war measures, with boastful talk gaining recruits; and the pope made the president his spy, to report on the movements of **יהוה בן יהוה**: and he went forth conquering and to conquer.*

This leaves us to see what is meant by, “he went forth conquering and to conquer.” The “he” that is being spoken of, is the antecedent of the spy of the Pope, the President of the United States, meaning it refers to the President of the United States. Being that he is referred to, the actions that follow are his actions, and his first action was when he, the President *went forth*. In *The Merriam Webster’s Collegiate Dictionary*, copyright 1999, page 1343 went is etymologically traced back to the Middle English, *w-e-n-d*. Wend on the same page in its etymology is, from Old English *w-i-n-d-e-n*, more at *wind*. Wind, on page 1355, means “to introduce sinuously or stealthily.” This is revealing that, as an addition to President, George W. Bush, being elected the spy to spy on **יהוה בן יהוה**, for the Pope, he also was introduced sinuously or with stealth. What does this mean? Once you see what this means, you will have no doubt that America is a set-up operating

solely on the fulfillment of prophecy. I don't see how you could miss it after you see what "introduce with stealth" means. Introduce is defined in *The Synonym Finder*, page 596, definition 3, as inaugurate. This action tells us that, President George W. Bush, *went forth*, or rather was *introduced* or *inaugurated*, by stealth.

We all may remember that during the officiating of Bush's win of office, there was major commotion mainly in Florida, about the integrity of his win. Many questions were raised about the voting ballots' design and the people were in "riot" mood. They were under the impression that their vote counted and most people, especially Black people, were looking forward to another "Clinton type" administration with Al Gore not a Texas rancher who looked like he had jumped out of "Rawhide." However, regardless of how many votes Gore had or the boots Bush wore, Bush was inaugurated by **stealth**. Stealth is defined as "something stolen" [*Merriam Webster's*, page 1150]. Steal, on the same page, is "a fraudulent...political deal." The root of "fraudulent" is fraud, which is "one that is not what it seems or is represented to be." There you have it, George W. Bush is not the President of the United States, but rather, he is the Spy of the Pope, sent here to keep tabs of the movement of **יהוה בן יהוה**. In an attempt to strictly monitor His physical movement, they put Him under those horrid onerous restrictions. What, they don't understand? **יהוה בן יהוה** is Divine Mind, that name is God, Son of God. God is Divine Mind, you cannot monitor Divine Mind, and you can't even begin to comprehend Divine Mind in order to monitor it. **יהוה בן יהוה** is beyond your understanding. Have ye not heard, that we are gods, being raised in the

Light of the Mind of יהוה בן יהוה, and the more we grow the less power you possess, we are the movement of יהוה בן יהוה and we are still moving so you haven't inhibited anything, it's a waste of your time to do so. Yet, prophecy must be fulfilled and this white horse being released from the book is absolute proof that it is happening.

We have established the point of how the president *went*, but that was not the only quality of his move, he *went forth*. Forth is defined as, "onward in time..." referenced in *The Merriam Webster's*, page 459. Time means "hour" in *The Synonym Finder*, page 1236, which is synonymous with "Canonical hour" [in the Merriam Webster's page 561]. Canonical is "of or belonging to a cathedral chapter" [*The American Heritage College Dictionary*, copyright 2000, page 206]. Cathedral, on page 221, tells you to see "Cathedra" which means "a bishop's office or see." The "see" is the "papacy, See of Rome, the Vatican, etc." [Ref.: J. I. Rodale, *The Synonym Finder*, page 1086]. So when the president goes forth what he does under his stolen office is that which the papacy tells him to, which further proves his employment by the Pope. So now in recap, of this scripture, Revelation 6:2 let us add on our new understanding.

"And I saw, and behold, The United States of America: and he, the president, who serves the administration of the Supreme Head of the Roman Catholic Church, was convincing the American people of war measures, with boastful talk to gain recruits; and the pope made the president his spy, to report on the movements of יהוה בן יהוה: and he, the present president of the United States, was inaugurated by fraud, under the pretense of presidency while, carrying out an employed duty of espionage We have made to conquer"

According to the Cassell Concise Dictionary, page 305, conquer is defined

as, to gain dominion, sovereignty, or mastery over. To vanquish, to overcome. This is the motive of this beast, speaking of the Roman Catholic Church. This devil is trying to gain dominion over **יהוה בן יהוה**, because he knows that he was only given a specified amount of time to rule and because **יהוה בן יהוה** has come to cut that time short, they are trying their best to stretch out their deception of Christianity, and are on the market of taking down, or *conquering* anyone who is in opposition to their plan of action. This has started with the other denominations of religion, but because **יהוה בן יהוה** brings the ultimate truth, which supercedes all other orders and philosophies, then He is their biggest nightmare. He is their biggest nightmare because of the seeds that He has planted in our minds, and as we grow, we pollinate other areas and more people grow in the knowledge of **יהוה** until the law of **יהוה**, our foundation, and the knowledge of His Son, **יהוה בן יהוה**, becomes an international web, eternal and indestructible.

*Isaiah 11:9 - They shall not hurt nor destroy in all my holy mountain: for the earth shall be full of the knowledge of the LORD, **יהוה** as the waters cover the sea.*

So do they win this battle? NO! Little do they know, they are the instruments of their own destruction. Praise **יהוה**. Now let us read this scripture in its completion with all of the information we have gained thus far.

*“And I saw, and behold, The United States of America: and he, the president, who serves the administration of the Supreme Head of the Roman Catholic Church, was convincing the American people of war measures, with boastful talk to gain recruits; and the pope made the president his spy, to report on the movements of **יהוה בן יהוה**: and he, the*

present president of the United States, was inaugurated by fraud, under the pretense of presidency while, carrying out an employed duty of spying on יהוה בן יהוה to vanquish and take His dominion and power.

This is the first seal of Apocalypse, which we are living in. But through the grace of יהוה, we shall overcome by the blood of the Lamb יהוה בן יהוה, who has sacrificed His life on Calvary to rescue our minds from death, and avenge the wicked seed of Lucifer and his angels. I am most thankful to יהוה, for opening the windows of heaven, His mind, so that I could receive His revelation. I love you all, and enjoy The Feast of Weeks in the year of GOD, יהוה 6005. Shalom Aleichem.
