

# The Apocalypse: From The First Horseman to The Great Earthquake

Praise יהוה! Praise בן יהוה בן יהוה! I stand before you today in wonder at the awesome power of my Father יהוה. It is יהוה who gave His Son, בן יהוה בן יהוה, as our gift of life, so that He could raise us from our graves of ignorance. We are forever indebted to בן יהוה בן יהוה who came to raise the children of Hiram, and to restore our dry bones with sinews and flesh. We are eternally bound to בן יהוה בן יהוה, for He breathed the breath of life into our souls and caused us to live. His Spirit of truth cleansed us of our transgressions, and we are now the people of God, יהוה.

We also owe homage to our King, בן יהוה בן יהוה, for His “divine” method of study, which has given us the edge we need to endure to the end of a tumultuous time. Praise יהוה! This said edge--which can only be attained through the Ten Step Study Method--will be demonstrated in this seminar today. This session will serve as a refresher course, during which we will retrace our steps back to the first seal in Revelation, Chapter 6, verse 2, and work our way up to the end of the fifth seal in Revelation, Chapter 6, verse 11, in order show the transitions from seal to seal.

So, let us begin. From the days of Daniel, יהוה commanded that the Bible be sealed; therefore, He decreed silence concerning the contents of the Bible. But, why? **Silence**, as found in *The Merriam Webster's Collegiate Dictionary*, copyright 1999, page 1334 is "a withholding of knowledge or omission of mention." Therefore, this information discloses that when יהוה commanded that the knowledge concerning the Bible be sealed, He commanded that it be withheld from knowledge or omitted from being mentioned until He was ready to lift this veil. This knowledge concerns the time when Satan shall stand to answer for His wicked acts. יהוה has withheld judgment, and these acts have gone unmentioned for an interminable amount of time.

After such a long period of silence, there were cries made in heaven and earth (Revelation, Chapter 5) to open the Book, for someone to break the silence, and to expose Satan who must answer for, pay for, and suffer for his wickedness. And, the seals, beginning in Revelation, Chapter 6, contain Satan's judgment, so that at the appropriate time he shall receive his punishment.

It was revealed in part one of this series that the only way the cycle of Satan's judgment can be brought into full swing is through people changing their attitudes towards Him--the one to whom judgment is being yielded. Opening the Book starts this process of judgment, so let us begin decoding by first reading the first seal in Revelation, Chapter 6, verses 1-2.

*And I saw when the Lamb opened one of the seals, and I heard, as it were the noise of thunder, one of the four beasts saying, Come and see.*

*And I saw, and behold a white horse: and he that sat on him had a bow; and a crown was given unto him: and he went forth conquering, and to conquer.*

In review of Revelation 6:2, the pictorial illustration of the phrase “*and I saw, and behold a white horse*” signified the release of--“a person of social prominence,” a *white horse*. This “white horse” represents, first, a **person**, which was defined as an **incorporated group**, with a purpose and tactic in mind for being unified. Once again, with respect to Revelation 6:2, we found that this **person** or **incorporated group** actually signifies a **federal government** of social prominence.

From our extensive research, we determined that this “federal government” of social prominence, or *white horse*, finally boils down to the United States of America, which is ruled by the Constitution, the said incorporated group. Upon discovering this body of facts, we replaced a *white horse* in Revelation, Chapter 6, verse 2, with the United States of America, and it read as follows:

*“And I saw, and behold [The United States of America]: and he that sat on him had a bow; and a crown was given unto him: and he went forth conquering and to conquer.”*

Having established that the *white horse* represents The United States of America, we proceeded in the Scripture to identify “*he that sat on him.*” We showed in this research that the President, currently George W. Bush, is *he that sat* upon the *white horse*--The United States of America. Furthermore, our findings put us “in the know” concerning the President’s duty, in that **sit**, the present tense of **sat**, ultimately requires President George W. Bush “to attend the ministrations of (a member of the clergy).”

Through careful examination of the President’s duty, we revealed that the holder of the Office of President of the United States’ duty is to attend the ministrations of the Vicar of Christ: The Pope. Overall, this intelligence illustrated clearly that the President of the United States of America has the duty, upon election, to serve and attend to the ministration of the Pope, the head of the Roman Catholic Church. This means that the entire government of America and all of its rules and delegations are in direct accord with the ministration of the Pope; and that the United States government is fundamentally governed by the principles policies and principles of the Roman Catholic Church.

In the process of decrypting Revelation, Chapter 6, verse 2, we also saw that the President of the United States, *he who sat upon this white horse*, had a **bow**. Upon diligent inquiry, we found out that as a part of his duty under the authority of the Pope, the President’s **bow** represents him removing rationalization from the

minds of the American people, while convincing them to join the draft, national service, and enlisting to *serve their god and country* militarily with boastful talk.

After this revelation, we approached the point where a ***crown was given*** to the President of the United States. This path of knowledge detailed the plot that the Pope gave President George W. Bush the power to become a spy. The Pope also commissioned the President to obtain information and to report on the movements and operations of his enemy, who is also the enemy of the Roman Catholic Church. We deduced from our research that **יהוה בן יהוה**--whose teachings prove that there was and still is no Jesus Christ, and that He alone is the Messiah prophesied to come in the Old Testament--is the enemy to the Pope and the Roman Catholic Church. **יהוה בן יהוה**, the Founder of the Nation of **יהוה**, the Supreme Grand Master of the Celestial Lodge, Architect of the Universe, our Messiah and Resurrector, is their enemy because He is the only one that has come to remove the veil from over our eyes to the deception of Christianity, which has deceived not only us, but the whole world also.

This left us to determine what is meant by, ***“he went forth conquering and to conquer.”*** It was established that the “*he*” spoken of refers to the spy of the Pope, the President of the United States. Furthermore, we proved from this phrase that President George W. Bush was inaugurated by a fraudulent political deal simply to keep tabs on the movement of **יהוה בן יהוה**. He was chosen to keep tabs

on יהוה בן יהוה because Satan knows that he was only given a specified amount of time to rule and, יהוה בן יהוה has cut that time short. Additionally, we concluded that Satan is trying his best to cover the whole world with his deception of Christianity, and is on a mission to take down or conquer anyone who is in opposition to his plan of action.

In part 2 of this series, we continued the course of dispelling the myths of Christianity and revealing the truth of יהוה as encrypted in Revelation, Chapter 6, verse 4.

*“And when he had opened the second seal, I heard the second beast say, Come and see.*

*And **there went out another horse** that was red: and power was given to him that sat thereon to take peace from the earth, and that they should kill one another: and there was given unto him a great sword.”*

From the first encryption, “**there went out another horse**,” the word *there* served as our reference point on the function of the *horse*, and revealed that President George W. Bush has the responsibility to institute a crusade, battle, or war. The *significance* of this *war* correlates to the rest of the Scripture, which says, “...**went out another horse**.” We factually documented that the contents of the second seal, specifically pertaining to the *horse*, is nothing more than **a part added to** the first seal. With that in mind, we proceeded to reveal President George W. Bush indulging himself “excessively” in **becoming public** with the institution of his

war. Even more, we documented that President George W. Bush is instituting this war because he is a person working as an **agent** for a *mythical body of troops*, that serve as his *guiding intelligence*.

With this understanding, we realized that the President is not functioning on his own knowledge, instead, he is indulging himself excessively in the public's view with crusades, battles, and, wars to achieve the result of his guide: a *mythical body of troops*. This intelligence group has purposely displayed themselves in a mythical manner with the intent to deceive others and to cover up their true objective, which is being carried out by their agent, President George W. Bush. With regard to that, we delved deeper to discover who this intelligence group really is and found out that the Roman Catholic Church is the "militia," that is directing President George W. Bush as to his war actions.

We have now made it to the point in Revelation, Chapter 6, verse 4 that describes President George W. Bush as "*red*." Undeniable evidence verified that **red** symbolizes that the Roman Catholic Church is President George W. Bush's guiding intelligence to incite an entire, absolute, whole, universal, extreme, drastic, and severe overthrow of the existing social and political orders. **Red** also signifies a time when the President of the United States is at a loss or is in debt and, notwithstanding, will be giving orders to accomplish military acts, instead of doing staff work.

Since we discovered that President George W. Bush would press for a drastic and extreme overthrow of the existing political orders, in spite of being in debt, we continued to decode this scripture with “...*power was given unto him.*” The bizarre actions that the president has taken to overthrow the existing political orders are **explained, illustrated, amplified, and, restated** in this phrase (“...*power was given unto him*”) proceeding after the colon.

Since “power” was given to President George W. Bush, the word *power* was the first word we defined out of our key phrase. The word **power** equated to the supreme ecclesiastical authority that the Pope “claims” in (Matt. XVI: 19); therefore, it is the authority mentioned here that has been given unto President Bush. Naturally, we inquired about this Scripture, Matthew 16:19.

*“And I will give unto thee the keys of the kingdom of heaven: and whatsoever thou shalt bind on earth shall be bound in heaven: and whatsoever thou shalt loose on earth shall be loosed in heaven.”*

Having read that, our impression was that if the Pope claims the power designated in Matthew 16:19, he would also have to claim the keys of the kingdom of heaven. Curiosity would not let us rest, so we further examined the Pope’s motive behind claiming the authority in Matthew 16:19, by reading Verse 18 in conjunction with Verse 19.

*“And I say also unto thee, That thou art Peter, and upon this rock I will build my church [nation]; and the gates of hell shall not prevail against it.*

*And I will give unto thee the keys of the kingdom of heaven: and whatsoever thou shalt bind on earth shall be bound in heaven: and whosoever thou shalt loose on earth shall be loosed in heaven.”*

Based on these findings, we concluded for certain that the Pope is claiming the keys in Matthew 16:19; and in claiming these keys, he is also claiming to be Peter, who was classified as the rock upon which the Messiah would build His “church.” We continued reading Matthew 16, verses 16 through 19, and found out that beginning at Verse 16, there were different names used to refer to the same person. For example, “*Simon Peter*” answered יהוה בן יהוה in Verse 16. Then, in Verse 17 יהוה בן יהוה answered him again; however, He referred to him as “*Simon Bar-jona*.” Later on in His conversation, יהוה בן יהוה referred to “*Simon Bar-jona*,” first known as “Simon Peter,” as *Peter*.

We verified that regardless of these differences, **Simon Peter, Simon Bar-jona, and Peter** represents “one” person. And this one person, **Peter**, is actually the character known as **Simon**. In light of this information, we had no choice but to conclude that the Pope claims the power of Matthew 16:19, by claiming to be Peter.

We engaged in thorough research of this matter, and documented that another title the Pope uses is *the Successor of Saint Peter*. Thus, not to be fooled by a title, we examined what a **successor** is, and exposed that since the Pope has claimed to be *the successor of Saint Peter*, then he also has assumed the role of the one to *take the place of Peter*.

This subject was very interesting to us. So, we went on to understand why the Pope is so set on **taking** the place of Peter, especially since Peter is actually **Simon**. We found out from the word **take** that the Pope has the power to destroy, blot out, wipe out, finish off, annihilate, exterminate, and erase the place of Peter, who is really Simon. As we considered that Peter is **Simon**, we consulted the book, *The Crucifixion of the Messiah: בן יְהוּדָה בן יְהוּדָה*, by The Witnesses of בן יְהוּדָה, copyright 1999, on pages 110-111, and discovered that *Simon* represents a Black people--called Negroes, or African Americans today--who have been “cut off” from being a nation and who have been “cut off” from the knowledge of their “true” name: Israel.

Hence, the Pope claiming to be the *Successor of Saint Peter* means that he intends to destroy, blot out, wipe out, and finish off the so-called Black people, who have already been cut off from the knowledge of their true name: Israel. The Pope knows that this group of people are the chosen people of God, בן יְהוּדָה--the people to whom He has given the keys to the kingdom of heaven. Therefore, to

carry out his plot, our research revealed that the Pope has given his power to President George W. Bush to make sure that the rightful possessors of the kingdom of Heaven--the rightful rulers of the planet Earth, the so-called Black man of **America**--never know that that the keys to heaven belong to them.

We conceded to the fact that the best person for the job of keeping the so-called Black man of *America* destroyed and ignorant, is the head of **America**--President George W. Bush. For this reason, President Bush has decreed that יהוה בן יהוה be placed under “onerous” restrictions that will keep Him from associating with Black people who are “conscious” of the fact that they are Hebrew Israelites. He believes that he can guarantee our destruction by keeping יהוה בן יהוה from raising us out of our graves of ignorance.

Needless to say, we met head on with the next phrase in Revelation, Chapter 6, verse 4: *sat thereon to take peace from the earth*. A diligent inquiry into this expression showed positively that President George W. Bush *sitting* to take peace from the earth involves him signing a treaty to make known “his” *general constitution* for the world. This general **constitution** would serve to institute his “*supreme law of the land*” through political activities. We found out that the political activities the President shall proceed with are solely concentrated on outward appearances designed to affect the public’s opinion about his *supreme law for the world*.

On this wise, we probed further into this *treaty to take peace from the earth*, and came to the understanding that the treaty initiates a *formal agreement*--concerning **peace, alliance, and, commerce**--between President George W. Bush and various other nations or countries. Furthermore, we found out that in order for the President's new constitution for the world to be effective, these different nations or countries must agree with the United States on **commerce**. This means that the various nations or countries must agree with President Bush on the interchange of goods as well as profits between these different countries of the world.

As we identified another contingency of this treaty--**alliance**--we asserted that President George W. Bush is also using this treaty to gain enough momentum to achieve a *common* or, worldwide objective; and this "worldwide" objective is the setting up of the *one world order*. Thus, without the cooperation of the various nations of the world his plan would be foiled, which is where the **peace** contingency of the treaty comes in.

The last of these contingencies--**peace**--led us to the gimmick that President George W. Bush shall use to establish his one world order. We concluded that **take** by definition also means "to deceive" the **peace**, "state of security or order within a community." This demonstrated that President George W. Bush will go about on a mission to *deceive* the earth about its state of security or order, so that

he may justify his one world order, or to establish his new constitution throughout the world.

Therefore, in deceiving the world about their *peace* or **security**, the President and those with him have conspired together on a financial scheme to cause the people in the world to become poor, bankrupt, and homeless. We deduced that this alliance of nations has also conspired to take the security of the people from the earth by terrorizing them with kidnappings. Based on what we gathered up to this point, this alliance is doing this to first, make the world question their security and, lastly, to make the people feel obligated to conform to their one world government. This revelation established that missing children is a scare tactic being used by this alliance to plague the public about need for added security. They are using this tactic that they might taunt and bombard the people into submission to a one-world order.

In addition to expecting the whole world to submit to the establishment of a one world defective government, President George W. Bush and his alliance also anticipate the next segment in Revelation, Chapter 6, verse 4: “*they should kill one another.*” We were shown that these wicked rulers’ expectation today is that as a result of all their extensive, brutal, and, deceitful measures, the people of the earth would *kill one another*. **Kill** was defined as to “**be wicked.**” Indeed, this is how they plan to rule over the people. We found out that the wicked rulers who are

allies with President Bush anticipate that by making the citizens of the planet earth the victims of crime and terrorism, they will welcome and submit to their one world order and be prone even more to wickedness. Under this deception, the wicked rulers of today will attempt to use this demonic rule to subject the whole world to their wickedness in hopes of ultimately turning the very elect of יהוה to the paths of unrighteousness.

As we finished off the remainder of the Scripture, *“and there was given unto him a great sword,”* we were alerted that the war, destruction, or death in war, that the President of the United States would soon institute, would be *long in duration*. This implied that it will be tiresome and exhausting, and forewarns of what the chosen people of יהוה will have to go through as Satan tries to wear out the patience of the saints of the Most High, יהוה. However, according to Daniel 7:26, the judgment of יהוה **shall** sit and the saints of the Most High, יהוה, shall take away the dominion of Lucifer, to consume and to destroy it unto the end. In connection with Lucifer attempting to wear out the patience of the saints, Revelation, Chapter 6, verses 5 and 6, the third seal, gives us explicit details on how Lucifer will bring this about.

*And when he had opened the third seal, I heard the third beast say, Come and see. **And I beheld, and lo a black horse;** and he that sat on him had a pair of balances in his hand.*

*And I heard a voice in the midst of the four beasts say, A measure of wheat for a penny, and three measures of barley for a penny; and see thou hurt not the oil and the wine.*

We saw that the word **behold** requires a person to witness the seal in Revelation, Chapter 6, verse 5, by either of two means: by sight or apprehension. From the word **sight** we determined that we will see an intense conflict of forces being published in the press or broadcast over the air in a headline news fashion--a dramatic public display--that will detail a series of events for all to see.

This conflict of forces, we told you, involves witnessing a serious disagreement with the United States government about the ingenuity of the Nation of יְהוָה to puzzle out, expose, and reveal the mysteries of the Bible as well as, to open, study, and read the Bible. And not only that, but this conflict also questions the quality in which these Biblical impressions are conveyed in written form. Subsequently, our research proved that this war between the United States government and the Nation of יְהוָה is not one of a physical combat but, rather, a war of conveying the real meaning of **words** in the Bible.

Having shown that one way to witness the third seal--**sight**--involved seeing a conflict between the Nation of יְהוָה and the United States government through the media, we were moved to interpret the second means by which the third seal of Revelation, Chapter 6, verse 5 can be witnessed: **apprehension**. Very definitively,

**apprehension** was factually determined to be opposing forces that will be sent to arrest some of us, and put us under the legal custody of the police, all because of our ability to reveal the mysteries of the Bible. And, those not under police custody will read about and watch this event take place through the television, radio, newspapers, magazines, and the like.

We revealed from the word **lo** that those witnessing the third seal will be affected emotionally by a “black horse” because of the startling revelations that will be set in motion. Therefore, we presented clear and convincing proof from the word **black** that the government will prohibit us from spreading our message, thus, temporarily putting an end to our publishing activities and withholding them from disclosure. The government will put an end to all or part of our shocking revelations because they will consider them offensive and, therefore, a threat to national security. This information further depicted that the reason the speech and writings of the Nation of יהודה will be considered offensive is because they reveal the mysteries of the Bible, and which contains the secrets about the United States government. On this wave of thought, the word “*horse*” symbolizes the leading **false** accusation upon which our Nation shall be brought up for trial: that we are a threat to national security--their secrets.

Our investigation then rested on the one who **sat** on this particular horse. We came to the conclusion that he who **sat** on the black horse is the judge who will

supervise this court trial, instruct the jury, and pronounce sentences. With respect to that evidence, we put all the points uncovered about this horse back in focus and applied them to this discovery. Retrospectively, we discovered that there will be a judge supervising a court trial for the Hebrew Israelites. This trial will be posed as a procedural action to stop those considered a threat to national security; when, in actuality, it will be an attempt to stop the publication of the “true” meaning of the mysteries of the Bible.

Solid proof allowed us to confirm that the judge will have *balances* in his hand, which is a legal obligation insisting that we cease and desist from revealing the truth to those who have been deceived. The medium that will be used to execute this mandate will be the court and, as a result of the finding of a jury, we will be bound to this legal obligation that will prohibit us from publishing the word of truth. However, this obligation is within limits. Revelation 6:6.

*And I heard a voice in the midst of the four beasts say, A measure of wheat for a penny, and three measures of barley for a penny; and see thou hurt not the oil and the wine.*

Because of the verdict that will be handed down in this trial, we will be under an order that will “officially” or “legally” prohibit us from revealing the truth and, thus, will stop our publishing from being done. This order will ultimately prevent us from using certain media, so that the truth we are presenting may not be seen or read. Therefore, what we have uncovered essentially is that

this judge will issue a court order that will prevent us from producing our television programs, as well as, hinder us from publishing on the Internet, which is seen and read by most people in the world. To do this, they will make false allegations about us, saying that we are a threat to national security and, as a result, a court order will be issued to suspend the production of our global communication to the world.

Overall, we received an alert that the rulers of this world, by means of the criminal [in-]justice system, will order legal stipulations to censor our materials from the public's eye. Because they understand that once the public gets involved, they may as well be totally committed to our cause of righteousness; and being totally committed to our cause is being totally committed to **יהוה בן יהוה**: the government's biggest fear.

Therefore, we acquired absolute certainty that the government will temporarily silence us, and we obtained additional information to prove that they will also make an eager demand for a group of people to frustrate the actions and purpose of our nation, which is publishing the name of **יהוה**. This specific group of people, we warned, will come forward with an evil intent. To help take their evil intent to another degree, the government will seek out people who will gladly create and participate in actions to disturb our minds and purpose--people who are

opposed to our divine duty of publishing the word of יהוה--to keep our publications out of the eyes of the public.

However, though they will execute such an injustice against us, we read in Revelation, Chapter 6, verse 6 that their power is not limitless: They must not ***hurt the oil and the wine***. The facts showed from this phrase that the wicked are not to “pervert” the understanding that we are bringing to the people concerning the true Messiah, יהוה בן יהוה. Furthermore, they are outlawed from “warping” or “defiling” the wisdom we have published about the laws of יהוה, which is causing the mentally dead to wake up and live in righteousness. Hence, just as defiling our enlightenment is off-limits to the wicked, so is restricting our elevation to a higher moral or mental condition off-limits. But we are not finished yet, as the seals continue with Revelation, Chapter 6, verse 8.

*And I looked, and behold a pale horse: and his name that sat on him was Death, and Hell followed with him. And power was given unto them over the fourth part of the earth, to kill with sword, and with hunger, and with death, and with the beasts of the earth.*

In light of our definitions, we came to the conclusion that the clause “***And I looked***” means that we will study and sum up the facts about the outcome of charges that were brought against our Nation in an indictment by a prosecuting authority and, in turn, found not guilty by a jury.

Referring to our foundation Scripture, we found out that the second action in Revelation, Chapter 6, verse 8--**behold**--illustrated that to witness the events of the fourth seal, we must bear the testimony of Christ, **יְהוָה בֶּן יְהוָה**, that is, uphold the precepts of **יְהוָה**--His divine law. By doing so, rather than to give up our faith, principles, or belief, we will become martyrs who choose to suffer, be put to death, or be tortured because of our beliefs.

We continued with the second symbol in the fourth seal--the character of a **pale horse**--and gathered that a *mole* is secretly keeping watch on our nation. Even more, we determined that this *mole* has *infiltrated* and *assimilated* himself into our main cultural body by his length of service in our organization. The stratagem the *mole* used was confirmed, in that he eased his way into our main cultural body by serving, which allowed him to go unheeded, uncensored, or unchallenged by those who are deficient in moral strength, firmness, resolution, and force of character.

The additional data that we attained added that the “pale horse,” or the *mole* will terminate his observance of the customs of the Nation of **יְהוָה**, after serving and assimilating into our nation,. He will give formal notice about this termination, and will make it appear that our customs are dangerous. And because we uphold these very customs, we will suffer as martyrs, for Christ, **יְהוָה בֶּן יְהוָה**, during persecution.

*And I looked, and behold a pale horse: and his **name that sat on him was Death...***”

Our next point dealt with his “***name that sat on him was Death...***” From the facts we extracted from this clause, we came to the conclusion that the ***name*** of he who sat on the “**pale horse**” signaled that the *mole* will sell false articles, features, or photographs having the nature of unlawful activity to various newspapers, so that they can publish “false” reports about the Nation of **יִשְׂרָאֵל**.

This information uncovered the *mole's* purpose for wheedling his way into our Nation. However, his agenda was exposed concerning his intent to publish discrediting information about us. We concluded this to be the case: the *mole* has established a long-time familiarity with our customs, by serving in our nation, so that when he finally denounces his observance of our customs, and sells the intelligence he will have gathered, then he will be considered or looked upon as a reliable source to provide information. Hence, it is this “false” information that will be the ammunition used to bring forth an indictment against and prosecution of our nation.

On this note, we were informed that as a result of such actions, there will also be people who will, in loyalty and support of the *mole*, give up their practice, devotion, and association with the Nation of **יִשְׂרָאֵל**. These people are symbolized as **Hell**, and they are those who after seeing the actions taken by the *mole* will turn

and direct their loyalty to him--the *mole*--instead of יהוה, because they will believe the falsehood that will be published about us.

*And power was given unto them over the fourth part of the earth, to kill with sword, and with hunger, and with death, and with the beasts of the earth.*

As we proceeded with research on the *mole* and those that will follow him, we exposed that he will receive “complimentary” publicity to spread his venom as payment for the information that he will sell to the agencies in the media. And, with this publicity, the *mole* and his followers will denounce, discredit, and devalue the Nation of יהוה, יהוה, and יהוה בן יהוה.

As found in Revelation, Chapter 6, verse 8, this “publicity” will be given to them *over the fourth part of the earth*. From these facts, we were forewarned that the publicity that will be given to the *mole* to circulate false information about יהוה יהוה בן יהוה and the Nation of יהוה יהוה בן יהוה will only affect a small section of the public’s basic knowledge, belief, or conviction about us.

Nevertheless, the mole will *kill with sword, and with hunger, and with death, and with the beasts of the earth* with the *power* he will be given over a small section of the people. This publicity--caused by the false criminal accusations and hostile words that the mole will spread about us--which will

influence a small section of society--will excessively and grievously beguile and mislead the people,.

Though the *mole* was given publicity to beguile and mislead the public, only a small section of society will believe these **untrue** criminal accusations that will be brought against us. Even so, we found out from the word ***hunger*** that the *mole* will cause the public to lack in knowledge due to his lies and deceit. By the media not advertising the truth about the accusations that the *mole*--coupled with his followers--will bring against us, some people will not have the knowledge to know that these things are false, and will therefore be beguiled and misled by what they will read and hear in the media. Thus, a section of the public will turn away from **יהיה**, which will result in their lack and want for spiritual life.

Our research concluded that in exchange for the *mole* to successfully spread falsehood about us, he will receive an excessive amount of money as an incentive. To earn his money, he must cause hostility towards us, discredit us, and accuse us of criminal activity. In other words, the *mole* will receive money to compensate for his scheme of infiltrating our nation, to cast aspersions about us to the unenlightened public and the morally weak. So that they can incite an intense hatred of us, the media will pay for the *mole's* collection of articles, features, photographs, and criminal accusations that will result in the indictment being brought against our nation. To find out what happens with the martyrs in this

turmoil, we must proceed aggressively to the events of the fifth seal, in Revelation, Chapter 6, verses 9, 10.

*And when he had opened the fifth seal, I saw **under the altar** the souls of them that were slain for the word of God, **יהוה**, and for the testimony which they held:*

*And they cried with a loud voice, saying, How long, O Lord, **יהוה**, holy and true, dost thou not judge and avenge our blood on them that dwell on the earth?*

From the phrase “**under the altar,**” we obtained that it describes a period of time when those who **discourse publicly**--that is, disclose secret, unknown, or hidden things relating to the government in the text of the Scripture--will **fall** into the power of a **destructive agency**. This means that when this period of time comes into effect, our work of disclosing information of this nature will temporarily be put to an end, and will no longer be active.

We saw that the **destructive agency** that will carry out this temporary shut down is the Executive Branch of the United States government, which has the power to destroy--defeat and fully discredit--the acts of those who expose the government within the text of the Scripture. Also, the government will exercise this power to deprive us of our position, prestige, and reputation, and to cause such ruin and devastation to our work, that our **souls will be slain**.

This phrase was proven to be the United States government’s deliberate and unsubstantiated charges placed against our nation to foment distrust and incite

hatred towards us, because our prophecies disclose what the Bible says shall happen to the government in the future. In addition, the government shall vilify the reputation of our Nation by making slanderous and abusive statements, and using “characterizing” words associated with cults, and persons like Jim Jones and David Koresh--to make or evoke fear, and to lower the credibility of our prophecies in the opinion of the public.

We found out that the government wants to *slay* our Nation because of the reason written in Revelation, Chapter 6, verse 9, for “...*the word of God, יהוה*.” Hence, these facts show that the Executive Branch of the government shall slay the Nation of יהוה, because our prophetic disclosures Scripturally reveal what shall happen to the government in the future and, especially, because we proclaim glad tidings concerning salvation and the kingdom of God, יהוה, as announced to the world by the Messiah, יהוה בן יהוה. Since the United States government renders evil to us for our good deeds, we will cry unto יהוה, as shown in Revelation, Chapter 6, verse 10.

*And they cried with a loud voice, saying, How long, O Lord, יהוה, holy and true, dost thou not judge and avenge our blood on them that dwell on the earth?*

Compiling all the information we obtained from both the words *cried* and *loud*, that we, the Nation of יהוה, will constantly use our voice--the Internet, radio,

TV, newspapers, etc.--to communicate our request to יהוה for an immediate decision and quick judgment upon the wicked to large numbers of people throughout the world.

What was expressed in our cry was how long it would be before יהוה *judges and avenges our blood*--the blood of the Nation of יהוה--on *them that dwell on the earth*. This question essentially asks when will יהוה cause *them that dwell on the earth* to be subjected to the same pain, loss, confinement, and death that we have received, as a penalty for their slanderous and abusive statements against us. And, when will יהוה tear them down for their vilification of our character and for their campaign to lower our prophetic credibility.

Furthermore, recognizing the inherent qualities in us to influence the people, the government will try all within their power to stop our growth and development by destroying our credibility in the eyes of the public. So our question to יהוה concerned how long He would allow the government to continue to impede our ability to strengthen our nation; and how long He would permit them to stop our nation's growth and development.

Moreover, the question to יהוה addressed how long it would be before He took judgment against the United States government for causing the people of the earth to deviate from the truth about the martyrs of יהוה בן יהוה. We found the answer to this question in Revelation, Chapter 6, verse 11, which reads.

*And white robes were given unto every one of them; and it was said unto them, that they should rest yet for a little season, until their fellowservants also and their brethren, that should be killed as they were, should be fulfilled.*

Incorporating what we attained from this Scripture, the *white robes* that the *martyrs* or *witnesses* of יהוה בן יהוה will be *given* represents a position of dominion or supremacy--a throne--upon which they shall exercise careful judgment. They will receive this seat as a reward for their victory and superiority after having been *slain* or slandered *for their* ability to interpret the Scriptures and reveal the will of יהוה.

Subsequently, it is יהוה that has arranged and specified that the *witnesses* or *martyrs* of יהוה בן יהוה each have a “throne”--a position of dominion or supremacy--to exercise careful judgment. Likewise, He has also decreed in Revelation, Chapter 6, verse 11 that *they should rest yet for a little season*. The meaning of this phrase asserts that the *martyrs* or *witnesses* of יהוה בן יהוה will be at peace “but nevertheless” after the factor of *a little season*.

Based on the accuracy of the intelligence we received, it was very obvious that this *season* represents a term of presidency during which someone will be replaced, and hence, will not be in the personal command to bring the military strength of his nation to combat in war. Moreover, the *little season* is a coded way to say that President George W. Bush--will be replaced and will not complete his

entire four years as the President of the United States; therefore, he will not be afforded the opportunity to command his military to combat in war for the “standard” length of his presidency.

That being the case, we remembered that the *martyrs* or *witnesses*, who have the testimony of **בן יהוה** will have to wait until **after** his term of office to rest and sit on the thrones that **יהוה** has prepared for them. Though President George W. Bush will not complete his standard four year term of office, during the time he is in office, the *fellowservants* and *brethren* of the martyrs of **בן יהוה** *should be killed*.

Therefore, we produced the facts to validate who the *fellowservants* are, and proved that they are those who take **בן יהוה** as their Leader. They also represent those who conform to Him, and undertake His teachings as a course of study. On this account, anyone who regards **בן יהוה** in this respect represent those who will be **killed** as referenced in Revelation, Chapter 6, verse 11. Notwithstanding, we had to find out who our *brethren* symbolized.

Thus, *brethren* represent any people that share either a common ancestry, or a common allegiance with the *martyrs* of **בן יהוה**. This means that our *brethren* are those who claim to descend mentally and spiritually from **בן יהוה**, as the Founder of the Nation of **יהוה**. And, most especially, they are those who are faithful in keeping the laws of **יהוה**, as taught by **בן יהוה**. Hence our

*fellowservants* and *brethren* are they who worship and are obedient to בן יהוה, in that they conform to His standards, recognize Him as their Leader, and also undertake His “divine” teachings as a course of study.

Subsequently, our *fellowservants* and *brethren* will be killed in the same fashion that the *martyrs* or *witnesses* of בן יהוה יהוה will be, because they too will be falsely accused with deliberate and unsubstantiated charges that are intended to make people hate them. Likewise, just as false charges and accusations of this nature will be laid upon the *martyrs* or *witnesses* of בן יהוה יהוה, they will also be laid upon our *fellowservants* and *brethren* in order to blacken their reputation and debase them as well.

Thus, it is not until **after** the slaying of the *fellowservants* and *brethren* is put into effect that the *martyrs* will actually have rest, and we know that this time period is soon under way, as President George W. Bush is winding up his presidency. Hence, it is during this time that יהוה יהוה will begin his judgment upon the wicked and deliver His servants from their hand.

We have come to end of the fifth seal and have been brought up to date as to the occurrences of the Apocalypse as one whole event. So, let us continue with the judgment that יהוה יהוה shall execute upon the wicked as documented in Revelation, Chapter 6, verse 12.

*And I beheld when he had opened the sixth seal, and, lo, there was a great earthquake; and the sun became black as sackcloth of hair, and the moon became as blood;*

The *great earthquake* represents a *global* uproar--an insurrection--that shall be set apart from all others. However, in order for you to find out more about this revolt, you must be present when we resume the seven seals series. I thank יהוה for your presence today, and pray that you have been enlightened on the Last Days. Ahiv Ahov. Shalom Aleichem.
