

## THE BEAST LIKE UNTO A LEOPARD

### Part Two

Give all praises to the Father, יהוה and to His Only Begotten Son, יהוה בן יהוה. The Lord, יהוה בן יהוה, is our shepherd; we shall not want. He maketh us to lie down in green pastures; He leadeth us beside the still waters. He restoreth our soul: He leadeth us in the paths of righteousness for His name's sake. Yea, though we walk through the valley of the shadow of death, we will fear no evil: for Thou art with us; Thy rod and Thy staff they comfort us (Psalm 23:1-4).

It is the law of יהוה and the teachings of יהוה בן יהוה that comforts us this day. יהוה בן יהוה laid down His life for the sheep (John 10:15). He sacrificed His life to teach us the truth; and for this, the devil took Him from us. He was slandered, persecuted, prosecuted, judicially murdered, and then placed in a sepulcher with a watch, under onerous restrictions, to hide and keep Him from teaching us the truth. But, the devil is carnal-minded, limited, and he is bound to the Earth: he cannot begin to approach the spiritual, the heavenly and divine. No one taketh His life from Him, but He, יהוה בן יהוה, laid it down of Himself (John 10:18). יהוה בן יהוה had to go away to prison, that the Scriptures would be

fulfilled. And, He had to leave the body and ascend unto His Father in heaven to prepare a place for us (John 14:2). His absence from us, physically, was necessary for us to receive the Comforter, the Holy Ghost, which is the rational mind (John 16:7). It is only with this rational mind can we communicate with Him.

We are the sheep that had gone astray, and have heard the Chief Shepard, יהוה בן יהוה, and recognized His voice and shall not follow another (John 10:27). Today, we continue to hear Him, in the Holy Scriptures and through our studies, because He is the Spirit of Truth. יהוה בן יהוה did not speak of Himself, but whatsoever He heard from His Father, יהוה, He spoke of and taught us, showing us things to come (John 16:13). He had already prophesied and revealed it all, we just didn't understand: we were infants in the Word, taking in the milk, unable to take on the meat. But today, He has raised us up to a level where we understand and through divine inspiration, He is showing us all the evil that is approaching our holy Nation, His people, and the world. He has shown us of that which will arrive in progression and befall this country, so that we will be ready and prepare ourselves for Him. But, He did not leave us without comfort. Instead, He sent us the Comforter so as to soothe,

pacify, and calm our minds at the time that we would need reassurance, encouragement, hope and a guarantee of His return. And so, we wait, we wait patiently, for the call to brethren for the marriage supper of the Lamb. Praise יהוה! Praise יהוה בן יהוה!

Welcome to part two of the seminar entitled: *The Beast Like Unto a Leopard*. In part one, we began to decode the Scripture in Revelation 13:2, "*and the beast which I saw was like unto a leopard...*" From the word "*and*" it was revealed that this Scripture is a continuation of Revelation 13:1, "*And I stood upon the sand of the sea, and saw a beast rise up out of the sea, having seven heads and ten horns, and upon his horns ten crowns, and upon his heads the name of blasphemy.*" Therefore, we summarized the book entitled: *The Rising of the Beast of out Sea* to gather information needed to understand Revelation Chapter 13:2. We came to know that *the beast like unto a leopard* is President Barack Obama who replaced George W. Bush through election to carry on further the One World Religion of Christianity; a World Government through trade; the wars in the Middle East with the aim at a converting its people to Christianity; and the persecution of The Nation of יהוה through the slander of the P.E.E.S.S. Foundation. Furthermore, from the word

*beast*, which was transliterated as *a wild animal; as game*, revealed that this president was a trick played on America; most especially on black people or African Americans. The skin color game and dream tactic was the plan or method orchestrated toward achieving the specific goal of the presidency. This was the expectation or hope of black people in America, and all who bought the skin color game, to finally elect a black president. We then broke down the word *leopard* which is, "a lion shown in side view, with the right front paw raised, and the head facing the observer." We found out that this key word was used in the form of symbolism to depict the appearance and character of Barack Obama.

It was revealed that Barack Obama is the president that has moved forward a general movement designed for his public to feel or show patient submission, passive acceptance, and be in agreement with gays having the legal right to their lifestyle and a license to marry. It was clearly noted that He is just not satisfied with making this issue legal. He wants the public to not even protest it, but rather, he wants the people to admit or affirm that it is just and legal.

This general movement that President Barack Obama has caused by moving forward the gay lifestyle is so that people in America and foreign

countries will alter their position and modify their opinions about homosexuality and same-sex marriage, so that they are made over to a radically different form, state, and disposition concerning this issue. The ultimate goal of this general movement has been designed for the mind of his public to convert and transform its thinking by adopting different customs, methods, and attitudes so that the public in America and the world depart from the norm and undergo a moral conversation.

After we proved that the symbolism of the *leopard* of Revelation 13:2 represents President Barack Obama, we moved on to the next clause in the Scripture that describes, "his feet as the feet of a bear." After defining *feet*, "the terminal part of the vertebrate leg upon which an individual stands," we understood that the terminal part is the Constitution, particularly the constitutional rights that have to do with the stipulated duration of his appointment to the particular office of president. While, the *leg* represents a decision from the U.S. Congress, for President Barack Obama to run for office. This decision shall be organized or constructed in an orderly or developed form that it shall cause President Barack Obama to stand as a candidate for office. Praise יהוה! Praise יהוה בן יהוה!

In part one of this seminar, we ended with the question, "How shall President Obama stand as a candidate for office on a single tack?" We will begin to answer the question asked by defining *stand*.

According to *Webster's New World College Dictionary*, copyright 2002, on page 1395, **stand** is "to remain unchanged, intact, effective, or valid." **Valid**, in *The Synonym Finder* by J.I. Rodale, copyright 1978, on page 1309, is synonymous to legal; constitutional. A **candidate**, in *Oxford Concise English Dictionary*, copyright 1999, on page 203, means "a person regarded as suitable for a particular position." And lastly, **suitable** is defined as "having the necessary qualifications; meeting requirements" (according to *Webster's Third New International Dictionary*, copyright 1966, on page 2286).

Now, recall that "feet" from the phrase "and his feet . . ." in Revelation, Chapter 13, verse 2, when illuminated through the Divine Ten-Step Study Method of יהוה בן יהוה, came to mean "a body of persons given the responsibility and power to make laws for a country, specifically, the lawmaking body of a state, corresponding to the U.S. Congress."

So, therefore, we can gather that the decision for allowing President Barack Obama to run for office again shall come from the U.S. Congress.

The U.S. Congress shall cause him to remain unchanged, intact, and effective as president legally and constitutionally. He shall be considered the person regarded as having most of the necessary qualifications and meeting, more than any other, the requirements for the particular position, which is the office of president. This decision from the U.S. Congress shall be *made on a single tack*.

According to *Oxford Concise English Dictionary*, copyright 1999, on page 1339, the word **single** means "designed for one person." While, **tack** in the *Shorter Oxford English Dictionary*, copyright 1972, on page 2120, is "something attached as a rider." In the same source, on page 1736, a **rider** is "a supplementary and amending clause attached to a legislative Bill at its final reading."

The decision of the U.S. Congress shall be something fixed to a supplementary and amending clause attached to a legislative bill at its final reading, which shall be designed for one person, one individual: President Barack Obama.

Let us understand the specifics of this *supplementary and amending clause* that shall be attached to this legislative bill.

In accordance with *Webster's New World College Dictionary*, copyright 2002, on page 1438, **supplementary** means "additional." **Add** the root word of *additional* in the same source, on page 15, is defined as "to cause an increase." While **amend**, the root word of *amending*, on page 44, is "to change or revise (law, constitution)." On page 271, a **clause** is "a particular article in a legal document." And lastly, to **stand** is synonymous to "stay," according to *The Synonym Finder* by J.I. Rodale, copyright 1978, on page 1158.

We can factually assert that a particular article in a legal document shall increase the number of terms that a president can run for office, as well as change or revise the law and Constitution concerning this issue. This legal document shall be attached to a legislative bill at its final reading, which is designed for one person, one individual, President Barack Obama, to stay in office as president. Praise יהוה! Praise יהוה בן יהוה!

Let us now return to our foundation Scripture to learn more of this decision. Revelation, Chapter 13, verse 2 reads in part:

*...and his feet were **as the feet of a bear**, ...*

We now know that President Barack Obama's feet represent the decision of the U.S. Congress to revise the law and Constitution to allow

him to run for office and to legally stay as president. But how is this decision from the U.S. Congress "*as*" *the feet of a bear*? We are now dealing with a different kind of beast. The feet we are about to examine are not President Obama's physical feet, but the feet as if they were the feet *of a bear*.

The word **as**, in *Webster's New World College Dictionary*, copyright 2002, on page 81, is equal to, "like." In the same source, **like**, on page 831, means "similar to." From the authority of *The New Strong's Exhaustive Concordance of the Bible*, copyright 1990, under reference number 4228, the word **feet** in Greek, is **pous** and its transliteration is "foot(stool)." **Footstool** in *The Synonym Finder* by J.I. Rodale, copyright 1978, on page 458, is the same as a stool. And a **stool** in *Webster's Universal Unabridged Dictionary*, Volume II, copyright 1936, on page 1636, is described as "a bishop's see."

From these definitions we can deduce that the decision of the U.S. Congress to legally and constitutionally allow Barack Obama to stay in office as president, as the most qualified for the position, shall be a similar decision to that of a bishop's see. Let's explain this further.

In *The Synonym Finder* by J.I. Rodale, copyright 1978, on page 116, a **bishop** is an overseer; high priest; Bishop of Rome. It is commonly known that there is but one **Bishop of Rome**, and that is whoever is sitting as the Pope. A **see** is described in *The Cassell Concise Dictionary*, Revised Edition, copyright 1998, on page 1334, as "See of Rome"; and the **See of Rome**, on the same page, is documented as "the papacy." *The Random House Dictionary of the English Language*, School Edition, copyright 1973, on page 551, explains that the **papacy** is also, "the Roman Catholic Church."

This new research reveals that the decision from the U.S. Congress to legally and constitutionally allow President Barack Obama to stay in office as the most qualified person for the position, shall be similar to a decision made by the overseer, high priest, and Pope of the Roman Catholic Church, which shall be *of a bear*.

*Webster's New World College Dictionary*, copyright 2014, Computer Software, defines **of** as "through." In *Bartlett's Roget's Thesaurus*, copyright 1996, under reference number 457.6, **bear** is compared to "bull." In *Thorndike Barnhart High School Dictionary*, copyright 1968, on page 126, a **bull** is "a formal announcement from the Pope." Now, to

**announce**, the root word of *announcement* in *Webster's New World College Dictionary*, copyright 2002, on page 57, means "to make known publicly one's political endorsement of another."

The Pope who is the overseer and high priest of the Roman Catholic Church shall agree with the decision of the U.S. Congress that President Barack Obama is the person having most of the necessary qualifications and meets, more than any other, the requirements for the position. For this reason, he should stay in office. This decision that the Pope shall make shall be done formally, he will make known publicly his political endorsement of President Barack Obama.

Let's keep in mind the following points: First, as previously discussed, Barack Obama is in the seat of the presidency to carry on to a further point what George W. Bush began as president, which is to give rise to a One World Religion of Christianity under the direction of the Pope with the aim of converting the Middle East to Christianity. This is the goal and all that is transpiring or will occur for President Barack Obama to stay in the seat will ensure this goal.

Second, as all of this is taking place, the media is having a field day with the presidential debates: it is truly entertaining and hilarious to watch.

Sometimes it cannot be determined if it's an official debate or a Saturday Night Live (SNL) skit. The media has done an outstanding job of making the GOP contestants look like unqualified, divisive, and petty fools who are being outdone by a real estate tycoon turned reality star. This media portrayed clown-like candidate promotes his steaks in victory speeches, and ensures that there is no problem with the size of his hands, on the world stage. If that's not bad enough, this guy spray paints his face orange so that he can look tanned.

But the media's job is not limited to the Republicans. The media relentlessly bombards the public with the Benghazi scandal accusing Hillary Clinton of incompetence and taking part in a cover up. The news reports won't let up and it seems like the email controversy will never go away as they paint her as a proverbial liar, and cause everyone to distrust her. By comparison, Barack Obama looks like a knight in shining armor: the most qualified person for the job.

But still, the unqualified appearance of the candidates is not a legitimate reason to change the law. After all, it's not the first time that America has had a zany president lacking intelligence: remember George W? Aside from the political circus, something has to be very pressing for

the U.S. Congress to change the law, and for the Pope to publically meddle in American politics. Let us find out why the U.S. Congress and the Pope shall resort to change or revise the Constitution so that President Barack Obama can stay in office. Revelation, Chapter 13, verse 2, reads in part:

*...and his **mouth** as the mouth of a lion:...*

From the authority of *The New Strong's Exhaustive Concordance of the Bible*, copyright 1990, under reference number 4750, the word **mouth** in Greek is **stoma** and its transliteration is "the mouth (as if a gash in the face)."

Again, this transliteration is used as symbolism or a metaphor that is not talking about the physical mouth used for speaking or eating on President Barack Obama's face. These words are very colorful in describing a situation that shall cause another situation that is also just as vivid. Try to imagine this by opening your mouth. Is your mouth opened? The opening of your mouth can also be looked at as a hole or a gash in the face. Do you see it? Well, keep this in mind as we decode President Obama's *mouth* that is as a *gash in the face*.

In *The Synonym Finder* by J.I. Rodale, copyright 1978, on page 754, a **mouth** is the same as an opening. In the same source, on page 809, an

**opening** is also a chance. Now, a **chance**, in *Merriam Webster's Collegiate Dictionary*, Eleventh Edition, copyright 2009, on page 205, is defined as "a situation favoring some purpose; opportunity."

These new set of facts allow us to see this a little clearer. President Obama's mouth shall be a situation that shall favor his objective to remain president. This shall be his opportunity to stay in office, which shall be *as a gash in the face*. So, what is this *situation* that shall be his *opportunity*? Let us understand the *situation* before we move on to the second definition of mouth, which is the *opportunity*.

In the previously mentioned *Merriam Webster's Collegiate Dictionary*, Eleventh Edition, on page 1166, a **situation** is "a critical, trying, or unusual state of affairs; problem." *Webster's Third New International Dictionary*, copyright 1981, on page 1807, describes a **problem** as "something that is a source of usually considerable difficulty, perplexity, or worry." Also, a **problem** is "an unwelcome or harmful matter needing to be dealt with and overcome."

From these definitions, we can pinpoint that a critical, trying, or unusual state of affairs is that which shall favor President Barack Obama's objective to stay in office. Furthermore, his opportunity shall be something

that is the “source” of considerable difficulty, perplexity, or worry that is also unwelcomed or harmful that he shall have to deal with and overcome.

We must identify the something that is a “source” of considerable difficulty, perplexity, or worry that President Barack Obama will have to deal with and overcome. We will now look into this *source*.

*Merriam Webster’s Collegiate Dictionary*, Eleventh Edition, copyright 2009, on page 1193, defines **source** as “a generative force.” **Generative** in *Webster’s Third New International Dictionary*, copyright 1981, on page 945, means “having the power of propagating.” **Propagate**, on page 1817, means “to increase in extent, numbers, or influence.” Now, the word **force**, from *generative force*, in the aforementioned *Merriam Webster’s Collegiate Dictionary*, on page 887, means “strength in or capacity for waging war; a group of individuals ready for combat.”

This new intelligence explains that President Barack Obama’s *opportunity* to stay in office shall result from him having to deal with and overcome a group of individuals ready for combat with the strength or capacity to wage war and that can increase in extent, numbers, or influence. This shall be his *opportunity* to stay in office.

**Opportunity** in *Webster's Third New International Dictionary*, copyright 1981, on page 1583, is "an advantageous circumstance or combination of circumstances especially when affecting security, wealth, or freedom (as from constraint)." **Constraint** in *The Synonym Finder* by J.I. Rodale, copyright 1978, on page 221, is the same as coercion. **Coerce** the root word of *coercion* in *Random House Webster's College Dictionary*, copyright 1995, on page 263, means "to dominate or control, especially by exploiting fear." **Fear**, in the aforementioned *Synonym Finder*, on page 401, is equal to terror. And **terror**, in *Merriam Webster's Collegiate Dictionary*, Eleventh Edition, copyright 2009, on page 1290, is defined as "violent or destructive acts (as bombing) committed by groups in order to intimidate a population or government into granting their demands."

We can gather that an advantageous circumstance or combination of circumstances shall cause Barack Obama to stay in office to deal with a group of individuals ready for combat with the strength or capacity to wage war and that can increase in extent, numbers, or influence. This situation shall affect not only America's, but the world's security, wealth, and freedom from the act of these groups seeking to dominate or control America and the world; especially, through the exploitation of violent and

destructive acts, like bombings, committed by them in order to intimidate a population of people or the governments of the world into granting their demands. It is this situation, which shall be as *a gash in the face*. Since this situation shall affect the world, we see why the U.S. Congress and the Pope shall agree that the president is the most qualified person for the position to deal with and overcome these terrorists.

Remember earlier you were instructed to imagine your mouth as a gash in the face? Well, here it is. President Barack Obama's opportunity to stay in office from these terrorists that are bombing the population seeking to intimate them and their governments shall be *as a gash in the face*. It is obvious who these terrorists are. More than sixteen years ago during the Clinton administration these terrorists were led by Osama Bin Laden; he was the face of terrorism. Then, in the Bush administration, they became scarier and morphed into Al-Queda. Today, these terrorists are bigger, scarier, and crazier: they are terrorists on steroids. These terrorists are now known as Isis or Isil. Therefore, President Obama shall have to deal with Isis, which shall be as a *gash in the face*: Keep in mind that it is not a "gash" in Obama's face. Let us get to the bottom of this *gash*.

*Bartlett's Roget's Thesaurus*, copyright 1996, under reference number 753.1, describes a **gash** as a "dissection." **Dissect**, the root of *dissection*, etymologically means "to cut." In *The Synonym Finder* by J.I. Rodale, copyright 1978, to **cut** on page 252, means to "stop." While, to **stop**, on page 1170, is equal to obstruct; break. *Webster's New World College Dictionary*, copyright 2014, on page 1010, defines **obstruct** as "to hinder (progress)." And *Bartlett's Roget's Thesaurus*, copyright 1996, under reference number 604.4, describes a **break** the same as a "moratorium."

President Obama's advantageous circumstance or set of circumstances resulting from having to deal with and overcome Isis shall *hinder some progress*, which shall result in a *moratorium*. Let us further analyze this.

*Webster's New World College Dictionary*, copyright 2014, on page 688, defines **hinder** as "get in the way of; prevent; to delay action." On page 1163, **progress** is "an official journey, as of a sovereign."

This information verifies that President Barack Obama, having to deal with and overcome Isis, shall get in the way of, prevent, and delay the action of an official journey of a sovereign. As a result, a moratorium shall

be put in place, which shall be done *in the face*. So, what does an *official journey of a sovereign* signify?

*Bartlett's Roget's Thesaurus*, copyright 1996, under reference number 692.1, describes a **journey** as a "selection." A **selection** in the same source, under reference number 382.6, is the same as the "general election." Now a **sovereign**, under reference number 68.3, is equal to a "president."

We can confirm that President Barack Obama's advantageous circumstance or set of circumstances resulting from having to deal with and overcome Isis shall get in the way and prevent the action of the OFFICIAL GENERAL ELECTION FOR PRESIDENT. As a result a *moratorium* shall be implemented *in the face*.

A **moratorium**, according to *Webster's New World College Dictionary*, copyright 2002, on page 937, is "a legal authorization, usually by law passed in an emergency,..." In the same source, on page 818, **legal** means "permitted by law." Now, **authorization**, on page 95, is the same as a "sanction." And a **sanction**, on page 1268, is "a formal decree."

This additional information clarifies that the circumstances President Barack Obama shall have to deal with will get in the way of, prevent, and delay the action of the OFFICIAL PRESIDENTIAL ELECTION by a *formal decree* that he shall pass, which shall be permitted by law, due to an emergency. Before we get into the particulars of this *emergency*, we must come to know what a *formal decree* is referring to.

In accordance with the *Random House Webster's College Dictionary*, copyright 1999, on page 514, the word **formal** is defined as "in a strict logical form with a justification for every step." **Strict** in *Webster's New Collegiate Dictionary*, copyright 1973, on page 1152, means "stringent in control." While **logical**, in *Webster's New World College Dictionary*, Computer Software, is described as "necessary or to be expected because of what has gone before; that follows as reasonable." And **form** in *The Synonym Finder* by J.I. Rodale, copyright 1978, on page 432, is the same as manner.

The decree that President Barack Obama shall pass, permitted by law, due to an emergency, shall be in a manner that is stringent in control and considered necessary because of what has gone on or happened before in this country, like the attacks of the World Trade Center on 9/11.

Therefore, he will have a justification for every step he takes. Let us further understand how this *decree* is *stringent in control*.

*Webster's New Collegiate Dictionary*, copyright 1973, on page 1153, defines **stringent** as something "marked by severity..." **Severity** in *Bartlett's Roget's Thesaurus*, copyright 1996, under reference number 424.1, is depicted as "martial law." In the aforementioned *Webster's New Collegiate Dictionary*, on page 705, **Martial law** is "the law administered by military forces that is invoked by a government in an emergency when the civilian law enforcement agencies are unable to maintain public order and safety."

Now, **control**, from *stringent in control*, in the same source on page 247, means a "restraint." On page 987, **restraint** is documented as "the state of being restrained"; and to **restrain** on the same page means "to limit or restrict; deprive of liberty; especially to place under arrest."

Considering the veracity of these facts, we can definitively deduce that the *decree* that President Barack Obama shall pass is MARTIAL LAW, which is a law administered by military forces invoked by the U.S. government in an emergency when the civilian law enforcement agencies are unable to maintain public order and safety. This law shall limit or

restrict the people in America by depriving them of liberty; especially, by being placed under arrest. Furthermore, this law shall be passed in a manner that is considered necessary because of what has gone on or happened before in America, such as the events of 9/11. For this reason, President Barack Obama shall make justifications for every step he takes. It is now time to comprehend this *decree*, permitted by law that he shall pass in an *emergency*.

Consultation with *Webster's New World College Dictionary*, copyright 2002, on page 375, reveals that a **decree** is "an official decision..." *Bartlett's Roget's Thesaurus*, copyright 1996, under reference number 49.24, explains that **official** is the same as "executive." And **decision** under reference number 780.1, is an "order." Now, an **emergency** in the *Random House College Dictionary*, copyright 1988, on page 432, is defined as "a sudden, urgent, usually unexpected occurrence requiring immediate action; crisis." And lastly, **crisis**, in the same source, on page 317, is "a condition of instability, as in social, economic, or political affairs, leading to a decisive change."

We can confirm that President Barack Obama shall pass an EXECUTIVE ORDER due to a sudden, urgent, and unexpected occurrence

or event that shall require his immediate action. This occurrence or event shall put America in a condition of instability, as in its social, economic, or political affairs that shall lead to a decisive change. This is the reason why President Obama's steps shall prevent, get in the way of, and delay the action of the OFFICIAL GENERAL ELECTION FOR PRESIDENT *in the face*. *In the face* is the latter portion of the transliteration of *mouth* that we are currently decoding, "the mouth (as if a gash *in the face*)."

From the authority of *Webster's New World College Dictionary*, copyright 2014, Computer Software, the term **in the face** is defined as "in spite of." Still utilizing the same source, **in spite of**, means "regardless of; in defiance of." Now, **defiance** means "open, bold resistance to authority."

We can conclude that regardless of open, bold resistance towards his authority, President Barack Obama shall pass an EXECUTIVE ORDER instituting a law administered by military forces when the civilian law enforcement agencies shall be unable to maintain public order and safety. The enactment of MARTIAL LAW shall be the result of a sudden, urgent, unexpected occurrence or event that shall put the country in a condition of instability, as in its social, economic, or political affairs, leading to a

decisive change. For this reason, Barack Obama's actions shall prevent, get in the way of, and delay the action of the OFFICIAL GENERAL ELECTION FOR PRESIDENT.

Let us return to our foundation Scripture in Revelation, Chapter 13, verse 2 for the next portion to understand.

*...and his mouth **as the mouth of a lion**:...*

President Obama finds himself again needing another animal to help him. Here he needs the *mouth of a lion*. A lion is the king of beasts: he's the main guy and everyone submits when he roars. So how is Obama's opportunity to stay in office by having to deal with Isis *as the mouth of a lion*?

Again, *mouth* in Greek is **stoma** and another transliteration of stoma is "the front (of a weapon)." From this transliteration, we can determine that President Obama's opportunity to stay in office by having to deal with Isis is the front of a weapon, which is of or belongs to a lion. We will now analyze this front, which is the lion's weapon.

**Front** in *Random House College Dictionary*, copyright 1988, on page 531, is defined as "a blind." In the same source, on page 144, a **blind** is a "subterfuge." A **blind** also means "a person used to deceive; a person

who, while appearing to act out of self-interest, really acts on behalf of another;" and a **subterfuge** is "a deception used in order to achieve one's goals" (according to *The Concise Oxford Dictionary*, copyright 1999, on pages 157 and 1430 respectively). Another definition for **subterfuge** in the aforementioned *Random House College Dictionary*, on page 1311, means "an expedient used to evade a rule."

Again, relying on the same *Random House College Dictionary*, on page 465, an **expedient**, is "a means devised in an exigency;" while **exigency**, on the same page, means "emergency."

The evidence at hand explains that President Barack Obama and his EMERGENCY or a SUDDEN, URGENT, UNEXPECTED OCCURRENCE OR EVENT that shall cause him to declare MARTIAL LAW through an EXECUTIVE ORDER, preventing the GENERAL ELECTION, shall be used by the *lion* to deceive the world. Obama shall be the person who, while appearing to act out of self-interest by staying in office, will really be acting on behalf of the *lion*. In order to achieve the *lion's* goals, he shall create a deception in the form of an emergency to evade the rule or the law of the land, which is to elect a new president. This is nothing but a smokescreen and a façade that the *lion* shall use as a "weapon" to achieve his goals.

*The American Heritage Dictionary*, copyright 1985, on page 1369, depicts a **weapon** as “a means employed to disarm.” On page 401, to **disarm** is “to allay the suspicion, hostility, or antagonism of; to win the confidence of.” While, to **allay** on page 94, is “to calm or pacify; set to rest.”

This deceptive emergency shall be employed by the lion to calm or pacify the people from having suspicion towards President Obama staying in the seat. It shall set to rest any hostilities or antagonism towards President Obama to the extent that he shall gain the confidence of the people.

Who is this lion with so much power and craftiness that obviously seeks to benefit from President Barack Obama staying in the seat? It is now time to identify the lion in the phrase “. . . *of the lion.*”

*The American Heritage Dictionary*, copyright 1985, on page 862, **of** is defined as “coming from.” In the same source, on page 734, **lion** is “a person of great eminence.” **Eminence**, on page 449, is defined as “a position of great distinction or superiority.” Now, **superiority**, in *The Synonym Finder* by J.I. Rodale, copyright 1978, on page 1191, is the same as primacy. And lastly, **primacy**, in *Thorndike Barnhart High School*

*Dictionary*, copyright 1968, on page 752, is explained as “in the Roman Catholic Church, the supreme power of the Pope.”

The deception which shall be a sudden, urgent, or unexpected occurrence or event that shall result in the suspension of the general election shall come from the Pope who is the person of great position and distinction in America and the world. The Pope shall use his supreme power from his position to ensure that Barack Obama stays president to carry on to a further point what former President George W. Bush began. Let us keep in mind that *the dragon gave him his power, and his seat, and great authority*. This is the remaining clause to be decoded in our foundation Scripture in Revelation, Chapter 13, verse 2:

. . . *the **dragon** gave him his power, and his seat, and great authority.*

From the authority of *The New Strong's Exhaustive Concordance of the Bible*, copyright 2000, under reference number 1404, the word **dragon** in Greek is **drakon**, and it is transliterated as “a fabulous kind of serpent.”

We will first define the adjective, *fabulous* that is describing this *kind of serpent*. *The American Heritage Dictionary*, copyright 1985, on page 484, defines **fabulous** as “extremely successful.” **Success**, the root word

of *successful*, in *Webster's New World College Dictionary*, copyright 2014, on page 1214, is "the gaining of fame." In the same source, on page 523, **fame** is defined as "the state of being much talked about or widely known; celebrity." **Celebrity**, on page 240, is to have "a famous or well publicized person; wide recognition."

The dragon, which is a *kind of serpent*, is really a person that has gained the extreme state of being much talked about and discussed in the world, and widely known. In fact, he is a famous person, who is well publicized in the media, and has wide recognition, respect, and admiration in the Earth. We just explained how he is *fabulous*, let us now understand that he is *a kind of serpent*.

**Kind**, in *Webster's New World College Dictionary*, copyright 2014, on page 801, is defined as "high social rank." *Webster's New Collegiate Dictionary*, copyright 1973, on page 956, depicts **rank** as "a position of excellence." On page 398, **excellence** is the same as "excellency;" while **excellency**, on in the same page, is "used as a title...(as a Roman Catholic archbishop)." **Archbishop**, in *Bartlett's Roget's Thesaurus*, copyright 1996, under reference number 68.9, is the "pope."

Now we see what kind of a serpent this famous person is. He is the Pope of the Roman Catholic Church. This is the title and the extremely high social position that he has gained. The Pope is much talked about and discussed in the world, and widely known. He is a famous person, who is well publicized in the media, and has wide recognition, respect, and admiration by the people of the Earth. However, the transliteration of *dragon* depicts him as a *serpent*.

**Serpent**, in *Merriam Webster's Collegiate Dictionary*, Eleventh Edition, copyright 2009, on page 1137, is the same as the "devil." In the same source **devil**, on page 342, is defined as "the opposite of truth;" and it etymologically means "slanderer."

Regardless of the fame, title, and wide recognition that the Pope of the Roman Catholic Church wields, he is described in the Scripture as being the opposite of truth, and a slanderer. So the question becomes, what *truth* is he *opposed* to, and who shall he *slander*?

Referenced in *The Synonym Finder* by J.I. Rodale, copyright 1978, on page 811, **oppose**, the verb form of *opposite*, means to attack; make war. Now **truth** is defined in *Webster's Third New International Dictionary*, copyright 1981, on 2457, as "God; a statement that accords with fact, is

logically necessary, or follows sound reasoning from established truths." A **statement**, on page 1161, in the aforementioned *The Synonym Finder* is the same as testimony, revelation. And lastly, **slander**, the root of *slanderer*, is defined in *Merriam Webster's Collegiate Dictionary*, Eleventh Edition, copyright 2009, on page 1170, as "the utterance of false charges or misrepresentation which defames and damages another's reputation."

The Pope of the Roman Catholic Church is the bear, the lion, and the dragon simultaneously. It may appear that it is all about the leopard, Barack Obama, but Obama cannot stand without the bear's feet, which is the Pope's political endorsement, nor does he have a chance without the lion's mouth, which is the Pope's deception that shall keep him in office.

This is all about the Pope who is of the Devil: the seed of Satan. As long as the light of יהוה בן יהוה is shining in the Earth and edifying the righteous, he cannot rule; this is the same reason Cain killed Abel. Cain could not rule with righteous Abel on the planet, so he killed him and lied about it. יהוה בן יהוה is the resurrection of Abel here today to change the whole Earth from wickedness to righteousness. And He has given the P.E.E.S.S. Foundation its POWER, its AUTHORIZATION, its ACCREDITATION, and PERMISSION to publish His Good Works that the

Earth may be full with the knowledge of יהוה and the name of His only begotten Son, יהוה בן יהוה.

Therefore, the Pope cannot rule with the P.E.E.S.S. Foundation publishing divine revelations inspired by the Spirit of Truth, יהוה בן יהוה. For this reason, the Pope shall attack The Nation of יהוה and those of us who keep the laws of God, יהוה, and have the testimony of Christ, יהוה בן יהוה. He shall make war with us because we are disclosing revelations from God, יהוה, that are in accord with facts, are logically necessary, and follow sound reasoning from established truths.

The manner in which he shall attack us and make war with us is through an utterance of false charges or misrepresentations, which is intended to defame and damage our reputation. Let us read Revelation, Chapter 12, verse 15 and 17:

*(15) And the serpent (the Pope) cast out of his mouth water as a flood after the woman, that he might cause her to be carried away of the flood.*

*(17) And the dragon (the Pope of the Roman Catholic Church) was wroth with the woman, and went to make war with the remnant of her seed, which keep the commandments of God, יהוה, and have the testimony of יהוה בן יהוה, Christ.*

The Pope's entire aim is to discredit us as interpreters of the will of יהוה in order to convince the public to not take the wisdom, knowledge, and understanding that we are publishing about the true name of God, יהוה, and His Son, יהוה בן יהוה. The Pope shall lie as he has always done, from the beginning, and declare us guilty of intentionally perverting the truth and breaching the law. But John, Chapter 8, verse 44, tells us who he is:

*Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it.*

As we have stated from the beginning of our study, the task to persecute The Nation of יהוה through the slander of the P.E.E.S.S. Foundation was an assignment given to former President George W. Bush, but he did not complete it. Therefore, the Pope of the Roman Catholic Church has given Barack Obama *his power, his seat, and great authority* to ensure that the reputation of The Nation of יהוה and the P.E.E.S.S. FOUNDATION is defamed and damaged. We shall decode the remaining clause of Revelation, Chapter 13, verse 2 to finalize our study. Let us read:

. . . and the dragon gave him his **power**, and his **seat**, and **great authority**.

As referenced in *Random House College Dictionary*, copyright 1988, on page 1039, **power** is defined as “national strength.” The word **national**, in the same source, on page 806, means “pertaining to a whole nation.” While **strength**, is “the ability to produce effect; influence.”

The Pope has given President Barack Obama the ability to produce effects, results, and outcomes; thus, able to influence a whole nation of people. He has also given him *his seat*, and *great authority*.

*The New Strong's Exhaustive Concordance of the Bible*, copyright 2000, the word **seat**, under reference number 2362, in Greek, is **thronos**, and it is transliterated as “a throne.” A **throne**, in *Random House College Dictionary*, copyright 1988, on page 1370, is “the office or dignity of a sovereign.” The word **sovereign** was defined earlier in this seminar as “president.”

In addition to influence over the whole nation, the Pope has also given Barack Obama the office and dignity of President of the United States of America, and *great authority*.

Recorded in *Webster's Third New International Dictionary*, copyright 1981, on 994, **great** is defined as “considerable in magnitude or intensity;

far reaching; big in scope.” **Authority**, on page 148, is “superiority derived from a status that comes with it the right to command and give final decisions.”

From these facts, it is clear that the Pope has given Barack Obama superiority derived from his status of President of The United States of America. This office carries with it the right to command the nations of the Earth by issuing or giving final decisions on various matters that cross international borders. These final decisions are considerable in magnitude or intensity in that they are far reaching and big in scope.

The Pope has given President Barack Obama all of this power to carry out what former President George W. Bush began, which is to give rise to a One World Religion of Christianity, a World Government through trade, continue to war in the Middle East with the aim of converting its people to Christianity, declare Martial Law in America due to a terrorist attack, institute the mark of the beast, and most importantly make war with The Nation of יהוה by slandering the P.E.E.S.S. Foundation.

All of this is moving very quickly and it is playing out right before our very eyes. It is because the devil knows that the return of יהוה בן יהוה is near and he has but a short time. So, he shall use his mouthpiece,

President Barack Obama to wear out the saints of the Most High, יהוה בן יהוה, by speaking great things and blasphemies against us, as he continues in the seat another forty and two months or a third term. Let us turn to Revelation Chapter 13, verse 5:

*And there was given unto him a mouth speaking great things and blasphemies; and power was given unto him to continue forty and two months.*

I thank our Savior and Redeemer, יהוה בן יהוה, for His mercy in revealing to us all of what we have heard today. He is the Interpreter of the Scriptures, and only through His guiding spirit are we able to understand these mysteries. This is not the first seminar that יהוה has revealed the wicked plans that the devil has in store for our Nation.

This is another opportunity to strengthen ourselves, and not believe the flood of lies that are coming against the servants of יהוה בן יהוה, who are diligent and faithful at fulfilling the work He gave them to do. Let us put on the whole armor of יהוה that we may stand against the wiles of the devil. Most importantly, let us remain vigilant with our eye on the prize: the Marriage Supper of the Lamb. Give all praises and glory unto the Father, יהוה, and His most beautiful Son, יהוה בן יהוה. Praise יהוה!  
Praise יהוה בן יהוה!
