

Twenty-Eighth Annual Passover/Feast of Unleavened Bread – 6011/2008

THE SEVEN LAST PLAGUES

PART 14

Praise יהוה! Praise יהוה בן יהוה! Praise יהוה! Praise יהוה בן יהוה! All honor and glory be unto our grandiose and tutelary God, יהוה, who establishes all things in heaven and in Earth. Praise יהוה! During this Passover/Feast of Unleavened Bread, let us all remember that יהוה בן יהוה, our Passover Lamb, is truly, truly sacrificed for us. For surely, יהוה בן יהוה hath borne our griefs, and carried our sorrows: smitten of God, יהוה, and afflicted.

But יהוה בן יהוה was wounded for our transgressions, He was bruised for our iniquities: the chastisement of our peace was upon Him; and with His stripes we are healed. All we like sheep have gone astray; we have turned every one to his own way; and the Lord, יהוה, laid upon יהוה בן יהוה the iniquity of us all. יהוה בן יהוה was oppressed, and He was afflicted, yet He opened not His mouth: He was brought as a lamb to the slaughter, and as a sheep before her shearers is dumb, so He openeth not His mouth.

יהוה בן יהוה was taken from prison and from judgment: and who shall declare His generation? for He was cut off out of the land of the living: for the transgression of His people was He stricken; He had done no violence, neither was

any deceit in His mouth. Yet it pleased the Lord, **יהוה**, to bruise Him; He put Him to grief: His soul has been made an offering for sin, **יהוה** shall see His seed, He shall prolong His days, and the pleasure of the Lord, **יהוה**, shall prosper in His hand.

The Lord, **יהוה**, shall see of the travail of His soul, and shall be satisfied: by His knowledge would **יהוה בן יהוה**, the righteous Servant, justify many; for He bore their iniquities. Therefore will **יהוה** divide Him a portion with the great, and He shall divide the spoil with the strong; because **יהוה בן יהוה** poured out His soul unto death: and He was numbered with the transgressors; and He bore the sin of many, and made intercession for the transgressors (Isaiah 53:4-12). Praise **יהוה** for the ultimate sacrifice that was made by His Only Begotten Son, **יהוה בן יהוה**!

Shalom Aleichem, I greet you all with excitement, and welcome you to the seminar this morning entitled, **“The Seven Last Plagues,”** Part 14. Our convergence here at the Marriott Chateau Champlain, in the world-renowned city of Montreal, Quebec, Canada, is for the purpose of observing and celebrating our **Twenty-Eighth Annual Feast of Passover and Feast of Unleavened Bread.**

As we commemorate and observe this solemn occasion, we must recognize and remember that our Hebrew Israelite forefathers served with rigor and hard bondage as slaves in the land of Egypt (Exodus 1:8-14). As a result of Pharaoh

disregarding the command by our God, יהוה, to let His people go so that they may serve Him, יהוה inflicted ten divine plagues upon Pharaoh and all his people (Exodus Chapters 7-10). Yet and still, it was not until the Mighty God, יהוה, implemented His tenth and final plague, which destroyed all of the firstborn in the land of Egypt, that Pharaoh relinquished his inferior power. It was during the Passover Night that the Lord, יהוה, went throughout all of Egypt and smote all the firstborn of man and beast who were not under His divine protection (Exodus Chapter 12). Praise יהוה! Praise בן יהוה!

At this time, let us take a few minutes to think back and bring forward the most important thoughts that were brought out in our last seminar discussion. Doing this will ensure that we keep the main points from this seminar series at the forefronts of our minds as we seek to unlock and let loose the cryptic details relevant to the pouring out of the seventh and last plague of the wrath of יהוה.

In our previous exposition of the Scripture, we unraveled the devastating reality that the televisions, radios, recording and editing machines used in the daily broadcasts of mass communications on the Earth shall produce unwanted disturbances through static and electric voltage variations. These disturbances shall interfere with the reception of clear signals that transmit impulses and radio waves to all electronic communication through satellites.

We confirmed that these electronic devices and machines shall also make and emit continuous loud and confused sounds as background echoing, re-soundings, and bounce-backs in a barrage of booms and steady drummings. And, we validated that specifically televisions and computer screens shall display unnecessary images, words, and information suddenly and repeatedly—*simple mumbo jumbo*.

Lastly, we proved that worldwide civil unrest shall result from the complete annihilation of the global mass communications system. All people who utilize any means of mass communication—whether electronic or printed, including television, radio, internet, i-pods, cell phones, Blackberries, newspapers, magazines, and periodicals regardless of gender or age—shall be clamorous and emphatic in insisting that the global political governments solve this overwhelming problem. Because of these extreme circumstances, the ending consequence shall be *vehemently* swift violence by all of the occupants and inhabitants of the Earth, especially those from largely populated cities and towns.

We validated that malicious and false statements against the Nation of יהוה shall be made public for the world to witness by the dragon, the beast, and the false prophet utilizing means from the global mass communications system. Resultantly, the entire Earth and its inhabitants shall suffer the divine retribution of our God, יהוה. Praise יהוה and יהוה בן יהוה!

The plan of action for us today is to *ratiocinate* the Word of יהוה. The word **ratiocinate** means “to think about something in a strictly logical way,” according to the *Microsoft Encarta Dictionary*, copyright 1993-2004, Computer Edition. Therefore, we shall aspire to unearth the exceptional phenomenon chronicled in Revelation, Chapter 16, verse 19 by relying on trusted educatory tools that shall lead us to form a **LOGICAL** conclusion.

However, we shall read Revelation, Chapter 16, verses 19 through 21, as we set our sights on discovering all of the ensuing constituents of the seventh and last plague of יהוה. Let us read:

[19] “**And the great city was divided into three parts, and the cities of the nations fell: and great Babylon came in remembrance before God, יהוה, to give unto her the cup of the wine of the fierceness of His wrath.**

[20] **And every island fled away, and the mountains were not found.**

[21] **And there fell upon men a great hail out of heaven, every stone about the weight of a talent: and men blasphemed God, יהוה, because of the plague of the hail; for the plague thereof was exceeding great.”**

We shall begin by becoming wise to the declaration, “*And the great city was divided into three parts . . .*” from our foundation Scripture, Revelation, Chapter 16, verse 19.

Formulated on the accuracy of *e-Sword*, Bible Computer Software, copyright 2000-2004, the Greek rendition of the word **and** is *kah-ee* validated as,

“then and moreover.” Concordant upon these meanings, we can assert that *moreover*, after the consummate obliteration of the mass communications system, *then* shall ***the great city be divided into three parts***.

With *Webster’s New World Dictionary & Thesaurus*, copyright 1998, Computer Software, as a reference, we can avow that **the** is used to identify “a particular one, a special one, and a specific one.” Wherefore, it is easy for us to insist that a particularly, specially, and specifically ***GREAT CITY shall be divided into three parts***. Praise יהוה! Praise בן יהוה!

Currently, we must put ourselves to the task of demystifying the cryptically coded *great city* in the Scripture—Revelation, Chapter 16, verse 19. We shall authenticate our claim by rationalizing the word **great** from *e-Sword*, Bible Computer Software, copyright 2000-2004, which under the Greek Dictionary number 3173, is pronounced *meg’-as*, and upheld as “*big* (literally or figuratively).” According to the *Noah Webster’s 1828 Dictionary*, copyright 1828, Adobe Computer Software Edition, **big** is confirmed as being “swelled and inflated as with pride.”

Pride is clearly explained as “inordinate self-esteem; an unreasonable conceit of one’s own superiority in talents, beauty, wealth, accomplishments, rank or elevation in office, which manifests itself in lofty airs and often in contempt of

others.” **Inordinate** is the same as “excessive” (these definitions are also on the authority of *Noah Webster’s 1828 Dictionary*, copyright 1828).

Henceforth, we can surmise that a particular, special, and specific **CITY** has become swollen and inflated with an unreasonable amount of self-esteem. Even more so, this **CITY** boasts an excessive level of conceit, so much so that it is globally depicted as being superior in talents, beauty, wealth, and accomplishments. And, on top of all that, this **CITY** puts on tremendously lofty airs and displays unbridled contempt of others by ranking and elevating itself unscrupulously high in office. That is only the tip of the iceberg.

Further elucidation on the word **great** based upon the *Thayer’s Greek Definitions of e-Sword*, Bible Computer Software, from the same number 3173, is interpretive “of things which overstep the province of a created being, proud (presumptuous) things, full of arrogance, derogatory to the majesty of God, **גָּדוֹל**.” A **thing** is tantamount to an “entity and body” (conformable to *Bartlett’s Roget’s Thesaurus*, copyright 1996, number 717.3, on page 633).

Now, before we give credence to the words **entity** and **body**, let us clear up any questions concerning what it truthfully means to *overstep province by being derogatory to the majesty of God, **גָּדוֹל***. Once again, based on *Noah Webster’s 1828 Dictionary*, copyright 1828, **province** is “the proper business of a person.” It is also “the range of one’s proper duties and functions; jurisdiction” (as denoted in

the *American Heritage Talking Dictionary and Thesaurus*, copyright 1997, Computer Software). **Business** from this same source is “one’s rightful or proper concern or interest.” And, **jurisdiction** is verified as “the authority to enforce laws or pronounce legal judgments.”

Following this sequence of thought, first, we can settle on the fact that certain persons, simply put, overstepped their proper business. Second, these persons overstepped the range of their proper duties and functions by expanding their previous authority to enforce the law of the land and make legal judgments outside of their rightful concern and interest.

Well, we must presently ask ourselves three questions, 1) how could these persons achieve this, 2) unto whom were these actions enacted against, and 3) why were these particular actions taken? To discern the answers, we must expound on the words *derogatory* and *majesty*.

While **derogatory** is delineated as “expressing a low opinion or negative criticism and showing a disrespectful attitude”; on the opposing hand, **majesty** is “the quality or state of a person which inspires awe or reverence in the beholder; applied with peculiar propriety to God, יהוה, and His works.” **Majesty** is also “dignity and grandeur.” **Propriety**, “in a moral sense, consists of conformity to the moral law.” These definitions were gathered from the *Microsoft Encarta Dictionary*, copyright 1993-2004, the *New Oxford American Dictionary &*

Thesaurus, copyright 2000, and the *Noah Webster’s 1828 Dictionary*, copyright 1828, Computer Software Editions.

Judging the merits of these facts, we can unequivocally attest that certain persons who overstepped the range of their proper duties and functions by expanding their previous jurisdiction outside of their rightful concern and interest did so because of their blatantly expressed low opinion of the dignity and grandeur of the great God, יהוה. These persons unambiguously flaunt negative criticism of and a disrespectful attitude toward the qualities of the true and living God, יהוה, who ordinarily inspires awe and reverence. But, most of all, these ill-feelings are peculiarly applied to our Messiah, יהוה בן יהוה, and the marvelous works that He accomplished resulting from His firm conformity to and teaching of the moral law of יהוה as found in the Holy Bible.

In keeping with this line of reasoning, we now know of a certainty that the **GREAT city** in Revelation, Chapter 16, verse 19, is in reality representative of *things that overstep province*—persons who have expanded their rightful authority to enforce laws and make legal judgments for other purposes. Likewise, we previously defined a **thing** as tantamount to an “entity and body.” Therefore, at this time, let us take the cloak off of the hidden identities of the persons characterized under the words *entity* and *body*.

Deferring once again to the *Bartlett’s Roget’s Thesaurus*, copyright 1996, **entity** located under the number 752.2 for **association**, on page 663, is the same as an “assembly and committee.” And **body**, documented on pages 77 and 78, from the number 49.21 for **United States government**, is the “federal government; executive branch, president, cabinet; legislative branch, Congress, Senate, Upper House, House of Representatives; judicial branch, judiciary, and Supreme Court.”

Thusly, we can determine that Revelation, Chapter 16, verse 19, is actually depictive of the **UNITED STATES GOVERNMENT**. All members of the U.S. government, its assemblies and committees, especially the federal government, which comprises the executive branch of the U.S. government, including the president and all of his cabinet members are proud and presumptuous persons full of arrogance. They all have ill-feelings toward our Messiah, **יהוה בן יהוה**, and discredit the works He performed among the so-called Black people of America.

In like manner, the legislative branch of the U.S. government, including the Congress, the Senate, the Upper House, and the House of Representatives are proud, presumptuous, and arrogant persons with negative feelings toward the Messiah, **יהוה בן יהוה**, and deny the works that He executed on the world stage. Last, but surely not least, the judicial branch of the U.S. government, including the judiciary and the Supreme Court are presumptuous and arrogant persons who clearly demonstrate their disrespectful attitudes toward the Messiah, **יהוה בן יהוה**,

and refute the great works He carried out for all righteous people on the planet Earth. All of these sectors of the United States government encompass the **CITY** that is scripturally damned and condemned, as it *shall be divided into three parts*.

Praise יהוה! Praise בן יהוה!

Continuing on in our course of study, because our foundation Scripture, Revelation, Chapter 16, verse 19, distinguishes this **GREAT CITY**, we must emphasize its profound significance with regard to the events particular to the pouring out of the seventh and last plague of יהוה. In order to do this, we must provide a vivid description and explanation of this *city*.

Referring to *The New Strong’s Expanded Exhaustive Concordance of the Bible*, Red-Letter Edition, copyright 2001, page 59 of the Greek Dictionary, reference number 4172, gives the pronunciation of **city** as *pol-is*. **Polis** is certified as “a town (properly with walls).” A **town** is considered as “the inhabitants of the metropolis” (according to *Noah Webster’s 1828 Dictionary*, copyright 1828, Adobe Computer Software Edition).

In collaboration with *The Synonym Finder* by J.I. Rodale, copyright 1978, on page 574, while **inhabitants** are “incumbents”; an **incumbent** is “somebody currently holding an official post, especially in a political organization” (based on the *Microsoft Encarta Dictionary*, copyright 1993-2004, Computer Edition). Even more, in *The Synonym Finder*, on page 727, a **metropolis** is “a capital city.”

As established from the *American Heritage Talking Dictionary and Thesaurus*, copyright 1997, Computer Software, a **capital**, spelled C-A-P-I-T-A-L, is delineated as “a town or city that is the official seat of government in a political entity, such as a nation.” From the same source, **capitol**, spelled C-A-P-I-T-O-L, is soundly validated as “the building in Washington, D.C., where the Congress meets.” Furthermore, in *Merriam-Webster’s 11th Collegiate Dictionary*, copyright 2003, Computer Software, in the *etymology*, it states “**Capitol Hill**, Washington, [is the] site of the United States Capitol.” It is also “the legislative branch of the United States government.”

By virtue of all these ensuing facts, we can infer that the **CITY** being discussed is, in fact, the *Capitol* or official seat of government for politics in the nation called the UNITED STATES OF AMERICA. Moreover, this **CITY** is the location where precise persons currently hold official posts. But, of more significance, is the assurance that this is none other than the **CITY** of Washington, in the District of Columbia, where the legislative branch of the United States government—Congress—meets in a building or place presently called **CAPITOL HILL**.

Earlier, our Bible Greek definition of **city** was “a town (properly with walls).” Since we now have the understanding that this *city* is the United States Capital—Washington, D.C., particularly the place known as **Capitol Hill**—then an

explanation must be given of the *walls* which surround it. Subsequently, trusting the veracity of *e-Sword*, Bible Computer Software, copyright 2000-2004, the Hebrew Dictionary reference number 2435, gives the spelling for **wall** as **חֵיטְסוֹן** (Chet, Yod, Tsade, Wav, Nun-Sofet), pronounced *khee-tsone'*. **Chiytson** is defined as “figuratively *secular* (as opposed to sacred): without.”

Consistent with the *Noah Webster’s 1828 Dictionary*, copyright 1828, Adobe Computer Software Edition, **secular** is noted as “pertaining to the present world, or to things not spiritual or holy.” Additionally, it confirms that **secular power** is “the civil or political power; and is contradistinguished from *spiritual* power.”

In this same trusted source, while **temporal** is denoted as being “opposed to spiritual”; consequently, **spiritual** is signified as “of, from, or relating to God; deific” (as documented in the *American Heritage Talking Dictionary and Thesaurus*, copyright 1997, Computer Software). **Deific** is synonymous to “divine,” and **sacred**, from our previously given Hebrew definition, also from *Noah Webster’s 1828 Dictionary*, represents anything “proceeding from God and containing religious precepts; as the sacred books of the Old and New Testament.”

Weighing the integrity of these meanings, we can heretofore conclude that the **WALL** which surrounds the “city” identified as the United States Capital—Washington, D.C.—actually symbolizes that all activities and actions which take

place there pertain only to the present world and to things that are not spiritual or holy. Needless to say, the civil and political powers established on **Capitol Hill** are severely and ruthlessly opposed to the spiritual power that emanates exclusively from God, **יהוה**, Himself through His Son, **יהוה בן יהוה**.

On top of that, we can vigorously assert that the United States government acts entirely “without” *divine* guidance and leadership. In all aspects and for all intents and purposes, the U.S. government has made known to the world that anything of, from, or even relating to the laws of God, **יהוה**, is strictly prohibited. This adds up to our being able to profess indubitably that the laws, statutes, judgments, and commandments, which proceed directly from God, **יהוה**, utterly contained within the precepts of the King James Version of the Holy Bible—expressly recognized as the sacred Books of the Old and New Testament—are to the highest extent rendered null and void by those who govern this country.

Prime examples of these truths are evidenced throughout this country. For one, there is a separation of church and state which mandates that all public institutions, regardless of their sponsors or beneficiaries, pay no attention to anything religious or have anything to do with the Holy Bible. This applies to all public schools, universities, hospitals, companies, etc. Secondly, there are hardly any Bible based programs on the television or radio. No, we are constantly bombarded with the visual images of violence, murder, theft, gluttony,

drunkenness, envy, jealousy, cheating, hatred, promiscuity, vanity, and the list goes on.

But most of all, the fact that the government of America judicially murdered the world’s Messiah, our God, **יהוה בן יהוה**, is the ultimate example of opposition to and disdain for the power of **יהוה**. As a result, the U.S. government and all its entities and branches who have expanded their rightful authority to enforce their laws and make legal judgments for the purpose of persecuting our Redeemer, **יהוה בן יהוה**, and our Nation, because of their disrespect for His Father, **יהוה**, *shall be divided into three parts*. Let us all turn to and read Isaiah, Chapter 10, verses 1 and 3:

[1] **“Woe unto them that decree unrighteous decrees, and that write grievousness which they have prescribed;**

[3] **And what will ye do in the day of visitation, and in the desolation which shall come from far? to whom will ye flee for help? and where will ye leave your glory?”**

Though unrighteous decrees and illegal judgments were passed against the Messiah, **יהוה בן יהוה**, and His Nation—the Nation of **יהוה**—the day of visitation is soon to come upon America. Praise **יהוה**! Praise **יהוה בן יהוה**!

At this time, let us define the word **divide**, the present tense of the word **divided**, since it is used unmistakably in our foundation Scripture to describe what

shall happen to the official seat of government in the United States—Washington, D.C.—especially Capitol Hill.

Taking into consideration the perfection of *e-Sword*, Bible Computer Software, copyright 2000-2004, the Hebrew Dictionary number 6565 for the word **divide**, is spelled from right to left פַּרַר (Pey, Resh, Resh), pronounced *paw-rar*. **Parar** means “to break up and dissolve.” It further means to “make of none effect, fail, come to naught, and make void.”

According to the *Merriam-Webster’s 11th Collegiate Dictionary*, Computer Software, to **break up** is dictated as “to cease to exist as a unified whole.” In the *Microsoft Encarta Dictionary*, Computer Edition, to **break up** is “to separate something into pieces or sections.” Moreover, to **break up** is also “to disrupt the continuity or flow of” (documented again from *Merriam-Webster’s 11th Collegiate Dictionary*). Lastly, conferring with *Noah Webster’s 1828 Dictionary*, to **dissolve** connotes “to loose the ties or bonds of any thing; to destroy a connected system; as to dissolve a government.”

Based on these observations, we can determine that the official seat of government in the United States—Washington, D.C., especially Capitol Hill—shall be disrupted, so much so that it shall cease to exist as a unified whole. What’s more, the U.S. government shall be separated into **THREE** particular pieces or sections that will disrupt its normal or usual continuity or flow of activity.

Essentially, as a component of the seventh plague, the Lord, יהוה, shall loose the ties or bonds of this country’s government in order to destroy its connected system. Subsequently, the U.S. government shall be made of none effect, made void, and eventually come to naught. To put it in plain words, the current system of government that is in place shall *fail*.

What is the significance behind the U.S. government being divided **INTO THREE PARTS**? Well, the preposition **into** is labeled in the *New Oxford American Dictionary & Thesaurus*, copyright 2000, Computer Software, as “expressing a change of state” and “expressing division.” Acting on the factuality of the *American Heritage Talking Dictionary and Thesaurus*, copyright 1997, Computer Software, **three** is classified as “something having three parts or units.”

In *The Synonym Finder*, by J.I. Rodale, copyright 1978, while a **part** is a “precinct”; a **precinct** is “a district of a city or town under a particular unit of the police force.” Following this same line of thought, a **unit** is substantiated as “a group of military personnel with a particular function organized as a subdivision of a larger body.” These definitions are given in the *Microsoft Encarta Dictionary*, copyright 1993-2004, Computer Software.

Wherefore, we can presume that the U.S. government, located in the capital city of Washington, D.C., shall change from its original state because of its division into three city districts that shall come up under a particular unit of the

police force. To add to that, these three city districts shall be placed under the guard of a group of military personnel with a particular function. However, this group of military personnel shall be organized as a subdivision of a much larger military body.

Now, we must ask, what does this mean with regard to the members of the U.S. government who work and reside in the capital of Washington, D.C., and its surrounding suburbs? Well, let us find out.

In pursuit of the answers to the previous question, the *Microsoft Encarta Dictionary*, copyright 1993-2004, Computer Edition, clarifies that a **police force** is “an organized body of police with jurisdiction within a particular geographic area or over a particular group of people.” The *New Oxford American Dictionary & Thesaurus*, copyright 2000, Computer Software, ratifies that **the police** are “the civil force of a federal or local government, responsible for the prevention and detection of crime and the maintenance of public.” This same source confirms that **the police** are also “an organization engaged in the enforcement of official regulations in a specified domain.”

Based on our perception of these definitions, we can assert that certain members of the United States government who work and reside in the capital of Washington, D.C., and its surrounding geographic areas (suburbs) shall be broken up into **THREE** city districts under the control and jurisdiction of an organized

body of police. This civil force shall be responsible for the prevention and detection of crime and public maintenance in this specified domain while they enforce official regulations. At the same time, these three city districts shall be placed under the guard of a group of military personnel with a particular function organized as a subdivision of a much larger military body.

Who are the **military personnel** that shall be responsible for policing these **THREE** city districts? On an account found in the *Microsoft Encarta Dictionary*, Computer Edition, the **military** is “the armed forces or high-ranking members of the armed forces.” Likewise, the **armed forces** are the “army, navy, marines, and air force: the combined bodies of troops of a country who fight on land, at sea, or in the air.”

In keeping with this line of explanation, the *Random House Webster’s College Dictionary – Word Genius*, copyright 2004, Computer Edition, describes the **military** as “military personnel, esp. commissioned officers.” Also, this same dictionary supplies **personnel** as “persons,” and vouches that a **commissioned officer** is “a military or naval officer holding rank by commission.” Moreover, a **commission** is not only “an authoritative order or charge,” but it is also “a document conferring authority issued by the president of the U.S. to officers in the military services.”

These solidified definitions allow us to determine that members of the United States government who work and reside in the capital of Washington, D.C., and its surrounding geographic areas (suburbs) shall be broken up into **THREE** city districts under the control and guard of combined troops from the army, navy, marines, and air force. But, most paramount, is the fact that these persons shall be especially commissioned officers. This means that specifically high-ranking military officers shall receive an authoritative order and charge issued directly from the President of the United States in the form of a document (an executive order) conferring them authority over the particular **DOMAIN** of Washington, D.C.

Praise יהוה! Praise יהוה בן יהוה! Though this information may be absolutely astonishing to you, it was all divinely written in the book by בן יהוה יהוה entitled “**CONCENTRATION CAMPS.**” On page 36 of this revelatory exposé it reads in part:

Preliminary Memo: Department of Interior

“Under KING ALFRED, the nation has been divided into 10 Regions (see map).”

On the following map, REGION 1 is labeled as the **Capital Region**.

As we move further in our study, don’t forget that we emphasized earlier that **the police**—who were proven to actually be the United States armed forces—

shall enforce official regulations in a specified domain. So, what exactly is a *domain*? Considering the respectability of *Bartlett’s Roget’s Thesaurus*, copyright 1996, in the index on page 918, while the word **domain** says to see number 566.3, labeled as **dominion**; this reference number leads to number 832.1, on page 735, identified as **subjection**, which is classified as “inferior status, dependence, disenfranchisement, loss of rights, loss of freedom, and involuntary servitude.” Furthermore, number 832 prints to see number 55 for **prison**, which on page 85, is straightforwardly corroborated as “prison camp, concentration camp, internment camp, and detention center.”

Currently, we can presume that explicit members of the United States government who work and reside in the capital of Washington, D.C., shall eventually lose their prominent positions and be brought to an inferior status. This high-flying and leading group of people shall become totally dependent upon a *separate* organization as a consequence of losing all of their rights and freedoms.

Even more so, these particular individuals shall be placed under involuntary servitude in **THREE** precisely categorized detention centers. Thus, the surrounding geographic areas (suburbs) of Washington, D.C., shall come under the guard of combined troops from the U.S. army, navy, marines, and air force specifically authorized by the President of the United States after being broken up into prison camps, concentration camps, and internment camps. To be completely

blunt about it, these individuals shall also be utterly disenfranchised; meaning, they shall be deprived of their legal rights, privileges, and their assumed immunity. These astounding claims are validated in the Scriptures, therefore, let us read Isaiah, Chapter 24, verses 21 and 22:

[21] “And it shall come to pass in that day, that the LORD, יהוה, shall punish the host of the high ones that are on high, and the kings of the earth upon the earth.

[22] And they shall be gathered together, as prisoners are gathered in the pit, and shall be shut up in the prison, and after many days shall they be visited.”

These verses prove that some of those who presently sit on high as government officials in this country shall, in due course, become prisoners themselves as recompense from, יהוה, for their roles in the persecution of His Son, יהוה בן יהוה, and the Nation of יהוה. Praise יהוה! Praise יהוה בן יהוה!

Now, how in the world is all of what we have uncovered going to be possible? In seeking adequate justification for these circumstances to come about, we must refer back to our *Bartlett’s Roget’s Thesaurus* definitions of the word *domain* to obtain a second perspective. Remember, we ascertained that the United States armed forces—particularly, specific persons from within the army, navy, marines, and the air force—shall enforce official regulations in a specified domain. Under the reference number 566.1, a **domain** is clearly denoted as a “dictatorship.”

Examining the ethicality of *Merriam-Webster’s 11th Collegiate Dictionary*, copyright 2003, Computer Software, a **dictatorship** is delineated as “a government organization or group in which absolute power is so concentrated.” Henceforth, we have plain verification that *one* governmental group or organization shall have absolute power enough to enact the aforementioned conditions. Thus, we must take time to identify this group by defining the word **three** from another viewpoint.

Since the number word *three* is used in our foundation Scripture, it not only refers to the **PARTS** that the **GREAT CITY** shall be split up into, but it also serves to identify the persons with whom the authority to implement these circumstances shall be placed. That being the case, given the flawlessness of the *American Heritage Talking Dictionary and Thesaurus*, copyright 1997, Computer Software, **three** is etymologically defined as “Middle and Old English *thri*. See *trei*.” Under the word **trei**, spelled t-r-e-i, one of its important derivatives is “tertiary.”

Now here is where it gets extremely interesting. Based upon the credibility of the *Random House Webster’s College Dictionary – Word Genius*, copyright 2004, Computer Edition, while, a **tertiary** is equivalent to “a member of a Third Order”; the **Third Order** is “a Roman Catholic order whose members live in the secular world.” In addition, whereas **secular** is sanctioned as “not spiritual in nature”; **nature** is comparable to “character and quality.”

Besides that, another definition of the **Third Order** is “an association of persons (*tertiaries*) affiliated with a religious order, esp. the Dominican,” (as established in the *Webster’s New World Dictionary & Thesaurus*, copyright 1998, Computer Software). We previously expressed **spiritual** as “of, from, or relating to God; deific.” And, **deific** was synonymous to “divine.”

These deductions altogether help us to state that absolute government authority shall be wielded by members of a **ROMAN CATHOLIC ORDER** who have exceptionally worldly lifestyles. As such, they are without any god-like characteristics and qualities, neither do they have any connection with the divine laws of יהיה. This small association of persons—*tertiaries*—are, on the whole, affiliated with a *religious order*, especially the *Dominican*.

At this juncture, to make sure that we leave no stones unturned and no questions unanswered, we must throw light on what a “religious order” actually is. Plus, we must demystify what a “Dominican” truly is. Acting on the factuality of the *American Heritage Talking Dictionary and Thesaurus*, Computer Software, it summarily states that “**religious orders** are found in the Eastern Orthodox Church and the Roman Catholic Church.” To a greater extent, it exclaims, “the Jesuits are a religious order.”

On an account in the *Noah Webster’s 1828 Dictionary*, copyright 1828, Adobe Software Edition, a **Jesuit** is “one of the Society of Jesus, founded by

Ignatius Loyola; a society remarkable for their cunning in propagating their principles.” Likewise, **Dominicans** are authenticated from this same source as “an order of religious monks, called also Jacobins.” Once again, relying on the aforementioned scholarly tool, it insists that “a **Jacobin** is the member of a club who opposes government in a secret manner or by violent means; a turbulent demagogue.”

Conclusively, the *Merriam-Webster’s 11th Collegiate Dictionary*, Computer Software, bears witness that a **demagogue** is “a leader who makes use of popular prejudices and false claims and promises in order to gain power.” In the *Microsoft Encarta Dictionary*, Computer Edition, **demagogue** is also identified as “a political leader who gains power by appealing to people’s emotions and prejudices rather than their rationality.” Complying again with the *Bartlett’s Roget’s Thesaurus*, copyright 1996, on page 1197 of the index, the title **political leader** says to see number 50.7 as a reference. However, under the number 50.8 for **elected official**, it leads to number 49 for **government**, which blatantly supplies “president,” under number 49.21 for **United States government**.

Pouring over the veracity of all the above implications, we have discovered that a small association of persons—*tertiaries*—are members of the **ROMAN CATHOLIC ORDER** called the Society of Jesus. This small society of persons, called Jesuits, have been and are to this day remarkably cunning in propagating

their principles concerning the Christian religion and its god—Jesus Christ—around the world. Fundamentally, these people intrinsically oppose the ***THEOCRATIC GOVERNMENT OF יהוה*** in secret. What’s more, when the time comes, they shall noticeably oppose the government of יהוה by violent means.

Ultimately, this minority group of persons shall possess *absolute* government authority in the United States of America at a precise time for the express purpose of implementing their strategy to place all “dispensable” and “useless” political officials into detention centers, concentration camps, and internment camps along with all dark-skinned people. To add to all of this hard data, this minute group shall have a “leader” who has made use of not only popular prejudices and stereotypes to receive the acceptance of the people, but, more so, he has made false claims and promises to the public in order to achieve his power.

Presently, as done earlier, we will refer back to the book entitled ***“CONCENTRATION CAMPS”*** by יהוה בן יהוה, to provide evidence that these declarations are indeed a statement of facts. On page 7, יהוה בן יהוה divulges that:

“‘REX 84’ has another even more closely guarded and carefully orchestrated secret objective: To apply the so-called C&C (capture and custody) measures against political opponents. This means anybody that is a politician that talks against the Republican or Democratic Party is going to be rounded up. All resisters—tax resisters, army resisters—will be rounded up. All outspoken critics of

America, whom the ruling minority considers dangerous, will be picked up. They are starting to do it. Anybody he just thinks in his mind is dangerous to his rulership is going to be picked up.”

In essence, the “leader” in charge of this devious plan shall be the President of the United States of America, **GEORGE W. BUSH**, who has gained his power by appealing to the emotions of the American people rather than their rationality. He has accomplished this by placing fear in their hearts and minds about catastrophic terrorist attacks on this country. Contrastingly, though many people have become wise to the fact that he is a pathological liar and acutely lacking in mental capability, it is much too late for him to be removed out of his seat. He must complete the task that was “divinely” placed upon him by the one true God, **יהוה**—he can do nothing more and nothing less.

Our God, **יהוה**, gives us a specific command in Jeremiah, Chapter 51, verses 45 through 49, concerning the times to come. At the same time, these Scriptures foretell the imminent judgment of Babylon. Therefore, let us read these verses in one accord:

[45] “My people, go ye out of the midst of her, and deliver ye every man his soul from the fierce anger of the LORD, יהוה.”

[46] And lest your heart faint, and ye fear for the rumour that shall be heard in the land; a rumour shall both come one year, and after that in another year shall come a rumour, and violence in the land, ruler against ruler.

[47] Therefore, behold, the days come, that I will do judgment upon the graven images of Babylon: and her whole land shall be confounded, and all her slain shall fall in the midst of her.

[48] Then the heaven and the earth, and all that is therein, shall sing for Babylon: for the spoilers shall come unto her from the north, saith the LORD, יהוה.

[49] As Babylon hath caused the slain of Israel to fall, so at Babylon shall fall the slain of all the earth.”

Praise יהוה! Praise בן יהוה!

We have reached the conclusion of our seminar discussion for today. To summarize all that we have brought to light that the official seat of government in the United States—Washington, D.C.—especially Capitol Hill shall be separated into **THREE** particular pieces or sections that will disrupt its normal or usual continuity or flow of activity. As an element of the seventh plague, the Lord, יהוה, shall loose the ties or bonds of this country’s government in order to destroy its connected system.

Even more, we can assert that certain members of the United States government who work and reside in the capital of Washington, D.C., and its surrounding geographic areas (suburbs) shall be broken up into **THREE** city districts under the control and jurisdiction of an organized body of troops from the army, navy, marines, and air force. These persons shall be especially

commissioned high-ranking military officers who receive authoritative (or executive) orders issued directly from the President of the United States in the form of a document giving them authority over the particular *DOMAIN* of Washington, D.C.

Lastly, we revealed that a small minority group established within the *ROMAN CATHOLIC CHURCH*, called the Society of Jesus, shall possess *absolute* government authority in the United States of America at a precise time for the express purpose of executing a strategy to place all dispensable and useless political officials into detention centers and internment camps along with all dark-skinned people of the world. In conclusion, the leader in charge of this diabolical plot shall be the President of the United States of America, *GEORGE W. BUSH*, who has gained his power by appealing to the emotions of the American people rather than their rational minds. Nevertheless, all of these circumstances are part of the master plan being put into effect by the Mighty God, יהוה בן יהוה, to bring about the absolute and utter destruction of this land called America. Praise יהוה!
Praise יהוה בן יהוה!

As always, I pray that we have all been imbued with the Divine Word of our Father, יהוה, as written in His holy Book—the King James Version of the Bible—decoded through the divine Ten Step Study Method of יהוה בן יהוה. I look forward to seeing you all in our next seminar, “*The Seven Last Plagues*,” Part 15,

when we shall continue to unravel the mysteries pertaining to the seventh and last plague of יהוה in Revelation, Chapter 16, verse 19, that is full of the fierceness of His wrath. Praise יהוה! Praise בן יהוה! Shalom Aleichem!
