

THE SEVEN LAST PLAGUES

PART 15

All praises be unto the most high God, יהוה, from whom all things—good or evil—are made manifest in this world and the entire universe. Our God, יהוה, is the only God who actually lives and breathes; therefore, יהוה is the only God worthy of reverence and worship from not only those of us in this ballroom today, but all peoples, nations, kindreds, and tongues who inhabit His planet Earth. Praise יהוה!

Likewise, our utmost homage and tributary exaltation must be given unto יהוה בן יהוה. Know of a surety that יהוה בן יהוה is without equal among all things; neither is there anyone or anything in existence that is comparable unto יהוה בן יהוה. For Christ, יהוה בן יהוה, is not entered into the holy places made with hands, but into heaven itself, now to appear in the presence of God, יהוה, for us.

Moreover, יהוה בן יהוה should *not* offer Himself often, as the high priest entereth into the holy place every year; for then must He often have suffered since the foundation of the world. But, now once in the end of the world hath He appeared to put away sin by the sacrifice of Himself. So Christ, יהוה בן יהוה, was

once offered to bear the sins of many; and unto them that look for Him shall He appear the second time without sin unto salvation (Hebrews 9:24-28).

For this cause shall **יהוה בן יהוה** be proclaimed as the Anointed, the Expected One, God Incarnate, God in Man, the Ideal Man, Perfected Humanity, and the Incarnate Word. **יהוה בן יהוה** has made intercession for not only our transgressions of the law of **יהוה**, but for the transgressions of the entire world. Wherefore, **יהוה בן יהוה** shall be declared as the Mediator, the Intercessor, the Man of Sorrows, the Crucified, the Lamb of God, **יהוה**, and the Offering of the Lord, **יהוה**. Praise **יהוה**! And, praise **יהוה בן יהוה**!

Shalom Aleichem, and welcome to this grand occasion, the **Twenty-Eighth Annual Passover and Feast of Unleavened Bread**, in the solar year of our Lord and Savior, **יהוה בן יהוה**, 6011. Also, I give a hearty and joyful reception to all of you as we assemble at the only place where our God, **יהוה**, has chosen to place His illustrious name—the Marriott Chateau Champlain, in Montreal, Quebec, Canada. During this solemn feast, let us continually meditate and contemplate on the miraculous feat performed by our God, **יהוה**, when He brought our forefathers and a mixed multitude out of bondage in the land of Egypt (Exodus, Chapter 12). And, let us be immensely thankful that our Messiah, **יהוה בן יהוה**, shall return to do the same for us and all righteous people in this day and time. Praise **יהוה**!

Presently, we shall focus all of our attention today on a discussion entitled, “**The Seven Last Plagues,**” Part 15. Therefore, as we commence our current intellectual studies, we must supply a brief synoptic overview of the astounding revelations from Part 14.

Our research allowed us to shine a bright light on the fact that the official seat of government in the United States—Washington, D.C., especially Capitol Hill—shall be separated into **THREE** city districts under the control and jurisdiction of an organized body of troops from the army, navy, marines, and air force. These especially commissioned high-ranking military officers shall receive authoritative (or executive) orders issued directly from the President of the United States, in the form of a document, giving them authority over the particular **DOMAIN** of Washington, D.C.

In addition, the facts revealed that a small minority group, established within the **ROMAN CATHOLIC CHURCH**, called the Society of Jesus, shall possess *absolute* government authority in the United States of America at a precise time. Their express purpose shall be to execute a strategy to place all dispensable and useless political officials into detention centers and internment camps, along with all dark-skinned people of the world.

Conclusively, the intelligence we gathered from some of the world’s most credible literary authorities confirmed that the leader in charge of this diabolical

plot shall be the President of the United States of America, **GEORGE W. BUSH**, who has gained his political power by appealing to the “emotions” of the American people rather than to their *rational* minds. However, every aspect of these forthcoming conditions make up the master plan being put into effect by the One true God, יהוה בן יהוה, as He brings about the consummate, prophetic obliteration of modern-day Egypt—America. Praise יהוה! Praise יהוה בן יהוה!

At this time, let us all turn to the Scriptures located in the Book of Revelation and read Chapter 16, verses 19 through 21, as we continue to bring out into the open each element that relates to the pouring out of the seventh and last plague of יהוה. Let us read:

[19] “And the great city was divided into three parts, and the cities of the nations fell: and great Babylon came in remembrance before God, יהוה, to give unto her the cup of the wine of the fierceness of His wrath.

[20] And every island fled away, and the mountains were not found.

[21] And there fell upon men a great hail out of heaven, every stone about the weight of a talent: and men blasphemed God, יהוה, because of the plague of the hail; for the plague thereof was exceeding great.”

In our last seminar study, we became aware of the actual meaning of the declaration, “*And the great city was divided into three parts . . .*,” from our foundation Scripture, Revelation, Chapter 16, verse 19. Because this particular Scripture includes several important incidences, we must take our time to give each

segment its due consideration. Hence, let us move forward to the following action in this verse, which is explained through the significant announcement, “*and the cities of the nations fell*”

Since the initial phrase of Revelation, Chapter 16, verse 19 ends with a comma, we must explain why this is the case before we move along to decode our words of interest. According to the *Merriam-Webster’s 11th Collegiate Dictionary*, copyright 2003, Computer Software, a **comma** is “used especially as a mark of separation within the sentence.” This uncomplicated definition allows us to ascertain that the comma after the first assertion in our foundation Scripture signifies that it is a totally separate event from the subsequent one.

Wherefore, we can attest that even though *the great city was divided into three parts*, it is completely separate from the fact that *the cities of the nations fell*. Nevertheless, both events are connected in that *the cities of the nations shall fall* because *the great city shall be divided*. Now that we have established those pivotal points, we can begin to elucidate further on our research Scripture, starting with the word **and**.

Granting the veracity of *e-Sword*, Bible Computer Software, copyright 2000-2004, the Greek interpretation of the word **and**, located under the reference number 2532, is pronounced *kah-ee*. **Kai** is established as, “so and therefore.” While the word **so** is an adverb that is documented as “in the same way”; in

addition, **therefore** is also an adverb which is connoted as “for that reason or cause and consequently.” These definitions are based on accounts in the *American Heritage Talking Dictionary and Thesaurus*, copyright 1997, Computer Software.

Assenting to these aforementioned implications, we can report that for the same reasons and causes *the cities of the nations shall fall* is the same way that the “great city” shall be divided into three parts. These two earth-shattering events shall serve as severe consequences directly from our God, יהוה, for particular offenses committed against Him. Praise יהוה! Praise בן יהוה!

Staying on this same track, with regard to certain *cities* in Revelation, Chapter 16, verse 19, the word **the** is “used as a function word before a noun to indicate reference to a group as a whole” (as validated in the *Merriam-Webster’s 11th Collegiate Dictionary*, copyright 2003, Computer Software). Henceforth, we can formulate an easy affirmation that our foundation Scripture references **CITIES OF THE NATIONS THAT SHALL FALL** as a whole.

At this point in our seminar, we must make use of our much relied upon analytical and investigative equipment—dictionaries, thesauruses, etc.—in order to discern the true identities of the **CITIES** that shall fall as a result of the seventh and last plague of יהוה coming into full effect. Once we accomplish this task, there will be no question about whom we are really speaking.

In searching out clarification for the *CITIES* in our foundation Scripture, we arrived at the same Greek Dictionary explanation of the singular word *city* from our previous seminar for this plural word we are defining now. Given that fact, they must be figuratively identical. Wherefore, we shall refer back to that same Greek definition as a reference for our study today.

Deferring to *The New Strong's Expanded Exhaustive Concordance of the Bible*, Red-Letter Edition, copyright 2001, page 59 of the Greek Dictionary, reference number 4172, supplies the pronunciation of **city** as *pol-is*. And **polis** is delineated as “a town (properly with walls).” We shall make plain what a *town* actually symbolizes, and then provide evidence for what the *walls* really are. Therefore, acquiescing to the *Webster's New World Dictionary & Thesaurus*, copyright 1998, Computer Software, a **town** is labeled as “inhabitants and voters.”

Based on the credibility of *The Synonym Finder* by J.I. Rodale, copyright 1978, on page 574, **inhabitants** are equal to “incumbents.” Accepting the merits of *Microsoft Encarta Dictionary*, copyright 1993-2004, Computer Edition, an **incumbent** is verified as “somebody currently holding an official post, especially in a political organization.” These easily perceptible determinations, from the word *incumbent*, allow us to conclude with all confidence that the political organizations in which persons currently hold official posts (positions) in all of the *NATIONS shall fall*.

Remember, a **town** was plainly depicted as **voters**, from our earlier stated definition of *city*. Thusly, on the authority of *Webster’s New World Dictionary & Thesaurus*, copyright 1998, Computer Software, a **voter** is classified as a “member of the electorate.” In the widely used *Bartlett’s Roget’s Thesaurus*, copyright 1996, **voter** is located on page 340, under the reference number 341.3 for **electorate**, blatantly authenticated as a “council.”

For even further justification of who **voters** actually are—as they relate to Revelation, Chapter 16, verse 19—we can refer once again to the *Bartlett’s Roget’s Thesaurus*, which establishes their identities through elucidation on the word **council**. Hence, on page 110 of the previously mentioned source, **council**, under the number 79.2 for **representative body**, is synonymous to “delegation, foreign service, diplomatic corps, legislature, and parliament.” Even more, on page 77, **council** leads us to the reference number 49 for **government**, which denotes “international government, world government, coalition government, and the United Nations.”

These ensuing facts serve to support our assertion that all international and world governments on this planet Earth, in which delegates currently hold official political positions, shall *fall*. To be absolutely frank about it, any earthly legislature or parliament that includes foreign members or diplomats in its service

shall *fall*. This is to say, beyond any reasonable doubt, all current coalition governments—especially the **UNITED NATIONS**—shall *fall*.

Now, after being enlightened with these details, it is essential that we provide a lucid description of what the **UNITED NATIONS** truthfully represents. To do this, we shall point your attention to the *Microsoft Encarta Reference Library 2004*, copyright 1993-2003, Computer Edition, which states, “[the] United Nations (UN), [is an] international organization of countries created to promote world peace and cooperation. In 1945, the United States Congress invited the United Nations (UN) to establish its permanent headquarters in the United States. The UN complex sits in Manhattan, alongside the East River, in the city of New York.”

Furthermore, it vouches that “the UN is an alliance of countries that agree to cooperate with one another. It brings together countries that are rich and poor, large and small, and have different social and political systems. Member nations pledge to settle their disputes peacefully, to refrain from using force or the threat of force against other countries, and *to refuse help to any country that opposes UN actions*. UN membership is open to any country willing to further the UN mission and abide by its rules. Each country is expected to pay dues to support the United Nations. As of 2003 the UN had 191 members, including nearly every country in the world.”

From this same source, we gain knowledge of the fact that “the United Nation’s charter established six distinct bodies that serve different functions: (1) The General Assembly, which undertakes all discussions and decisions about UN actions. (2) The Security Council, which is the most powerful body in the UN, is responsible for maintaining international peace and for restoring peace when conflicts arise. Its decisions are binding on all UN members. The Security Council has the power to define what a threat to security is, to determine how the UN should respond, and to enforce its decisions by ordering UN members to take certain actions. For example, the Council may impose economic sanctions, such as halting trade with a country it considers as an aggressor.

(3) The Secretariat, which is the UN’s executive branch, oversees the administration of the UN’s programs and policies and carries out day-to-day operations. (4) The Economic and Social Council, coordinates studies and recommends actions on international topics such as medicine, education, economics, and social needs. Some of these include population growth, narcotics trafficking, human rights, status of women, crime prevention, public finance, natural resources, and science. (5) The International Court of Justice, also known as the World Court, is the judicial arm of the UN. It hears cases brought by nations against each other. Lastly, (6) the Trusteeship Council, was responsible for

overseeing the transition of colonies to independence. It has been obsolete since 1994.”

To sum up all of this information, a key point to remember is the UN must continually secure the cooperation of its member nations because the organization has little independent power or authority. Many nations are reluctant to defer their own authority and follow the dictates of the UN.

From this point on, we can surmise first that the *UNITED NATIONS* is the premier international organization because it boasts membership from almost every country in the modernized world on its roster. Plainly speaking, this means that whether a country is *rich* resulting from possessing an abundance of natural and economic resources, or *poor* by having little or no natural or economic assets, it must comply with all dictates handed down by this global alliance.

Secondly, we can avow that all member countries must pay dues to “support” the UNITED NATIONS, even though they can be refused help and services if they oppose any actions or measures taken by the UN and do not agree to abide by its rules.

Moreover, this global confederacy not only coordinates precise studies, but it recommends specific actions for implementation on all international issues concerning medicine, education, economics, and social concerns. So that we are clear on all accounts, we can establish that the UNITED NATIONS, in particular,

determines all policies and guidelines for the entire world regarding population control, illegal drugs, the human rights people have, what women can achieve in their respective societies, how to prevent crime, public finances, the planet’s natural resources, and even classification of scientific discoveries.

Fundamentally, we have proven that the United Nations is responsible for managing all of the world’s issues and problems, plus we have discovered that its central goal is to promote global peace, cooperation, and unity. Well, since that is the case, then I have some grave questions to ask.

They are: (1) Why is there an overwhelming amount of war, genocide, and ethnic cleansing taking place in the world today as we speak? (2) Why are most of the Earth’s natural resources to the point of depletion? (3) Why are masses of people suffering from incurable sicknesses and diseases such as, AIDS and cancer on all four corners of the globe? (4) Why does most of the Earth’s population live in dire poverty? (5) Why does illegal drug abuse continue to escalate among all nations and peoples? And, (6) why is the global economy in the most severe down-slide ever?

In order for us to supply the proper explanations for all of these questions, we must refer back to one of our consistently reliable sources—*The New Strong’s Expanded Exhaustive Concordance of the Bible*, Red-Letter Edition, copyright 2001. As revealed earlier, **cities** was denoted as “a town (properly with walls).”

In keeping with that line of reasoning, *e-Sword*, Bible Computer Software, copyright 2000-2004, under the Hebrew Dictionary reference number 2435, **wall** is spelled from right to left כִּתְּוֹנָה (Chet, Yod, Tsade, Wav, Nun-Sofet), pronounced *khee-tsone'*, which describes something “figuratively *secular* (as opposed to sacred): without.”

With respect to the **walls** that encompass the **United Nations** with all of its foreign members and delegates, we now know that it truthfully signifies that they are thoroughly *secular* and fully opposed to anything *sacred*. Thusly, because the United Nations operates completely without these vital elements, we must provide full disclosure by breaking down the words *secular* and *sacred* from the above definition.

In *Noah Webster's 1828 Dictionary*, copyright 1828, Adobe Computer Software Edition, it typifies **secular** as “pertaining to the present world, or to things not spiritual or holy.” Comparatively, it cautions that **secular power** is “that which governs the temporal affairs of men; the civil or political power that is contradistinguished from *spiritual* power.”

As a matter of fact, *Noah Webster's 1828 Dictionary* also professes that **temporal** is “opposed to spiritual”; while, **spiritual**, contrastingly, is anything “of, from, or relating to God; deific” (as documented in the *American Heritage Talking Dictionary and Thesaurus*, copyright 1997, Computer Software). **Deific** simply

expresses anything that is “divine.” In addition, **sacred**, as gleaned from the aforementioned Hebrew definition, alludes to anything “proceeding from God and containing religious precepts; as the sacred books of the Old and New Testament[s]” (also from *Noah Webster’s 1828 Dictionary*).

Adopting the legitimacy of all these explanations, from here on, we can state definitively that the **UNITED NATIONS** is enshrouded within **WALLS**. These *walls* metaphorically signify that the actions, procedures, and guidelines dictated among its member nations appertain only to things that are *not* spiritual or holy.

The fact is, just as we discussed in part 14 of this seminar series, all factions, divisions, and committees that comprise the United Nations act “without” *divine* guidance and leadership. The bottom line is, the United Nations *do not* adhere to anything of, from, or even relating to the laws of God, יהיה, as taught to the world by His Son, יהוה בן יהוה.

Because the members of the United Nations have absolutely *no* regard for anything spiritual or holy, they are only able to govern the affairs of the world with a precarious lack of righteousness and morality. The essence of the matter is, *nothing* the members of the United Nations even consider, discuss, or mandate for the international community originates from the laws, statutes, judgments, and commandments of יהיה, which are found in the sacred books of the Old and New Testaments of the King James Version of the Holy Bible.

For these reasons, though the delegates within the United Nations may possess the highest degrees available from the most acclaimed public and private global academic institutions—PhDs, doctorates, MBAs, etc.—their understanding of how to rule and preside over world issues is based solely on *backward* and *foolish* knowledge. Therefore, their instruction is of naught and can never provide successful solutions to “any” of the world’s problems. Let us turn to Isaiah, Chapter 44, verses 24 and 25 to corroborate these facts:

[24] “Thus saith the LORD, יְהוָה, thy redeemer, and He that formed thee from the womb, I am the LORD, יְהוָה, that maketh all things; that stretcheth forth the heavens alone; that spreadeth abroad the earth by Myself;

[25] That frustrateth the tokens of the liars, and maketh diviners mad; that turneth wise men backward, and maketh their knowledge foolish”;

These Scriptures demonstrate that though the associates of the United Nations profess themselves to be *wise*, the Lord, יְהוָה, has unequivocally turned their collective wisdom backward and made their so-called knowledge foolish. Resultantly, as the world’s most influential leaders, they are responsible for guiding all nations down the path of wickedness, immorality, and ultimate destruction.

Even more so, we can declare without reluctance that amidst the United Nations, anything which proceeds directly from God, יְהוָה, commanded through

His Son, **יהוה בן יהוה**, is tossed aside, renounced, and dismissed. These accounts allow all to see why there is no peace, love, or harmony among the inhabitants of the Earth. Thus, the **NATIONS** who have “united” themselves against the true and living God, **יהוה**, shall **FALL**. Let us read Psalm, Chapter 9, verses 17, 19 and 20:

[17] “The wicked shall be turned into hell, and all the nations that forget God, **יהוה**.

[19] Arise, O LORD, **יהוה**; let not man prevail: let the heathen be judged in Thy sight.

[20] Put them in fear, O LORD, **יהוה**: that the nations may know themselves to be but men. Selah.”

All nations that have chosen to forget the Lord, **יהוה**, and His precepts, only put forward knowledge that is base, incorrect, and corrupt to the people of the Earth. Wherefore, the Earth has been turned into “hell” as a result of being ruled over by this conglomerate of base and corrupt *men* and *women* who resolutely deviate from the commandments of **יהוה**. Therefore, the Lord, **יהוה**, shall put all of them to fear as they are heathens that shall soon fall under His divine judgment. Praise **יהוה**! Praise **יהוה בן יהוה**!

Another Scripture that sheds light on what shall happen to the nations of the world who do not serve our God, **יהוה**, is located in the Book of Isaiah, Chapter 60, verse 12. Let us read:

“For the nation and kingdom that will not serve Thee [יְהוָה], shall perish; yea, those nations shall be utterly wasted.”

Here, we see yet again that the nations and kingdoms that do not serve or worship the Lord, יְהוָה, shall perish in the sight of His Son, יְהוָה בֶּן יְהוָה. To be absolutely blunt about it, they shall be *utterly* wasted. Praise יְהוָה! Praise יְהוָה בֶּן יְהוָה!

As we carry on with the course of our study today, our minds shall continue to be permeated with “divine” understanding from the Lord, יְהוָה, as we profess His forthcoming wrath to those who have an ear. This unquenchable *wrath*, which cometh as a whirlwind, in the form of His devastatingly exact seventh and final plague, shall **FALL** upon all **NATIONS** who have *united* themselves against the Mighty God, יְהוָה, and His only Son, יְהוָה בֶּן יְהוָה. Therefore, we shall not make assumptions and speculate about who these *nations* are. Instead, we will employ the most respectable linguistic and academic tools that are currently easily accessible and available to the public.

On those grounds, considering the respectability of *e-Sword*, Bible Computer Software, copyright 2000-2004, **nations** are documented from the Greek number 1484, pronounced *eth'-nos*, defined as “a race or tribe; specifically a foreign (non-Hebrew) one (usually pagan):-Gentile, heathen.” Documented in the *American Heritage Talking Dictionary and Thesaurus*, copyright 1997, Computer Software, a **race** is “a group of people united or classified together on the basis of

common history, nationality, or geographic distribution.” Similarly, a **tribe** is “a group of people who have something in common such as occupation, social background, or political viewpoint” (according to the *Microsoft Encarta Dictionary*).

Hence, these deductions altogether testify that the UNITED NATIONS represents all groups of people classified together according to their common history, nationality, and geographic location. Even more, this agency embodies all groups of people who have things in common such as occupations, social backgrounds, and political viewpoints. In plain words, the UNITED NATIONS is the symbolic figure for all people on the Earth. Nevertheless, it specifically personifies someone who is non-Hebrew and usually a pagan: gentile or heathen.

Thus, at this time, let us paint a vivid picture of who the people of the United Nations really are by defining the words **pagan, gentile, and heathen**. On the approval of the *Noah Webster’s 1828 Dictionary*, copyright 1828, Adobe Computer Software Edition, a **pagan** is indicative of “a person who worships false gods.” A **false** god is a god that was “intentionally made or adopted to deceive somebody”; a god that is “based on mistaken, erroneous, or inconsistent ideas and facts”; and is “used as a substitute.” (These definitions were gathered from the *Microsoft Encarta Dictionary*, and the *Random House Webster’s College Dictionary – Word Genius*, Computer Editions).

Staying on this same line of thought, under the reference number 1471 of the Hebrew dictionary of *e-Sword*, Bible Computer Software, **heathen** is spelled גי' or גי' (Gimmel, Wav, Yod or Gimmel, Yod), pronounced *go-ee*, and is confirmed as “a foreign nation, hence a gentile.” **Foreign** is akin to “unconnected.” Furthermore, an interpretation of **gentile** is positioned under the Greek number 459, pronounced *an-om-os*, meaning, “lawless, not subject to the [Hebrew] law, positively wicked: a transgressor.”

With the reliability of *Noah Webster’s 1828 Dictionary*, copyright 1828, Adobe Computer Software Edition, once again as our guide, a **gentile** is “one who is unacquainted with the true God, יהוה.” This same source also dictates that, “in the Scriptures, the word gentile seems to comprehend (or apply to) all nations except the Israelites.”

Acknowledging the soundness of all these facts, we can settle on the reality that the UNITED NATIONS symbolizes all those persons on the Earth who worship false gods; specifically, the god intentionally made up and adopted by all nationalities for the sole purpose of deception, for example: Jesus as the Christ. Belief in this man—J.C.—is altogether based on mistaken ideas as well as erroneous and inconsistent facts, though he is blatantly used and perpetrated among many nations. The blatant reality is, J.C. is in fact a substitute for יהוה בן יהוה, the Only Begotten Son of the One true God, יהוה.

More unvarnished truth is this, these nations have no connection to and are unacquainted with the true God, יהוה, or the Messiah, יהוה בן יהוה. Therefore, their ways of life are not subject to the Hebrew laws established in the King James Version of the Holy Bible, which will bring abundant peace, love, and harmony. Instead, they commit gross sins against the true God, יהוה, all day, every day, 24/7. First John, Chapter 3, verse 4, validates these claims and it reads:

“Whosoever committeth sin transgresseth also the law: for sin is the transgression of the law.”

Clearly, we can testify that the actions of these nations as a whole, can only be wicked because they continuously transgress against the holy laws of יהוה.

The Scripture, Jeremiah, Chapter 10, verse 10 also provides evidence to the fact that our God, יהוה, is the only God unto whom worship is due. Let us read:

“But the LORD, יהוה, is the true God, He is the living God, and an everlasting King: at His wrath the earth shall tremble, and the nations shall not be able to abide His indignation.”

All nations of the Earth shall tremble at the wrath of the true and living God, יהוה.

Not one of them shall be abide His burning indignation! Praise יהוה! Praise יהוה בן יהוה!

I say again, there is not *one* nation in the universe in which we live that can reject the holy and righteous laws of יהוה and think that they do not have to suffer

the consequences. The Lord, יהוה, shall seek vengeance upon those who choose to discard His precepts—most especially those who had the opportunity to accept them directly from His Humble Servant, יהוה בן יהוה.

We have now reached the conclusion of our seminar discussion, wherewith we shall decipher just what our foundation Scripture Revelation, Chapter 16, verse 19, intimates by emphasizing that the United Nations **FELL**. Our main instrument of proof shall be *e-Sword*, Bible Computer Software, copyright 2000-2004.

In this worthy source, the past tense word **fell** is designated under the Greek Dictionary number 4098, pronounced *pip'-to* or *pet'-o*, meaning, “to *fall* (literally or figuratively).” Moreover, *Thayer’s Greek Dictionary* characterizes the present tense of **fall**, which is the word **fell**, as “to fall under judgment and condemnation. To lose authority and no longer have force.”

Factoring in the soundness of *Merriam-Webster’s 11th Collegiate Dictionary*, copyright 2003, Computer Software, **fall** connotes “to leave an erect position suddenly and involuntarily.” It further avows that to **fall** is “to lose office.” And, in the *Microsoft Encarta Dictionary*, copyright 1993-2004, Computer Edition, to **fall** is to “collapse politically: to lose political power or be defeated.”

The practicality of our definitive process throughout this entire seminar discussion allows us to reach the undeniable conclusion that the **UNITED**

NATIONS, with its headquarters in the American city of New York, is the point of interest from whence all international laws and mandates are passed and handed down. Nevertheless, the Lord, יהוה, shall perform His seventh and last plague as His mechanism of judgment to condemn this confederacy of nations. Resultantly, it shall lose all of the authority it presently wields and, eventually, will no longer have any force, militarily or otherwise.

Moreover, the political delegates in each branch of the United Nations shall leave their erect positions suddenly or all at once. Compounded on that, they shall also lose their high offices involuntarily—not by choice. All in all, the enactment of the *divine* seventh plague shall cause the political infrastructure of the United Nations to wholly collapse. This unfavorable occurrence shall bring about the consummate defeat of all its power, which shall be witnessed by all the inhabitants of the world. Let us go to the Book of Knowledge to read some Scriptures that authenticate our studies. First, let us read Isaiah, Chapter 14, verses 26 and 27:

[26] “This is the purpose that is purposed upon the whole earth: and this is the hand that is stretched out upon all the nations.

[27] For the LORD, יהוה, of hosts hath purposed, and who shall disannul it? and His hand is stretched out, and who shall turn it back?”

The hand of our God, יהוה, is of a surety stretched out with a divine purpose against all evil nations of the Earth. Not one man in existence can turn it back!

Let us also turn to and read Jeremiah, Chapter 25, verses 13 and 14:

[13] “And I [יְהוָה], will bring upon that land all My words which I have pronounced against it, even all that is written in this book, which Jeremiah hath prophesied against all the nations.

[14] For many nations and great kings shall serve themselves of them [the king of Babylon] also: and I will recompense them according to their deeds, and according to the works of their own hands.”

The Lord, יְהוָה, shall bring upon the land all of His words which He has pronounced and prophesied against them. Essentially, יְהוָה, shall bring recompense upon many nations and kings who have carried out sinful deeds, and He shall judge them according to the works of their “own” hands.

Finally, let us all turn our pages to and read Zephaniah, Chapter 3, verses 8 and 9:

[8] “Therefore wait ye upon Me, saith the LORD, יְהוָה, until the day that I rise up to the prey: for My determination is to gather the nations, that I may assemble the kingdoms, to pour upon them Mine indignation, even all My fierce anger: for all the earth shall be devoured with the fire of My jealousy.

[9] For then will I turn to the people a pure language, that they may all call upon the name of the LORD, יְהוָה, to serve Him with one consent.”

The determination of the Lord, יְהוָה, is to assemble the iniquitous nations and kingdoms and pour out upon them *all* of His indignation and fierce anger. They shall be devoured with the fire of His jealousy because they have rejected Him.

But, all ye righteous servants of יהוה, wait upon His Son, בן יהוה, for He shall come back a “second time” to turn all good and moral people to a pure language that they may serve Him and call upon His name unwaveringly with one consent. Praise יהוה! Praise בן יהוה!

With that being said, rejoice, all of you in this room today who anxiously await and anticipate the return of our God, יהוה בן יהוה, in the true “Second Coming.” Call upon the name of יהוה בן יהוה with one consent, for He shall gather all nations who refuse to live and abide by His laws, statutes, judgments, and commandments. Let us not fall into that category. Instead, let us give בן יהוה יהוה the glory He deserves!

In closing, I humbly hope and pray that this seminar has been a joy and rejoicing to your soul, mind, and spirit. I am certainly ecstatic to have been blessed to be in the presence of the Lord, יהוה, as we commemorate this solemn feast and the sacrifice made by His Son, בן יהוה יהוה, the Sacrificial Lamb of the Passover. Shalom Aleichem! Praise יהוה! And, always, praise בן יהוה יהוה!
