

## THE SEVEN LAST PLAGUES

### ~ PART 17 ~

---

Shalom Aleichem! Praise יְהוָה! Praise יְהוָה בֶן יְהוָה! All of us who are fortunate and have the happy chance to stand here this day, at this time, must lift up euphoric exaltation and rapturous adulation unto יְהוָה, the God of Heaven and earth. *Blessed be the LORD, יהוה, the God of Israel, who only doeth wondrous things. Blessed be His glorious name forever: and let the whole earth be filled with His glory; Amen, and Amen* (Psalm 72:18-19).

Praise יְהוָה!

Today, and every day, the true believers and citizens of the Nation of יְהוָה must bear in mind that *the Spirit of the Lord GOD, יהוה, is upon יהוה;* because the LORD, יהוה, hath anointed Him to preach good tidings unto the meek. It is our God, יהוה, Who hath sent יהוה בֶן יהוה to bind up the brokenhearted, to proclaim liberty to the captives, and to open the prisons of them that are bound.

In all honesty and truth, יהוה בֶן יְהוָה shall come a ‘Second Time’ to proclaim the acceptable year of the LORD, יהוה, and the day of vengeance of our God, יהוה. But, at the same time, *He shall provide comfort to all that*

*mourn; to appoint unto them that mourn in Zion beauty for ashes, the oil of joy for mourning, and the garment of praise for the spirit of heaviness; that they might be called trees of righteousness, the planting of the LORD, יְהֹוָה בָּנָה בָּנָה, that He might be glorified (Isaiah 61:1-3). All praises be unto יהוה and unto His Loyal Servant, the Ascendant One, !יהוה בָּן יהוה!*

I greet everyone at this hour in the native tongue and original language of all Hebrew Israelites, *Shalom Aleichem*, which means, Peace be unto you. We are all present because we have accepted the charge to keep the ***Feast of Tabernacles*** in the only place on the planet where יהוה has truly chosen to place His holy name—the elegant Marriott Chateau Champlain, in the lively city of Montreal, Quebec, Canada. Praise יהוה! Praise יהוה בָּן יהוה!

Welcome to Part 17 of this communiqué of knowledge and revelatory analysis of the Scriptures entitled, “**The Seven Last Plagues.**” Before we convene with our seminar study for today, let us establish a foundation by reviewing the conclusive facts brought out through meticulous research in our last discussion, which was Part 16.

Using some of the world’s most trusted published dictionary sources, we were able to validate that in Revelation 16:19, **GREAT BABYLON** was representative of the **GREAT CITY** known as Washington, D.C.

Subsequently, we relied upon these same dictionaries to provide substantive evidence that proved **AMERICA** is a direct parallel to not only ancient **BABYLON**, but also **SODOM AND GOMORRAH**. America is Scripturally compared to Babylon because those who sit in the official seat of government—the President, Vice President, Secretary of State, cabinet members, senators, congressmen, and congresswomen—do not practice the laws of יהוה as taught by His Son, יהוה בֶן יהוה. And as such, they have caused division among the people and have made them commit gross offenses that are totally contrary to the commandments, judgments, laws, and statutes of יהוה.

Moreover, using scholarly aids allowed us to state definitively that those who sit in the official seat of government of the United States of America make all of their decisions based on their *own* personal wishes and individual feelings. This truth is apparent through the passing of laws and legislation that permits sinfulness to abound, especially homosexuality.

Lastly, our extensive research revealed that the tribe of Yehuwdah (Judah) was taken into captivity in ancient **BABYLON**. Likewise, **AMERICA** today is the kingdom into which the people of Yehuwdah (Judah)—the so-called Black people, descendants of slaves—have been

taken captive, are in the hands of its rulers, and have been slain with the sword for over 400 years.

Our documented facts brought to light that for these reasons, those sitting in the official political seat of government in the United States of America have come face-to-face with the judgment of Almighty God, יְהוָה. We learned that this judgment is based upon their own official records, government papers, and documents that chronicle their entire criminal and unlawful history against יְהוָה, His Son, יְהוָה בָן יְהוָה, and the people of Yehuw dah (Judah).

Through verifiable research, we learned that numerous financial disasters shall result from the actions of those sitting in the seat of government of the United States of America. Therefore, the people of America shall suffer monetary ruin as they fall on hard times and hit rock bottom. These unwanted circumstances shall come about because the rulers of America are steadily squandering away all of their money as a governing body without a sensible economic policy.

Essentially, we documented that the divine judgment of יְהוָה is being executed against **BABYLON-AMERICA** this day because those occupying the official political seat of government have made the defiant choice to fight

against the Lord, יְהוָה, His Son, יְהוָה בֶן יְהוָה, and the people of Yehuw dah (Judah). Praise יְהוָה בֶן יְהוָה! Praise יְהוָה!

Having established all those facts, we are ready to go on with our investigative process to uncover the whole story and give a factual account of the *seventh* and *last* plague, which is full of the fierce wrath of יְהוָה. Therefore, let us turn to and read our foundation Scripture located in Revelation, Chapter 16, verse 19. Let us read:

*“And the great city was divided into three parts, and the cities of the nations fell: and great Babylon came in remembrance before God, to give unto her the cup of the wine of the fierceness of His wrath.”*

At this time, we shall make every effort to translate and make plain the last phrase in Revelation 16:19, which reads, “*... to give unto her the cup of the wine of the fierceness of His wrath.*” This statement serves to emphasize that **BABYLON-AMERICA** came in remembrance before יְהוָה, so that He can **GIVE UNTO HER THE CUP OF THE WINE OF THE FIERCENESS OF HIS WRATH.**

Based on the veracity of *e-Sword*, Bible Computer Software, copyright 2000-2004, under the Greek reference number 1325, pronounced *did'-o-mee*, **give** means “to give (literally or figuratively): deliver (up) and

number.” Moreover, another interpretation of what it means to **give** can be defined from a derivative of reference number 1325, which is the Greek Dictionary number 591, pronounced *ap-od-eed'-o-mee*. The direct translation of this word means “to give away, that is, up or over: a payment [to] be made.” It also means to “sell.”

Further elucidation on the word **give** as established from *Webster’s New World Dictionary & Thesaurus*, copyright 1998, Computer Software, states that it is “to inflict or impose (punishment”); while the *Shorter Oxford English Dictionary*, Sixth Edition, describes **give** as to “deal a blow.”

Considering the soundness of these findings, we can conclude that יְהוָה shall deliver up **BABYLON-AMERICA** and number her days by inflicting and imposing upon her harsh punishments. In fact, His harsh punishments shall deal such a heavy blow against those sitting in the official political seat of government of America, they shall give *her* away, give *her* up, and give *her* over to others after a certain payment is made. To put it plainly, יְהוָה shall cause them to *sell* America to anyone who can make payment.

At this point, further documentation must be provided in order for everyone to understand clearly the significance of the aforementioned facts. Therefore, we shall first define the words *deliver* and *number* from our

Greek definition of **give**, which will provide us with a crystal-clear understanding. Then, we shall expound on the word *sell*.

Thus, accepting the integrity of the *Shorter Oxford English Dictionary*, Sixth Edition, copyright 2004, to **deliver** is the same as to “hand over to another’s possession.” Moreover, in *Random House Webster’s College Dictionary–Word Genius*, copyright 2004, Computer Edition, to **number** is “to apportion or divide.” While **apportion** is “to allocate something among different people or groups”; to **divide** is to “separate into portions and give out in shares: distribute.” (These definitions are based on the authority of *Microsoft Encarta Dictionary*, copyright 1993-2004, and *Merriam-Webster’s 11<sup>th</sup> Collegiate Dictionary*, copyright 2003, Computer Software Editions.)

Following this course of reference, it is clear that according to our foundation Scripture, Revelation 16:19, הַשְׁלָמָה shall cause those sitting in the official seat of government of **AMERICA** to hand her over to others for possession and ownership. In other words, upon making a specified payment, different people and groups shall receive separate and specific portions of America. Moreover, in order to relieve her massive debt, “shares” of America shall be allocated to and given out for distribution among these people. And because the government shall be in such a severe

state of debt, its leaders will be pressured into generating money any way they can. Praise יהוה בָּן יְהוָה! Praise יהוה!

Presently, verifiable documentation has shown that יהוה shall cause *different* people and groups to receive *shares* of America, and that they will be distributed in portions. He shall cause government to distribute the shares of America as payment in an effort to lessen some of her enormous debt. Thus, we must ask the question, who are these people and groups that shall receive portions of America? Let us consult the scholarly authorities for the answer.

Acknowledging the respectability of *Bartlett's Roget's Thesaurus*, copyright 1996, documented on page 905, under the reference number 724.9 **different** also means **foreign**, which is located on page 639, as “overseas.” Furthermore, *Webster's New World Dictionary & Thesaurus*, copyright 1998, Computer Software, verifies that **foreign** means “from another country or countries.” In this same source, some synonyms for **foreign** are “from abroad, not domestic, and international.”

Altogether, these solidified deductions allow us to assert that יהוה shall cause *shares* of **AMERICA** to be distributed among people who are *not domestic*—or not from America. Then, these foreigners from other countries, from abroad, or from overseas shall come into possession and

ownership of America after settling on a payment. Knowing this, we must uncover what the *shares* of America are that these people from the international community shall receive in return for payment.

Tusting the accuracy of the *Webster’s New World Dictionary & Thesaurus*, copyright 1998, Computer Software, a **share** is “any one of the equal parts into which the capital stock of a corporation is divided.” Similarly, **capital** is “wealth (money or property) owned or used in business by corporations”; and **stock** is the “shares in some commodity, industry, etc.” (in the Sixth Edition of the *Shorter Oxford English Dictionary*).

With regard to these details, we can deduce that after making specific agreed upon payments, foreigners shall receive equally divided “shares” of capital stocks belonging to major American corporations. Furthermore, these equal parts of commodities and industry that major American corporations own and use daily in their business proceedings shall be turned over to foreign entities. In fact, because all of the cash flow and property of America is contained chiefly within her largest business institutions, these shall seek profit-making deals with people from other countries as a means to alleviate the national debt and stabilize the economy.

Continuing in this vein, to achieve an even better understanding of what יְהוָה shall cause to be distributed among foreigners, we shall expound further on the words **stock**, **property**, and **commodities**.

As substantiated in *Bartlett's Roget's Thesaurus*, on page 138, from reference number 104.1 for **materials**, **stock** is also tantamount to “equipment, natural resources, fuel, and building materials.” Congruently, on page 950 of *The Synonym Finder*, by J. I. Rodale, copyright 1978, **property** is “real estate, realty, and land”; and, **commodities** are “goods, wares, items of trade, produce, and farm products.”

Assenting to these explanations, after making good on payment, foreigners shall acquire the natural resources, fuel (oil), building materials, and equipment owned by leading American corporations. Conjointly, foreigners shall purchase prime real estate from the premier realty agencies that have a monopoly on all American land. And, most of all, foreign people who live outside of America shall eventually procure the right of ownership of the few goods, wares, items of trade, produce, and farm products that are still produced in America. Praise יְהוָה! Praise יְהוָה בֶן יְהוָה!

Going back to our previously stated *e-Sword* Greek Dictionary definition, we defined **give** from the reference number 591 as “to give away, that is, up or over: payment [to] be made and sell.” Thusly, complying with

*Webster’s New World Dictionary & Thesaurus*, copyright 1998, to **sell** is the same as “to give up, deliver, or exchange (property, goods, services, etc.) for money or its equivalent.” In addition, to **sell** is “to transfer property or the exclusive right of possession to another for an equivalent in money” (verified in *Noah Webster’s 1828 Dictionary*, copyright 1828, Adobe Computer Software Edition).

Weighing the integrity of all these definitions, we can avouch that our great, good, and terrible God, הָאֱלֹהִים, shall cause the government of **BABYLON-AMERICA** and the major corporations responsible for keeping her financially secure to give up, deliver, and exchange their properties, goods, and services to foreigners for money or its closest equivalent. Moreover, they shall be so hard-pressed for money they will do this in an attempt to stabilize the downward spiral plaguing the American economy and to pay off some of her crippling debt. Utilizing the *Bartlett’s Roget’s Thesaurus* again, **money** is identical to “currency” (reference number 484.1, on page 458).

Summarily, we can attest that the once world-renowned business giants of America shall transfer most or all of their property and the exclusive right of possession of their corporations over to foreign buyers for an equivalent payment in physical money—hard-core cash. However, if

they are not able to receive payment in U.S. currency, they shall have no problem accepting the currency of a different country, especially since the American dollar has steadily declined in the global money market. First Timothy, Chapter 6, verses 9 and 10 explain why this is so. Hence, let us read, stopping at the colon in Verse 10:

[9] ***“But they that will be rich fall into temptation and a snare, and into many foolish and hurtful lusts, which drown men in destruction and perdition.***

[10] ***For the love of money is the root of all evil”:***

The leaders of the American government—along with the owners, CEOs, CFOs, and Presidents who operate the prominent business corporations of America—have fallen into temptation because they constantly seek to amass riches. They are all snared by foolish and hurtful lusts which have, consequently, drawn them into fiscal destruction and permanent perdition. Since they have an unappeasable love for money over all things, their deeds are deeply rooted in evil. Praise יְהוָה! Praise בָּנֵי יְהוָה!

We can further establish all that we have uncovered up to this point from the Word of יְהוָה—the King James Version of the Holy Bible. Therefore, let us read Jeremiah, Chapter 51, verses 53 and 56:

[53] “*Though Babylon should mount up to heaven, and though she should fortify the height of her strength, yet from Me shall spoilers come unto her, saith the LORD, יְהֹוָה.*

[56] *Because the spoiler is come upon her, even upon Babylon, and her mighty men are taken, every one of their bows is broken: for the LORD, יְהֹוָה, God of recompences shall surely requite.*”

Praise יהוה! Though the ones occupying the official political seat of government in the United States of America sought to mount their wealth and prosperity up to heaven, today they are desperately trying to fortify themselves against national bankruptcy. Nevertheless, the Lord, יהוה, Himself shall cause *spoilers* (foreigners seeking to buy her) to come upon **BABYLON-AMERICA**.

Thus, America shall no longer be able to lay claim to herself as a place of mighty men and women. The Almighty God, יהוה, shall wholly take away the previous economic strength of her government and shall cause her business leaders to be monetarily broken. Subsequently, as ordained, all of America is suffering pecuniary damages as the Lord, יהוה, continues to dispense **UNTO HER THE CUP OF THE WINE OF THE FIERCENESS OF HIS WRATH.**

Proceeding on with our analysis of Revelation, Chapter 16, verse 19, we read that יְהוָה shall give something *unto her* (*America*). According to the *American Heritage Talking Dictionary and Thesaurus*, copyright 1997, Computer Software, **unto** also indicates “for the purpose of.”

Wherefore, we can put two and two together to declare that for His divine purpose, our God, יְהוָה, shall cause the well-known and top business conglomerates of America to transfer their property and the exclusive right of possession of their corporations over to foreign buyers. In essence, יְהוָה shall bring about this inevitable state-of-affairs upon **BABYLON-AMERICA** for the divine purpose of causing **HER** to drink **THE CUP OF THE WINE OF THE FIERCENESS OF HIS WRATH**. Praise יְהוָה!

Praise בָּנֵי יְהוָה!

As we move along in our seminar discussion today, we must ask yet another question. The question is, Why is the pronoun *her* used in our foundation Scripture to describe **BABYLON**—a parallel representation of **AMERICA** today? Through a simple explanation of the pronoun **her**, as it corresponds to our foundation Scripture (Revelation 16:19), we are able to attain the answer.

As authenticated in *e-Sword*, Bible Computer Software, from the Greek Dictionary reference number 846, **her** is spelled a-u-t-o-s, pronounced

*ow-tos'*, and is clearly delineated as “her” or “herself.” Additionally, *Microsoft Encarta Dictionary*, copyright 1993-2004, Computer Edition, sanctions that the pronoun **her** is “used to refer to a country or nation when it has been mentioned or its identity is known.”

These sound justifications confirm that the pronoun “*her*” Scripturally identifies **BABYLON** as **AMERICA**, proven from our extensive research in Part 16 of this seminar series. Henceforth, it is resolved that **AMERICA** is indeed the country and nation upon whom יהוה shall pour **THE CUP OF THE WINE OF THE FIERCENESS OF HIS WRATH.**

Praise יהוה בָּן יהוָה! Praise יהוה!

Moving right along, we must state what the *cup of the wine* is in plain terms. Thus, referring once again to *e-Sword*, Bible Computer Software, in the Greek Dictionary, **cup** is substantiated from the reference number 4221, pronounced, *pot-ay'-ree-on*, which figuratively connotes “a lot or fate.”

Accepting the respectability of the *Shorter Oxford English Dictionary*, Sixth Edition, copyright 2004, a **lot** signifies “what is given to a person by fate or divine providence; esp. a person’s destiny or condition in life.” Reciprocal to that, in accordance to *Noah Webster’s 1828 Dictionary*, copyright 1828, Adobe Computer Software Edition, **fate** is “primarily, a

decree or word pronounced by God [יהוה]. Hence, destiny depending on a superior cause and uncontrollable.”

Based on these stable grounds, we can assert that by divine providence (or intervention), those sitting in the official political seat of government in the United States of America and their counterparts in the preeminent business corporations of America shall eventually receive what is due to them.

In fact, יהוה has especially predestined the aforementioned persons to experience a *particular* condition in life. Therefore, the decree or word that יהוה has pronounced against them shall stand. This means that no matter how much property is put to market, how many goods are traded on Wall Street, or how much real estate is sold, these people shall ultimately end up like so many unfortunate others—*in the poor house*. For confirmation, let us read Proverbs, Chapter 23, verse 21:

**“For the drunkard and the glutton shall come to poverty: and drowsiness shall clothe a man with rags.”**

Yes, as divinely decreed, **BABYLON-AMERICA**—who has been an excessive drunkard and a pure glutton for riches—shall come to downright poverty and her high and mighty ones shall be clothed with rags. And know, with all certainty, that this condition is solely dependent upon the superior

cause of the One true God, יהוה, Himself. Therefore, these impending uncontrollable events from God, יהוה, represent **THE WINE OF THE FIERCENESS OF HIS WRATH.** Praise יהוה! Praise בָּנֵי יהוה!

Moving on to the next word from our foundation Scripture, we shall delve into the word **wine** from the phrase, “*... to give unto her the cup of the wine of the fierceness of His wrath,*” for full intellectual comprehension of the seventh and last plague of יהוה.

Let me point out first of all that, we are definitely not talking about wine that you drink—red wine, white wine, Chardonnay, Pinot, Zinfandel—you know, the bubbly stuff. No, no, no. We are talking about something completely different. With that being the case, let us refer to our tools of knowledge for an accurate interpretation of *wine* as it relates to our study today.

Contingent upon the high merits of *e-Sword*, Bible Computer Software, once again, in the Greek Dictionary, **wine** is located under the reference number 3136, pronounced *oy'-nos*. **Oinos** is defined as “wine (figuratively).” Moreover, in *Thayer’s Greek-English Lexicon of the New Testament*, copyright 1977, on page 442, the same previously given reference number depicts **wine** as “fiery wine, which God, יהוה, in His

wrath is represented as mixing and giving to those whom He is about to punish by their own folly and madness.”

Even more so, trusting the veracity of *Merriam-Webster's 11<sup>th</sup> Collegiate Dictionary*, copyright 2003, Computer Software, **wine** is described simply as “a dark red.” In this same source, **dark** is “relating to grim or depressing circumstances.” Furthermore, in accord with *Webster's New World Dictionary & Thesaurus*, the idiom ‘**in the red**’ means to be “in debt or losing money.” Additionally, ‘**into the red**’ denotes going “into debt or an unprofitable financial condition.”

Wherefore, the above details convey that the **WINE OF THE WRATH OF נָתָן** is the grim and depressing financial circumstances that He shall bring upon those sitting in the official political seat of government in the United States and those in charge of the paramount business institutions of America. Overall, נָתָן shall cause them to suffer and languish in unfathomable debt since they have terribly misused government funds and awfully wasted the hard-earned money of American taxpayers.

Sure enough though, the President, Vice President, Secretary of State, cabinet members, senators, congressmen, and congresswomen of the U.S. government shall persuade the business magnates of America to sell off as many American goods as they can to the highest bidding foreign buyers.

Subsequently, this acutely unprofitable financial condition shall be the result of the wrath of God, יְהוָה, which He has mixed (or stirred up) for them as punishment for their own money-hungry folly and insatiable madness for profit.

The Scripture, Proverbs, Chapter 1, verse 19, lets us know the actual predicament of these people. Let us read:

[19] *So are the ways of every one that is greedy of gain; which taketh away the life of the owners thereof.”*

It is our God, יְהוָה, Who shall cause those who are greedy for unjust gain that occupy the official political seat of government of America and the persons in charge of her major corporations to take away their own lives. He shall do this because they have been voraciously greedy for endless gain and limitless increase. Praise יְהוָה! Praise בָּן יְהוָה!

All of the previously mentioned facts can be validated from the news we watch and the papers we read every day. To prove our point, in an article entitled, “*America’s Coming Garage Sale,*” by *TIME* magazine in partnership with CNN, dated Monday, March 24, 2008, it states:

“For years, Americans have reveled in profligate, load-up-the-back-of-the-SUV-at-Target excess, much of it paid for by credit cards, home equity or other loans. The binge has produced some supposedly healthy economic growth and

provided everyone lots of nice stuff. But now debt collectors from around the world are knocking. That’s why today’s turmoil in U.S. financial markets will end in a massive transfer of wealth from America to the rest of the globe.” It further reads, “Christopher Wood of brokerage house CLSA recently wrote that the financial meltdown will ‘produce the most devastating wealth destruction’ in the U.S., ‘which conventional monetary policy will be powerless to prevent.’ Americans are already getting poorer by the day.”

Praise יהוה! Praise בָּן יְהוָה! To bring conclusion to this seminar, we shall reveal what expressly constitutes the **FIERCE WRATH OF שֹׁנְאָן**. This *fierce wrath* is the catalyst and starting point for every circumstance that shall be inflicted upon those who occupy the political seats of government in America and her principal business moguls. Thus, it is only wise that we be enlightened on what it is.

Accepting the trustworthiness of *e-Sword*, Bible Computer Software, the Greek Dictionary provides reference number 2375 for **fierceness**, which is pronounced, *thoo-mos'*, and means “indignation.” Accordingly, **indignation** is “particularly, the wrath of God [שֹׁנְאָן] against sinful men for their ingratitude and rebellion” (as authenticated in *Noah Webster's 1828 Dictionary*, copyright 1828). Furthermore, in *Webster's New World*

*Dictionary & Thesaurus*, while **ingratitude** is “ungratefulness and lack of appreciation,” **rebellion** is tantamount to “defiance and disobedience.”

Supplementary elucidation on the word fierce is taken from the *Microsoft Encarta Dictionary*, copyright 1993-2004, Computer Edition, which portrays **fierce** as “profound: deeply and intensely felt and often aggressively expressed.” On the other hand, in *Merriam-Webster’s 11<sup>th</sup> Collegiate Dictionary*, copyright 2003, Computer Software, **fierce** (the root of *fierceness*) also implies being “furiously active or determined.” Additionally, **active** is “marked by direct involvement”; while **determined** is the same as “resolute and unwavering.”

With these fundamentally sound explanations, we can infer that the **WRATH** of our God, הָנִינָה, is so profound that He feels it deeply and intensely, particularly against the sinfully avaricious men and women in the American government who have an insatiable appetite for income and her most-famous companies. Wherefore, הָנִינָה shall often and aggressively express His **WRATH** in these Last Days by being DIRECTLY involved in causing detrimental financial incidents to come upon them. In simple words, הָנִינָה shall bring about these undesirable financial situations against the government of America as a result of their defiant disobedience to His laws.

and their ungrateful lack of appreciation for what He has provided her as *one nation under God.*

The divine judgment enacted by יְהוָה shall leave the American government and her business colleagues no choice but to carry out unprecedented sales of American property and goods to foreign buyers. Essentially, יְהוָה shall not allow them to continue to rebel against His laws; therefore, He shall be resolute and unwavering in His judgments. Let us read Psalm, Chapter 9, verse 16:

*“The LORD, יְהוָה, is known by the judgment which He executeth: the wicked is snared in the work of his own hands.*  
*Selah.*”

The Lord, יְהוָה, is truly known by the divine judgment He executes upon the wicked who are snared (deceived or trapped) in the work of their very own hands. Praise יְהוָה! Praise בָּנֵי יְהוָה!

Continuing on, remember that we are still in the process of interpreting the **FIERCE WRATH OF יְהוָה**; thus, we are now up to the task of explaining **wrath** for full disclosure. In seeking information from the Greek Dictionary of *e-Sword*, Bible Computer Software, **wrath** is pronounced *or-gay*, and is depictive of “violent passion (or justifiable abhorrence).”

So, what is this violent passion and justifiable abhorrence that our God, יְהוָה, feels deeply and intensely against those He has preordained to reap the consequences of His seventh plague? Well, while the *Shorter Oxford English Dictionary*, Sixth Edition, substantiates **violent** as “having a powerful (esp. physical) effect”; **passion** is “an aim or object pursued with strong enthusiasm.” **Enthusiasm** is “an eagerness to do something” (according to *Microsoft Encarta Dictionary*, Computer Edition).

Hence, our God, יְהוָה, shall pursue His specific aims and objectives against the government of the United States and the persons responsible for the principal corporations of America with such strong eagerness that they shall have an especially powerful *physical* effect—total economic disintegration.

Knowing this, we must now seek to understand the *justifiable abhorrence* יְהוָה feels against these crooked people, by expounding upon the words **justifiable** and **abhorrence**. Acting on the factuality of *Noah Webster’s 1828 Dictionary*, copyright 1828, **abhor** (the origin of *abhorrence*) is defined as “to cast off and reject; hate.”

This same highly relied upon source confirms that to **justify** (the base of *justifiable*) signifies being able “to prove or show to be just, right, or conformable to law.” Moreover, the **law** is “the body of principles or

precepts held to express the divine will, especially as revealed in the Bible” (which is in agreement with the *American Heritage Talking Dictionary and Thesaurus*, copyright 1997, Computer Software).

From these explanations, we can firmly declare that our God, הָנָנִי, hates those who are money-hungry and sit in high places as rulers of America and the materialistic people who control America’s corporations. Manifestation of His displeasure shall be clear as He unyieldingly casts them off their high horses and rejects their cries for financial solidity. Proof of this can be validated in the Book of Psalm, Chapter 5, verse 6. Let us read:

*“Thou shalt destroy them that speak leasing: the LORD, הָנָנִי,  
will abhor the bloody and deceitful man.”*

The Lord, הָנָנִי, strongly abhors (hates) the bloody (cruel) and deceitful men who rule over America. Thus, He shall destroy them because all that they speak is leasing (lies). In addition, הָנָנִי is so fed up with their greedy lusts that He shall cause the disintegration of the American economy to be the catalyst for the selling off of numerous American properties and products to foreigners as the leaders of America struggle to generate a steady flow of incoming money.

As a matter of fact, the moral judgment of הָנָנִי against them is proven to be just and right because these people do not conform to His divine will as

revealed in the principles and precepts He set forth in the Holy Bible. Therefore, יְהוָה shall smite them with the rod of His mouth, according to Isaiah, Chapter 11, verse 4, and it reads:

*“But with righteousness shall He judge the poor, and reprove with equity for the meek of the earth: and He shall smite the earth with the rod of His mouth, and with the breath of His lips shall He slay the wicked.”*

The Lord, יְהוָה, the Righteous Judge, shall judge the poor and reprove the meek with equity. But, He shall, simultaneously, slay the wicked with the breath of His mouth, which is the Word of His law as taught by His only Begotten Son and Servant, יְהוָה בָנֵי יְהוָה. Praise יְהוָה! Praise יְהוָה בָנֵי יְהוָה!

In conclusion, we must recognize that, though America was established as a nation in the past on the principle of, “*One nation under God,*” the same does not hold true today. In fact, the moment the ruling men of **BABYLON-AMERICA** decided they did not want to worship the True and Living God, יְהוָה, they brought their very own destruction into existence.

Thus, as it is this day, out of righteous anger, the Almighty God, יְהוָה, shall repeatedly inflict upon **BABYLON-AMERICA** calamitous plagues, including His *seventh* and *last* plague. Because of her shameful wickedness,

the divine anger of יהוה shall be upon **BABYLON-AMERICA** to **GIVE UNTO HER THE CUP OF THE WINE OF THE FIERCENESS OF HIS WRATH.**

To sum it all up, יהוה is severely angry every day with the wicked deeds of America and the wickedness of all nations who have joined in fornication with her. Let us corroborate this by reading Psalm, Chapter 7, verse 11:

[11] “*God, יְהוָה, judgeth the righteous, and God, יְהוָה, is angry with the wicked every day.*

Praise יהוה! Praise יהוה בֶן יהוה! I thoroughly pray that we have all gained helpful insight and understanding pertaining to the Scripture, Revelation, Chapter 16, verse 19, as it glaring announces the consequences of evil to be meted out upon those sitting in the official seat of government of America and her top-ranked businesses through the *seventh* and last *plague* of יהוה.

The only way that any of us—the true believers of יהוה בֶן יהוה—will be saved out of the disastrous financial calamities that are falling upon America and the entire world is to keep our minds stayed in and focused on practicing the laws, statutes, judgments, and commandments of our God, יהוה בֶן יהוה, as taught to us by His Son, יהוה.

I fully enjoyed this expression of wisdom and wish to see all of you again as you continue to observe the Twenty-Eighth Annual ***Feast of Tabernacles*** of יְמִינָה, in the solar year 6011. Again, in our native Hebrew tongue, *Shalom Aleichem* (Peace be unto you).
