

*The  
Abomination  
Of  
Desolation*

*Yosiah Israel*

Blessed is the Holy and Righteous name of the Father יהוה and His Son that cometh in the name יהוה בן יהוה, for He brings with Him the abundance of Wisdom, Knowledge and Understanding and the bounty of eternal life. Hosanna, Hosanna blessed be the King.

Welcome all ye faithful that have come to worship and adorn the King of Israel. Blessed are we, which see the things that we see and hear the things that we hear. Many prophets and kings have desired to see and hear the things, which we see and hear and they have not seen nor have they heard them. It is the Father יהוה that has hid these things from the wise and the prudent. Blessed are we for it seemed Good in the sight of יהוה to reveal these things unto His Son יהוה בן יהוה who has revealed unto babes. I would like to thank יהוה and His Son יהוה בן יהוה for all the assistance I received in writing this seminar.

This seminar is centered around the Abomination of Desolation as found in the book of Matthew 24:15 and it reads:

**“When ye therefore shall see the abomination of desolation, spoken of by Daniel the prophet, stand in the holy place, (whoso readeth, let him understand:)”**

When studying the scriptures, in order to gain an understanding, we must do so very carefully. For as we have been taught by the Illustrious One יהוה בן יהוה, that the wisdom in the King James Version of the Holy Bible is cryptically hidden so that we would not be able to understand it.

Therefore, it must be decoded using the one prescribed method, of decoding the Bible – The Ten Step Study Method, created and formulated by יהוה בן יהוה. When used correctly, with a pure heart and a pure mind, we are able to decipher the book that was sealed up since the days of Daniel (Daniel 12:4). Let us turn to Daniel 12:4 and it reads:

*“But thou, O Daniel, **shut up the words, and seal the book,** even to **the time of the end:...**”*

Daniel was commanded to shut up the words and to seal the book until the end time. This means we have not been able to gain any understanding until today. The book was sealed up and no man in heaven nor in earth, neither under the earth was able to open the book. None of us were found worthy to open the book and loose the seals thereof but there is one who is worthy - יהוה בן יהוה (Revelation 5:2,3). יהוה בן יהוה is the only one worthy to open the book and loose the seals thereof. In doing so He has set Himself free, He has escaped all the traps of the devil. And in turn He has given us the power to do the same; the power to become sons/daughters of יהוה; the power to overcome the devil; the power to open the book and loose the seals. However, this power is only accessible through the Divine Study Method of יהוה בן יהוה. Therefore, we must always remember it is His power that He has given to us and He desires **All** the Praise, **All** the Honor and **All** the Glory. In I Corinthians 12:3 it says:

*“Wherefore I give you to understanding, that no man speaking by the spirit of God יהוה calleth בן יהוה accursed: and that no man can say that יהוה בן יהוה is the Lord, but by the Holy Ghost.”*

Hence, we have been given to understanding, which comes when using The Ten Step Study Method, so that we can say with facts, and with a logical and rational mind that יהוה בן יהוה truly is The Mighty God. We have been given to understanding so we can testify with infallible proof and with a most pronounced conviction that יהוה בן יהוה is the One Promised to come. יהוה בן יהוה is worthy to receive reverence, obedience and humble submission to His Sovereign Authority. It is when we submit to His Authority do we become a testimony of His Greatness.

Having said that let us return to the foundation scripture for this seminar, in Matthew 24:15 and read it again. Let us read please:

*”**When ye therefore shall see the abomination of desolation**, spoken of by Daniel the prophet, **stand in the holy place**, (whoso readeth, let him understand:)”*

Hidden within this scripture is a very important notice and sign to the righteous. The notice and sign serves as a warning that the Great Tribulation such, as was not since the beginning of the world to this time has begun or is very soon to begin. As we read in Matthew 24:21. Let us read please:

*“For **then shall be great tribulation**, such as was not since the beginning of the world to this time, no, nor ever shall be.”*

With such Great Tribulation pending it behooves the righteous to be in the know so we can make the necessary mental adjustments in order to endure to the end. So let us read and understand. Perhaps the most important clue in understanding Matthew 24:15 is the cryptically clever use of punctuation. Punctuation was used in this scripture as well as many other scriptures, throughout the Bible as stumbling blocks on the road to understanding. However, it is the good pleasure of the Lord יהוה to reveal a matter to His servants. Though very small in size if not carefully considered commas can stand in the way of a proper understanding of a matter. According to *The Gregg Reference Manual 8<sup>th</sup> edition*, © 1996 on page 372 under the subheading, Commas with Nonessential Expressions it states, “An essential expression cannot be left out without changing the basic meaning of the sentence. On the other hand, a nonessential expression does not add essential information to a sentence. It can be left out without destroying the basic meaning of the sentence.” On page 373 it states, “Two commas are placed around a nonessential item in the middle of a sentence. One comma is placed before one at the end of a sentence.” The use of commas in this scripture is referred to as Nonessential Expressions. Reason being, it has a nonessential expression that does not add essential information to the sentence in this scripture. Therefore, it can be left out without destroying the meaning. When we look at the scripture we can see the nonessential expression between the two commas. The scripture reads:

“When ye *therefore* shall see the abomination of desolation (comma) **spoken of by Daniel the prophet** (comma) stand in the holy place, (whoso readeth, let him understand:)”

The nonessential expression between two commas in the middle of this sentence is, “spoken of by Daniel the prophet.” This means we can leave this out without destroying the meaning of this sentence. So lets read this sentence without the nonessential expression in it. Again read:

”**When ye therefore shall see the abomination of desolation stand in the holy place,** (whoso readeth, let him understand:)”

Prior to reading this scripture in this manner with the nonessential expression one might be misled to believe that the abomination of desolation and stand in the holy place is two independent actions or two different thoughts. When in actuality it is one complete thought that does not need the additional information about Daniel to make it understood. When this information was placed in the middle of the sentence it was done so that it would send us off to the book of Daniel looking for the **abomination of desolation**. Thus leaving **stand in the holy place** back in the book of Matthew. Under this false impression of thinking that this scripture is speaking of two independent clauses we might have never found out the true meaning. Thus, not taking heed to the signs of the **abomination of desolation stand in the holy place**. This is probably why it says at the end of the sentence in parentheses, “whoso readeth, let him understand:” This is why it had to be grammatically decoded to understand. Praise יהוה.

**“When ye...”**

Let us begin with the word **when**, taken from the *Webster’s New International Dictionary*, © 1953 2<sup>nd</sup> edition on page 2910 means, “at the time that, at during or after the time that, just after, the moment that. The next word to decode is, **ye** (When **ye**) . **Ye** on page 2968, is “*the personal pronoun of the second person.*” The personal pronoun is “you.” Therefore, the scripture should read: at the time that you **shall see**, and during or after the time you **shall see**, the moment that you **see**.

**“When ye therefore, shall see...”**

**Shall** taken from the scripture, “When ye therefore, **shall see**”, according to the *American Heritage Dictionary of The English Language*, © 1978 on page 1189 is defined as “compulsion, with the force of must. In the *J.I. Rodale Synonym Finder*, © 1978 on page 205 **compulsion** is synonymous to “**press** and **domination**.” **Press** according to *Random House Webster’s College Dictionary*, © 1999 on page 1044 is defined as “all the media and agencies that print, broadcast, or gather and transmit news.” In the *J.I. Rodale Synonym Finder*, © 1978 on page 930 **press** is listed with “newspapers, periodicals, radio, television, wire services, reporters, columnists and web press.” Also coming from the word **shall** is **domination**. **Domination** comes from the word **dominate**. **Dominare** on page 390 of *Random House Webster’s College Dictionary*, © 1999 means, “to occupy a commanding position.”

Thus far, the word **shall** have given us insight on where to see the abomination of desolation. The next word to decode from this scripture is see (When ye shall therefore **see**). **See** on page 1187 means “to perceive with the eyes, to understand intellectually or spiritually.” **Understand** on page 1422 means “to grasp the significance or importance of.”

Therefore, we can now read the first part of the scripture in the following manner: “At the time that you see with your eyes the abomination of desolation occupy a commanding position on all media agencies, such as; “newspapers, periodicals, radio, television, wire services, reporters, columnists and web press” you must grasp the significance and importance of this moment intellectually and spiritually.”

“When ye therefore, shall see the **abomination of desolation** ...”

Our next word to be decoded is abomination. **Abomination** according to the *Strong's Exhaustive Concordance* in the Hebrew Lexicon under lexical number 8251 means, “filthy, disgusting.” The first word to define is **filth** the root word of **filthy** on page 491 of the *Random House Webster's College Dictionary*, © 1999 is “moral impurity, corruption, vulgar or obscene thought.” **Thought** on page 1358 is, “intention, design, or purpose.” **Filthy** also on page 491 means, “abundantly supplied.” The second word to be defined that was taken from the transliteration of **abomination** is disgusting. **Disgust** on the authority of the *Webster's New International Dictionary*, © 1953 2<sup>nd</sup> edition on page 747 means, “to cause effective aversion in, to cause (one) to lose an interest through exciting distaste.” **Desolation** according to the *Strong's Exhaustive Concordance* in

the Hebrew Lexicon under lexical number #8074 means, “astonish.” **Astonish** on page 83 of the *Random House Webster’s College Dictionary*, © 1999 is defined as “to fill with sudden and overpowering wonder.”

Therefore, when we shall see the corruption, moral impurity of ones intentions, designs and purpose abundantly supplied with vulgar and obscene thoughts occupy a commanding position on all media agencies. It will fill many with sudden and overpowering wonder and cause an effective aversion in. Thus causing one to lose interest through the exciting distaste being broadcasted. With these facts gathered we can now add this piece to the puzzle. Therefore, the scripture should read:

“At the time that you see with your eyes the corruption, and moral impurity of ones intentions, designs and purpose abundantly supplied with vulgar and obscene thoughts **stand in the holy place** and occupy a commanding position on all media agencies, that will fill many with sudden and overpowering wonder and cause an effective aversion in. Thus causing one to lose interest through the exciting distaste being broadcasted in “newspapers, periodicals, radio, television, wire services, reporters, columnists and web press” you must grasp the significance and importance of this moment intellectually and spiritually.”

“When ye therefore shall see the abomination of desolation **stand in the holy place.**”

**Stand** according to the *Thayer’s Greek-English Lexicon of the New Testament*, © 1977 on page 308 under lexical #2476 means, “to place one’s

self.” **Place** according to the *Webster’s New International Dictionary*, © 1953 2<sup>nd</sup> edition on page 1877 is defined as, “official status, an office, position in the heavens.” In the *J.I. Rodale Synonym Finder*, © 1978 on page 804 **official** is also “rightful” and on page 803 **office** is synonymous to “seat.” **Position** on page 1925 of *Webster’s New International Dictionary*, means, “posture of a person.” **Posture** on page 1031 of the *Random House Webster’s College Dictionary*, © 1999 means, “to act in an artificial manner, as to create a certain impression.” Therefore, we can infer that **stand** when decoded means, one who gives an artificial impression will place themselves in the position of, and posture themselves in the rightful place of the holy. **Holy** according to the *Thayer’s Greek-English Lexicon of the New Testament*, © 1977 on page 7 under lexical #40 is transliterated as, “worthy of veneration, of heaven, which came from God יהוה and contain His words, in a moral sense, pure, sinless, upright, holy, that worshipful offspring of divine power.”

It is rather evident and undeniable that the transliteration of the word **holy** is describing יהוה בן יהוה. יהוה בן יהוה is moral, pure, sinless, of heaven and worthy of veneration. He is the worshipful offspring of Divine Power יהוה and contains His words. Therefore, **stand in the holy place** when decoded means, a person who creates an artificial impression and places himself in the rightful seat and status of יהוה בן יהוה. The rightful seat of יהוה בן יהוה is Christ, the Anointed One of Israel. To whom reverence, and veneration is due. However, there is one who has placed himself in the rightful seat of יהוה בן יהוה and given off an artificial impression. The word **artificial**, taken from the definition of the word

**posture**, which came from the word **position** that was derived from the transliteration of the word **stand**, in the J.I. *Rodale Synonym Finder*, © 1978 on page 67 is synonymous to “false.” **Impression**, which also came from the word **posture**, on page 662 of the *Random House Webster’s College Dictionary*, © 1999 means, “an image in the mind caused by something external to it.” Therefore, a false image of יהוה בן יהוה has been placed in the minds of those who see the **abomination of desolation stand in the holy place**. Since this act is being publicized by all media agencies, then we can assert that, this false image that has placed himself in the rightful seat of יהוה בן יהוה, has also created a false image of Christ in the minds of all people of the world. With these facts we can read the scripture in Matthew 24:15 with a better understanding. Hence, it should read as:

“At the time that you see with your eyes the corruption, and the moral impurity of the one who have placed himself in the rightful seat of יהוה בן יהוה and whose intentions, designs and purpose are abundantly supplied with vulgar and obscene thoughts. That has created a false image of Christ, יהוה בן יהוה in the minds of the people of the world. That will fill many with sudden and overpowering wonder and cause an effective aversion. Thus causing one to lose interest through the exciting distaste being broadcasted and occupying a commanding position on all media agencies in the newspapers, periodicals, radio, television, wire services, reporters, columnists and web press” you must grasp the significance and importance of this moment intellectually and spiritually.”

The spiritual significance of this moment is that it is a sign of the Great Tribulation and the Coming of the Messiah **בן יהוה**. For at the end of tribulation the Messiah **בן יהוה** will appear but before the Son of Man cometh, the son of perdition must be revealed. Let us turn to 2 Thessalonians 2:3-4. Let us read please:

*“Let no man **deceive** you by any means: for that day shall not come except there come **a falling away first, and that man of sin be revealed, the son of perdition:***

**Who opposeth and exalteth himself above all that is called God** **יהוה**, *or that is worshiped; so that he as God **יהוה** sitteth in the temple of God **יהוה**, **showing himself that he is God **יהוה**.**”*

Based on the facts gathered we can deduce that the act of the one who places himself in the rightful seat of **בן יהוה**, (**showing himself that he is God **יהוה****) and creating a false image of **בן יהוה** in the minds of the masses thus (deceive by any means) which will cause one to lose interest (falling away first), is **the son of perdition** who is now being revealed by **יהוה** through all the media agencies around the world. Therefore, we will begin revealing this devil with **the son of perdition**.

The word **perdition** taken from 2 Thessalonians 2:3 is transliterated in the *Strong's Exhaustive Concordance of the Bible in the Greek lexicon* under lexical number #684 as, **apoleia** which means *damnable*. The

*Thayer's Greek-English Lexicon of the New Testament*, © 1977 on page 71 under the same lexical number, #684 **perdition** is transliterated as a man doomed to eternal misery (of Antichrist). The two key points that we will begin with are **damnable** and **of antichrist**. We will first define **of antichrist** and then **damnable**. In the *Random House Webster's College Dictionary*, © 1999 on page 916, **of** is defined as used to indicate identity. **Identity** on page 654 is, "the state or fact of being the same one as described; exact likeness in nature or qualities an assertion that two terms refer to the same thing."

With these facts we can assert that **perdition** transliterated as a man doomed to eternal misery, is actually indicating the identity of the same one as described—**Antichrist**. The two terms **perdition** and **Antichrist** refer to the same thing, thus having the exact likeness in nature. *Webster's New International Dictionary*, © 1953 2<sup>nd</sup> edition on page 1631 **nature** means, "as fundamental character, disposition, or temperament often regarded as innate or unchangeable." In the *J.I. Rodale Synonym Finder*, © 1978 on page 768 some synonyms to **nature** are, "character, essence, essential quality, spirit, inclination, hereditarily."

Therefore, the son of perdition and the antichrist, which is one in the same, will have a character and disposition that is innate and unchangeable. The **nature** according to the transliteration of the word **perdition** is "damnable". **Damn** the root word of damnable in the *Webster's New International Dictionary*, © 1953 2<sup>nd</sup> edition on page 665, is defined, "as to condemn as invalid, illegal, immoral or wicked." Hence, the essence, essential qualities and spirit of the son of perdition/the antichrist are wicked

and immoral. This means the inclination; of the son of perdition/the antichrist is toward wickedness. On page 1257 **inclination** is defined as “a particular disposition of mind; an object of habit.” **Habit** on page 1121 is defined as, “mental constitution; the prevailing character of one’s thoughts and feelings”.

The innate and unchangeable nature of the son of perdition/antichrist is a mental disposition. **Disposition** on page 752 is, the natural tendency to any action. Meaning every thought is toward wickedness, every feeling is toward wickedness. Wickedness is simply a **habit** and prevailing characteristic of the son of perdition/antichrist. He does not have a choice but to think, feel and act wickedly, for his fundamental characteristics are hereditarily passed on. **Hereditary** the root word of hereditarily a synonym of the word nature, derived from the definition of identity that was taken from the word **of** that originated in the transliteration of the word **perdition** is defined by the *Random House Webster’s College Dictionary*, © 1999 on page 614 as, “passing naturally from parent to offspring through the genes; existing by reason of feelings held by predecessors.” *J.I. Rodale Synonym Finder*, © 1978 on page 403 feeling is also “idea, viewpoint and way of thinking.”

Therefore, the habit, nature and characteristics of the son of perdition/antichrist were passed on to him/them from their parent and predecessors. The ideas, viewpoint and way of thinking of the parent exist today by reason of his genes being passed on to his offspring; the son of perdition/antichrist. Now if the habit, nature and fundamental character of the son are wicked, then the parent most also be the same--wicked. For

these characteristics were passed on and exist in the genes. Let us turn to John 8:44 and learn of who the parent of the son of perdition/antichrist is.

*“**Ye are of your father the devil, and the lusts of your father ye will do.** He was **a murderer** from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is **a liar and the father of it.**”*

Without question the son of perdition/antichrist is the offspring of the devil. His father before him, the devil, was a murderer and liar from the beginning. Like father like son he is also a murderer and a liar today. He is incapable of truth for there is no truth in him. Therefore, by reason of his genes, which is the innate quality of wickedness he will commit wicked and immoral acts all the days of his life. His unchangeable nature earns him the names *man of sin, son of perdition, and the antichrist*, which are all one in the same. More of his wicked acts can be found under the term **antichrist**. Let us turn to I John 2:22;

*“Who is **a liar** but he that denieth that **יהוה בן יהוה** is the Christ? He is **antichrist, that denieth the Father and the Son.**”*

In line with his damnable character the **antichrist** is a liar that denies both the Father **יהוה** and the Son **יהוה בן יהוה**. *Thayer’s Greek-English Lexicon of the New Testament*, © 1977 on page 51 under lexical number #500 **antichrist** is transliterated, in part as, “the adversary of the Messiah **יהוה בן יהוה**, to appear just before the Messiah’s advent. In Paul and the

Revelations the idea but not the name of Antichrist is found; yet the conception differs from that of John. For Paul teaches that Antichrist will be an individual man, instigated by the devil to try to palm himself off as God יהוה.”

Some key points to remember are; the **antichrist** is the adversary of יהוה בן יהוה, who appear just before יהוה בן יהוה [‘s] advent: **Appear** on page 65 means become visible, to be obvious perceived, to come before the public. Also **advent** according to *Random House Webster’s College Dictionary*, © 1999 on page 19 means the coming of Christ יהוה בן יהוה into the world. The **antichrist** is instigated (inspired and influenced) by the devil to try to palm himself off as God יהוה. **Palm off** on page 953 means as by deception, thus gave a false image of. The **antichrist** is showing himself to be the **abomination of desolation** by deceiving the world into believing that he is יהוה. Also the **antichrist** is perceived to be an individual man as well as many men, which can be verified in I John 2:18,

*“Little children, it is the last time: and as ye have heard that **antichrist** shall come, even now are there many antichrists; whereby we know that it is the last time.”*

From this information, we can see that we are to be on the look out for the adversary of יהוה בן יהוה who will become visible to the public just before the coming of יהוה בן יהוה. The **antichrist** will be inspired, thus having the same spirit, by the devil and deceive the world into believing that

he is יהוה. He, the **antichrist**, is an individual, as well as, many individuals. The scripture says that this will occur in the **last time**, which is the end time. Therefore, when we see the **antichrist/son of perdition** revealed in public and his wicked ways exposed, know that the end time is near.

This is what will be visible on all media agencies, that is, visible to the righteous who grasps the significance and importance of this moment intellectually and spiritually. When we see the one who opposeth and exalteth himself above יהוה, sitting in His temple showing himself that he is יהוה, know that the end time is close at hand. For when Satan the devil with the power of his signs, wonders and false image is exposed it will fill the world with sudden overpowering wonder. When we see their **astonishing** display of wickedness that was once a mystery and hidden, broadcasted on all the news media, such as, CNN, CBS, NBC, ABC, FOX Network and all the others, know that it is a sign. All of which are signs of the coming of יהוה בן יהוה. For the **son of perdition/antichrist** must be revealed first then the Son of Man cometh. 2 Thessalonians 2:3,4,7,8,9.

3 **“Let no man deceive you by any means: for that day shall not come, except there come a falling away first, and that man of sin be revealed, the son of perdition (the antichrist).**

4 **Who opposeth and exalteth himself above all that is called God יהוה, or that is worshiped, so that he as God יהוה sitteth in the temple of God יהוה, showing himself that he is God יהוה.**

7 **For the mystery of iniquity** doth already work: only he who now letteth will let, until he be taken out of the way.

8 **And then shall that wicked be revealed, whom the Lord יהוה בן יהוה shall consume with the spirit of his mouth, and shall destroy with the brightness of his coming:**

9 Even him, **whose coming is after** the working of **Satan** with all power and **signs** and lying **wonders**. . .”

Having gained an understanding of what to look for let us begin to expose the **antichrist**. *Webster's New International Dictionary*, © 1953 2<sup>nd</sup> edition on page 116 defines **antichrist** as, “one who denies or opposes Christ יהוה בן יהוה, a great antagonist, expected to fill the world, with wickedness, but to be conquered forever by Christ יהוה בן יהוה at his second coming. Though mentioned by name in the Bible only in John 2:18, 22 **antichrist** is thought to be referred to, as the “Man of Sin,” in 2 Thess. 2:1-12, and as the “Beast” in Rev. 11,13,17; the **antichrist** of the New Testament was identified by Wycliffe with the Pope or papal power, a false Christ.”

Based on the facts gathered in this definition we can infer that the **antichrist** is one who denies and opposes Christ יהוה בן יהוה; that the **antichrist** is a great antagonist who is expected to fill the world with wickedness. He is also referred to as the Man of Sin, and the Beast of Revelation thus having the same nature and innate qualities; the same thoughts and feelings, the same unchangeable spirit of wickedness.

Fundamentally corrupt by reason of their genes that were passed on by their father the devil (John 8:44). In addition to being identified with these wicked figures of the Bible the **antichrist** is also identified as the Pope and the papal power.

In I John 2:18 the **antichrist** is described as being one **antichrist** and many **antichrists**. In like manner the Pope and the papal power is considered by definition to be the **antichrist**, that is, the Pope being the **antichrist** and the papal power many **antichrists**. Let us begin to define Pope. In the *American Heritage Dictionary of The English Language*, © 1978 on page 1020 **pope** is defined as, “any figure to have unquestionable authority.” *Webster’s New International Dictionary*, © 1953 2<sup>nd</sup> edition on page 1920 **Pope** means, “in the Roman Catholic Church, the head of the church and Patriarch of the West, a parish priest.” Thus far we see that the **Pope** is the head of the Roman Catholic Church, the Patriarch of the West, a parish priest and he has unquestionable authority. Let us first gather some facts about Patriarch of the West.

*Webster’s New International Dictionary*, © 1953 2<sup>nd</sup> edition on page 1792, **Patriarch** is, “the ruler of a family.” In the *Bartlett’s Roget’s Thesaurus*, © 1996 on page 100 under reference number #68.3 **ruler** is categorized with “potentate.” **Potentate** on page 1932 of *Webster’s New International Dictionary* means, “having great power; exercising effectively authority, control or dominion, highly influential.” **West** on page 2904 is defined as, “Europe and the Americas.”

Therefore, we can conclude that the **Pope**, identified as the **antichrist**, has great power and authority over Europe and the Americas. As the **potentate** and head of the Roman Catholic Church he effectively exercises control and dominion over these countries. He is highly influential and his authority is unquestionable. To see how his power and authority is exercised let us put a hold on defining unquestionable authority and continue with Patriarch of the West and parish priest.

**Patriarch** of the **West** and parish priest, are descriptive terms within the definition of **Pope**, thus making them interchangeable. *Bartlett's Roget's Thesaurus*, © 1996 on page 58 under reference number #32.12 **Patriarch** is a "godfather." **Godfather** is defined by the *Webster's New International Dictionary*, on page 1073 as, "a man who becomes sponsor for a child at baptism, and makes himself a surety for its Christian training." Again a **godfather** is synonymous with **Patriarch**. Since **Patriarch** of the **West** is interchangeable with parish priest we can infer that a **godfather** is also a parish priest. Therefore, it is a parish priest who becomes the sponsor for a child at baptism, and makes himself a surety for its Christian training.

Now let us understand, who or what a parish priest is. Please follow closely as we introduce each of these concepts of parish and then priest. On the authority of the *American Heritage Dictionary of The English Language*, © 1978 on page 953 **parish** is, "an administrative part of a diocese that has its own church, members of a parish." On page 17, **administration** is, "the persons collectively who make up the executive branch of a government." **Diocese** according to the *Webster's New International Dictionary*, on page 734 is defined as, "a division of a prefecture of the Roman Empire."

**Prefecture** on page 1948 under Roman History is, “any of four divisions into which the Empire was divided under Constantine.”

Thus far we can assert that a **parish** is the persons who collectively make up the executive branch of government that has its own church and members. This government is part of the Roman Empire that is divided into four parts known as a **prefecture**.

On page 1947 **prefect** the root word of **prefecture** means in ancient Rome, “any of various high officials placed at the head of a particular department.” *J.I. Rodale Synonym Finder*, © 1978 on page 276 **department** is synonymous to “territory.” On page 3268 of *Webster’s New International Dictionary*, **territory** is defined as, “the land or district lying round a city or town and under its jurisdiction, the country under the dominion of a ruler.” **Territory** in the *American Heritage Dictionary*, on page 1329 is defined as, “a part of the United States not admitted as a state, a part of Canada or Australia not accorded statehood.”

Based on these facts we can infer that the executive branch of the Roman Empire that is divided into 4 parts, has dominion over the members, church, city, town and country lying round a district under its jurisdiction. The authority of the **parish** over the district is unquestionable, however their **territory** is not admitted statehood. In the *J.I. Rodale Synonym Finder*, **admit** the root word of admitted is synonymous to “divulge.” **Divulge** in the *American Heritage Dictionary*, on page 386 is defined as, “to disclose a secret.” In the *Bartlett’s Roget’s Thesaurus*, © 1996 on page 745 under reference number #844.7 **secret** is “disguise, hidden and cloaked in

secrecy.” Hence, the government of the **pope** is a secret that is not divulged by the countries who he exercises his control over. This government and its executive branch is not publicly known for it is cloaked in secrecy and hidden behind a disguise. **Disguise** according to the *Random House Webster’s College Dictionary*, © 1999 on page 378 means, “to change the appearance of so as to conceal identity, as with the deceptive garb.” In the *Webster’s New International Dictionary*, on page 1033 **garb**, “is style of dress esp. that distinctive of rank or standing as, the **garb** of a clergyman.” In the *J.I. Rodale Synonym Finder*, on page 176 **clergy** the root word of clergyman is synonymous to “priest, bishop, cardinal and Roman Catholic Church.”

Therefore, we can assert that the Roman Empire is hidden under the disguise of the Roman Catholic Church. The executive branch of this government is made up of priests, bishops, and cardinals, whose true identity remain concealed by their deceptive **garb** and style of dress. The priests, bishops and cardinals are the high officials who have been placed at the head of the particular jurisdictions in such countries as Australia, Canada and the United States. In the countries where the Roman Catholic Church has set up its government and exercises dominion, they have not been formally admitted to statehood. For the great power and influence of the **Pope** is not divulged. It is cloaked in secrecy. Now that we have exposed these facts about the structure of the Roman Empire and its crafty concealment let us proceed with the word **priest**.

**Priest** from the phrase **parish priest** which came from the definition of **pope** is defined by the *Webster’s New Collegiate Dictionary*, © 1959 on

page 670 as, “one who resembles that of a **priest**, one of the clergy.” In the *Webster’s New International Dictionary*, on page 1962 **priest** is “one who has received orders in any grade”. Thus far, a **priest** is one of the clergy, previously identified as priests, bishops and cardinals, who have received orders and whose function resembles that of a **priest**. **Resembles** on the authority of *Webster’s New International Dictionary*, on page 2118 means “to imitate, to seem in outward show.” Some synonyms of **resemble** are “appear like, seem like, look like.” *J.I. Rodale Synonym Finder*, on page 536 lists **imitate** with “counterfeit.” **Counterfeit** on page 607 of the *Webster’s New International Dictionary*, is defined as “one who pretends to be what he is not; imposture, with a view to deceiving.” **Function**, which came from the definition of **priest** according to *Random House Webster’s College Dictionary*, © 1999 on page 529 is “the purpose for which something is designed.” **Design** on page 359 is, “a scheme of to be executed.” On page 1173 **scheme** is “an underhanded plot.”

We can conclude that the Roman Empire disguised as the Roman Catholic Church have placed priests, bishops and cardinals in countries around the world such as, Australia, Canada and the United States, to exercise its dominion. It is the priests, bishops and cardinals, also called clergy, who make up the executive branch of their government. The clergy has received orders to disguise themselves by taking on the function and resemble Catholic Priests, hence **appear like**, **seem like**, and **look like**. Hence, their true identity remains hidden behind their **garb** and style of dress, which is the clergy’s outward show. The clergy are imposters who **imitate priests**, while they execute their **scheme** and underhanded plot designed to deceive the **parish** members around the world. This clearly

proves that the outward show of the clergy is the opposite of their inward intentions. Let us turn to Matthew 7:15-20,

15 *“Beware of false prophets, which come to you in sheep’s clothing, but inwardly they are ravening wolves.*

16 *Ye shall know them by their fruits. Do men gather grapes of thorns, or figs of thistles?*

17 *Even so every good tree bringeth forth good fruit; but a corrupt tree bringeth forth evil fruit.*

18 *A good tree cannot bring forth evil fruit, neither can a corrupt tree bring forth good fruit.*

19 *Every tree that bringeth not forth good fruits is hewn down, and cast into the fire.*

20 *Wherefore by their fruits ye shall know them.”*

Truly the word of יהוה is coming to pass through His Son and Servant יהוה בן יהוה. As prophesied the corrupt and wicked deeds of all **false prophets** are being made known. Today, the Roman Catholic Church is being revealed for who they truly are ‘**wolves in sheep’s clothing**’. The Roman Catholic Church is the corrupt head of all Christianity, (*Webster’s New International Dictionary*, on page 424 “Catholic Church the body of Christians of which the Pope, the bishop of Rome, is the head.”) thus, the main branch of the **tree** that bares the corrupt fruit of all Christian denominations. For the actual **tree** is their father the devil. With their **false**

**prophets** they and their false teachings have deceived the whole world. This can be verified in Revelation 12:9. Let us read:

*“And the great dragon was cast out, that old serpent, called the Devil, and Satan, which deceiveth the whole world: he was cast out into the earth and his angels were cast out with him.”*

They are **false prophets**. In the *Strong’s Exhaustive Concordance* in the Greek lexicon under lexical number #5578, **prophet** taken from Matthew 7:15 is, “pseudoprophetes” transliterated as, “religious impostor, a false prophet.” These scriptures of prophecy supported by definition clearly identifies the Roman Catholic Church and their wicked deeds as, **religious impostors** with a underhanded plot is to fill the world with wickedness. At this point we can conclude that the Roman Catholic Church and its wicked priests is the **Abomination of Desolation** that has place themselves in the rightful seat of יהוה בן יהוה but there is still more to be uncovered before we move on.

As we have already stated the Roman Catholic Church is the outward show of the hidden government of the Roman Empire who has placed their high officials in **parishes** around the world. Outwardly they **resemble** priests, bishops and cardinals, however, cloaked in secrecy is the actual role of the executive branch of their well-concealed government that has unquestionable authority. Their underhanded plot to fill the world of wickedness has been exposed by יהוה and now publicized by all the media agencies. Pedophilia is and has been a part of their **scheme, design**, and underhanded plot. **Pedophilia** is a Greek word defined in the *Webster’s*

*New International Dictionary*, © 1953 2<sup>nd</sup> edition on page 1803 as “erotic desire of an adult for a child.” On page 869 **erotic** means “strongly affected by sexual desire.” To see this plot executed and the sexual desires of the **parish priest** carried out, let us return to our definition of **godfather** that was also identified as a **parish priest**.

Again a **godfather/parish priest** is “a man who becomes sponsor for a child at baptism, and makes himself a surety for its Christian training.” The key here is the **parish priest** “makes himself a surety” for its Christian training. We can already see that the **priest** is carrying out his orders and executing the plot when he “makes himself a surety.” Within the word make is where we will find out the details of their underhanded plot of wickedness. Follow closely as we decipher this word.

On page 800 of the *Random House Webster’s College Dictionary*, © 1999 **make** is defined as “to bring into existence by shaping and changing, to transform, to form in the mind, to judge as to the truth, nature or meaning of, to have sexual intercourse with.” This is what the **parish priest** does by making himself a surety for that child’s Christian training. His objective is to transform that child. Transform how the child judges truth and the meaning of Christian training. He does this by shaping and changing the mind of the child and even his very nature is transformed.

*Bartlett’s Roget’s Thesaurus*, © 1996 on page 594 categorizes **transform** with “process, develop, mature, be turn into.” In the *Random House Webster’s College Dictionary*, © 1999 on page 715 **judge** is “to hold as an opinion.” Hence, the **parish priest** is carrying out a process of shaping

the opinion of the child as he develops. **Truth** on page 1401 means “agreement with a standard.” **Nature** on page 880 is, “the principles that guides an individual, biological urges.” **Mean** the root of meaning on page 1520 of *Webster’s New International Dictionary*, © 1953 2<sup>nd</sup> edition is “to bear in mind, remember, to have emotional significance.”

With these facts given we can deduce that the **parish priest**, who have been given orders, is executing the underhanded plot, which is to **transform** the mind of the child he sponsors at baptism. The **parish priest** causes the child to remember and to have emotional significance about his Christian training by shaping the meaning of it in the child’s mind. A process the **parish priest** brings into existence at the child’s baptism. As the child develops he holds as an opinion about **truth**, which has been shaped by the **parish priest**. Thus, an opinion is formed in the mind of the child that the training he received is in agreement with a standard. With these false impressions the child’s ability to **judge** is altered. His **nature** and guiding principles have been turned into and **transformed**; so much so that his biological urges do not reflect that which is in agreement with his **nature**.

*Bartlett’s Roget’s Thesaurus*, © 1996 on page 47 under reference number #20.5 **biological urges** is categorized with “sexual desire, bodily appetite, and allure.” In the *Random House Webster’s College Dictionary*, © 1999 on page 37 **allure** is defined as “to attract by something, to charm.” On page 223 **charm** is “a power of pleasing, to influence through personal charm.” The word **intercourse**, “as in “sexual intercourse” which was taken from the definition of the word **make**, i.e. “makes himself”, that was derived

from the term **godfather** interchangeable with **Patriarch** of the **West** that originate with the **Pope** is defined by *Webster's New International Dictionary*, on page 1293 as “intimate connection.” Hence the **parish priests** transforms the **biological urges** of the child he sponsors at baptism by alluring the child into an intimate connection. With his charm and power of pleasing he influences and develops the child's bodily appetite. As the child matures his sexual desires are being transformed and he is no longer being guided by principles of **nature** but rather the emotional significance of his “intimate connection” with the **parish priest**.

This is the height of the **abomination of desolation** especially when you consider that these **priests** are executing orders. Again part of the definition of **priest** is “one who has received orders in any grade.” **Order** in the *J.I. Rodale Synonym Finder*, © 1978 on page 813 is synonymous to “directive.” **Directive** on page 738 means, “a form of general orders, usually emanating from the supreme headquarters.”

The orders that the **priests** are carrying out are emanating from the supreme headquarters. **Headquarters** is a compound word made up of two words, head and quarters. As previously mentioned the **pope** is the head of the Roman Empire, which is disguised as Roman Catholic Church. We also discover that a **parish** is the persons who collectively make up the executive branch of government that has its own church and members. This government is part of the Roman Empire that is divided into four parts known as a **prefecture**. A fourth part of a whole is called a quarter. Therefore, we can assert that these quarters, the **parishes**, have received their orders from the head, the **pope**.

This type of wicked behavior by the Roman Catholic Church has been going on for years but the masses are now being exposed to her evil deeds. This is largely due to the fact that the **pope** has exercised unquestionable authority. According to the *American Heritage Dictionary of The English Language*, © 1978 on page 89, **authority** is the right and power to command, enforce laws, exact obedience, and judge. In the *Webster's New International Dictionary*, © 1953 2<sup>nd</sup> edition on page 1678 **obedience** means, "jurisdiction, control and rule, now used chiefly of the spiritual authority of the Roman Catholic Church." In the *J.I. Rodale Synonym Finder*, © 1978 on page 1293 **unquestionable** is, synonymous with "unattackable." On page 177 **attack** the root word of attackable, which is the antonym to unattackable means, "to assail with unfriendly speech or writing, to begin a controversy with, to attempt to overthrow or bring into disrepute by criticism."

Therefore, the Roman Catholic Church has been free from any unfriendly speech or writing that would cause a controversy, investigation and criticism that would overthrow or bring it into disrepute. That is until recently. Until recently the Roman Catholic Church headed by the **pope**, has exercised her power and authority without question. Today Almighty God יהוה is revealing them and exposing their wickedness to the world. Proof of the fact that it is יהוה exposing the Roman Catholic Church and it's pornographic, pedophilic priest is the unfriendly speech and writings that criticize them for their insatiable lust for little boys. All news media agencies are speaking unfriendly words about these detestable priests. They have had this information for years but are just now publicizing it.

All of which is a sign that the end is so very close at hand. For it is Almighty God יהוה that gave power to the wicked to maintain their wicked kingdom when he put His divine protection on Cain in the Garden of Eden. יהוה has preserved them for the end time so that He could raise up His Son יהוה בן יהוה to smite the wicked and show forth the Greatness of יהוה. From out of the midst of former slaves יהוה has raised up One who has All Power and Authority in Heaven and in earth. Clothed in righteousness and endowed with majesty. The worshipful offspring of the Most High יהוה, Son of the Highest, the Potentates Potentate, the Bright and Morning Star and The Light of The World, יהוה בן יהוה. The **abomination of desolation** is a sign to the righteous that we had better be ready for a day is coming when the wicked will seek to destroy us keepers of the laws of יהוה. For he knows that he has but a short time left. Fret not for it says in Revelation 12:11:

*“And they overcame him by the blood of the Lamb, יהוה בן יהוה, and by the word of their testimony; and they loved not their lives unto the death.”*

When we cleanse ourselves with the blood of יהוה בן יהוה, which is the vital principles, the vital force, and take on the nature, character and state of mind of יהוה בן יהוה we will be able to testify to the world, in the face of all opposition. Stand firmly and not fear even unto death because we have been given to understanding and know of a surety that יהוה בן יהוה is God. He gave me this life and if it pleases Him he'll give me another. I am

working on my testimony everyday, which means I am making changes in my self so that I can reflect the teachings of my Father **יהוה בן יהוה**. That is how the world will know that I have meet with the God of Abraham, Isaac and Jacob and I am a witness to His miracles. I see the signs in heaven and I am going to run into the name **יהוה** where it is safe. Where will you run?

Shalom
