

“Another Beast Coming Up Out of The Earth”

Part Four

I come before you today to give all praises to יהוה, and to His most precious Son, בן יהוה, and to pour out my sincerest and deepest song of praise. I extol my God, יהוה, and I praise His Son, בן יהוה, for ever and ever. יהוה is ***GREAT*** and greatly to be praised. In fact, His greatness is ***UNSEARCHABLE***. And He is so very great that *one* generation shall praise His works to another, and shall declare His mighty acts. It is true that ALL men shall speak of the might of the terrible acts of יהוה. For they shall abundantly utter the memory of the great goodness of יהוה, and shall sing of His righteousness. Praise יהוה!

Why do I speak continuously of my praise for יהוה, and His Son, בן יהוה? Because the Lord, יהוה, is ***“GOOD TO “ALL.”*** He is so good that He sent unto the world His Only Begotten Son, בן יהוה, that the world may know that He is gracious and full of compassion. And so that we may know that His tender mercies are over ALL His works. Therefore, the saints of יהוה shall bless, בן יהוה, the Son of יהוה. They shall even

speak of the glory of the Kingdom of יהוה, and shall talk of His power. For the whole duty of the saints of יהוה is to make known to the sons of men the mighty acts of the Son, בן יהוה, and the glorious majesty of the Kingdom of יהוה that is to come. For the Kingdom of יהוה--in which all authority has been appointed to the Son, בן יהוה--is an everlasting kingdom, and its dominion shall endure throughout all generations.

The world must bear witness that יהוה sent His Heavenly Son, בן יהוה, to uphold all that fall, and to raise up all those that be bowed down. For the eyes of all wait upon the Son, בן יהוה, and He shall give them their meat in due season. בן יהוה--the Son of יהוה--opens His hand to satisfy the desire of every living thing. בן יהוה is righteous in all His ways, and holy in all His works.

There is a testimony in my heart that attests to the reality that יהוה is “nigh” unto ALL that call upon Him in truth. He is so high and mighty that He will fulfill every desire of them that fear Him. Even more, יהוה will also hear your *every* cry, and will **SAVE** you. Such proof lies in the truth that He has

sent us His Only Begotten Son into the world as our **SAVIOR, DELIVERER, LIBERATOR, AND REDEEMER.** יהוה preserves all them that love Him, but all the wicked He will destroy. And it is for these reasons, that my mouth shall continually speak the praise of the Lord, יהוה, and His Son, בן יהוה. So, let all flesh praise יהוה, and His Son, בן יהוה for ever and ever! (Psalm 145)

It is, indeed, an honor to welcome you to part four of this seminar entitled, ***“Another Beast Coming Up Out of The Earth.”*** In our past seminars, יהוה has led us to some *startling* facts in regard to ***another beast***, which we have factually proven to be Dr. Condoleezza Rice. On that account, let us read Revelation, Chapter 13, verses 11 and 12:

[11] And I beheld another beast [Dr. Condoleezza Rice] coming up out of the earth; and [s]he had two horns like a lamb, and [s]he spake as a dragon.

[12] And [s]he exerciseth all the power of the first beast [President George W. Bush] before [her], and causeth the earth and them which dwell therein to worship the first beast [President George W. Bush], whose deadly wound was healed.

Our decoding of Revelation, Chapter 13, verses 11 and 12, provided irrefutable evidence to validate that the ***first beast***--President George W.

Bush--has the monumental task to bring about the ONE WORLD GOVERNMENT. Notwithstanding, our body of facts disclosed that President George W. Bush is neither mentally nor intellectually competent to bring about the One World Government on his own and, subsequently, will be given additional assistance from *another beast*--Dr. Condoleezza Rice.

More undeniable documentation addressed the fact that Dr. Condoleezza Rice will use her superb intelligence, practical qualifications, and innate abilities to do everything she can to aid President George W. Bush in accomplishing his charge to establish the One World Government.

We even affirmed, with credible facts, what it would take for Dr. Condoleezza Rice to assist President George W. Bush. What it would take, we told you, was for her to “*come up out of the earth.*” After careful study and thorough analysis, we concluded that the figurative expression “*come up out of the earth*” means that Dr. Condoleezza Rice would leave her position as **National Security Adviser** to President George W. Bush and achieve an even higher position. And while in this *new* position, she will exercise **ALL** of his power. At the time this initial study was done, we did not know what her new position would be.

However, today we know what this new position is: After Colin Powell resigned from his position, Dr. Condoleezza Rice was nominated by President Bush, and confirmed by the Senate, to be the next **SECRETARY OF STATE** in the second term of his presidency. This confirms her elevation from a lower position to a higher position as our research showed. Being the new *Secretary of State*--the chief presidential adviser on foreign affairs, and the highest ranking member of the cabinet, and the fourth in the line of succession to the presidency--puts Dr. Condoleezza Rice in the right position to exercise **ALL** the power of the first beast--President George W. Bush.

Over and above, it is in this new position of *Secretary of State* that she will be fully capacitated to do all that is written in Revelation, Chapter 13, verse 13, which is our foundation Scripture for today. Therefore, let us read:

*And [s]he doeth **great wonders**, so that [s]he maketh **fire come down from heaven on the earth in the sight of men**,*

This Scripture leaves no question as to the fact that “*she*”--Dr. Condoleezza Rice--will do **GREAT WONDERS** on behalf of President George W. Bush, so much so that she will make fire come down from heaven on the earth in the sight of men. Therefore, our decoding of today’s foundation Scripture

will begin with the first half of Revelation, Chapter 13, verse 13, which reads:

*And [s]he doeth **great wonders**...*

Let us begin deciphering the meaning of this phrase, starting with the word “doeth,” which is the archaic form of the word *do*. According to the *American Heritage Talking Dictionary*, Computer Software, copyright 1997, the word **do** means “to carry out.” We can interpret this to mean that Dr. Condoleezza Rice will carry out *great wonders*. That being so, what are great wonders?

Great, the *adjective* used in describing the **wonders** that Dr. Condoleezza Rice shall carry out, is documented in the *Merriam Webster’s 11th Collegiate Dictionary*, copyright 2003, Computer Software, as something “outstanding; remarkable in degree or magnitude.” Dependant upon these facts, Dr. Condoleezza Rice shall carry out wonders in her new position as Secretary of State that shall either be considered outstanding or remarkable in degree or magnitude. With that in mind, let us define the word “*wonders*.”

On the authority of *The Oxford Universal Dictionary*, copyright 1955, on page 2444, **wonder**, the singular of the plural *wonders*, is described as “a

miracle”; and in the *Random House Webster’s Unabridged Dictionary*, Computer Software, copyright 1999, a **miracle** suggests “an effect in the physical world that surpasses all known human powers.” A logical deduction of these definitions infers that Dr. Condoleezza Rice shall carry out a remarkable effect in the physical world that shall surpass all known human powers. To *surpass all known human powers*, so to speak, means that she will do something that no other known human has had the power to do in the physical world.

First, let us gain an understanding of what the physical world is, and then we shall acquire more about the effect that she shall carry out. In the *Bartlett’s Roget’s Thesaurus*, copyright 1996, on page 634, the **physical world** (#719.2) is synonymous to the “world”; and in *The Cassell Concise Dictionary*, copyright 1998, on page 1684, the **world** is delineative of “all nations of the world.” Thence, she shall carry out an effect in all the nations of the world.

The word **effect** as referenced in *The Oxford Universal Dictionary*, copyright 1955, on page 585, is “something attained by an action; success in bringing about a change.” The accuracy of these facts is translated to mean

that in the position of Secretary of State, Dr. Condoleezza Rice will carry out something that will be attained by an action; and this something that she shall attain will be success in bringing about a change in all the nations of the world. In plain words, this change that she shall attain will be an action that will be “so” remarkable or outstanding in degree or magnitude that she will be regarded as having done something that far surpasses all known human powers. In coherence with these facts, let us identify what this “change” shall be.

The *Encarta Reference Library*, copyright 1999-2003, Computer Software, characterizes a **change** as “a shift.” According to *The Oxford Universal Dictionary*, copyright 1955, on page 1873, a **shift** is depicted as “a faculty of contrivance”; while **contrive**, the root of *contrivance*, on the same page, means “to form a conspiracy.” These facts substantiate definitively that Dr. Condoleezza Rice shall do something that surpasses all known human powers; and that is, to form a conspiracy among all the nations of the world to such a degree that it will be above and beyond what any known human had the power to do.

A **conspiracy** is recorded in *The Oxford Universal Dictionary*, copyright 1955, on page 377, as “the action of conspiring”; and **conspire**, the root word of conspiring, on the same page, means “to combine privily with to do something criminal, evil, or reprehensible (to excite sedition).” In the same reference source, on page 345, the word **combine** means “to agree”; while **sedition**, on page 1829 is defined as “a violent strife.” And in the *Chamber’s 21st Century Dictionary*, copyright 1996, on page 1396, **strife** is defined as “bitter conflict.”

Even further, we can validate that Dr. Condoleezza Rice will agree with the first beast--President George W. Bush--to privily do criminal, evil, or reprehensible things among ALL the nations of the world to excite a violent and bitter conflict among them. At this point, you may be wondering how Dr. Condoleezza Rice will be able to perform such surreptitious acts. Hence, you must not dismiss the fact that, scripturally, it was given to her to exercise ALL the power of the first beast--President George W. Bush (Revelation 13:12). Hence, as the highest ranking member of the Bush cabinet, she shall use her position to attain all that is necessary by way of an “action,” which derived from the word “effect,” which originated from the word “wonder.”

According to *The Oxford Universal Dictionary*, copyright 1955, on page 19, an **action** is rendered as “conduct.” The *Webster’s New World Dictionary & Thesaurus*, copyright 1998, Computer Software, affirms that **conduct** is equivalent to “policy,” which in *The Oxford Universal Dictionary*, copyright 1955, on page 1536, is characterized as “diplomacy.” Thus, these facts clearly authenticate that she shall do criminal, evil, and reprehensible things on behalf of President Bush among all nations of the world by using diplomacy.

Diplomacy in *The Oxford Universal Dictionary*, copyright 1955, on page 514 is depicted as “skill in the conduct of international intercourse and negotiations.” On the basis of these definitions, we can draw a valid conclusion that Dr. Condoleezza Rice--who is the chief advisor on foreign affairs and is the highest ranking member of the Bush cabinet--shall agree privily with President Bush to use her skill in the conduct of international intercourse and negotiations among ALL the nations of the world to do criminal, evil, or reprehensible acts that will excite a violent and bitter conflict among them.

As referenced in the *Random House Webster's Unabridged Dictionary*, Computer Software, copyright 1999, **intercourse** alludes to “dealings or communication between countries”; and **negotiate**, the verb of negotiation, according to the *Webster's New World Dictionary & Thesaurus*, copyright 1998, Computer Software, means “to make arrangements for (a treaty). In the same reference source, a **treaty** is defined as “a formal agreement between two or more nations, relating to peace, alliance, trade, etc.”

Thus, the summation of international intercourse and negotiations describes how Dr. Condoleezza Rice will orchestrate dealings and initiate communication among all the nations of the world as well as how she will make arrangements for trade among all the countries to promote criminal activity. In addition, this also sheds light on how she will initiate communications between countries regarding formal peace agreements as an opportunity to do evil. Even more, how she shall form alliances with all the nations of the world with a clandestine objective to commit reprehensible acts among them. And all of these covert acts will be to excite a violent and bitter conflict among them.

Now that we have come to a full understanding of the phrase, “*And she doeth great wonders...*,” we shall now proceed with the remainder of Revelation, Chapter 13, verse 13. And it reads:

...so that [s]he maketh fire come down from heaven on the earth in the sight of men,

In the *Merriam Webster’s 11th Collegiate Dictionary*, copyright 2003, Computer Software, the phrase **so that** is a conjunction, and means “that.” The same reference source documents that **that** is “used as a function word to introduce a subordinate clause expressing purpose.” On the basis of these facts, it is rather clear that Dr. Condoleezza Rice shall engage in criminal, evil, and reprehensible acts among all the nations of the world to excite a violent and bitter conflict among them for the sole purpose of making fire to come down from heaven on earth in the sight of men.

Maketh is the archaic present tense of **make**, and in the *American Heritage Talking Dictionary*, Computer Software, copyright 1997, the word **make** means “to cause to be.” In accordance with these facts, Dr. Condoleezza Rice shall cause **fire** to be, and this fire shall come down from heaven on earth in the sight of men. With that being the case, what is “fire?”

In *The New Strong's Exhaustive Concordance of the Bible*, Greek Dictionary section, copyright 1990, on page 63, the Greek transliteration of the word *fire* is **pur** (#4442), pronounced *poor*, and means "lightning." Also, in the same reference source, in the Hebrew and Chaldee Dictionary section, on page 23, the Hebrew word for *lightning* is **baraq** (#1299), pronounced *baw-rawk'*, and is defined as "a flashing sword."

From all of these facts, we can take into account that as a result of the violent and bitter conflict that Dr. Condoleezza Rice will create among all the nations of the world, she shall cause a ***flashing sword*** to come down from heaven on earth in the sight of men. Since this cannot be interpreted in a literal sense, we must deduce "***flashing sword***" to a palatable state.

In *The Oxford Universal Dictionary*, copyright 1955, on page 711, the word **flashing** is "the action of flash"; and in the *Chamber's 21st Century Dictionary*, copyright 1996, on page 500, the word **flash** is described as "a very short length of time; a brief but intense occurrence." Based upon the accuracy of these facts, we can determine that in the interest of President George W. Bush, Dr. Condoleezza Rice shall cause a ***sword*** to come down

from heaven on the earth that shall be for a very short or brief length of time, and shall be very intense in occurrence.

The word **intense** is used to describe something that is “severe, grievous, distressing, harrowing, afflictive, and critical (according to *The Synonym Finder*, by J. I. Rodale, copyright 1978, on page 589). Therefore, what is this severe, grievous, distressing, harrowing, afflictive, and critical **sword** that shall come down from heaven on earth in the sight of men for a very short period of time?

The word **sword** is documented in the *Webster’s New Collegiate Dictionary*, copyright 1953, on page 859, as “a symbol of power.” And **power** in the *Random House Webster’s Unabridged Dictionary*, Computer Software, copyright 1999, is depicted as “political ascendancy.” In the same reference source, the adjective **political** means “having a definite system of government.” Therefore, based upon the validity of these facts, we can conclude that Dr. Condoleezza Rice has privily agreed with President Bush to do criminal, evil, and reprehensible acts among all the nations of the world to excite a violent and bitter conflict among them, which will result in

a DEFINITE system of government in ascendancy. And we have factually proven this definite system of government to be the One World Government.

According to the *Random House Webster's Unabridged Dictionary*, Computer Software, copyright 1999, **ascendancy** is described as “the state of being in the ascendant”; and in the same reference source, **ascendant** means “a position of dominance or controlling influence.” Our documentation confirms that in consequence of her “successful” acts to excite a violent and bitter conflict among all nations, a DEFINITE system of government--the One World Government--will be put in a position of dominance or controlling influence over all the nations of the world.

However, our facts reveal to us that this system of government--the One World Government--will be severe, grievous, distressing, harrowing, afflictive, and critical, and it will only last but for a short or brief length of time. It shall not be of President Bush's or Condoleezza Rice's volition--because if they had it their way, it would last forever and a day. This shall be a length of time that has been decreed by יהוה. Let us read Revelation, Chapter 12, verse 12:

*Therefore rejoice, ye heavens, and ye that dwell in them. Woe to the inhabitants of the earth and of the sea! for the devil is come down unto you, having great wrath, because he knoweth that he hath but a **short time**.*

Let us also read Daniel, Chapter 7, verse 25:

*And he shall speak great words against the most High, and shall wear out the saints of the most High, and think to change times and laws: **and they shall be given into his hand until a time and times and the dividing of time.***

And lastly, we shall read Revelation, Chapter 13, verse 5:

*And there was given unto him a mouth speaking great things and blasphemies; **and power was given unto him to continue forty and two months.***

In the fulfillment of these Scriptures, this very short or brief length of time that is decreed by יָהִי is *time and times, and the dividing of time* or a period of *forty two months*, which is the equivalent of **three and a half years**. And it is during this short period of time that a definite system of government--the One World Government--will *come down* from heaven on earth, according to Revelation, Chapter 13, verse 13. What does this mean?

On the authority of the *American Heritage Talking Dictionary*, Computer Software, copyright 1997, **come down** means “to be handed down from a

higher authority.” In the *Webster’s New World Dictionary & Thesaurus*, copyright 1998, Computer Software, **hand down**, under the word hand, means “to announce or deliver.” Thus, this definite system of government--the One World Government--that shall be in a position of dominance and controlling influence, and that will be sustained for three and a half years, will be announced or delivered from a higher authority, which is “*heaven.*”

The New Strong’s Exhaustive Concordance of the Bible, Greek Dictionary, copyright 1990, on page 53, translates *heaven* as **ouranos** (#3772), pronounced *oo-ran-os*, in Greek, which means “elevation.” In *The Synonym Finder*, by J. I. Rodale, copyright 1978, on page 343, **elevation** is synonymous to “mountain”; and on page 753, the word **mountain** is equivalent to “summit.” The *Webster’s New World Dictionary & Thesaurus*, copyright 1998, Computer Software, defines **summit** as “the highest level of officials.”

In agreement with these facts, we can validate that Dr. Condoleezza Rice shall use her knowledge in *foreign affairs*--to orchestrate dealings, initiate communications, and make formal agreements among nations--to do criminal, evil, and reprehensible acts to “successfully” excite a violent and

bitter conflict among all the nations of the world. And this violent and bitter conflict that she shall “successfully” excite among them will be so severe, grievous, distressing, harrowing, afflictive, and critical that it shall, ultimately, result in the highest level of officials announcing or delivering their support of the One World Government to President George W. Bush.

In the *Webster’s New World Dictionary & Thesaurus*, copyright 1998, Computer Software, *highest* derives from the root word **high**, which is described as “the most important or powerful.” And **official**, the singular of the plural *officials*, is described as a “leader” in the *Webster’s New World Dictionary & Thesaurus*, copyright 1998, Computer Software. Further more, the most *important* or most *powerful* leaders of the world--such as people like Kofi Annan (UN President), Tony Blair (Prime Minister of Britain), Jacques Chirac (President of France), Hu Jintao (President of China), Junichiro Koizumi (Prime Minister of Japan), Vladimir Putin (Prime Minister of Russia), etc.--will announce or deliver their support of the One World Government to President George W. Bush. And although this One World Government shall only last but for a short or brief length of time, according to Revelation, Chapter 13, verse 13, it shall be...

“...on the earth in the sight of men,”

Earth, as recorded in *The Cassell Concise Dictionary*, copyright 1998, on page 452, is depictive of “the nations of the world.” Therefore, we can make a definitive assertion that the effect of the violent and bitter conflict that Dr. Condoleezza Rice shall stir up among all nations with her criminal, evil, and reprehensible acts will be for the absolute purpose of causing the most *dominant* and *influential* government to come into being among all the nations of the world, and in the *sight of men*.

According to *The New Strong's Exhaustive Concordance of the Bible*, Greek Dictionary Section, copyright 1990, on page 29, **enopion** (#G1799), pronounced *en-o'-pee-on*, is the Greek word for **sight**, and it means “in the presence of.” On the basis of this definition, we are being enlightened to the fact that this *dominant* and *influential* government, known as the One World Government, shall be supported by the most important or most powerful level of world leaders. And under the direction and guidance of Dr. Condoleezza Rice and the highest level of world leaders--such as Kofi Annan (UN President), Tony Blair (Prime Minister of Britain), Jacques Chirac (President of France), Hu Jintao (President of China), Junichiro Koizumi (Prime Minister of Japan), Vladimir Putin (Prime Minister of Russia), etc.--the One World Government will be in the *presence of men*.

In the *American Heritage Talking Dictionary*, Computer Software, copyright 1997, **presence** is defined as “the fact or state of being reality.” Thus, the expression *presence of men* tells us that this definite system of government--the One World Government--that shall occur for a short period of time will become a fact or a state of being a reality of men.

Webster’s New World Dictionary & Thesaurus, copyright 1998, Computer Software, describes **reality** as “that which is real”; and in the *Encarta Reference Library*, copyright 1999-2003, Computer Software, **real** authenticates something that is “not imaginary; existing as fact, rather than as a product of dreams or the imagination.”

These facts verify that Dr. Condoleezza Rice shall cause this new system of government--the One World Government--to come into being. That being so, it will no longer be imaginary or the product of dreams, but rather this government will exist as fact, and will be the dominant and controlling influence of men. This is why all the great wonders that Dr. Condoleezza Rice will do will surpass all known human powers, because she will bring the One World Government into the reality of men that no one has ever had the power to do.

According to the *Webster's New World Dictionary & Thesaurus*, copyright 1998, Computer Software, *men* is the plural of **man**, which is defined as "society." In the *American Heritage Talking Dictionary*, Computer Software, copyright 1997, **society** is characterized as "institution and common culture; the rich, privileged, and fashionable class; the lower class."

Thus, these definitions conclude that the ONE WORLD GOVERNMENT shall be the reality of society. This means that it will exist, as fact, among the institutions and in all common cultures of the world. In addition, it will be notable in the rich, privileged, and fashionable classes, as well as in the lower class. However, it shall only remain for a short or brief period of time, as decreed by יהיה.

The conclusion of this whole matter is that Dr. Condoleezza Rice shall use her knowledge in *foreign affairs*--to orchestrate dealings, initiate communications, and make formal agreements among nations--to do criminal, evil, and reprehensible acts to "successfully" excite a violent and bitter conflict among them. In addition, this violent and bitter conflict that she shall "successfully" excite among the nations of the world will be so

severe, grievous, distressing, harrowing, and afflictive that it will, ultimately, lead to the most important and most powerful level of world leaders to announce or deliver their support of the One World Government to President George W. Bush.

However, what President George W. Bush and Dr. Condoleezza Rice don't know is that יהוה is using the two of them to gather ALL the nations of the world under the One World Government, so that at the *appointed* time, He may place His Only Begotten Son, יהוה בן יהוה, over them to rule the nations, and to build His *One World* Theocratic Government, which shall never be destroyed. Let us read Daniel, Chapter 2, verse 44:

And in the days of these kings shall the God [יהוה] of heaven set up a kingdom, which shall never be destroyed: and the kingdom shall not be left to other people, but it shall break in pieces and consume all these kingdoms, and it shall stand for ever.

I thank יהוה, and His Son, יהוה בן יהוה, for this blessed opportunity to be one of the many vessels chosen to receive wisdom, knowledge, and understanding. I also look forward to part five of this seminar, as we will

explore the meaning of our next verse, Revelation, Chapter 13, verse 14,
which reads:

And deceiveth them that dwell on the earth by the means of those miracles which [s]he had power to do in the sight of the beast [President George W. Bush]; saying to them that dwell on the earth, that they should make an image to the beast [President George W. Bush], which had the wound by a sword, and did live.”

I pray to see all of you in part five. May you enjoy the rest of the feast, and may the peace of יהוה rest upon you. Shalom.
