

## **Another Beast Coming Up Out of The Earth, Part Seven**

---

Hallelu יהוה! Praise יהוה בן יהוה! O sing unto the Lord, בן יהוה, a new song: sing unto the Lord, יהוה בן יהוה, all the earth. Sing unto the Lord, יהוה בן יהוה, bless His name; shew forth His salvation from day to day. Declare His glory among the heathen, His wonders among all people. For the Lord, יהוה בן יהוה, is great, and greatly to be praised: He is to be feared above all gods.

For all the gods of the nations are idols: but the Lord, יהוה בן יהוה, made the heavens. Honor and majesty are before Him: strength and beauty are in His sanctuary. Give unto the Lord, יהוה בן יהוה, O ye kindreds of the people, give unto the Lord, יהוה בן יהוה, glory and strength. Give unto the Lord, יהוה בן יהוה, the glory due unto His name.

O praise the Lord, יהוה בן יהוה, all ye nations: praise Him, all ye people. For His merciful kindness is great toward us: and the *Truth of the Lord, יהוה בן יהוה, Endureth Forever. Praise ye the Lord, בן יהוה!* (Psalm 96:1-8; 117).

It is indeed my pleasure to welcome all of you to our *Twenty-sixth Annual Passover and Feast of Unleavened Bread*, in the solar year 6009, and to also welcome you to part seven of “***Another Beast Coming Up Out of The Earth.***” Today, our main objective shall be to decode the final verse of Revelation, Chapter 13, which is verse 18; however, before we proceed with this last verse, we must take a few minutes to review some of what was unveiled in our last seminar.

In our last seminar, we disclosed the meaning of Revelation, Chapter 13, verses 16 and 17, which we are going to read momentarily. Being that our previous revelations have proved with factual accuracy that “***another beast***” is really Secretary of State, Dr. Condoleezza Rice, then we will substitute the masculine pronoun in Verse 16 for the feminine pronoun. Now, let us read:

*[16] And [s]he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads:*

*[17] And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.*

We consulted some of the world’s most renowned *authorities*--the dictionaries--to gain a thorough understanding of these Scriptures. And after investigation, we established definitively that at a time of ***GREAT disaster***,

which is a time when persons no longer have *constitutional* rights, then Secretary of State, Dr. Condoleezza Rice, shall influence as many as she can--from top to bottom, of all classes, orders, and ranks of people--to receive voluntarily, meaning without force, a *mark*, which will be a *microchip* embedded in their right hand or in their foreheads.

Our research confirmed that this *microchip* that she, Dr. Condoleezza Rice, will influence all classes, orders, and ranks of people to take in their right hand or in their foreheads will be a form of identification that will carry personal information about them, such as name and address, telephone number, Social Security number, driver's license number, bank account number, credit card number, license plate number, and the like.

Above and beyond, our research also confirmed the truth that those who have the *microchip* in their right hand or in their foreheads will, in fact, be in *servitude* to the first beast, President George W. Bush. In other words, their acceptance of the *microchip* will ultimately show that they are willing to submit to his authority and to follow his rule. And because their support and loyalty will be to the first beast, President George W. Bush, יהוה will not be able to use them in the Kingdom of Heaven that He is building here on earth. Praise יהוה.

We then went to the book of wisdom--the *Bible*--in order to document what the Bible had to say about those who receive the *mark* or *microchip* in their right hand or in their foreheads. It is written in Revelation, Chapter 19, verse 20 that those who take the mark (the *microchip*) of the first beast, President George W. Bush, in their right hand or in their foreheads will be cast alive into the lake of fire burning with brimstone.

Revelation, Chapter 14, verses 9 through 11 also added that they will be made to drink of the wine of the wrath of יהוה, which shall be poured out without mixture into the cup of His indignation. But, above all, and in the worst way, they will be tormented with fire and brimstone before the holy angels, and before the Lamb, יהוה בן יהוה; and their torment shall last forever, day and night, without rest.

We moved forward to expound upon Revelation, Chapter 13, verse 17, which enlightened us to the fact that not one man will be able to *buy* (invest, lease, rent, hire, trade, purchase, shop, and so forth) or *sell* (market, merchandise, put up for sale, publicize, place an advertisement, open an account, and the like) except by one of three ways. The one of three ways in which a person will be able to *buy* or *sell* during this time of **GREAT**

*disaster* will be to (one) have the *microchip* of the beast, or (two) have the name of the beast, or (three) have the number of his name.

From that point, since we already had a good understanding of what the *microchip* of the beast was, we then scrutinized what it meant to have the *name of the beast* in order to *buy* or *sell*. In our thorough examination, we uncovered that if you do not have the implanted *microchip* in your right hand or in your forehead, but you have been granted the freedom, the power, or a certain *executive* privilege from the President, George W. Bush, then you will, in fact, be able to *buy* or *sell*. This is where we ran out of time and promised in our next seminar to explain the final way in which a person will be able to *buy* or *sell* without the microchip or a certain *executive* privilege.

As promised, in today's seminar, we shall divulge the last alternative to this mystery. Therefore, let us return to Revelation, Chapter 13, verse 17 which reads:

*And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.*

One's last alternative to not having the microchip implanted under his skin or a certain *executive* privilege is to have the *number of his*--President George W. Bush's--*name*. What does this mean? Well, the last verse of

Revelation, Chapter 13 offers *wisdom* concerning this matter. Let us read Verse 18, please:

***Here is wisdom.** Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six.*

This is where our research will begin today in order to gain an understanding of what “*the number of his name or the number of the beast*” is insinuating. In seeking the opinion of the *American Heritage Talking Dictionary and Thesaurus*, copyright 1997, Computer Software, the word **here** means the same as “now.” **Now**, in the thesaurus section of this identical source, is synonymous to “at this very instant.” Hence, these definitions admit that at this very instant in the Scripture is *wisdom* concerning “*the number of his name or the number of the beast.*”

Let us define *wisdom*. While **wisdom** is defined in the *Chamber’s 21<sup>st</sup> Century Dictionary*, copyright 1996, on page 1628, as “learning”; **learning**, on page 776, is “knowledge gained through study.” In *The Cassell Concise Dictionary*, copyright 1998, on page 597, **gain**, the base of *gained*, means “to increase in.” Accordingly, we can perceive that at this very instant we can increase our knowledge in a particular subject, specifically, *the number of his name or the number of the beast*, through diligent and proper study.

The *Webster's New Collegiate Dictionary*, copyright 1953, on page 841, defines **study** as the ability “to apply the mind to books”; and, the *Bartlett's Roget's Thesaurus*, copyright 1996, on page 215, under reference number 174.3, equates the word **book**, the singular of the plural *books*, to “reference book, dictionary, lexicon, concordance, thesaurus, and the like.” We can arrive at a logical deduction, based upon these facts, that if we want to increase our knowledge of *the number of his name* or *the number of the beast*, then we must readily apply our minds to reference books, which are dictionaries, lexicons, concordances, thesauri, and the like.

That being the case, we shall now examine the next part of Revelation, Chapter 13, verse 18, which reads:

... *Let him that hath understanding count the number of the beast: ...*

The *Chamber's 21<sup>st</sup> Century Dictionary*, copyright 1996, on page 783 affirms that **let** means “to allow or permit,” and is “used in commands or orders.” Again, in the same reference source, on page 635, **him** is the objective of *he*. The *Random House Webster's Unabridged Dictionary*, copyright 1999, Computer Software, defines **he** as “anyone (without reference to sex)”; while, **hath** is “the third person singular present tense of

have,” according to the *American Heritage Talking Dictionary*, copyright 1997, Computer Software.

Therefore, the word **LET** is a command or order to allow or permit **anyone** (without reference to sex) that has understanding to count the number of the beast. **Understanding** in *The World Book Encyclopedia Dictionary*, Volume 2 (L-Z), copyright 1966, on page 2123, is described as “the ability to understand.” **Understand** in the *Random House Webster’s Unabridged Dictionary*, copyright 1999, Computer Software, means the same as “to interpret.” In *The Synonym Finder*, by J. I. Rodale, copyright 1978, on page 592, the word **interpret** is synonymous to decode. **Decode**, in the *Webster’s New World Dictionary of American Language*, copyright 1960, on page 381, means “to convert (a coded message) into intelligible language.”

Summarily, we can conclude based upon all of our facts gathered thus far that a command or order is being given here to allow or permit *anyone* (without reference to sex) to convert (a coded message) into intelligible language--by using reference books, such as dictionaries, lexicons, concordances, thesauri, and the like--to count the number of the beast. So, what does to **count** *the number of the beast* mean?

Now, I must warn you in advance that those who secretly encoded the Bible craftily wrote the word *count* into this Scripture to cause you to think of counting in a “literal” manner as most people would, but it, in fact, means something else. This is why a great number of so-called Bible scholars have used gematria or created their own number systems with names of presidents, politicians, Roman kings, and so on, to hypothetically come up with names that are equal to the numerical value of the number of the beast and to make it appear that they have solved the enigma. As a matter of fact, this is one of the world’s most sought after Biblical mysteries. Well, today our Father, יהוה, shall reveal some shocking details, through the Ten Step Study Method of יהוה בן יהוה, about what *to count the number of the beast* “really” means.

So, let us begin this journey. Accepting the authority of *The Oxford Universal Dictionary*, copyright 1955, on page 405, we find that the word **count** means “to reckon.” *The American Heritage Talking Dictionary*, copyright 1997, Computer Software, describes **reckon** as to “figure out.” In this same identical reference source, under the root word *figure*, the expression **figure out** means “to decipher.” In *The World Book Encyclopedia Dictionary*, Volume 1 (A-K), copyright 1966, on page 514,

the word **decipher** means “to interpret by use of a key.” As previously stated, the word **interpret** is equivalent to decode, which means “to convert (a coded message) into intelligible language.” And, lastly, the word **key**, in the *Webster’s Universal College Dictionary*, copyright 1997, on page 429, is “a method used to decipher a cryptogram.”

Based upon our definition of the word *count*, we can firmly assert that the number of the beast is a **cryptogram**. However, in order for this **cryptogram** to be converted into intelligible language, we must use a “*divine*” method. Now, there is but one “*divine*” method that our Father, יהוה, gave unto His Son, יהוה בן יהוה, by which we are to convert the Scriptures into intelligible language, and that is by the **Divine Ten Step Study Method of יהוה בן יהוה**.

So in putting two and two together, our facts justifiably conclude that the number of the beast is, indeed, a **cryptogram**; and to **count** means that we must convert this **cryptogram** into intelligible language by using the **Divine Ten Step Study Method of יהוה בן יהוה**. This method requires us to readily apply our minds to reference books--dictionaries, lexicons, concordances, thesauri, and the like--that we may increase our knowledge of *the number of the beast*. Therefore, what is a *cryptogram*?

In the *Random House Webster's Unabridged Dictionary*, copyright 1999, Computer Software, a **cryptogram** is delineative of “a writing in cipher.” According to the *Merriam Webster's 11<sup>th</sup> Collegiate Dictionary*, copyright 2003, Computer Software, a **cipher** is “a method of transforming a text in order to conceal its meaning.” In the same reference source, **transform**, the base of *transforming*, means “to subject to mathematical transformation; change.” In *The Synonym Finder*, by J. I. Rodale, copyright 1978, on page 713, **mathematical** is equivalent to “numerical.”

Thus, in considering the accuracy of these facts, we can confirm that *the number of the beast* is really a writing or text that has been subjected to a numerical transformation or change in order to conceal its meaning. In simple language, to conceal the true meaning of *the number of the beast*, those who encoded the Bible transformed or changed an actual writing or text to a number. And the only way to convert this number into intelligible language is by using the **Divine Ten Step Study Method of יהוה בן יהוה** and by applying our minds to reference books, such as dictionaries, lexicons, concordances, thesauri, and the like to accurately reveal its concealed or hidden meaning.

With that understanding, we shall now proceed with the phrase “...*number of the beast*,” as written in Revelation, Chapter 13, verse 18, which reads in part:

... *Let him that hath understanding count the **number of the beast**: ...*

The word **number** is recorded in the *Random House Webster’s Unabridged Dictionary*, copyright 1999, Computer Software, as “a group of numerals.” *Chamber’s 21<sup>st</sup> Century Dictionary*, copyright 1996, on page 938, defines a **numeral**, the singular of the plural word *numerals*, as “a word expressing a number.” In the *Webster’s New World Dictionary & Thesaurus*, copyright 1998, Computer Software, **express**, the root of *expressing*, means “to represent”; and **represent** in *The Oxford Universal Dictionary*, copyright 1955, on page 1355, is “to stand for.” Based on these facts, we can substantiate that the *number of the beast* is a group of words that stand for a *number*.

The word **number** in the aforementioned *Webster’s New World Dictionary & Thesaurus*, copyright 1998, Computer Software, is described as “a figure.” **Figure**, in *The Synonym Finder*, by J. I. Rodale, copyright 1978, on page 409, is synonymous to “image,” which **image** in the *Encarta World English Dictionary*, copyright 1999, on page 898, denotes “a picture

of a person.” And, **of** (from phrase, “... *the number of the beast...*”) is defined in the *Webster’s New World Dictionary of American Language*, copyright 1960, on page 1018, as “derived from.”

Therefore, the *number of the beast* is actually a group of words that stand for a picture of a person. So, to *count the number of the beast*, discloses, even further, that to convert this group of words that stand for a picture of a person into intelligible language, we must use the **Divine Ten Step Study Method of יהוה בן יהוה** to reveal the concealed or hidden meaning of this group of words that will *derive* from the first beast, President George W. Bush.

Also, in the *Webster’s New World Dictionary of American Language*, copyright 1960, on page 396, **derive**, the root of *derived*, means “to come from a source.” In the *Merriam Webster’s 11<sup>th</sup> Collegiate Dictionary*, copyright 2003, Computer Software, a **source** is “one that initiates”; and to **initiate** in *The Oxford Universal Dictionary*, copyright 1955, on page 1007, means “to admit into society.”

Hence, in bringing our focal point back into perspective, we can firmly establish that with the help and assistance of Secretary of State, Dr.

Condoleezza Rice, President George W. Bush shall admit into society *the number of the beast*--which is a group of words that stand for a picture of a person--as an alternative to having the microchip or being given an executive privilege as a means of *buying* or *selling* in a time of **GREAT disaster**.

Although, the facts show that the word **beast** in the phrase "... *number of the beast* ..." is referring to the first beast, President George W. Bush, let us look at the word *beast* from yet another perspective. According to *The New Strong's Exhaustive Concordance of the Bible*, Greek Dictionary, copyright 1990, on page 36, the word **beast** (reference number 2342) in Greek is **thērion**, pronounced *thay-ree'-on*, and is "dimin. from the same as 2339." Reference number 2339 is **thēra**, pronounced *thay'-rah*, and means a "trap."

In light of these definitions, we can assert, further more, that the *number of the beast*--a group of words that stand for a picture of a person--will have to do with a **trap**. The *Microsoft Encarta Reference Library*, copyright 1993-2003, Computer Software, describes a **trap** as "a scheme or trick intended to catch somebody unawares and put the person at a disadvantage or in somebody else's power." This reveals to us that this

group of words that stand for a picture of a person, and that *shall be* admitted into society as a means of *buying* and *selling* will be a devious scheme or underhanded trick intended to catch persons *unawares* and to put them at a *disadvantage* or in somebody else's power--the first beast, President George W. Bush.

Now to get a clearer understanding of what this means, let us define the words "catch," "unawares," and "disadvantage." The *New Oxford American Dictionary*, copyright 2001, Computer Software, identifies the word **catch** as "to capture," which **capture**, in the *New Oxford American Thesaurus*, copyright 2000, Computer Software, is tantamount to "attract or allure." Again in the *New Oxford American Dictionary*, copyright 2001, Computer Software, **unawares** is indicated as "without being aware"; and **aware** is "having knowledge or perception of a fact." Even more, **disadvantage** is "an unfavorable situation; loss of reputation" (according to the *Microsoft Encarta Reference Library*, copyright 1993-2003, Computer Software).

Consequently, the *number of the beast*--a group of words that stand for a picture of a person--shall be intended to attract or allure persons who are without knowledge or perception of the facts behind its hidden meaning.

In addition, these facts prove that those who choose to accept it will be in an unfavorable situation and at a loss of reputation, which will ultimately cause them to be in the absolute *power* of the first beast, President George W. Bush.

With that established, let us move on to the next part of Revelation, Chapter 13, verse 18, which discloses something very significant about the this group of words that stand for a picture of a person, and it reads:

*... for it is the number of a man;...*

*The Oxford Universal Dictionary*, copyright 1955, on page 730 states that the word **for** is “used to introduce a reason.” Thus, the word “*for*” is introducing the reason as to why this group of words shall stand for a picture of a person. And the reason as to why it shall stand for a picture of a person is because it is “... *of a man.*” That is to say that the picture is “... *of a man.*”

**Of** is referenced in the *Webster’s World Dictionary & Thesaurus*, copyright 1998, Computer Software, as “relating to.” The Greek word for **man** in *The New Strong’s Exhaustive Concordance of the Bible*, Greek Dictionary, copyright 1990, on page 12, is **anthropos** (reference number 444), pronounced *anth'-ro-pos*, and means “man-faced.” Conferring with

the *Webster's Third New International Dictionary of the English Language*, Unabridged, Volume II, copyright 1966, on page 1372, **man** is also described as "a person of prominence." **Prominent**, the base of *prominence*, in the *Merriam Webster's 11<sup>th</sup> Collegiate Dictionary*, copyright 2003, Computer Software, means "widely and popularly known"; while the combining form **-faced** means "having a face," according to the *Webster's New World Dictionary & Thesaurus*, copyright 1998, Computer Software.

These facts prove conclusively that this group of words--that shall be admitted into society as an alternative to having the microchip or being given an executive privilege as a means of *buying* or *selling*--shall stand for a picture of a person having a **FACE** that is **widely** and **popularly** known.

The root word of *widely* is **wide**, which in the *Webster's New World Dictionary & Thesaurus*, copyright 1998, Computer Software, means "universal." And **popular**, the root of *popularly*, means "accepted among people in general; embraced." Even more, this group of words shall stand for a picture of the face of a person that is universally accepted and embraced among all people in general. And according to Revelation, Chapter 13, verse 18, it reads in part:

*...and his number is Six hundred threescore and six.*

Consenting with the last portion of this Scripture, the group of words that stand for a picture of the face of a person who is accepted and embraced by a great number of people universally and worldwide is *Six hundred, threescore, and six*. Additionally, this group of words, *Six hundred, threescore, and six*, is actually a *cryptogram*--a writing or text with a concealed or hidden meaning. And the only way to convert its true meaning into intelligible language is to use the **Divine Ten Step Study Method of יהוה בן יהוה**, and apply our minds to reference books--dictionaries, lexicons, concordances, thesauri, and the like--that we may reveal its true meaning.

With that said, let us begin to breakdown this *cryptogram*--Six hundred, threescore, and six--by referring to some of the most reliable sources of information available. Seeking consultation from *The New Strong's Exhaustive Concordance of the Bible*, Greek Dictionary, copyright 1990, on page 78, **Six hundred, threescore, and six** in Greek is **chi xi stigma** (reference number 5516), pronounced *khee xee stig'-ma*, and it is depicted as “the 22d, 14th and an obsol. letter (#4742 as a cross) of the Greek alphabet (intermediate between the 5th and 6th), used as numbers; denoting respectively 600, 60 and 6; 666 as a numeral.”

So that we may comprehend the concealed meaning of the Greek words *chi xi stigma*, and discover how it relates to a picture of the face of a person who is accepted and embraced universally or worldwide, then we must examine each of these Greek words individually and exclusively. Therefore, let us begin with *chi* (from **chi** xi stigma).

According to the *Webster's New World College Dictionary*, copyright 2001, on page 253, **chi** is “the twenty-second letter of the Greek alphabet (ϸ, ϻ).” In the *Chamber's 21<sup>st</sup> Century Dictionary*, copyright 1996, on page 1643, **X** is “an abbreviation for Christ, as in *Xmas* [from X=chi, letter of the Greek alphabet, and first letter of Christos, the Greek form of Christ].” In light of these definitions, we can deduce that the Greek alphabet *chi*--which represents the number six hundred (600) in the number *Six hundred threescore, and six*--is an abbreviation for Christ.

Now we shall examine the Greek *xi* (from chi **xi** stigma). In the *New Oxford American Dictionary*, copyright 2001, Computer Software, **xi** is “the fourteenth letter of the Greek alphabet (ξ, ξ), transliterated as ‘x’.” In the *Random House Webster's Unabridged Dictionary*, copyright 1999, Computer Software, **x** is “a symbol for the cross.” The **cross** is described in *The Oxford Universal Dictionary*, copyright 1955, on page 426, as “a

symbol of Christianity; a symbol of Jesus Christ who was crucified on a cross.”

Considering the integrity of these facts, we can logically infer that the Greek alphabet *xi*--which denotes threescore or sixty (60) in the number ***Six hundred, threescore and six***--symbolizes Christianity or Jesus Christ who was crucified on a cross. And overall, the number of the beast or group of words--***Six hundred, threescore, and six***--stands for Christianity or the picture of Jesus Christ who was crucified on a cross.

There is not one culture or nationality of people on the face of this earth that does not recognize the picture of the blonde haired and blue-eyed face of Jesus Christ, although he never existed. For such proof, the *Guinness Book of Records*, 1993 Edition, copyright 1993, on page 387, states “the newest letters added to the English alphabet are ‘J’ and ‘V’ which are post-Shakespearean use (about 1630).” If you subtract the year 1630 from the year 2006, this validates that the letter “J” is only 376 years old. That means no one could possibly have walked the Earth two thousand years ago with the name Jesus. Therefore, the account of Jesus Christ dying on a cross as if it occurred two thousand years ago is the world’s “greatest” hoax along with Christianity, which is based on the belief and teachings of Jesus

Christ. However, many people have no knowledge of the truth about Christianity and believe in the image or picture of Jesus Christ because this is all they have ever been taught.

Thus, in the same manner that Christianity or Jesus Christ has been used as a devious scheme or underhanded trick to attract or allure persons without knowledge or perception of the facts to follow or believe in his image or picture, *chi xi stigma*--Six hundred, threescore and six--will also be used as a devious scheme or underhanded trick to attract or allure persons who have no knowledge or perception of the facts.

To further prove our point, let us define the Greek word *stigma* (from *chi xi stigma*). In accordance with *The New Strong's Complete Dictionary of Bible Words*, copyright 1996, on page 701, **stigma** (reference number 4742) is "from a prim. *stizo* meaning to 'stick,' i.e. prick." The word **stick** is described in *The World Book Encyclopedia Dictionary*, Volume 2 (L-Z), copyright 1966, on page 1914, as "to pierce (the flesh) with a sharp, pointed instrument"; while, on the other hand, **prick**, in the *Random House Webster's Unabridged Dictionary*, copyright 1999, Computer Software, is "a puncture made by a needle or the like."

For this reason, we can confirm that the word *stigma* is descriptive of piercing or puncturing (the flesh) with a sharp, pointed instrument such as a needle or the like. Another definition of **stigma** (from chi xi stigma) is found in the *Random House Webster's Unabridged Dictionary*, copyright 1999, Computer Software, which is etymologically described as a “tattoo mark.” And in this same reference source *stigma* comes from the Greek **stizein** meaning “to tattoo.” **Tattoo** is defined by the *Random House Webster's Unabridged Dictionary*, copyright 1999, Computer Software, as “the act of marking the skin with indelible patterns, pictures, legends, etc., by making punctures in it and inserting pigments”; while, the *American Heritage Talking Dictionary*, copyright 1997, Computer Software, characterizes **indelible** as “impossible to remove, erase, or wash away; permanent.”

We can affirm from these definitions of the word *stigma*, that this is referring to an act of piercing or puncturing the skin with a sharp, pointed instrument, such as a needle or the like, to make patterns, pictures, legends, etc., in the flesh, by inserting pigments that are permanent, meaning they are impossible to remove, erase, or wash away. In the *American Heritage Talking Dictionary*, copyright 1997, Computer Software, the word **pattern** is synonymous to “symbol or emblem.” And in the *New Oxford American*

*Dictionary*, copyright 2001, Computer Software, a **picture** is depicted as a “graphic”; while, a **legend** is “an inscription.” The word **inscription** means the same as “writing.”

The essence of these facts altogether confirm that *Six, hundred, threescore, and six* or *chi xi stigma* was written in a cryptogram to hide its true meaning which is *tattoo marks* with symbols, emblems, graphics, or writings of *Christianity or Jesus Christ*. And these *tattoo marks* with symbols, emblems, graphics, or writings of *Christianity or Jesus Christ* shall be covertly admitted into society by the first beast, President George W. Bush, as an alternative to the microchip or an executive privilege that will ultimately give people the privilege of being able to *buy* or *sell* in a time of *GREAT disaster*.

This explains why *tattoo marks* have become so popular and well accepted today. It is mind-conditioning you for the day to come when they shall be admitted into society, and people will be required to have them as a means of *buying* and *selling*,. Just think, since the number of the beast secretly means to have symbols, emblems, graphics, or writings of *Christianity or Jesus Christ*--like crosses, pictures of Jesus, and the like--pierced or punctured in the skin by a needle or the like, a great number of

athletes, movie stars, rappers, singers, and people in general already have the number of the beast and have no knowledge of it yet.

In fact, they have no idea that these *tattoo markings* indicate recognition of ownership (according to the *New Strong's Exhaustive Concordance of the Bible*, Greek Dictionary, under the word **stigma**, reference number 4742). Therefore, these *tattoo markings* with symbols, emblems, graphics, or writings of *Christianity* or *Jesus Christ* shall be a devious scheme and an underhanded trick to attract or allure persons that have no knowledge or perception of the “true” significance of a tattoo. And those who have these tattoos, and specifically with symbols, emblems, graphics, or writings of *Christianity* or *Jesus Christ* shall put themselves in an unfavorable situation and at a loss of reputation. This unfavorable situation and loss of reputation will cause them to be in the absolute *power* of the first beast, President George W. Bush. Plainly speaking, these markings will ultimately show that they are willing to submit to his authority and to follow his rule.

Unfortunately, those who already have tattoos, and those who will be tricked or deceived into getting tattoos as a means of *buying* or *selling* in the day of *GREAT disaster* will come to regret that they ever put such markings

on their flesh. In the book of Leviticus, Chapter 19, verse 28, we are absolutely forbidden by יהוה to *tattoo* our bodies in any way, and it reads:

*Ye shall not make any cuttings in your flesh for the dead,  
nor print any marks upon you: I am the Lord, יהוה.*

President George W. Bush knows that the majority of people have been taught that they do not have to keep the laws of the Old Testament of the Bible, and because this law isn't written in the New Testament, they believe that it does not count today.

Well, יהוה is a God who changes not (Malachi 3:6). Therefore, the same laws that were relevant then are relevant today. And the devil knows that when you transgress the laws of יהוה--such as tattooing your body--and in this case with symbols, emblems, graphics, or writings of *Christianity* or *Jesus Christ*--then it becomes impossible for you to ever enter heaven. The beast has and shall continue to attract and allure many into breaking this law because he knows that it cannot ever be reversed, removed, erased, or washed away. They have a new method where they can lift up the ink; but even when the ink is gone, the spot or mark where the tattoo once was will always be visible.

In addition, the beast will make *tattoo marks* with symbols, emblems, graphics, or writings of *Christianity* or *Jesus Christ* in a time of *GREAT disaster*, an alternative to the microchip or being given an executive privilege as a means of *buying* or *selling*, because he knows the lasting consequence of a tattoo: you cannot enter heaven, and if you cannot enter heaven, then you obviously have to succumb to the absolute *power* of the beast, and willingly submit to his authority and follow his rule.

In returning to the word **stigma** (from chi xi stigma), it is described as “a mark of disgrace or infamy; a stain or reproach, as on one’s reputation,” as referenced in the *Random House Webster’s Unabridged Dictionary*, copyright 1999, Computer Software. Thus, to have *tattoos*, and specifically with symbols, emblems, graphics, or writings of *Christianity* or *Jesus Christ*, on your body is a *disgrace* or *infamy* to הַיָּהוּוֹה. Not only this, it will bring an everlasting stain or reproach, as on your reputation. This is why it shall be a shame for those who have been tricked or deceived into getting tattoos on their bodies and have no knowledge or perception of the consequence behind them.

So now, let us hear the conclusion of the whole matter. In Revelation, Chapter 13, verse 18, we were advised to use *wisdom*--dictionaries, lexicons,

concordances, and the like, to increase our knowledge in a specific subject--  
*the number of the beast*. In addition, a command or order was given to allow  
or permit *anyone* (without reference to sex) to convert (a coded message)  
into intelligible language--by using reference books, such as dictionaries,  
lexicons, concordances, thesauri, and the like--to **count** *the number of the  
beast*.

We moved on to the phrase, "... to count the number of the beast...,"  
and determined that we were to convert a *cryptogram*--a writing or text with  
a concealed meaning--into intelligible language using a "divine" method,  
which is the **Divine Ten Step Study Method of יהוה בן יהוה**. As  
commanded, when we converted this cryptogram--*Six hundred, threescore,  
and six*--into intelligible language, we uncovered that this number or group  
of words is equivalent to the Greek words *chi xi stigma*, which relates to a  
face of a man--a picture of Jesus Christ.

As we continued to decode *chi xi stigma*, we learned that *chi xi  
stigma* was written in a number--Six hundred, threescore, and six--to hide its  
true meaning, which is *tattoo marks* with symbols, emblems, graphics or  
writings of *Christianity* or *Jesus Christ* that have been pierced or punctured

in the skin by inserting pigments that are permanent, meaning they are impossible to remove, erase, or wash away.

Furthermore, *tattoo marks* with symbols, emblems, graphics, or writings of *Christianity* or *Jesus Christ* shall be admitted into society by the first beast, President George W. Bush, as an alternative to the microchip or an executive privilege that will ultimately give people the ability to buy or sell in a time of *GREAT disaster*.

Even more, these *tattoo marks* shall be a scheme or a trick intended to attract or allure persons who have no knowledge or perception of the *true* meaning behind them, and shall indicate recognition of their ownership to the first beast, President George W. Bush, and ultimately show that they are under his absolute power, and are willing to submit to his authority and to follow his rule.

Notwithstanding, Leviticus, Chapter 19, verse 28 confirmed for us that *tattoo marks*, and, in particular, those with symbols, emblems, graphics, or writings of *Christianity* or *Jesus Christ* are absolutely forbidden by **יִהְיֶה**. This means that there shall be serious consequences and repercussions for those who have them. The price that they will have to pay is that they will

not be able to enter into heaven, and shall suffer an everlasting stain or reproach on their reputation. In other words, they shall be a *disgrace* or *infamy* to יְהוָה.

In conclusion, based upon our research of Revelation, Chapter 13, verses 16 through 18, we can assert definitively that in a time of ***GREAT disaster***, when persons no longer have *constitutional* rights, Secretary of State, Dr. Condoleezza Rice, on behalf of President George W. Bush, shall promote three ways in which a person will be able to *buy* or *sell*. They are: (one) to have the *microchip* of the beast in the right hand or forehead, or (two) to be given the freedom, the power, or a *certain* executive *privilege* or (three) to have *tattoos marks* with symbols, emblems, graphics, or writings of *Christianity* or *Jesus Christ* pierced or punctured in the skin by inserting pigments. All of these ways will be the only means of *buying* or *selling* in the system of the beast--President George W. Bush--during a time of ***GREAT disaster***.

Will you choose any of these and lower to the wiles of the devil? Well, now that you have heard the whole truth and nothing but the truth, we pray that you will stand firm, and allow your soul and spirit to be strengthened in the word of יְהוָה. And above all, continue to ***TRUST IN***
