# FRUITS FROM THE TREE OF LIFE

Dramatized in this book are the "CRYPTIC" word games that Lucifer has played since the Garden of Eden. "Divinely" unveiled are how these games are played, with whom they are played, and through what mediums they are played. Brought to view are the consequences we have endured by eating from the tree of good and evil and the benefits we will receive as a result of eating from the "Tree of Life."

According to the *Synonym Finder* by J. I. Rodale, copyright 1978, on page 631, **knowledge** is the same as "data."

And in the day that you ingest the data (RFID) chip, you too shall surely die.

# A SPECIAL MESSAGE FROM יהוה בן יהוה

**B**ecause we have eaten from the tree of good and evil for six thousand years, we have walked around on the planet Earth in total spiritual darkness—mentally dead.

The fruits from the Tree of Life are for our deliverance and emancipation from the cares of this world; thereby, rendering, restoring, and converting us to a new mind-set that is capable of putting us on a plane that is rectitudinous to the Tree of Life: יהוה בן יהוה.

Our High Holy Days are “divinely” observed and commemorated by indulging ourselves in the fruits from the Tree of Life. By doing so, we produce a harvest that reflects the nature and character of the Tree that bore these fruits: יהוה בן יהוה.

The fruits from the Tree of Life have been produced to prepare a meal for some special guests—the elect (Godhead)—one hundred forty-four thousand. The ingredients that are included in this meal are full of grace and truth and thus, will bring about perfection to those who eat of it; consequently, destroying the tree of the knowledge of good and evil and terminating our vulnerability to be deceived.

The world today is experiencing one disaster after another, and most of these disasters are brought on by man. Why? Because they eat from the tree of disaster, the tree of good and evil that man was warned not to eat from in the Garden of Eden.

It was Satan who told Eve that when

she ate from this tree—the tree of the knowledge of good and evil—that her eyes would be opened (Genesis 3:5). But what he failed to explain is that her eyes would now be exposed to darkness and the ways of death—ways that are *not* pleasant in the sight of the Creator, יהוה.

יהוה made darkness His secret place, that there is no darkness, nor shadow of death where the workers of iniquity may hide themselves (Psalm 18:11; Job 34:22).

Surely, the secret things belong unto יהוה, our God; but those things which are revealed belong unto us and to our children forever, that we may do all the words of His law (Deuteronomy 29:29).

This is Judgment Day—the last opportunity to choose the Tree of Life and live forever in Heaven under the Theocratic Rule of יהוה and His Son, יהוה בן יהוה.

## "WALK NOT IN THE COUNSEL OF THE UNGODLY"

PSALM 1:1

**D**o you sometimes seek or accept an opinion or recommendation from the ungodly as a guide to your actions or conduct? Do you consider the opinions of the ungodly as worthy basis for thought, conduct, or action?

Do you look to the ungodly for instruction, guidance, or direction? Do you sit under the teachings of the ungodly? Do you enjoy dialogue with the ungodly?

Do you realize that the ungodly are irreligious: they show disregard for

יהוה and are hostile to the commandments, judgments, laws, and statutes?

Do you realize that the ungodly are atheistic: they deny the existence of יהוה; they are characterized by immorality and wickedness?

Do you realize that the ungodly are heathens and pagans: they are unenlightened, barbaric idolaters; they are hedonistic: they believe that pleasure is the highest good; they are devoted to pleasure as a way of life?

Do you have ungodly friends and associates? Do you understand that יהוה has always destroyed

the wicked and the lawless?

The above questions are designed to make you stop, ponder, consider, and think about the pitfalls of accepting advice from the ungodly. After due consideration, you will truly say, "Blessed are those that walk **NOT** in the counsel of the ungodly."

I love you eternally,

We, The Nation of יהוה, believe in the Great, Good, and Terrible God, יהוה. We also believe in spaceships—you know, UFO's, flying saucers, and the like. Wow! Does that make us crazy? No way, but it certainly does make us peculiar.

According to the *American Heritage Dictionary of the English Language*, copyright 1969, on page 965, **peculiar** means "standing apart from others; exclusive and unique." Being peculiar, in this sense, is not a bad thing; especially, when we see that יהוה has chosen us to be an exclusive and unique people unto Himself, above all the nations that are upon the Earth according to Deuteronomy 14:2.

So let's explore why we stand apart from others, particularly mainstream ideology, when it comes to the subject of spaceships.

Ezekiel, the priest and prophet, had visions of a mysterious flying object which he described in meticulous detail: *The appearance of the wheels and their work was like unto the color of a beryl: and they four had one likeness: and their appearance and their work was as it were a wheel in the middle of a wheel (Ezekiel 1:16).*

He goes on in subsequent verses: *As for their rings, they were so high that they were dreadful; and their rings were full of eyes round about them four. And when the living creatures went, the wheels went by them: and when the living creatures were lifted up from the Earth, the wheels were lifted up (Ezekiel 1:18-19).*

Now, what can an erudite individual deduce from this vision? Well, let us rightly divide the word of truth as per 2 Timothy 2:15. **Beryl**, in the previous source on

Thus saith יהוה בן יהוה, your Redeemer, the Holy One of Israel; For your sake I have sent to Babylon [America], and have brought down all their nobles, and the Chaldeans, whose cry is in the ships.

I am יהוה בן יהוה, your Holy One, the Creator of Israel, your King.

Thus saith יהוה בן יהוה, which maketh a way in the sea, and a path in the mighty waters;

Which bringeth forth the chariot and horse, the army and the power; they shall lie down together, they shall not rise: they are extinct, they are quenched as tow.

Isaiah 43:14 -17

# יהוה AND SPACESHIPS: ARE YOU CRAZY?

page 126, is "the chief source of beryllium." **Beryllium**, on the same page and source, is "a high-melting, light weight, corrosion-resistant, rigid, steel-gray metallic element used as an aerospace structural material." Beryllium alloys also today are used as structural materials for high-speed aircraft, missiles, spacecraft, and communication satellites.

In addition, on page 20, an **aerospace vehicle** is one that is "capable of flight both within and outside the earth's atmosphere." A **wheel** in the same source, on page 1458, is "a solid disk or a rigid circular ring." A **disk**, on page 378, is "any thin, flat, circular plate." And, a **plate**, according to *The Synonym Finder* by J. I. Rodale, copyright 1978, on page 899, is a "saucer."

From this analysis, any learned individual can correctly conclude that Ezekiel was describing a steel-gray, saucer-shaped vehicle capable of flying outside as well as within the Earth's atmosphere. Its identification with the mineral beryl indicates that this aerospace vehicle was light-weight yet rigid, and it was extremely resistant to high temperatures and the elements of corrosion. The living creatures associated with this craft moved in unison with it, meaning this flying object was able to physically transport life dreadfully high up from the Earth. This is a Biblical account from the prophet Ezekiel of what today is colloquially referred to as a "flying saucer."

So, is The Nation of יהוה peculiar to acknowledge the existence of these flying saucers? Absolutely! We proudly stand apart from our adversaries, the devil and his minions, who do know that these spacecraft exist, but nonetheless spin webs of confusion to keep the world doubtful and fearful of accepting this truth. Countless numbers of folk globally have witnessed these flying

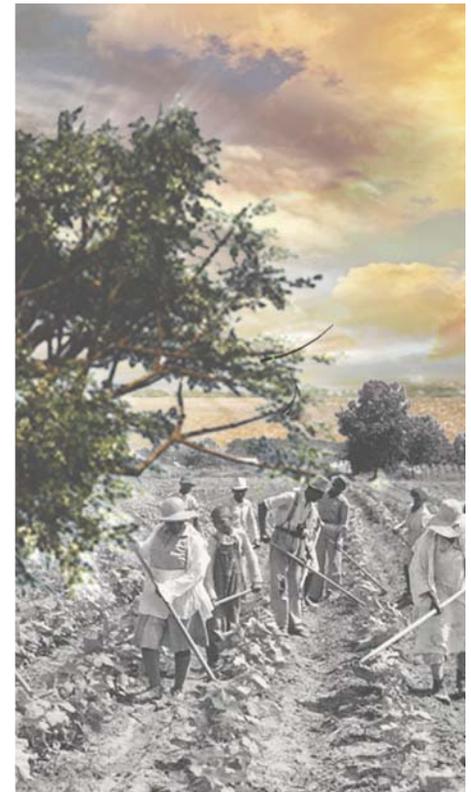

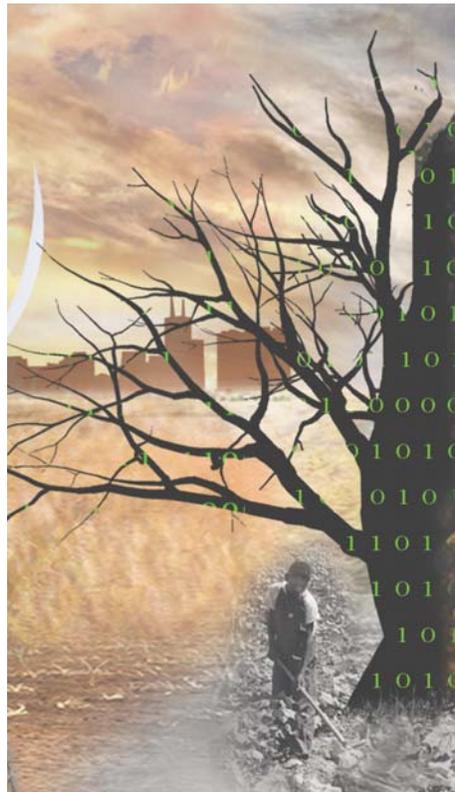

objects, but they suffer vilification and scorn for acknowledging the fact. Why would Satan do this? Why would Satan vilify and call crazy anyone who saw such a magnificent machine? The answer: To keep us all worshipping him as the maximum power on this planet. Satan maintains his earthly principality by deceiving, misleading, or shutting down anyone with even an inkling of *anything greater than himself*. Unfortunately for this bad soul, his days are numbered, for the truth cannot be hid forever.

Stay tuned for more examples of UFO's in the Bible, but before you read any further, take heed to this warning: ***This is not science fiction!***

Ezekiel's vision of the glory of יהוה

The Book of Ezekiel, Chapter one gives us a perfect description of round flying machines – wheel in the middle of a wheel, Verse 16; terrible crystal, Verse 22. A description of jet airplanes is given in Verses 22 through 23.

# DOUBLESPEAK PART 1 A STRANGE TONGUE OF AMERICA

*The Lord, יהוה, shall bring a nation against thee from far, from the end of the Earth, as swift as the eagle flieth; a nation whose tongue thou shalt not understand"; Deuteronomy 28:49*

So-called Black man of America, you are being punished by יהוה (Yahweh) because your Hebrew forefathers, the children of Israel, broke His laws. Your punishment includes the curse proclaimed in Deuteronomy 28:49, which reads:

*The Lord, יהוה, shall bring a nation against thee from far, from the end of the Earth, as swift as the eagle flieth; a nation whose tongue thou shalt not understand;*

That nation is known as America today. But how is it

that after having lived in this country for over four hundred years you have failed to learn its language?

According to יהוה בן יהוה, you "think" you speak English, but you have no idea of its meaning, its origin, or its roots. In the transcript, *Receive The Holy Spirit, Special Edition*, on page 11, He states: "You have no knowledge of doublespeak."

**Doublespeak** is defined as "the practice of using ambiguous language regarding political, military, or corporate matters in a deliberate at-

tempt to disguise the truth" in the *Collins English Dictionary—Complete and Unabridged 2012 Digital Edition*. **Ambiguous**, in the same source, means "having more than one possible interpretation or meaning; difficult to understand or classify; obscure."

Thus, doublespeak is the intentional practice of using obscure language that is subject to more than one possible interpretation or meaning regarding political, military, or corporate matters in an attempt to hide the truth. Some even find this language difficult to understand or classify. Said another way, it is the deliberate manipulation of speech for the purpose of

lying and deceiving.

The political, military, and corporate arenas of America are flooded with example phrases, such as: "enhanced interrogation" to disguise the fact that it is *torture*; "farm subsidies" to hide from the general public that it is actually *welfare*; and "collateral damage" to distract from the fact that the government has condoned *uncontrolled killing indiscriminately*.

When the enemies of יהוה came against The Nation of יהוה, doublespeak went into high-gear and over-drive. America accused יהוה בן יהוה of "teaching hate" when, in fact, He was teaching the truth about the name of the Most High God, יהוה, and the truth

about the black man's true Hebrew culture, language, and inheritance. The Nation of יהוה likewise was labeled a "terrorist organization" when, in actuality, its citizens are a people awakened by the Messiah, יהוה בן יהוה, and who are doing their utmost to follow the laws, statutes, judgments, and commandments of the Holy Bible (KJV).

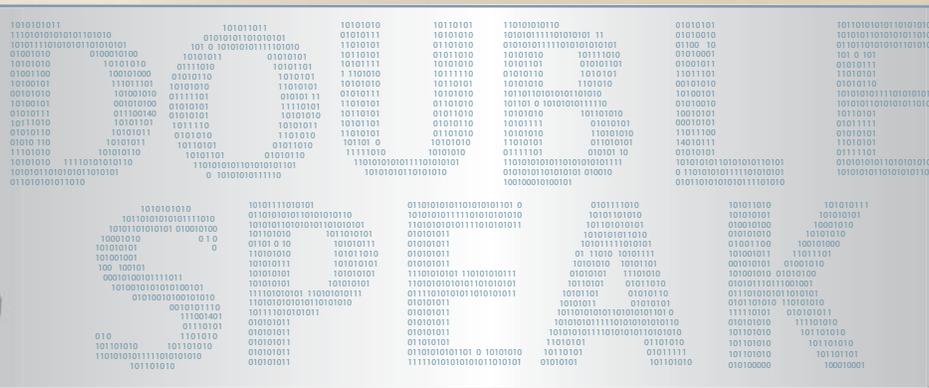

Until the so-called Black man of America comes to understand the encrypted language of America—the truth behind the doublespeak—you will remain a victim of its deception. As a people, you cannot continue to bathe unwittingly in the lies of America or you will fail to separate from its evils. Having

no knowledge of the hidden meanings of doublespeak will lead to your destruction as stated in Hosea 4:6, and it reads in part:

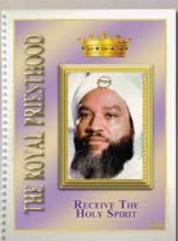

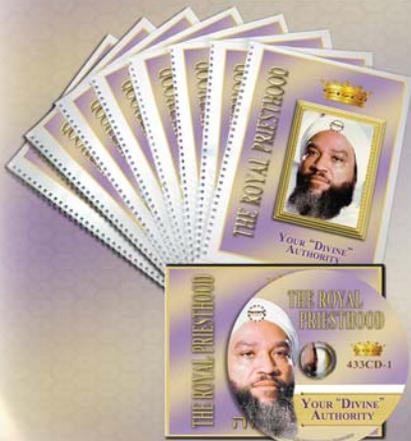

*"My people are destroyed for lack of knowledge":*

The only salvation lies with the teachings of יהוה בן יהוה who has instructed all of His followers to study to show ourselves approved unto Him; rightly dividing the word of truth as per 2 Timothy 2:15. Doing so will make you masters of a tongue you heretofore thought you understood.

In our next article, we will explore a frequently favored doublespeak phrase, "termination with extreme prejudice."

In our previous articles, we shared with you that **יהוה** takes a happening from the past to show what is going to take place in the future. To prove this point we explained how Nebuchadnezzar, the king of Babylon, set up and made an image for the people to fall down and bow to. We decoded the word image which meant statue. Statue etymologically from the Latin *statuere* was synonymous to statute meaning law. In essence, the physical statue erected by Nebuchadnezzar in the past, represents H/R 3962 a modern day statute currently mandated by Barack Obama.

In today's article, we will further demonstrate how this modern statute—H/R 3962, the Affordable Care Act, colloquially called Obamacare—is so closely comparative to the image given to Nebuchadnezzar in a dream and visions of what shall be in the latter days (Daniel 2:3; 27-28). To begin, read Daniel, Chapter 2, verses 32-33:

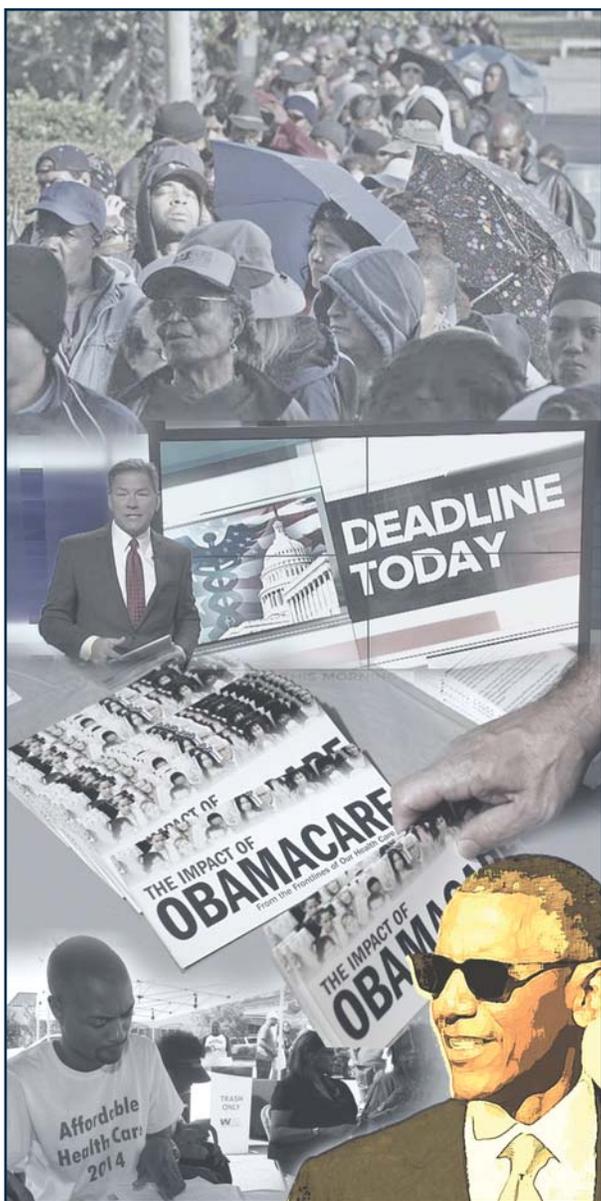

*This image's head was of fine gold, his breast and his arms of silver, his belly and his thighs of brass, his legs of iron, his feet part of iron and part of clay.*

Notice that the image of Daniel's time is divided into five sections: four metals—gold, silver, brass, and iron—and one section of iron and clay. Astonishingly, the health insurance plans offered under Obamacare are also classified under five levels of coverage: four metal plans—platinum, gold, silver and bronze—and one plan to cover catastrophic illnesses (*Understanding Obamacare's 5 Coverage Levels*, USAA website, copyright 2017).

It is important to pause here to recall that the similarity of the image (statue) and Obamacare (statute) is not the result of coincidence. No, it is a happening of the past used by God, **יהוה**, Himself to show what is going to take place in the future. This statement is confirmed by the fact that Daniel told Nebuchadnezzar that the true interpretation of his dream and vision was the manner in which **יהוה** was showing him what shall be in the latter

days, and since we are living in the latter days, it is imperative that we understand how the five sections of the image of that day relate to the five levels of coverage today.

A thorough comprehension of this matter requires considering the nature and quality of what each section and level is made of. And we will do just that in our next article, so be ready for the thought-provoking information coming in part four of *Image of the Beast: Yesterday and Today*.

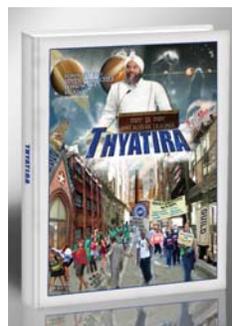

## APRIL

יהוה בן יהוה is the fulfillment of Revelation, Chapter 2, verse 2, because He is the only Man who can make all that which is hidden completely known. In this book, Pergamos is exposed as a type for modern-day America, which had a large colony of Hebrew Israelites and heathens who worshipped many false Christs. As it was in Pergamos, so is it in America today. Read this book so you can become well acquainted with the similarities.

## MAY

Only יהוה בן יהוה has revealed the historical parallels between the ancient city of Thyatira and America. In this book, He gives explicit, thought-provoking facts that clearly show that because of her worship of false gods and false religions, Thyatira was a melting pot of hedonistic ways, just like America. יהוה בן יהוה lays the ultimate decision before you: absolutely give up false gods and immorality or continue in the ways of the heathen and “enjoy” the great tribulation. You and your family must examine the indisputable facts presented in this book.

## JUNE

Sardis, Philadelphia, and Laodicea had a lot in common. Their history was identical: they were very prominent, wealthy, prosperous, highly industrialized, and modernized. They worshipped false gods, promoted promiscuity, and loved wickedness. This historical depiction of their rise and fall, is a replica of the tumultuous fall of America. Very entertaining and factual.

## BIBLICAL TRUTH DESTROYS FALSE RELIGION, PART 3

In Part 2, we confirmed that after Paul shared the laws of יהוה, the craftsmen of shrines to the goddess Diana were afraid that their businesses would suffer. We showed the comparison to today that just like in Ephesus, modern peddlers of religious artifacts are noticing a significant drop in revenues, since יהוה בן יהוה is come spreading the truth of the One True God, יהוה, and His commandments.

The reality of this statement is evidenced by the article *America's Largest Christian Bookstore Chain Files for Bankruptcy* published at [Christianitytoday.com](http://Christianitytoday.com) on February 18, 2015, in which it was reported that Family Christian Stores (FCS) sought a restructuring sale under the protection of Chapter 11. In addition, Christian publishers have decided to sue FCS over the loss of twenty million dollars in consignment revenues ([worldwng.org](http://worldwng.org), March 10, 2015).

Moreover, it is important to point out that it is not just sales that continue to plummet, but the churches themselves are also experiencing a downturn. Less than 20 percent of Americans regularly attend church—half of what the pollsters actually report ([www.churchleaders.com/pastors/pastor-articles/139575-7-startling-facts-an-up-close-look-at-church-attendance-in-america.html](http://www.churchleaders.com/pastors/pastor-articles/139575-7-startling-facts-an-up-close-look-at-church-attendance-in-america.html)).

To conclude this series, let us summarize with a comparative analysis. In Ephesus, Paul taught the people not to worship gods made by men (Acts 19:26). In America, יהוה בן יהוה taught the people that you should have no other gods before יהוה; neither should you bow down to them, nor serve them (Exodus 20:3, 5).

In each instance, the results from the teachings are the same. As the people began to recognize Biblical truths, they no longer followed the traditions of men and the capital gain of businessmen who profit from the making and selling of false idols declined.

Based on these facts, we can also logically deduce, like in the past, corporations of false religions today are **not** going to let their money be taken without a fight.

In our previous article, we shared that modern “craftsmen” in the American government are fearful of losing their skill at being able to hide the truth and keep the people deceived, tricked, and ignorant about their freedom to choose. We discussed that while Obamacare is advertised to the masses as a much needed universal healthcare plan, many moral men in government, who believe in the Bible and the Word of יהוה, recognize this Act and its companion legislation, to actually be the method and means by which thousands shall be forced to take an RFID chip.

In this article, we shall continue to pull back the curtains of hidden secrets the American government uses to operate behind in an effort to mislead its citizens and to deliberately hide the truth.

In the transcript series entitled, *The Royal Priesthood, I Am The Christ: יהוה בן יהוה*, *Special Edition*, on page 13, The Honorable יהוה בן יהוה states, “We are living in a country and a world inhabited by the wealthiest and most privileged classes of society, and there is too much inhumanity being committed against the less fortunate groups of people on the Earth.”

Ephesians 6:12 explains how this inhumanity is demonstrated, and that Scripture reads in part, “*For we wrestle . . . against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.*” Referenced in the *Merriam Webster's Collegiate Dictionary Tenth Edition*, copyright 1993, on page 913, the word **power** is defined as “possession of the ability to wield force.”

From the above definition, we can discern

# Our Craft Is In Danger, Part Two

that our battle is against rulers who possess the ability to wield force. The spiritually wicked in high places are using this ability to enact laws to force the less fortunate masses of the Earth to accept darkness rather than The Light (John 3:19).

One example of such legislation is ironically called by many the DARK (Deny Americans the Right to Know) Act. Senate Bill 764, signed into law by President Obama on July 29, 2016, is described on the government website as “. . . the legislative vehicle for a measure concerning bioengineered food disclosure” ([www.congress.gov](http://www.congress.gov)). Sounds like government officials are looking out for the public’s health, doesn’t it?

However, the reality is the present day rulers of darkness have wielded their ability to force Congress to hide the true intent of the agrochemical industry to keep Americans ignorant as to what they eat.

In an article published at [huffpost.com](http://huffpost.com) entitled, “Obama Expands Monsanto Doctrine by Signing DARK Act and Invalidating Vermont GMO Labeling Law,” it is revealed that what President Obama signed into law essentially struck down Vermont’s law under which national food companies are already required to label packages that contain genetically modified organisms (GMO’s).

This new legislation allows Monsanto and other such mega corporations to influence and dictate the terms of the safety of our nation’s food. It permits food producers to deliberately hide the truth about what consumers eat resulting in more and more people—especially the poor and uninformed—becoming sick and ill, which

reinforces and justifies the governments’ enactment of healthcare legislation requiring Americans to become insured through Obamacare; ultimately accepting an RFID chip just to get well.

יהוה בן יהוה has come that those who are walking in darkness might see The Great Light (Isaiah 9:2). He has long supported education and enlightenment on the connection between diet and the various diseases plaguing America and the world. This definitely includes knowingly avoiding GMO foods; especially since the long-term effects of consuming such foodstuffs is yet to be uncovered and studied.

For further information about the importance of making conscious choices on what we eat, read *Divine Dietary Laws for Hebrew Israelites and the World* by יהוה בן יהוה, which can be found at [www.yahwehbenyahweh.com](http://www.yahwehbenyahweh.com).

## ALL NATURAL BUT DEADLY FOOD, PART 3

In Part 2 of this series, we explained that current laws permit GM crops to be marketed to the public as “natural” while studies show that their consumption can be quite deadly causing liver and kidney damage and the growth of cancerous tumors. Yet, despite these scientifically sound studies, our own government has permitted food producers to branch out to begin genetically altering other foodstuffs.

Most recently, while the media had us focused on possible terrorist attacks from groups like ISIS, our Food and Drug Administration (FDA) approved the world’s first genetically modified animal for your dining pleasure.

As reported on [naturalnews.com](http://naturalnews.com), in its November 20, 2015 posted article, *FDA Approves Experimental GMO Salmon*

*for Human Consumption Despite Lack of Adequate Safety Studies*, the “transgenic salmon branded ‘AquaAdvantage’” has received official approval by the FDA for human consumption.

The most alarming part of this announcement is that the genetically modified (GM) salmon will hit the grocery stores not labeled as such. The engineers of this GM salmon have offered that it grows faster than the fish created by Father Nature יהוה; that it is less prone to disease; and, supposedly that the new variety of fish will have no negative effect upon the environment.

However, many independent scientists have already shown that these claims are patently false. A number of consumer groups have labeled this engineered salmon the “Franken fish” and are gearing up to sue the FDA to enjoin the enactment of the current approval.

Meanwhile, advocates of the FDA’s recent decision are depending on consumers’ increased demands for salmon as more and more physicians and dieticians are declaring that to maintain a healthy heart, to improve brain function, and to reduce overall inflammation, we should eat fish, such as salmon, as a source of Omega-3 fatty acids.

While the claims of medical professionals are widely-known, what is not as apparent to the public is that the healthcare system actually prospers when more people are sick than when they are healthy.

And the fish that is in the river shall die, and the river shall stink; and the Egyptians shall loathe to drink of the water of the river.

Exodus 7:18

So, be sure to read the next article in this series to learn how medical professionals are but a part of the same industry that holds evil intentions and sick desires to control the production of your food and to keep you ignorant of this industry's overall plans to keep you sick.

## OMEGA-3 SUBSTITUTES

Everyday Health.com

A number of nuts, seeds, and other plant-based foods and oils do contain omega-3 fatty acids, though a different type than the EPA and DHA in fish and eggs. There are two major types of omega-3 fatty acids in our diets. The other type is alpha-linolenic acid (ALA). The body partially converts ALA to EPA and DHA.

Here are some plant-based options to try:

- **Flaxseeds.** Flaxseeds are the richest source of ALA in our diets. By mixing 1 tablespoon of flaxseed oil with food or by adding 2 tablespoons of ground flaxseeds to your morning yogurt, oatmeal, or cereal, you can get 57 percent of your daily value of ALA.
- **Mixed greens.** A salad of kale, spinach, and other dark leafy greens is another excellent choice. One cup gives you 56 percent of your daily value, so eat 2 cups to get over the hump.
- **Walnuts.** A quarter-cup provides 14 percent of the ALA you need every day, along with other nutrients such as manganese.

*"This recipe has been in our family for many generations and has been passed down from our Father, בן יהוה יהוה, to us and now we are sharing it with you."*

In the transcript entitled, "Learn To Humble Yourself," from the series, "How To Receive בן יהוה בן יהוה," He emphatically states on page 15: **"Go ahead and eat humble pie."** This is one of those scrumptious desserts that we all should enjoy.

Here are three main ingredients needed to **"eat humble pie,"** and according to the *Merriam Webster's 11<sup>th</sup> Collegiate Dictionary*, copyright 2003, Computer Software, they are:

- Apology;
- submission;
- and retraction

Ingredient 1: **Apology** in the *Shorter Oxford English Dictionary, Sixth Edition*, copyright 2007, Computer Software, is defined as "a frank acknowledgment of fault, given by way of reparation"; while, **reparation** in the *Encarta World English Dictionary*, copyright 1999, on page 1520, is synonymous with "amends." And **amend**, the singular of the plural *amends*, is "to correct; to convert especially in character; to become better by rectifying manners or morals."

Ingredient 2: **Submit** is the root word of *submission*. And in the *Encarta World English Dictionary*, copyright 1999, on page 1780, it is characterized as "to obey." In the same source, to **obey** is "to act in accordance with a principle; practice." **Principle** is "the

characteristic ingredient; an inclusive law, having numerous special applications across a wide field.” And **practice** is “to work constantly” (as substantiated in the *Webster’s New World Dictionary*, copyright 1960, on page 1145).

Ingredient 3: **Retract** is the root word of *retraction*, and is described in the *Webster’s New World Dictionary*, copyright 1960, on page 1243, as “to withdraw.” In the *Merriam Webster’s 11<sup>th</sup> Collegiate Dictionary*, copyright 2003, Computer Software, **withdraw** is “to turn aside or away from; to remove oneself; draw away or pull back.”

### Directions

In combining all of our ingredients together, the makings of an humble pie requires us to frankly acknowledge every fault (weakness, shortcoming, or wrongdoing) that we have committed against יהוה בן יהוה. And then we are to give way to correcting our faults by converting to that of a good, righteous character. This all *boils down* to becoming better by rectifying our manners and our morals in every given situation.

Then we must learn to *simmer down* and submit to יהוה בן יהוה. The only way this can be done is by adding in the one “characteristic ingredient”: His **laws**. When we work at living in accordance with the laws of יהוה בן יהוה, we find that they can be blended and fused in our everyday life. We can season our relationships, our work, our occupations, our children, et cetera with them. This means that His laws are “all-inclusive,” and have numerous special applications in a wide field of knowledge.

Our last and final step to “top off” our humble pie is to *brew up* enough courage to turn aside and away from that which causes us to have “fault.” This is to say

that we must *scorch away* impurities by removing ourselves from unpleasant and bad situations. We must singe out contamination by drawing away from things that will corrupt our characters. And we must remove filth from our minds by pulling back from immoral actions and evil communications to name a few.

Then and only then has our humble pie been purified, koshered, and made ready to eat. So as יהוה בן יהוה said, “Go ahead and eat humble pie.” You will discover that once you have taken a bite, you won’t stop until the whole pie is gone. Enjoy!

## THE POETRY CORNER

### Hear Ye Him!

Come one, come all, take heed to the Grand  
Master’s call both great and small.  
For this is your final call.

Come near give ear all inhabitants amongst  
the nations that fear and hear the Wonderful  
Word of יהוה בן יהוה.

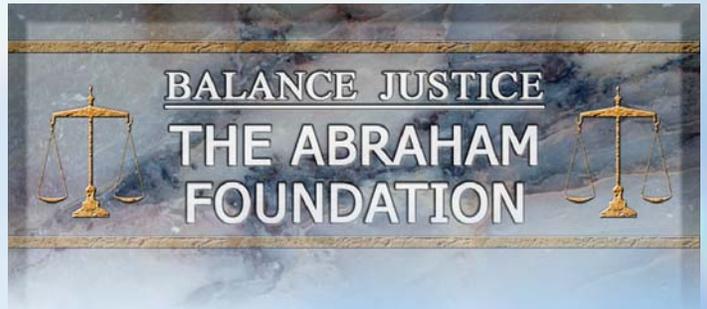

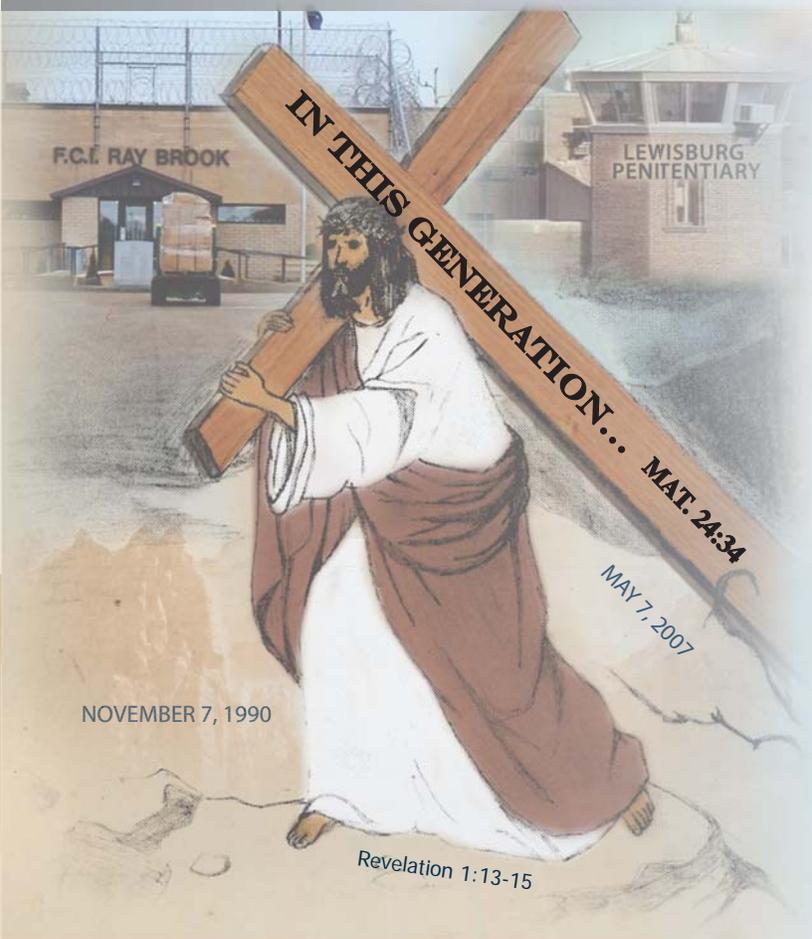

You have been summoned—you have been  
summoned to come running to stand upright  
with the Elite.

Enter into His “true” Tabernacle with  
humbleness and righteousness as ye  
approach His mercy seat.

Be counted among His sheep . . . the first  
harvest . . . the remnant of His wheat.  
Or face the consequence of His wrath as His  
judgment upon the wicked is being unleashed  
as we speak.

Circumcise your heart of the false doctrines,  
religions, and traditions designed only to  
deceive.

And receive the distinct teachings of  
יהוה בן יהוה prepared exclusively for those  
that truly believe—in good.

It is written that those who believe in the name יהוה בן יהוה, the Son of יהוה, shall be persecuted and shall be delivered up to be put in prisons, and be brought before kings and rulers for His name's sake (Luke 21:12). With this in mind, keep your contributions coming so we will always be in a financial position to execute an aggressive attack against any legal challenges The Nation of יהוה shall encounter.

FROM יהוה To You

Adjust the decibels in your ears—tune into the richness of His voice.

His mercy endureth forever . . . this is your chance to make the wise choice . . . So rejoice!

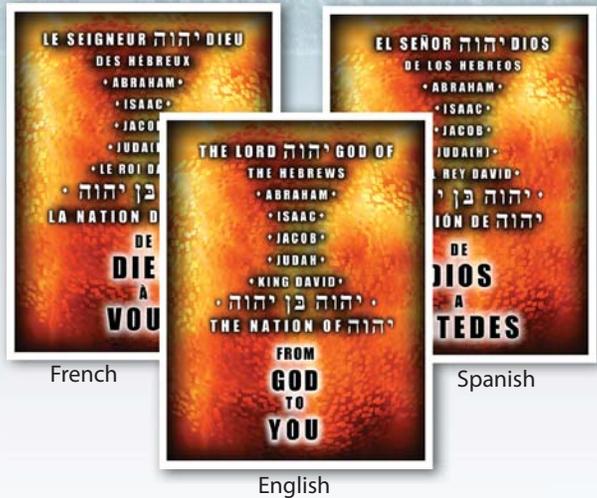

For His voice of wisdom travels upon the sound waves of many waters.  
The magnetism of His truth is attracting His scattered sons and daughters.

Incline your mind to something so divine . . . allow the *Good News* to resonate upon your eardrum.

A direct message coming from the Spirit of Truth—יהוה בן יהוה—The Song which is, which was, and which is to come.

Let not the excellent things which He speaks fall upon deaf ears.  
The power of His Word is more than capable of reaching all those that are willing to adhere.

*So come near and Hear Ye Him!*

We acknowledge that all moral-minded people who agree to follow the whole body of the commandments of יהוה and be faithful unto Him can be joined to The Nation of יהוה and, therefore, become sons and daughters of יהוה and joint-heirs with Christ, יהוה בן יהוה.
