Don't Let The Rapture Pass You By!

During *Passover/Feast of Unleavened Bread 6006*, הַחֵמֶן caused an *out of this world* event to take hold on us, and we experienced what the whole Christian world has been waiting for: the **"RAPTURE."**

In accordance with *Random House Word Menu*, copyright 1992, on page 851, **rapture** is defined as, "spiritual ecstasy and exaltation due to 'knowledge' of 'divine' things." **Ecstasy** is described as, "great pleasure and heavenly joy," and **exaltation** means, "to raise to a higher spiritual level; to be lifted up and carried away; wholly absorbed."

The "high" wisdom received in our nightly classes and daily seminars was so **"pow-**

er-packed" that we became wholly absorbed in it. Because of the knowledge we received of **"divine" things**, we were raised to a higher "spiritual" level. The "divine" knowledge was such that we were lifted up and carried away by quick "understanding" in the interpretation of the Scriptures, which brought us "great" pleasure and "heavenly" joy.

Interpretations from the books of Daniel and Revelation exposed the "true" identity of the **"little horn"** in Daniel 7:8; the "purposeful" intent of the **"black horse"** in Revelation 6:5; the "great" mystery of the **"stone"** that smote the image in Daniel 2:34; and the exact meaning of the **"ten horns"** found in Revelation

13:1. Other prophetic disclosures revealed the striking similarities between *Nebuchadnezzar* and a present-day ruler, the intellectual *light* that shall cause the Gentiles to come to יהוה בן יהוה, *Balaam's* underhanded conspiracy to destroy Israel, a

vicious *winter* when the tare family shall come against יהוה בן יהוה, and the dragon's future attack against the *stars* of heaven.

If you were unable to attend *Passover/Feast of Unleavened Bread 6006*, and you,

too, would like to be lifted up and carried away by "knowledge" of "divine" things, then please do not let the *true* "rapture" pass you by, order the nightly classes, transcripts, and daily seminars from P.E.E.S.S. Foundation **TODAY!**

Preparing For Rulership

The "heavenly" message in our nightly classes, *"Preparing For Rulership,"* was on center stage, which gave us great comfort in knowing that יהוה is the "only" name under heaven whereby we must be saved (Acts 4:12). It was called to our "immediate" attention that to be saved, our minds must be "healed" first, and then our spirit; and like with anything, *"healing is a process."*

Our nightly classes gave us the key to the healing process: We must study and learn of יהוה and be willing to obey the instructions that He has laid down for us in His commandments, judgments, laws, and statutes. It was made clear that יהוה will be faithful to heal us if we obey. Proclaimed with a loud voice was the fact that healing begins with "sincere" **prayers** to יהוה and "humble" **confessions** of our transgressions to Him. If we want to be healed, we must allow

ourselves to be under the control of the **ONE** who has the power to heal us. Given the fact that people do not have the power to heal us, we were reminded that we must forget about them and what they think. The penetrating message was that יהוה is the "only" Judge of our hearts, meaning that He is the only **ONE** with the "**power**" to heal us.

From the overall message in our nightly classes, we know that יהוה is the "**GENUINE**" **HEALER**, whose name bears the power of salvation; and that in order to enter into "eternal" life and salvation, we must be healed of our transgressions. To be healed of our transgressions, we must turn to יהוה in prayer, and confess our wrongdoings to Him. In addition, we must also follow the instructions that He has laid down for us. When we do these things, then יהוה will judge us "righteously," according to the "divine" will that He has set for us.

Our Seminars “SHOOK” The Place Where We Assembled

“And when they had prayed, the place was shaken where they were assembled together; and they were all filled with the Holy Ghost, and they spake the word of God, יהוה, with boldness” (Acts 4:31).

A prime example of such a shaking was felt in the seminar, *“The Sign of the Times,”* which advised us to expect Satan to produce a “great drama” by casting out a smokescreen of deception, falsehood, and lies about the people of יהוה. However, we were instructed that we are not to be fearful, embarrassed, or ashamed during this persecution (Joel 2:27). We were told that in order to prepare ourselves for these dynamics, we must reinforce our minds by diligently studying the word of יהוה. This preparation will not only allow us to endure persecution, but also to preach the truth that will overshadow Satan’s deception.

Being able to teach the truth affirms that we have been restored to a “spiritual” con-

sciousness, which the seminar, *“Nebuchadnezzar: The King of Modern-Day Babylon”* proved definitively. This seminar drew a parallel between the Nebuchadnezzar I and the “present-day” ruler, former President George Herbert Walker Bush. We learned that just as Nebuchadnezzar I sought to conquer the temple of JerUSAlem, former President George Herbert Walker Bush also had plans to conquer--break up the unification of the “temple” and the Nation of יהוה (Daniel 1:1). He orchestrated this plot in 1990 because he considered the Nation of יהוה to be an unfriendly nation. Therefore, he issued restrictive measures designed to obstruct the rapidly expanding commercial success of יהוה, and to destroy the communication He had established among His people. However, today, יהוה is building a “spiritual” temple that can never be destroyed--a people who have been brought back into a state of “spiritual” consciousness and supreme intellect by

the teachings of יהוה and, as a result, have been born again and set apart for the exalted purpose of יהוה.

Demonstrating that we are set apart for the purpose of יהוה, the seminar, *“Mysteries of the Great Image: The ‘Stone’,”* identified the “stone” of Daniel 2:34, as symbolically representing the saints of יהוה. It was factually concluded that the wicked builders of society have rejected the saints of יהוה, because He has given us His **Ten Step Study Method**--the “divine” method of reasoning--which has caused us to be spiritually reborn and “mentally” alert in the fulfillment of Bible prophecy. As a result of making known this knowledge, the world is questioning the many false religions and governmental institutions in the Earth and are coming to the light of יהוה that they have beheld in our writings.

Provided that the world shall come to our light, the seminar, **“יהוה בן יהוה Coming In the Clouds of Heaven With ‘Power’ and ‘Great’ Glory,”** profoundly delineated the supreme strategy that shall cause the ordained, ultra-sophisticated White Gentiles to come to יהוה בן יהוה. Evidence was given to prove that יהוה has put an irresistible impulse in the very “nature” of the Gentiles that shall overwhelm them and cause them to come to the reflection of the light of יהוה בן יהוה that is in us (Isaiah 60:3). Also, the kings, the “chief” officers of the secret societies, shall come to our light because יהוה בן יהוה has raised us high above all in the knowledge of the “ineffable” name, יהוה. This extraordinary event shall surpass all known human or natural powers and will be ascribed to a supernatural cause.

Be that as it may, the interpreter of **“A Message for Lawkeepers: Preparing For Rulership”** put us on “high alert” of the upcoming trials and persecution that the dragon (Satan) will carry out against יהוה בן יהוה

and the third part of the stars of heaven--Israel. The facts were presented to show that during this time of trouble, Israel would be the Comforter (John 14:26) to lead our Nation into a deeper understanding of the gospel of truth, and give us the divine strength we need to endure these dreadful times.

Being given the strength to endure, the speaker of **“Go To The Ant”** fired warning flares cautioning us of winter. The winter was substantiated as a time when the “tare family”--whose exclusive purpose is to choke out Israel, the good seed of יהוה בן יהוה--will continuously express noxious, poisonous, and toxic words full of animosity and negative feelings about יהוה בן יהוה on television and radio talk shows. The downpour of this false information will be intended to inhibit the Messiah, יהוה בן יהוה, from rising in due season as prophesied.

The plot to disseminate false information gave credence to the message in **“The Healing Light,”** which alerted us of the “fugitive” mindset of Balaam that has conspired

with Pergamos (America) to teach the children of יהוה false doctrines. These false doctrines have caused us to suffer from dire infirmities, resulting in moral weakness, lack of strength, and weakness of character. However, we were reassured that eating from the “pure” doctrine of יהוה בן יהוה cures such infirmities; and that in spite of his attempts, Balaam will not escape unpunished--for judgment shall sit.

The promise of judgment against the wicked was strongly proclaimed in **“Judgment Shall Sit,”** which pointedly addressed the identity of the *little horn* in Daniel 7:8. Undeniable facts clearly showed the *little horn* to be the President of the United States, George W. Bush, whose official purpose is to make war with three kings to destroy their rulership. Though this is his “official” purpose, after he has completed this task, he will turn his attention back home, and set his heart and mind on destroying the Anointed, יהוה בן יהוה, and the blessed foundation--PEESS Foundation.

The testimony presented in **“The Seven Seals of the**

Apocalypse” heralded a watchful notice to expect to see false allegations about the followers of יהוה בן יהוה being broadcast over the air. These allegations will accuse us of being a threat to security when, in actuality, the threat is that we are revealing the truth as written in the Holy Bible, which was taught to us by יהוה בן יהוה. Compelling testimony was offered to prove that because of these allegations, not only will a judge implement stringent means of censorship and suppression of our publications, but also hold some of us under police custody for fear that this doctrine will spread further among the people of the world.

In addition to this, the presenter of *“The Rising of the Beast Out of the Sea”* put us on guard to expect a time of “great trouble,” even the time of Jacob’s trouble (Jeremiah 30:7). Such a time is imminent when the whole world witnesses a forthcoming second terrorist attack on America at a seasonal sporting event.

This attack will cause the people to display riotous behavior. Subsequent to this display, President George W. Bush shall declare Marshal Law--military control--over the United States of America to force all dark skinned people into concentration camps, which will be grounds to usher in the New World Order.

In summary, as prophesied, the servants of יהוה--being filled with the Holy Ghost, the rational mind of יהוה בן יהוה--“shook” the place where they were assembled during this *Passover/Feast of Unleavened Bread*, speaking the word of יהוה with boldness in the place where יהוה had chosen to place His name. If you want to fill your mind with the Holy Ghost, then you must order the daily seminars today from:

The Harvest Is Ripe

Forthcoming, we will be celebrating the second of our three great annual festivals, the *“Feast of Weeks 6006.”* Every year, during the *Feast of Weeks*, also known as the *Feast of Harvest*, all Israel is commanded to give a tribute of a freewill offering of the “first fruits” of our increase that יהוה has so graciously blessed our land to produce (Deut. 16:10).

This is a time of thanksgiving unto יהוה, because not only are we celebrating the fruit of our labor, but we are also calling to

remembrance our deliverance from the “bitter” hardships and the “painful” grievances we suffered as bondmen in Egypt (Deut. 16:12).

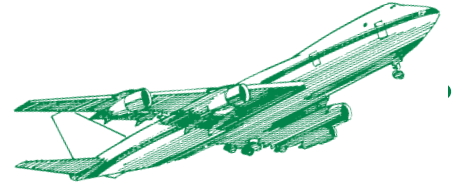

Despite the fact that we suffered “terrible” oppression in Egypt, יהוה demonstrated through our deliverance from bondage that He would never forsake us. This is why we are here today to give thanks to Him for one of the many blessings that He has bestowed upon us: the offering of His most “precious” First Fruit, יהוה בן יהוה.

In appreciation of the offering of the First Fruit, יהוה בן יהוה, we are required to assemble at the place where יהוה has chosen to place His name, demonstrating that we have received His prolific crops of knowledge and understanding, and that we

shall forever be fruitful and prosperous in the “divine” wisdom of יהוה בן יהוה.

Feast of Weeks 6006 is a time to make sure our “harvest is ripe.” Therefore, we must prepare our sickle and come ready to reap and gather

our crops from the Divine Mind of יהוה בן יהוה at this festive occasion. Join us at “harvest time” on May 28 – June 3, at the posh Radisson Hotel, located in beautiful Quebec City, Quebec, Canada.

...of יהוה בן יהוה and יהוה throughout the world.

The Abraham Foundation

We must prepare for our legal counsel while it is yet day, so when the "night" comes, our defense will be in a state of readiness: *For wisdom is a defence, and money is a defence: but the excellency of knowledge is, that wisdom giveth life to them that have it (Ecclesiastes 7:12). Where no counsel is, the people fall: but in the multitude of counsellors there is safety (Proverbs 11:14). Where there is no vision, the people perish: but he that keepeth the law, happy is he (Proverbs 29:18).* We thank יהוה for your continual support.
