## Great Joy At The Feast of Weeks Celebration 6006

Many traveled from far and near to the place where יהוה had chosen to place His name to celebrate our *Twenty-Third Annual Feast of Weeks* in beautiful Quebec City (Quebec) Canada, May 28-June 3, 2003. And celebrate we did!

We celebrated with great joy for the “divine” wisdom that יהוה had freely poured out upon us in great abundance during the past year. We also celebrated and gave thanks to יהוה for our prosperous and bountiful harvest of knowledge and understanding. In addition, we gave high praises and all honor to יהוה for blessing us with “spiritual” wealth, good

health, and our earthly needs.

We were exceedingly thankful for and took great delight in the “divine” wisdom shared in our nightly classes on “*Preparing For Rulership*” by בן יהוה יהוה.

To add even more joy to our already ecstatic experience, we viewed and critically examined some highly acclaimed video presentations. A video presentation on “*The Judas Family*” put us on the alert to expect this family to launch a malicious verbal attack against the character of בן יהוה יהוה by spewing out false vulgar information on the “*world*”

Published by P.E.E.S.S.

*stage.*” We were left mentally drained from the video presentation on “*The Ten Plagues,*” as it graphically described these cataclysmic plagues from their Hebraic origin. This gripping narrative made it “*crystal clear*” as to why the world is suffering the “divine” plagues of SARS, AIDS, soaring unemployment, illimitable bankruptcies, unprecedented social depravity, and an inevitable global economic collapse.

And one of the most compelling video documentaries ever put together on “*The Hidden Truth About The Roman Catholic Church*” was put on the witness stand. Subjected to a grilling cross examination, the Pope and his Jesuit priests were found “guilty” of going “to” and “fro” and from walking “up” and “down” in the full width of the earth using the sign of the cross to deceive the whole world with the “false” teachings, baseless

beliefs, and senseless rituals of the Roman Catholic Church.

In addition to all of the above, for five straight days, we listened to earth-shaking prophecies that were boldly proclaimed in all of our daily seminars: We were given the hush-hush, top-secret, and off-the-record details about the deceptive *policy* the “little” horn shall cause to prosper in his hand in Daniel 8:25. The *ten crowns* upon the horns of the beast in Revelation 13:1 were decrypted. The mystery surrounding the *pale horse*, which is the final horseman of the apocalypse in Revelation 6:8, was methodically unveiled. And brought to the light were the devastating effects of the prophetic *season of winter* (Matthew 24:20) that are fast approaching in these last days.

We witnessed the interpretation of such mystifying Scriptures as Daniel 2:35, which delineated in great

detail the destruction of the great image and the people chosen to *break it to pieces*. Because of the sensitive nature of the interpretation of the *Handwriting on the Wall* in Daniel 5:5, it was handled with great precision and calculated effort so that modern-day Belshazzar--President George W. Bush--might be foretold what shall befall America in these last days. To round out our series of seminars, the “*first trumpet*” in Revelation 8:7 sounded with such a great blast that the earth is still shaking from its violent reverberations. More about our seminars on pages 4-5.

The knowledge in our nightly classes and seminars is what the whole world is looking for. We urge you to order the nightly classes and seminars from *P.E.E.S.S. Foundation*. The shocking revelations in our seminars can be downloaded at [www.yahwehbenyahweh.com](http://www.yahwehbenyahweh.com).

# Preparing For Rulership

**D**uring this *Feast of Weeks 6006* our Heavenly Father, יהוה, provided us with a “divine” message on *ethical conduct*--the requisite for ruler ship. The benefits derived from practicing ethics were addressed in a very clear and convincing manner. The basis of the overall message was that *ethical behavior* is so crucial to our ruler ship that even a fool would not want to fall victim to unethical practices.

**W**e were reminded that because we were not taught *ethics* in the educational institutions we attended nor in our homes, we are without the proper and essential foundation for “righteous” ruler ship. Accented throughout the message was the fact that in order to rule, *ethics* is one subject we must “master.”

**E***thics*, we were told, deals with rightness and wrongness of conduct, thoughts, ideas, and concepts. It also deals with goodness and badness of motives, intentions, desires, and expressions. We were reminded that as we begin to practice ethical conduct and display ruler ship qualities, there would be men who will hate us because our thoughts,

ideas and concepts are “right” in the sight of יהוה. And, furthermore, that men would persecute us, give us hard looks, say bad things about us, and cast out our names as evil--all because our motives, intentions, desires, and expressions are good and pleasing to יהוה. Although men will hate us, we were persuaded that if we adhere to the laws of יהוה, then יהוה shall reward us for our *ethical conduct*.

**W**e rejoiced in finding out that not only would יהוה reward us with ruler ship, but He shall cause us to possess land, and inherit cities, which we buildedst not, and houses full of good things, which we filledst not (Deut. 6:10-11). All of these things shall be ours by virtue of our *ethical conduct*.

**S**uch a powerful and irresistible message on *ethics* left a lasting impression upon our minds. Taken as a whole, we departed with a firm belief that by fusing “ethics” into our everyday lives and dealings, we are in fact preparing ourselves for that *great* day of *ruler ship*--when our God, יהוה, shall fulfill the promise He made to our forefathers Abraham, Isaac, and Jacob.

*We shall inherit cities and houses full of good things*

## Cloven Tongues Like **Fire** Revealed Mysteries In Our Daily Seminars

*“And there appeared unto them cloven tongues like as of fire, and it sat upon each of them.*

*And they were all filled with the Holy Ghost, and began to speak with other tongues, as the Spirit gave them utterance” (Acts 2:3, 4).*

As the spirit of יהוה moved in our daily seminars, the Holy Ghost--rational mind--was at work revealing the mysteries of the Scriptures that had, at one time, been kept a secret. The profound revelations spoken were like as of fire--“intellectually” brilliant and “spiritually” luminous.

The smoke from this fire rose steadily in the seminar, **“Mysteries of the Great Image: The Broken Image,”** which described how the “disciples” of יהוה בן יהוה--euphemistically called the “stone”--are unrelentingly breaking to pieces the deep-rooted and firmly established institution of lies the Pope and his high-ranking officials and top executives in the Roman Catholic Church have built all over the world. Convincing evidence was presented to

show clearly that by openly publishing the “truth” and boldly disposing the lies and secrets of the Roman Catholic Church, their once *unchallenged* power shall vanish, be overpowered and subdued, thus bringing about an abrupt *end* to their regular continuity in attendance as well as financial contributions, which shall ultimately bring about an escalating downfall to its existence.

As we witnessed the falling of this great image, the seminar **“Judgment Shall Sit”** put us on “high alert” of the “policy” the “little” horn--President George W. Bush--shall use to cause **craft** to prosper in his hand. We were cautioned that in his autobiography, he called himself a “compassionate” conservative, which means he advocates the establishment of a political order favoring a concentration of power in a leader not constitutionally responsible to the people. Given that he was not elected by the people, he shall institute a **“policy”** to cause an abrupt political overthrow or seizure of power that will be brought about from within the Department of Homeland

Security or by other forceful means, all while giving the false “appearance” of being the protector and defender of the American people.

This abrupt and deceptive political overthrow was further described in the seminar, **“The Rising of the Beast Out of the Sea.”** This cryptologist unveiled how President George W. Bush--cryptically called the **beast**--has begun executing his plan to remove ten kings from their positions of power in the Middle East by sending in troops to go to war against them to remove them from office and replace them with ten new “bishops” who shall use their unrestrained influence to force the people in the Middle East to accept the Christian belief. This signifies the beginning of a “holy” war, which serves as a sign to the Nation of יהוה and all religions that all people shall soon be forced to make a decision about their religion, as Daniel and the Hebrew boys were faced with this same decision in the days of Nebuchadnezzar.

As we were face to face with the reality of a “holy

war,” we were terribly shaken by the loud blast coming from **“The Sign of the Times: The Seven Trumpets.”** These are the seven trumpeters, who by “divine” inspirations, shall serve as interpreters through whom the will of יהוה shall be expressed. They shall speak and write, beforehand, warnings of the great pain, extreme misfortune, deep sorrow, and widespread destruction that shall come upon the people of the earth. The **“first”** trumpet sounded and graphically described a war conflict between the nations that shall result in a roaring inferno, intense burning, and mass slaughtering of people. A vivid description of how יהוה shall use His “divine” weaponry to punish the earth with hail and overflowing waters was conveyed: foretold was overflowing waters that shall rise up out of Alaska and the Yukon territory of Canada and pass from one part of Canada to the Northern areas of the United States. This flood shall overflow the land and them that dwell therein.

Speaking of warnings, in the seminar, **Nebuchadnezzar: Belshazzar The Handwriting on the Wall,** the present-day Belshazzar--

President George W. Bush-- was forewarned that America is at the point where she must come to an end. Because of her iniquities against the laws of יהוה, she shall be destroyed by other nations who will deploy military personnel into combat against her. These nations shall use radioactive metallic chemical elements, which are important in work on atomic energy to rip apart America and break her to pieces. יהוה shall cause America to be divided, and given into the hands of the Medes and Persians.

The bitterness of these times reflect the cruel **winter** pointedly described in the seminar, **“Go To The Ant,”** which revealed a group of people that will soon appear to be harvested before the bitter cold season of winter. This group is made up of hostile opponents of יהוה בן יהוה who are filled with strong and concealed enmity towards Him. Their group represents the seed of Lucifer who slid in undetected seeking the failure of יהוה בן יהוה to resurrect the good people of the earth and the restoration of The Nation of יהוה (the Kingdom of Heaven). This deep enmity shall cause this group to secret-

ly sow their seeds of evil thoughts, ideas, words, and ways to the media in an effort to destroy the good seeds of יהוה בן יהוה that are being cultivated for the kingdom of heaven.

As Lucifer has secretly sown his wicked seed among the good seed of יהוה בן יהוה, their growth was disclosed in **“The Seven Seals of the Apocalypse.”** Uncovered was the mystery of the *pale horse*, which revealed that a *mole* has *infiltrated* and *assimilated* himself into the ranks of our nation by his lengthy service, and is secretly keeping watch. This *mole* will receive an excessive amount of money to compensate him for an espionage scheme to publicize false criminal accusations about the Nation of יהוה to mislead not only the unenlightened public, but also the morally weak. He has a collection of articles, features, and photographs that he has accumulated for publication. His “false” criminal accusations shall result in an indictment of our nation, and cause a very small portion of society to have an intense hatred for us, who will be martyrs during this period of persecution.

# Begin Your Preparations Now For Feast of Tabernacles/Holy Convocation 6006

“...The fifteenth day of this seventh month shall be the feast of tabernacles for seven days unto יהוה...on the eighth day shall be a holy convocation” (Leviticus 23:34, 36).

The **Feast of Tabernacles/Holy Convocation 6006** is the third of our great annual festivals to be celebrated this year. **Feast of Tabernacles** is a commemoration for the children of Israel

in remembrance of our forty years of wandering in the wilderness, and it is a renewal of the covenant that we made with יהוה on Mount Horeb.

All Israel as well as “all” nations are commanded to come up to keep the Feast of Tabernacles: *And it shall be that whosoever will not come up of all the nations of the Earth to keep the Feast of Tabernacles, even upon them shall be the plague: NO RAIN*

(Zechariah 14:16-19).

So that you will not be one to receive of the plague of יהוה because of your disobedience to observe His laws, start your preparations **NOW** to attend **Feast of Tabernacles/Holy Convocation**, in the mega city of Montreal, Quebec, Canada, September 29-October 6, 2003. Be sure to mark this festive celebration on your calendar, because this is one feast you do not want to miss!

### The Abraham Foundation

When thou goest with thine adversary to the magistrate, as thou art in the way, give diligence that thou mayest be delivered from him; lest he hale thee to the judge, and the judge deliver thee to the officer, and the officer cast thee into prison (Luke 12:58). For **wisdom** is a defence, and **money** is a defence: but the excellency of knowledge is, that wisdom giveth life to them that have it (Ecclesiastes 7:12). We appreciate your continued support.
