יהוה ' Has Raised An Exceeding "Great" Army

יהוה ' בן יהוה ' shined His *Everlasting Light* on all those who came from far and near to celebrate with us at our *Twenty-Fourth Annual Passover and Feast of Unleavened Bread* in sunny *Hutchinson Island in Stuart, Florida*, the place where יהוה ' chose to place His name.

This feast, our eyes witnessed one of the most miraculous events to occur in our Nation since the United States Government captured our anointed Messiah, יהוה ' בן יהוה ', and took Him into captivity. The wicked in the U.S. government *imagined* that by taking the Head of our Nation, our love for Him

would wax cold and we would flee--thus, the destruction of the Nation of יהוה '. We proved them wrong. The truth is, the number of guests that showed up to keep the law of the *Passover and Feast of Unleavened Bread* is but a sign to us, as well as to Satan, that יהוה ' has raised an exceeding great army (Ezekiel 37:10).

In fact, the number of attendees for *Passover and Feast of Unleavened Bread* was so "great" that we did not have room enough to receive them all, which was the fulfillment of Mark 2:2:

"And straightway many were gathered together;

insomuch that there was no room to receive them, no, not so much as about the door:...”

We had such a heavenly time at *Passover and Feast of Unleavened Bread* that who could dream of missing the upcoming *Feast of Weeks*, beginning May 27 – June 2, 2004. For all who are planning to join us, once again we will be at the tropical *Marriott Beach Resort and Marina, on Hutchinson Island, in Stuart, Florida*. Let the above serve as an indication to you to not **DELAY**. Send in your registration early, so that you will not be standing at the *door*, and can't get in.

P REPARING FOR RULERSHIP

This feast, the special message propagated in our nightly classes, *“Preparing For Rulership,”* caused us to seriously reflect on the necessary changes that we need to make to be in accord with the principles of **“ethical”** behavior.

The main subject that was put under the spotlight was that **ethics** requires us to make a MORAL CHOICE to either serve יהוה י or Satan. Luke 4:8 was the prevailing Scripture:

“And יהוה י בן יהוה י answered and said unto him, Get thee behind Me, Satan: for it is written, Thou shalt worship the Lord, יהוה י, thy God, and Him only shalt thou serve.”

We meditated in the idea that to be ethi-

cal requires us to take a stand for the laws of יהוה י, which gives us the ability to say, “Get thee behind me, or get thee hence, Satan. יהוה י only shall we serve.” However, to turn down the wicked ways of Satan can only be acquired by having the **fear** of יהוה י in us.

Because we are commanded to fear יהוה י, we were taught what real “fear” is. Contrary to popular belief, our nightly classes revealed that **fear** means more than to “shake and tremble”; but, rather, *real* fear is to love, revere, honor, and respect the laws of יהוה י.

Overall, when we make a moral choice to take a stand for the laws of יהוה י, and serve Him only, He will automatically give us the power to resist Satan. Consequently, we are ethical when we fear--love, revere, honor, and respect--the laws of יהוה י.

A STOUNDING REVELATIONS UNVEILED IN DAILY SEMINARS

Absolutely no one can afford to be without the astounding revelations that were made manifest in our daily seminars during *Passover and Feast of Unleavened Bread 6007*. Because we love you, we will share a morsel of what was revealed:

Right from the start, what was thought to be leak-proof intelligence was laid out on the table in *The Seven Seals of the Apocalypse, Part 6*. In decrypting Revelation, Chapter 6, verse 11, it was told how some of us would

soon be killed because we believe in the teachings of יהוה בן יהוה and keep the laws of יהוה. Brought to light from the word *kill* was the fact that the U.S. government will use a mole from within the Nation of יהוה to make false, deliberate, and unsubstantiated charges against us; and then feed this “false” information to the media who will in turn broadcast it to the world in a desperate attempt to make the people hate us and to further blacken our reputation as well as to debase our credibility. This will be their last-ditch effort to try to stop the profound prophecies we are making known to the world about America. After this is done, however, those of us who will be killed shall be given positions of exercising careful judgment with the Messiah, יהוה בן יהוה, in His throne (Revelation 3:21).

In the seminar, *Judgment Shall Sit, Part 4*, no stones were left unturned in decoding Daniel 8:25. This linguistic scholar came out with both the smoking gun as well as the silver bullet, and exposed how President Bush will challenge the Prince of princes, יהוה בן יהוה, to a face-to-face confrontation with his public display of intense hostility and endless criticism. Brought to light was the fact that this final conflict will draw all three branches of the government--the executive, legislative, and judicial--into this showdown. The facts were presented to show that this battle will come to an end with the United States government being held liable to pay a large sum of money

as punishment for assassinating the character of יהוה בן יהוה, judicially murdering Him in U.S. courts, and its continued persecution of the Nation of יהוה.

The cat was let out the bag when it was revealed that when the fines become due, the government will be declared broke or insolvent and, by law, all assets owned will be divided among the people to whom the money is owed: יהוה בן יהוה and the Nation of יהוה.

The “*he*” goat that came from the “*west*” in Daniel 8:5 was dragged from underneath the bushes in the seminar, *Belshazzar: The Ram and the He Goat, Part 2*. All that had been kept under wraps about the “he goat” were dug up. Unearthed was the fact that the “*he*” goat is a euphemism for modern-day Belshazzar--President George W. Bush--who has come from the West, North America, on the “face” of the whole earth. Being in Iraq, he has positioned his military between two targets--Syria and Iran. It was leaked out that he will soon launch a powerful military attack against Syria, and it will be so severe that it will shut down the entire operation of the port on the Karun River, which is used for the arrival and departure of ships to load and unload cargo and supplies. This will ultimately put Syria to flight and, thereby, enlarge President Bush’s territorial range and increase his profit from their oil resources, thus causing him to wax great.

The heat was turned up as we moved to the seminar entitled *Another Beast Coming Up*

Out of the Earth, Part 1. Overwhelming evidence was presented to prove far beyond a reasonable doubt that the person described in Revelation 13:11 as “another beast” is none other than the United States National Security Adviser, Dr. Condoleezza Rice. The facts validated that because the first beast, President Bush, is without the intellectual competency, practical qualifications, and innate ability to bring about *The New World Order* on his own, he is using her as the brain of his operation to bring it into fruition. With expert precision, great confidence, and exceptional skill, this cryptanalyst methodically and systematically

picked apart the coded text in this Scripture and deduced it to its lowest terms.

In the seminar, *יהוה בן יהוה Coming In the Clouds of Heaven With “Power” and “Great” Glory, Part 4*, this presenter went right to the heart of the matter and blew the lid off of how all of this shall evolve right before our eyes. To set the record straight, it was made plain that the same manner in which יהוה caused Pharaoh to take off his ring from his *hand* and put it upon Joseph’s *hand* is symbolic of how He shall cause the President of the United States--following uncompromising orders from the “chief” offi-

“Blessed Be The Name of יהוה בן יהוה Forever” (Psalm 72:19)

“And thou shalt keep the feast of weeks unto the LORD, יהוה, thy God with a tribute of a freewill offering of thine hand, which thou shalt give unto the LORD, יהוה, thy God, according as the LORD, יהוה, thy God hath blessed thee:” (Deuteronomy 16:10).

The *Feast of Weeks* is the second of the three “great” annual festivals we are commanded to observe. This jubilee serves a dual purpose, as it continues the memorial--which began at Passover--of our deliverance from Egypt, while celebrating the bountiful blessings we received from יהוה after He brought us out of oppression.

At the *Feast of Weeks*, we are charged to honor יהוה for His blessings by offering our *tribute* of freewill. As documented in *The Synonym Finder*, by J. I. Rodale, copyright 1978, on pages 1256-1257, a **tribute** is synonymous to a gift. And a **gift** is defined in the *Webster’s New World College Dictionary*, Fourth Edition, copyright 1999, on page 598, as “talent.” **Talent**, in accord with the *Merriam Webster’s Collegiate Dictionary*, copyright 1999, on page 1202, is “general intelligence or mental power.”

Subsequently, our observance of the *Feast of Weeks* requires us to offer the general intelligence or mental power that יהוה has blessed us with to Him of our own freewill. This gesture of generosity demonstrates our thankfulness to יהוה בן יהוה for resurrecting us, and our appreciation for the many blessings we have received. cers of the Secret Societies, most especially *Skull and Bones*--to “voluntarily” **hand over** or **turn over** sovereignty of the *USA* to יהוה בן יהוה. The message was loud and clear that the President--acting on orders from the “chief” officers of the Secret Societies from around the world, and tactically orchestrated by *Skull and Bones*--will encircle יהוה בן יהוה with the most cosmopolitan atmosphere to ever exist in the world, along with the most brilliant intellectuals on earth, who will form a *chain of command* around the head of His government to help ensure that all people, nations, and languages conform to *The One World Order of יהוה*. Thus, the face of the world as we know it will be no more.

In the seminar, *Go To The Ant, Part 18*, the veil was lifted on how the U. S. government, using secret surreptitious procedures, will suddenly, abruptly, and without warning, interrupt and stop the continuity of the daily activities of all people, resulting in a state of utter confusion and unquellable disorder. This chaos will result in the change of laws that will bring in violent winter chasms that will erupt into unprecedented unemployment, adversity, discontentment, physical and spiritual famine, chemical warfare and nuclear annihilation, subsequently hailing in an impassable interval of a winter chaos. We were let in on a secret, and that is America and all the nations are fast approaching a “total” collapse of political, economical, educational, social, and spiritual

order, which will result in many people being concentrated, mobilized, and bound into bundles, then warehoused in burning brutal labor camps.

A Message for Law Keepers: Preparing for Rulership, Part 7, raised the curtain on the fact that יהוה בן יהוה will be arrested and brought to trial again. And at that time shall Michael in Revelation 12:7 stand up. Michael and Joseph of Arimathaea in Matthew 27:57-58--are symbolic of the same person, and both are representative of the attorney that will perform legal services for יהוה בן יהוה. It is his responsibility as the archangel to discharge the Messianic Office or fight for the release and complete exoneration of יהוה בן יהוה. He will be able to persuade the Gentiles (other nations), the Orthodox Jews, and other members of the chief priests of יהוה בן יהוה and His character of innocence. Because of Joseph’s legal savvy and political influence, the Judge will command that יהוה בן יהוה be delivered or given into his possession. The evidence confirms that the dragon and his angels will not prevail in this trial, and there will be no more place in a court of law to continue to try יהוה בן יהוה on the “false” allegations made by Judas and perpetrated by the dragon.

The last seminar, *The Sign of The Times: The Seven Trumpets, Part 3*, blew the whistle on what is going to happen to those who take or receive the mark of the beast and worship his image. The seal on Revelation 8:7

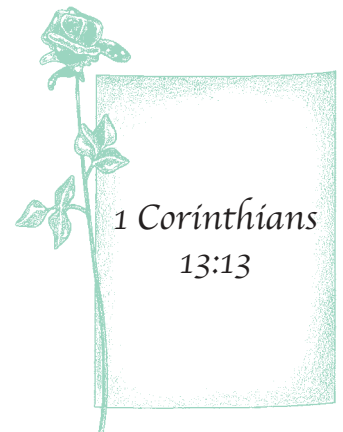

was broken, and a blistering account was given to show that those who take this mark, a computer chip, underneath their skin, which is a sign of their allegiance to the beast, will break out in boils, be tormented with fire and brimstone, and the wrath of יהוה will be poured out on them without mixture. Even those who don't accept this mark but are in agreement by assisting in the development of this new system of communicating or by worshipping the image of the beast shall die with pestilence, and famine, and shall fall by the sword in wars round about them. Also exposed was the fact that "the third part of the trees shall be burnt up." Mark 8:24 confirmed that these *trees* are men--a symbol of military personnel--who are stretched out in all four corners of the earth, just as we see the military of America today: a

third of them is slated to be destroyed. In addition, "all green grass will be burnt up." Isaiah 40:6 revealed that *grass* is people and the color green described the character of this people who are to be burnt up. The facts showed that these people are young in mind, meaning they are immature in their thinking and lack experience in knowing how to make right decisions. They are simple-minded people who are gullible and easily fooled; and thus, will accept the new ID chip of the beast or will worship the new image of his government.

The greatest of these is "Charity"

“Charity” has the reputation that it *never fails*, it *edifieth*, and has also been concluded as that which *covers the sins of the multitude*, and the *bond of perfectness*. But, why is “charity” the greatest of the three qualities mentioned in 1 Corinthians 13:13? Our mission, in this article, is to find out why **chari-**

ty is so great, and how we can incorporate such an essential attribute in our everyday lives.

*“And now abideth faith, hope, charity, these three, but the greatest of these is **charity**.” (1 Corinthians 13:13)*

The *American Heritage College Dictionary*, Third Edition, copyright 2000, on page 236, characterizes **charity** as “the virtue defined as love directed first toward God [יהוה] but, also oneself and one’s neighbors as objects of God’s [יהוה] love.” This information yields the basic meaning of “charity” as a virtue of love that is first directed to יהוה, then extends to ourselves and our neighbors as objects of His love. Hence, **love** is the “great” attribute that we must all possess. According to Romans, Chapter 13, verse 8, we owe it to יהוה to love Him, as well as, one another, which fulfills the law, and it reads:

“Owe no man any thing, but to love one another: for he that loveth another hath fulfilled the law.”

As verified in the *Merriam Webster’s Collegiate Dictionary*, Computer Software, copyright 2000, **love** is referenced as “unselfish loyal and benevolent concern for the good of another.” On this wise, the “greatest” attribute that we can have toward יהוה, ourselves, and our neighbors is **love**--the unselfish, loyal and benevolent concern for the good of another.

It is clear that in having “charity,” the concern that we have toward יהוה, ourselves, and our neighbors must be unselfish, loyal, and benevolent. According to *Webster’s New*

World College Dictionary, Fourth Edition, copyright 1999, on page 301, **concern** is described as “interest in or regard for a person.” We can deduce from this bit of information that to have “charity” or “love,” we must show an interest in or regard for יהוה, ourselves, and our neighbors that is unselfish, loyal, and benevolent.

On the authority of *Merriam Webster’s Collegiate Dictionary*, Computer Software, copyright 2000, **unselfish** is defined as “not selfish.” **Selfish** is classified in *Encarta World English Dictionary*, copyright 1999, on page 1626, as “showing that personal needs and wishes are thought to be more important than those of other people.” Consequently, to exhibit **charity**, which is *love*, we must make sure that our personal needs and wishes for ourselves are not thought to be more important than the needs of other people. Exemplifying action of a “genuine” concern will show that we possess the greatest attribute of all--**charity**: the embodiment of love.

Stay on watch for the continuation of this article on **charity** so you can find out how your interest in and regard for יהוה relates to you showing loyalty and benevolence to Him and your neighbors and, most especially, who your neighbors “truly” are.

We must prepare for our legal counsel while it is yet day, so when the "night" comes, our defense will be in a state of readiness: *For wisdom is a defence, and money is a defence: but the excellency of knowledge is, that wisdom giveth life to them that have it* (Ecclesiastes 7:12). *Where no counsel is, the people fall: but in the multitude of counsellors there is safety* (Proverbs 11:14). *Where there is no vision, the people perish: but he that keepeth the law, happy is he* (Proverbs 29:18). We thank יהוה for your continual support.
