## THE “TRUE” WORSHIPERS PART ONE

According to John 4:23: *“But the hour cometh, AND NOW IS, when the true worshipers shall worship the Father [יהוה] in spirit and in truth: for the Father seeketh such to worship Him.”*

For too long, the worship of the Father has been based on emotional gratification, songs that bring tears, loud music, unscriptural rituals, or “feel good” sermons. But in that we are living in the last days, the hour has come, *and now is*, when the “true” worshipers must “worship” the Father, יהוה—the God of the Holy Bible—in *spirit* and *in truth*.

First, let us get an understanding of the word *worship* and then the words *spirit* and *truth*. Through the medium of the *Oxford Canadian Dictionary*, Second Edition, copyright 2007, on page 1252, the word **worship** is defined as “reverence paid

to a deity.” While **reverence** (on page 916) denotes “a feeling of great respect or admiration”; **the deity** (on page 264) is described as “the Creator; God.” And **pay**, the present tense of *paid*, connotes “honor” (according to *The Synonym Finder* by J. I. Rodale, copyright 1978, on page 860).

Thus, these facts declare firmly that “true” worshipers must have an uncompromising feeling of great respect and profound admiration for God, יהוה, the Creator, and honor Him in **spirit** and in **truth**.

**Spirit**—according to *Webster’s Ninth New Collegiate Dictionary*, copyright 1989, on page 1137—is defined as “the essential principle influencing a person.” On page 935, **principle** is “a fundamental law; a rule esp. of right conduct.” **Essential** means the same as “necessary” (as noted in *The Synonym Finder* by J. I. Rodale, on page

366). And **law** is cited as “all divine commandments collectively” (as documented in *Webster’s New World Dictionary*, Third College Edition, copyright 1994, on page 765).

Thus, **spirit** is actually all the necessary divine com-

mandments of God, יהוה, collectively—as taught by His Son, יהוה בן יהוה: the only rule that influences “right” conduct.

Assuming all of the facts gathered to be true, the conclusion can be made that the hour is come, **and now is**, that “true” worshipers must have an uncompromising feeling of great respect and profound admiration for the Father, יהוה, the Creator; and show high honor for “all” of

His “divine” commandments collectively—as taught by His Son, יהוה בן יהוה. Why? Because *only* His necessary commandments can influence the “right” conduct of “true” worshipers.

The conclusion of the whole matter is written in Deuteronomy 10:12-13, which reads: *“And now, Israel, what doth the Lord, יהוה, thy God require of thee, but to fear [revere] the Lord, יהוה, thy*

*God, to walk in all His ways, and to love Him, and to serve the Lord, יהוה, thy God with all thy heart and with all thy soul, To keep the commandments of the Lord, יהוה, and His statutes, which I command thee **THIS DAY** for thy good?”*

And, lastly, John 14:15: *If ye love Me, keep My commandments.*

## Budgeting Tips On How To Get To The Feasts Three Times In A Year

And now, Israel, what doth the Lord, **יהוה**, thy God, require of you, but to keep His statutes, which He commands you this day for your good? As Israel, we are required to appear before **יהוה** three times in a year, in the place where He has chosen to place His name. So to help you meet this obligation, these series of articles are designed to give you money-saving tips to achieve the goal of attending feasts.

In this particular segment, we will show car owners ways to save money in your household budget in the area of *transportation*.

### CAR OWNERS

- ◆ To avoid repair bills, maintain your vehicle properly with regular oil and filter changes.
- ◆ To prevent excess wear on your tires, never turn the steering wheel while the car is standing still.
- ◆ To get better gas mileage, maintain the proper tire pressure.
- ◆ Unless your owner's manual specifically recommends premium gasoline, don't buy it. It does not provide greater fuel economy or more power except in high performance

turbocharged engines. The only reason to switch from regular gasoline to premium is to rid an engine of a ping; but first see if a different brand of regular will do the job.

- ◆ In hot weather, don't top off a fuel tank. Heat increases the pressure in a tank so that the fuel rises and overflows, which is an unnecessary waste of gasoline.
- ◆ Plan your trips by grouping your errands in the same vicinity; and if you have more than one car, use the vehicle with the better gas mileage.
- ◆ To be safe and save money, replace shock absorbers in pairs. If only one shock is leaking or worn out, replace the other shock on the axle even if the latter is alright; otherwise, vehicle stability will be affected.
- ◆ And lastly, bike or walk as often as possible, it's good for your health.

In our next article, we will give you some budgeting tips to help you trim your household budget in the area of food.

# The Law of יהוה

## Deuteronomy 28:1-2

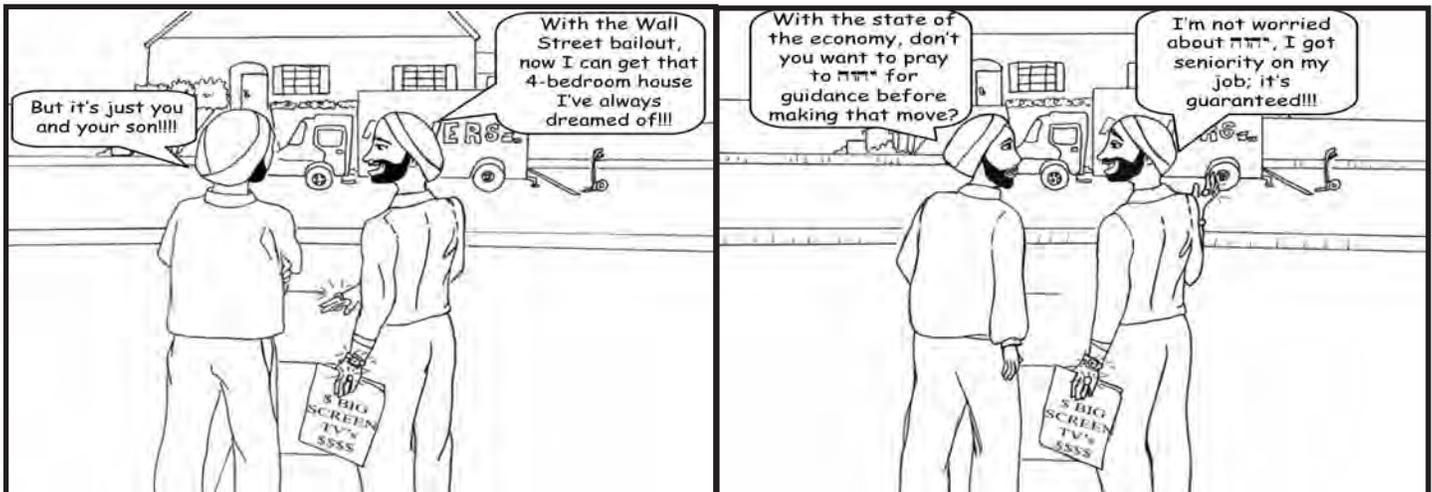

“And it shall come to pass, if thou shalt hearken diligently unto the voice of the Lord, יהוה, thy God, to observe and to do all His commandments which I command thee this day, that the Lord, יהוה, thy God will set thee on high above all nations of the earth: And all these blessings shall come on thee, and overtake thee, if thou shalt hearken unto the voice of the Lord, יהוה, thy God.”

## Deuteronomy 28:15

“But it shall come to pass, if thou wilt *not* hearken unto the voice of the Lord, יהוה, thy God, to observe to do all His commandments and His statutes which I command thee this day; that all these curses shall come upon thee, and overtake thee”:

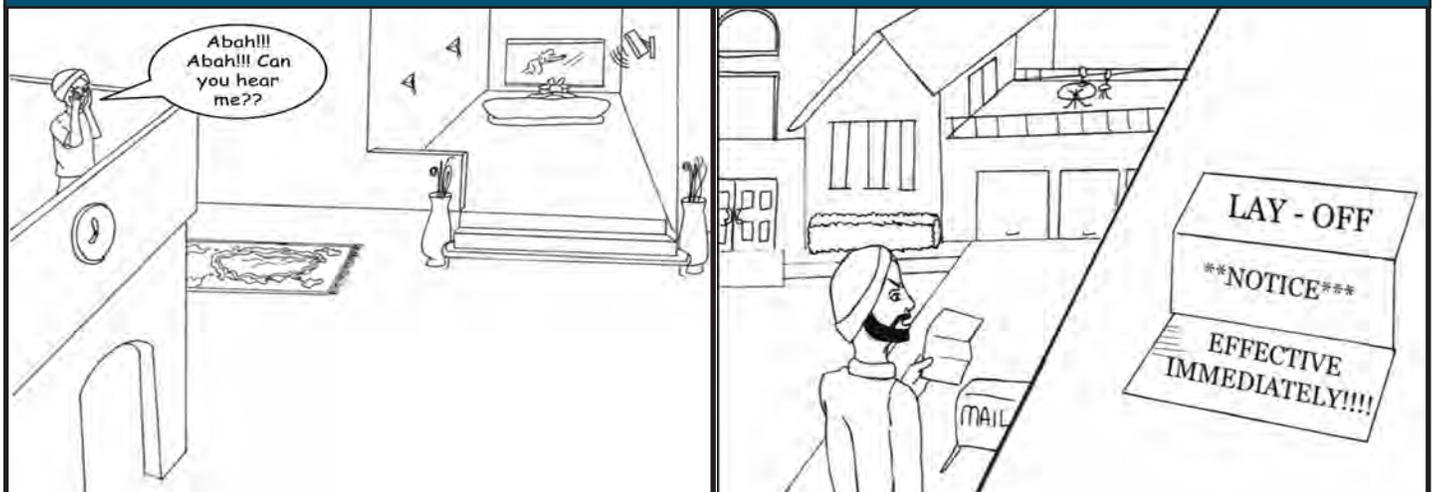

**“ ... Take heed, and beware of covetousness: for a man’s life consisteth not in the abundance of the things which he possesseth.”**

*(Luke 12:15)*

**“For the wicked boasteth of his heart’s desire, and blesseth the covetous, whom the Lord, יהוה, abhorreth” (Psalm 10:3).**

**“Better is little with the fear of the Lord, יהוה, than great treasure and trouble therewith” (Proverbs 15:16).**

*“And the hare, because he cheweth the cud, but divideth not the hoof; he is unclean unto you” (Leviticus 11:6).*

Do you know what a **hare** is and the various species that fall within this group? In the **Day of Trouble**, will you be able to identify these animals definitively, or will you lean upon your own understanding and *hope* you are not breaking the dietary laws of יהוה?

יהוה בן יהוה warned us over ten years ago that we should actively identify the animals that are unclean to us, as well as those that are clean to eat. Today, can you identify these creatures on sight?

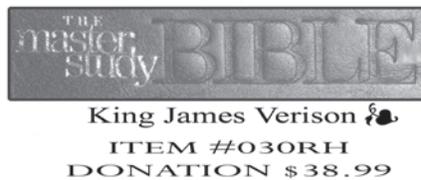

Remember, it is not necessary to allow hunger to cause you to break the laws of יהוה and perish, especially when you consider the fact that יהוה has provided us food no matter what environment you may live in. However, it is your responsibility to rightly divide the word of truth (2 Timothy 2:15).

*“My righteousness I hold fast, and will not let it go: ...” (Job 27:6).*

## THE LAWS OF יהוה

The physical law of יהוה includes the law of nature which governs the continuous physical existence of this world (Genesis 8:22, Col. 1:17). The moral law, also called “the perfect law of liberty” (James 1:25), governs the immaterial issues of life (2 Tim. 3:17). The social law of יהוה affects interpersonal relationships and can be summarized by “the royal law” (James 2:8). The spiritual law deals with a man’s relationship with יהוה. It is summarized in “the first and great commandment” (Matt. 22:37-38). The purpose of the law of יהוה is to reveal the sovereignty of יהוה (Ex. 20:2), to place a restraint on the sinner (Ps. 68:7-8), to show the reality of sin (Romans 3:19-20), and to lead the sinner to יהוה בן יהוה (Gal. 3:24). יהוה בן יהוה did not come to destroy the law, but to fulfill (Matt. 5:17).

### YHWH

Four consonants which make up the divine name in Hebrew (Ex. 3:15).... Reverence for the divine name led to the practice of avoiding its use lest one run afoul of the commandment such as Ex. 20:7. ...From the study of the structure of the Hebrew Language most scholars today believe that YHWH was... pronounced “Yahweh.”

## DID YOU KNOW?

Did you know that an enhanced driver's license (EDL) contains an RFID (radio frequency ID) chip that can be read 10 meters away and without the bearer's knowledge?

Did you know that the chip contains a number that can be read by authorities with a scanner, and that this number gives access to your personal information: name, date of birth, gender, citizenship, a digital photograph, driver's license information, etc.?

Did you know that under the Patriot Act, U.S. authorities are allowed "unrestricted" access to data bases to transfer or make available information on all EDL holders?

*"And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads" (Revelation 13:16).*

Choose ye this day whom ye will serve (Joshua 24:15):

For, *"... If any man worship the beast and his image, and receive his mark in his forehead, or in his hand, The same shall drink of the wine of the wrath of God, יהוה, which is poured out without mixture into the cup of his indignation; ... and they have no rest day nor night, who worship the beast and his image, and whosoever receiveth the mark of his name. Here is patience of the saints: here are they that keep the commandments of God, יהוה, and the faith of יהוה בן יהוה"* (Revelation 14:9-12).

## BE AWARE, PART SIX

To reference this study, please refer to the "Be Aware" article published by יהוה בן יהוה in the books, *Our True History*, *The World's Best Kept Secret* and *You Are Not A Nigger*.

The **second** paragraph of this article reads: *"The fact that Black groups have been in conflict with one another, especially those progressive groups in recent years, is no accident. As the August 25, 1967, memo delineates the tactics of divide and conquer used by an arm of the federal government, it states: No opportunity should be missed to exploit, through counter-intelligence techniques, the organizational and personnel conflicts of the leaderships of the groups; and where possible, an effort should be made to capitalize upon existing conflicts between competing Black nationalist organizations."*

In our previous article, our principal subject matter dealt primarily with *the tactics of divide and conquer used by an arm of the federal government*. We concluded part five with the fact that the FBI has employed all of the nation's political, economic, educational, social, and religious forces to prevent **unity** between Black groups, especially those who have opposing opinions and who think and do things in a non-traditional manner. We told you that according to the revealed memos from former FBI offices, the conflict that these groups have with one another is **no accident** because the FBI—a division within the executive branch of the U.S. gov-

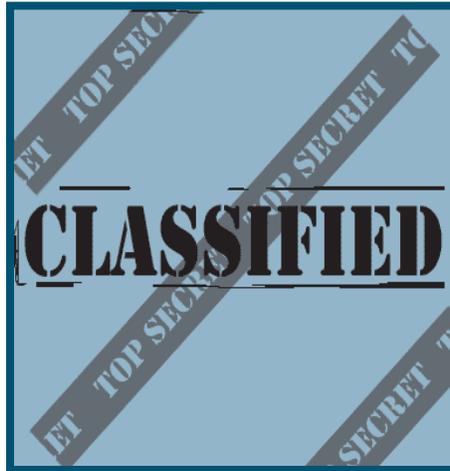

ernment—considers **unity** between these groups an “undesirable” action that **should not take place**.

In this segment, we will continue to decipher the definition of *tactic*, which we defined as “a method of employing *forces* in combat.” To further investigate their tactics, we shall define first the word *forces* from another viewpoint; and second *weapon* (coming from the definition of *arm*), and third *dissent* (from the definition of *divide and conquer*) to clearly show how the FBI has been able to prevent such an occurrence from taking place.

Documented in *Webster’s New Collegiate Dictionary*, copyright 1953, on page 323, **force** is defined as “the power to persuade; to wrest by violence.” **Wrest**, on page 989, means “to twist from its proper meaning by violence; to distort (words).” And **violence**, on page 952, is described as an “unjustified alteration of wording.” On the authority of *The American Heritage College Dictionary*, Third Edition, copyright 1993, on page 1528, a **weapon** is denoted as “an instrument of attack in combat; a means used to defeat another.” And **dissent** is described as “religious nonconformity” (ac-

cording to *Webster’s Ninth New Collegiate Dictionary*, copyright 1989, on page 366).

These added facts further amplify why Black groups have been in constant conflict with one another is no accident. It is no accident because the FBI—working as agent provocateurs—has been able to keep active disagreements going on between them through their method of employing words

that have been intentionally twisted from their proper meaning and by unjustifiably altering or distorting the wording of information to persuade and provoke divisiveness. This has long been their instrument of attack to defeat and combat unity among Black groups—an action they consider undesirable and should not happen. In fact, while working from within these groups, the FBI has been able to take aggressive action to prevent unity from taking place

among them by publicly attacking not only the credibility of the organization, but also by fiercely attacking the personal character of the leadership and its members.

Summarily, when the memos are factually deduced, they show clearly that the FBI has used powerful words of deception, blatantly distorted facts, and downright lies as instruments to successfully combat unity among Black groups—especially those groups who act and do things in a *non traditional* manner. In fact, to ensure that these black groups do not unite in opposition to the most highly respected tradition of the American government, the FBI has maintained strict control over them by craftily encouraging “*religious nonconformity*” between them.

Now with this in mind, in part seven of our next “*Be Aware*” article, we will examine why it is in the self-interest of America to encourage “*religious nonconformity*” between black groups—the descendants of slaves—as we continue to make clear the true message delineated in the memos written by former FBI director, J. Edgar Hoover, and sent to all FBI offices across America.

### Why Should I Not Become A Whisperer?

Thus saith the Lord, יהוה, Learn not the way of the heathen, ... (Jeremiah 10:2).

“In this book, I learned that Eve was beguiled by Satan—the chief whisperer—she listened to one word and ultimately she ate from the tree of good and evil. As a result, we have suffered 6000 years of a spiritual death. Today, יהוה בן יהוה has warned us to be aware of whisperers so that the same thing won’t happen again, which now makes us accountable for our actions. Thus, I must not give ear to a whisperer. The only way to do this is to have the laws of יהוה in my mind. Then, I shall avoid whisperers altogether and none of my steps shall slide (Psalm 37:31).”
