## PROPHECIES OF THE LAST DAYS REVEALED AT FEAST OF TABERNACLES 6005

The **Twenty-second Annual Feast of Tabernacles** was the last of our High Holy Days celebrated in 6005, and we ended it with “pure” jubilation, as the Spirit of יהוה rained upon all who obeyed His command to **Enter Into the Gates of יהוה בן יהוה With Thanksgiving**. We witnessed the disciples of יהוה בן יהוה reveal “shocking” prophecies like never before in our twenty-two years of celebrating our High Holy Days.

*“And it shall come to pass in the last days, saith God, יהוה, I will pour out of my Spirit upon all flesh: and your sons and your daughters shall prophesy...” (Acts 2:17)*

The fulfillment of Acts, Chapter 2, verse 17 signifies the last days, for it is written that at this time יהוה would “pour” out His Spirit upon His “true” sons and daughters, and they would **prophesy**, which means they would interpret the “prophetic” events taking place upon the Earth today.

The interpretation of these prophetic events was done with indisputable facts, in that they were based upon rational propositions, logical deductions, practical

applications, as well as credible documentation. The only means by which such astounding interpretations could have been revealed was through the use of the “divine” Ten Step Study Method of יהוה בן יהוה. Using His “divine” method enabled His disciples to reveal “cryptic” allegories, decode “esoteric” symbolisms, and decipher “confounding” metaphors, which are described as the “great mysteries of the Bible.”

Before the coming of יהוה בן יהוה, the great mysteries of the Bible were shocking, disturbing, frightening, and distressing. However, today, because of His teachings, His disciples are not only able to read, comprehend, and consider the prophecies of the Last Days, but are also able to “reveal” them with astonishing accuracy.

If you were not in attendance at the **Feast of Tabernacles 6005**, you should make this the last feast you will ever miss. However, if you would like a diminutive version of what took place, continue on this “spiritual” odyssey as we recapitulate the highlights of the **Feast of Tabernacles**—the most “spectacular” event of **6005**.

## Nightly Classes

The knowledge shared in our *nightly classes* during the **Feast of Tabernacles 6005** was so “profoundly” concentrated that our minds are still in *recovery* from the “vigorous” *rush* of so much “spiritual” energy.

The feast message entitled, “*Preparing For Rulership*,” contained all the potency of a *healing elixir*. We learned that we have sinned—transgressed the laws of יהוה. **Without** the knowledge of the laws of יהוה, we, Israel, have been diagnosed as suffering from spiritual “sickness” and “death.”

Despite this being a “seemingly” *terminal illness*, our special message provided the *cure*: that is, once we come into the knowledge of יהוה, daily doses of the **Word** of יהוה will enable us to “purify” ourselves (1 John 3:2, 3). We also learned that we can only attain this purification by **keeping** the laws of יהוה as taught by יהוה בן יהוה, who not only has the **POWER** to cure ALL sickness, but to also reward us with the most precious gift of all: **ETERNAL LIFE** (Matthew 10:1).

This *healing message* of “eternal life” made it clear to Israel that only through **purification** can we remove the “injurious” and “sickening” effects of sin. After we do this, only then will יהוה בן יהוה give us, His disciples who “**practice**” the laws of יהוה, the ability to **go** and **teach** ALL NATIONS the “supreme” wisdom and “elevated” knowledge of יהוה (Matthew 28:18, 19).

From this powerful message, we learned that because יהוה בן יהוה has given us the *therapeutic power* to **teach** ALL NATIONS, we are a “unique” people, in that we are required to **baptize** ALL NATIONS in the “*name*” of יהוה (Matthew 28:19). However, we were put on notice that in order for us to be able to **baptize** ALL NATIONS, we **must** first become “skilled” in the knowledge of the **name**, יהוה.

The feast message “vividly” illustrated that regardless of how hard we might work on a secular job, **unless we find the time to study the attributes of יהוה בן יהוה, using His prescribed Ten-Step Study Method**, then we shall remain unskilled in the knowledge of the name of יהוה and, as a result, unqualified to **teach** and **baptize** ALL NATIONS.

In conclusion, our *nightly classes* fulfilled their purpose of *preparing us for rulership* because it was made clear to us that we must return to keeping the **laws** of יהוה, which is the only cure for our “spiritual” sickness, and the prerequisite for becoming “skillful” in the knowledge of יהוה.

The closing message in our *nightly classes* heralded that יהוה בן יהוה shall give us the “spiritual” enlightenment to teach all nations and to baptize them in the **name** of יהוה, which will enable us to rule eternally with Him in the Kingdom of Heaven.

# Answers to “Prophecies” the Whole World has been “Searching” for Revealed at Feast of Tabernacles 6005

*Not one tabloid, weekly newspaper, or any other biblical “writings” concerning “prophecy” could have laid the whole truth on the line with such “boldness” as was daily in the seminars at Feast of Tabernacles 6005. The disciples of יהוה בן יהוה made known some of the greatest mysteries of the Bible—clearly authenticating that the Spirit of our God, יהוה, dwells in us.*

**Feast of Tabernacles 6005** brought to pass the “fulfillment” of Acts 2:17, which foretold that in the *Last Days*, יהוה would pour out His *Spirit* upon us and, that we, His sons and daughters, would “*prophecy*” of the *inevitable trouble* and *evil* that would come upon America and the world. Thus, if you were unable to dwell in the *tabernacle* with us while such *signs* and *omens* were being interpreted, then the following has been prepared to give you a *brief* overview of what the Spirit of יהוה revealed unto His children.

Let us commence our travel through the daily seminars by *setting the stage* with the seminar, “**יהוה בן יהוה Coming In the Clouds of Heaven With ‘Power’ and ‘Great Glory.’**” The opening facts presented in this seminar “logistically” laid out evidence supporting the fact that the September 11, 2001 event was hidden as an allegory in Revelation 1:7, which reads, “*Behold, He cometh with clouds; and every eye shall see him.*” The decoding of this allegory was thus: a remarkable incident took place when a plane moving at a high rate of speed “**HIT**” an “**IT**”—the WTC (World Trade Center)—causing people to gaze up into heaven with *wide open eyes* at smoke and dust that *resembled* or *suggested* a cloud, and the whole world saw it. As plainly expressed in this seminar, this event was nothing less than a “divine” incident used by יהוה to signal the “official” coming of the Messiah, יהוה בן יהוה, and the beginning of Judgment Day.

After receiving the message that it is officially Judgment Day, another *harbinger* of יהוה issued forth the message in the “**The Missionary Spirit**” that “יהוה בן יהוה shall not fail nor be discouraged until he has set judgment in the Earth. This was trumpeted as a **warning** to America that יהוה shall send a “*mighty*” *angel*, which represents the children of יהוה, who will take up a great millstone (the Word of יהוה), saying, “Thus with violence (power and might) shall this great country (America) be ‘*thrown down*’ and found no more at all.” Concomitant to this fact, it was also pointed out that the “false” image which she has set up shall also, in like manner, be thrown down.

The logician in the seminar entitled “**The Mysteries Of The Great Image**” hammered away at the head of gold, breast and arms of silver, belly and thighs of brass, legs of iron, and feet made of iron and clay until there was no doubt as to who and what this image described in Daniel 2:31-33 represents today. The body of facts undeniably affirmed that the “Great Image” is the Roman Catholic Church, and its head of fine “gold” represents the Pope of Rome, who is pretending to be and acting in the place of God, יהוה. It was brought to our attention that the Pope has trained his cardinals and clergy members to go “to and fro” and “up and down” in the Earth to deceive many by spreading the false doctrine of CHRISTIANITY (Job 1:7). The spread of this “false” doctrine has produced

the wicked world in which we live today, demonstrating why we are in such “desperate” need of the message delivered in *“The Healing Light.”* This strong message “signaled” an “alert” to Lucifer and his descendants that if they continue to teach “false” doctrines and philosophies to the world, then they shall be “cut down” and made to experience a state of unrecoverable losses: losses that shall cause the world to decline from a prosperous condition to that of a global economic collapse. We were cautioned that America has become an agent of great destruction, and because of her wickedness, she shall suffer unprecedented plagues of pestilence, disease, fires, floods, earthquakes, tornadoes, hurricanes, and, even more, wars, nuclear fallouts, famine, and other such cataclysmic disasters.

After hearing of the utter destruction that America shall suffer, it left us with no choice but to listen intently to the message brilliantly described in *“The Seven Seals of the Apocalypse,”* which laid out how the “four horsemen of the apocalypse” shall impact the whole world. We learned in this seminar that as the “first” horse went forth to conquer, there also went out “another” (the second) horse that was “red,” whose job was to take peace from the Earth. Verifiable facts confirmed that this “red” horse symbolically described the *President of the United States*, who would use the Roman Catholic Church as a “front” to cover up his plans to immediately begin instituting “war.” The facts also affirmed that under the “guise” of the Roman Catholic Church, this institution of war is for the sole purpose of forming a “ONE WORLD ORDER”—by causing the public to question their security and by making them victims of “heinous” crimes in hopes that he [the President] would eventually fill the entire Earth with wickedness and chaos.

While the President thought that his plans to initiate the “One World Order” were well covered up, the chief inspector of the seminar entitled, *“Who Is Worthy To Open The Book and Loose The Seals Thereof,”* blew the lid completely off with irrefutable documentation which exposed the hidden characters in Revelation 10:1 as well-known politicians, powerful United States agencies, and renowned world leaders, who have come together with the United States to join forces and to create a political coalition to take part in an attack on IRAQ, using THE WAR ON TERRORISM as a “front.” Irrefutable evidence was presented to prove that “The War on Terrorism” is an international instrument that is being used to set up an agency called “Homeland Security,” which will bring about a decisive change: the ONE WORLD ORDER.

Since the evidence of this decisive change was so “convincingly” incriminating, *“The Rising of The Beast Out of The Sea”* was called to come forth and give its sworn testimony. The preponderant evidence backed up the fact that the **beast** [the President of the United States] would be given power by the dragon [the Pope of Rome] to “join” with “seven heads” of government to form a “unique” group known as, the “**Group of Eight**” or **G8**. Corroborative facts were divulged to show clearly that this “Group of Eight” shall bring about a secret or underhanded *conspiracy* that will allow them to gain “unlimited” control of the world’s “finances,” thereby, supplying them with the means to establish a new system of government—the ONE WORLD ORDER. This new set up will make it “appear” that no man, woman or child will be able to survive these “troubled days” unless he or she has the **mark**. Just in case we did not consider these “fast” approaching times, *“A Message for Law*

**Keepers: Preparing For Rulership**” deeply penetrated our minds and brought us to the reality that these days will be so “troubled” that there is no day in “history” that can be compared to it. The most “powerful” part of this message cautioned us to “*be aware*” of the Great Red Dragon, who is going to draw the third part of the stars (men) with his tail (Revelation 12:3-4). Probative evidence was shared to show that the Great Red Dragon is not a “physical” dragon, but is, in actuality, the Pope of Rome. In addition, the evidence also showed that the “tail” is not a “physical” one, but rather, it is a homonym for the word “**tale**.” While, speaking on the subject of the Dragon’s tale that drew the third part of men, **“The Abomination of Desolation: Behold A Great Red Dragon”** was given the “go ahead” to expose the “entire” plot. From some of the world’s most credible reference sources, we “*got wind*” that the dragon is going to spread “fictitious” narratives about the Messiah, **יהוה בן יהוה**. With his “vast” committee of cardinals and high-level officials—consisting of the President of the United States, senators, congressmen, minority leaders, commissioners, and trained priests—the “great red dragon,” using “yellow” journalism, is going to broadcast and televise concocted scandals, fabricated slander, and malicious stories about **בן יהוה יהוה**, intended to further bruise not only His reputation but also His followers.

It was revealed in the “Abomination of Desolation” that we must “stringently” prepare for these upcoming scandals. After hearing that message, we were more than ready to receive the knowledge that awaited us in **“Go To The Ant.”** In this seminar, it was brought to our attention that to everything there is a season and a purpose. Substantial evidence showed that the season we are presently living in is the “*fall*,” which figuratively represents the time period during

which the crucifixion of the Messiah, **יהוה בן יהוה בן יהוה**, is taking place: declaring to the world that a “vicious” *winter* is approaching. We were warned that, as “ants,” we must prepare for global broadcasts of bleak, desolate, gloomy, sullen, depressing, severe, and cruel outbursts from the “four winds”—forecasted as a “vicious” *winter*: one which will dump some heavy loads upon the reputation of **יהוה בן יהוה בן יהוה** and His anointed.

So that we won’t be left out in the snow during this “vicious” winter, we learned in **“Submitting To The Will of יהוה”** that we must run to **יהוה** and seek His words of wisdom. The information brought forth in this seminar caused us to understand that if we do not run to **יהוה** and seek His “divine” wisdom, knowledge, and understanding, then we will not be able to survive these dark days. Above all, in plain terms, we were reminded in this seminar that we have the responsibility of baptizing all nations in the wisdom, knowledge, and understanding of **יהוה**. We were told that before we can do this, we must understand one thing, and that is, as the sheep of **יהוה בן יהוה בן יהוה**, we must not follow the *interpretations* of another.

In the seminar, **“The Sheep of יהוה בן יהוה Will Not Follow Another,”** convincing proof was proffered to assure us that **יהוה** will guide our understanding as He did for Daniel and the Hebrew boys in the days of Nebuchadnezzar: **יהוה**, Himself, gave Daniel and the Hebrew boys “special training” in how to competently study and delineate ALL the facts in books. He also gave them competence in expressing or communicating all ideas in writing, as well as how to accentuate accounts of and give conclusive validity to ALL truths and principles. In addition, **יהוה** “personally” gave Daniel “direct” perception of how to give the meaning of words in a particular way, how to explain the meaning of phrases in a special

kind of manner, and how to deduce definitions by interpreting them in an unusual way. Therefore, the same “divine” perception that was imparted to Daniel through the **Ten-Step Study Method** is the same יהוה בן יהוה has imparted among His children today.

This thought was reverberated in the seminar, *“The First Resurrection: First Come, First Served.”* It was confirmed that we who are of the “first resurrection” hear the teachings of יהוה בן יהוה and, as such, accept the challenge to produce “rational” compositions that bring out the “intellectual” understanding of the Scriptures. This “teacher” drilled home the fact that by using the prescribed **Ten-Step Study Method** rather than being guided by emotion and experience, we are given an incredible understanding which enables us to present “undeniable” facts that are so well-argued, well-grounded, and astoundingly credible that they become legally enforceable claims that can be published on the world stage via the radio, television, Internet, satellite, newspaper or magazine.

It was “vividly” illustrated in the seminar, *“Pay יהוה and Yourself First and Don’t Touch It”* that the Kingdom of Heaven is offered to all nations. This “good news” brought us to the realization that **only** the Word of יהוה can bring us out of hell and into the light of heaven. We learned that heaven, depicted as “the Holy City” and “New Jerusalem,” is the abode of God, יהוה. It was stressed that when we receive and follow the teachings of His Son, יהוה בן יהוה, only then can we become qualified to enter into the abode of God, יהוה, that Holy City—also known as “New Jerusalem”—to receive everlasting life.

This path to “everlasting life” led us to “gaze” at *“The Sign of The Time.”* This particular seminar hallmarked the

“marvelous” work of יהוה בן יהוה in causing Israel, once a “mentally” blind people, to see the light of truth. While the United States government has יהוה בן יהוה under onerous restrictions, He is yet performing the world’s greatest miracle—that is, giving “sight” to His once blind disciples: a miracle that is causing the whole world to marvel.

This brings an end to our travels. And as you can see, יהוה did in fact award us with “divine” revelations to authenticate that His “Spirit” dwells in us.

If you too would like to enter into the “light of truth” which the whole world is “searching” for and “marveling” at, then do not “hesitate” to order the **Feast of Tabernacles 6005** complete set of seminars from:

# Spreading the Word...

... of יהוה and יהוה בן יהוה throughout the world.

## The Abraham Foundation

It is written in Luke 21:12-13, . . . that we shall be brought before kings and rulers for יהוה בן יהוה [s] name's sake. And they shall turn to us for a testimony. Remember, Matthew 26:60 tells us that, . . . At the last came two "false" witnesses, . . . So please don't get comfortable thinking our legal battles are over. It is written that we shall be brought to the magistrates and be accused of exceedingly troubling their "city," and they shall command that we be beaten and cast into prison, and our feet be made fast in the stocks (Acts 16:20-24). So keep your contributions flowing in, so we will be financially prepared to legally defend our Messiah, יהוה בן יהוה [s], name--in or out of prison.
