## The Lord, יהוה בן יהוה, Reigneth; Let The Earth Rejoice!

While the whole world was (and still is) on the verge of a global economic collapse, many Hebrew Israelites demonstrated absolute obedience to the commandment of our God, יהוה, to keep the *Twenty-Eighth Annual Feast of Tabernacles and Holy Convocation*—September 27-October 4, 2008—in the place where He had chosen to place His most holy name, that is, in the blessed country of Canada, Montreal to be exact, which is located in the lush Province of Quebec.

The Feast of Tabernacles is a joyous celebratory event to remind us of our forefathers being carried away captive into Egypt and our God, יהוה, delivering them out of bondage with a mighty hand. Today, it is also a time

for us, their descendants, to celebrate—for the Second Coming of our Deliverer, יהוה בן יהוה, draws nigh. And the Holy Convocation is when we come together as a family to do diligent study of the Scriptures that we might gain a better understanding of the teachings of יהוה בן יהוה to better us individually and our nation as a whole.

Each night, we listened to the recorded teachings of יהוה בן יהוה, which included such subjects as, “What Is the Duty of the Followers of יהוה”; “יהוה בן יהוה: The Prescription for Eternal Life”; “How to Worship יהוה”; “יהוה Will Subdue the Nations Under Our Feet”; and “Your Talent Is the Knowledge of Your Name.” His inspiring words raised our spirits, gave us inner peace,

and filled us with great joy.

As commanded, we, as a family, decoded selected Scriptures from His message, such as Ecclesiastes 12:13; Joshua 24:14; John 3:36; Deuteronomy 6:24; Psalm

100:1-2; Psalm 37:9; and Deuteronomy 28:13. Further study of these Scriptures greatly enhanced our understanding.

Our daily seminars were packed, and no stones were left unturned in making known many of the prophecies that are being fulfilled today: From the prophesied global economic crisis to the inevitable fall of Great Babylon, America. From the powerful testimony of the “two witnesses” to the shocking disclosure of

Operation Jericho: the “divine” plan to gain back Canaan, the Promised Land. From the comparison of the faith of Abraham and the faith of the followers of יהוה בן יהוה to a contrast of the group that came against Moses and Aaron and a repeat of such a group and their actions in the present day. And, even more, from global warming to a classic teaching by the Master Teacher Himself, יהוה בן יהוה.

Anyone who missed this great gathering cannot afford

to be without the knowledge revealed in our nightly classes and daily seminars, especially with many of the prophecies being fulfilled today—in this generation (Luke 21:32). To order, write to PEES Foundation, P. O. Box 520, Kirkland (Quebec), Canada H9H 0A6, or call 1 (800) 967-7337 for information. ## IF YOU THINK TABERNACLES WAS SOMETHING, YOU DON'T WANT TO MISS “PASSOVER”

All that was experienced at Feast of Tabernacles 6011 was thought to be matchless, but what is planned for this *Passover/Feast of Unleavened Bread 6012* will pass the bounds of what is considered conventional. You want to be in attendance all **EIGHT** days so you can be a part of this history-making celebration.

*“Thou mayest not sacrifice the passover within any of thy gates, which the Lord, יהוה, thy God giveth thee: But at the place which the Lord, יהוה, thy God shall choose to place His name in, there thou shalt sacrifice the passover at even, at the going down of the sun, at the season that thou camest forth out of Egypt (Deuteronomy 16:5-6).”*

Keep the laws of יהוה for eight days, beginning March 30 through April 6, 2009, at the *Marriot-Chateau Champlain Hotel in Montreal, Quebec, Canada*.

“The law of יהוה is perfect, converting the soul: the testimony of יהוה is sure, making wise the simple. The statutes of יהוה are right, rejoicing the heart: the commandment of יהוה is pure, enlightening the eyes.”

(Psalm 19:7-8)

## Budgeting Tips On How To Get To The Feasts Three Times In A Year

We are to keep the feasts of יהוה three times in a year in the place where יהוה בן יהוה has chosen to place His name (Deuteronomy 16:16). To aid you in achieving this goal, we will continue to share budgeting tips to help you trim your household budget.

In this segment, we will show car owners how to save money in the area of *transportation* by first giving you information on what steps to take to lower your *auto insurance*.

### How to Save on Auto Insurance

#### STEP ONE:

Most of us never consider that our vehicles depreciate in value each year, so check with your auto insurance company on the current value of your vehicle that is insured. Example: You purchased your car five years ago for \$28,000, and today, five years later, the current market or blue book value of your car is now \$8,000.

#### STEP TWO:

Ask your insurance company how much would they pay you to replace your car if it was totaled in an accident today.

Based on their response, have your agent adjust your auto insurance rates to reflect the current market value of your car. And if your car is older than five to seven years, you may want to consider canceling the collision and comprehensive part of your insurance. Just by making these adjustments on your auto insurance policy, you may *save* anywhere from **\$900 to \$1,800** yearly.

#### STEP THREE:

Adjust your auto insurance deductible (the amount of money you pay out of your pocket). If you have the wherewithal to raise your deductible from \$250 to \$500 or higher, contact your auto insurance company to raise your deductible. The higher your deductible is, the lower your auto insurance will be. By increasing your deductible to \$500 or higher, you may *save* as much as an additional **\$1,000** yearly.

#### STEP FOUR:

Ask your auto insurance company if you qualify for good-driver, good-student, driving less, over fifty, and/or multiple-car *discounts*.

Behold, how good and how pleasant it is for brethren to dwell together in unity (Psalm 133:1). In our next article, we will continue to share budgeting tips on lowering your household budget in the area of *transportation*.

# The Law of יהוה

## Deuteronomy 28:1-2

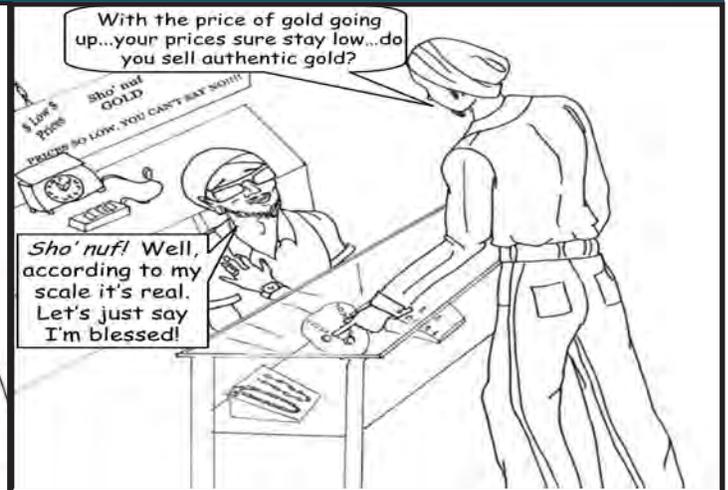

“And it shall come to pass, if thou shalt hearken diligently unto the voice of the Lord, יהוה, thy God, to observe and to do all His commandments which I command thee this day, that the Lord, יהוה, thy God will set thee on high above all nations of the earth: And all these blessings shall come on thee, and overtake thee, if thou shalt hearken unto the voice of the Lord, יהוה, thy God.”

## Deuteronomy 28:15

“But it shall come to pass, if thou wilt *not* hearken unto the voice of the Lord, יהוה, thy God, to observe to do all His commandments and His statutes which I command thee this day; that all these curses shall come upon thee, and overtake thee”:

**“Thou shalt not have in thy bag divers weights, a great and a small. But thou shalt have a perfect and just weight, a perfect and just measure shalt thou have: ...”**  
(Deuteronomy 25:13, 15 [in part]).

### “A Perfect and Just Weight”

**“A false balance is abomination to the Lord, יהוה: but a just weight is His delight.”** (Proverbs 11:1)

# Are You HOOKED on the Letter

## PART TWO

For part one, please refer to our May/June 2008 edition of *The Good News of יהוה* on page 5.

In this particular article, we told you that all who talk or write about history which happened before the 15<sup>th</sup> century and use words with the letter “j” are deliberately or unknowingly misleading you in their speech and writings by using the Modern English version of words instead of the “original” spelling before 1630. We provided documentation to show that the newest letters “j” and “v” were added to the English alphabet around 1630, which makes both of these letters *less than 400 years old*. Thus, we concluded that the letter “j” is being used today as a **hook** to divert people’s attention away from the original names of people, places, or things prior to 1630.

In “Are You ‘HOOKED’ on the letter ‘J,’” part 2, we will show why the above documentation is so very important for you and your family to know.

According to 2 Timothy, Chapter 3, verse 1, we are living in the last days and perilous times are upon us. In order to have “true” **SALVATION** and be saved, you must know the **NAME** of the God of Israel. For the earth belongs unto Him, and the fullness thereof; the

world, and the people that dwell therein (Psalm 24:1). Consequently, all the nations that forget the God of the Holy Bible *shall be* turned into hell (Psalm 9:17). Therefore, knowing the **NAME** of Israel’s God, the God of the Holy Bible, is of supreme importance, especially during the time in which we are now living. Why? According to Acts 4:12:

*“... For there is none other **name** under heaven given among men, whereby **we must be saved**” (Acts 4:12).*

And as written in Psalm 78:7:

*“That they [the people who dwell on His earth] might set their **hope** in [Him], God, and not forget the works of God, but keep His commandments”:*

Today, because there are gods many and lords many, as stated in 1 Corinthians 8:5, knowing the **one “true” name** of the Savior who came to teach us the commandments of God is your only salvation. So much so that the following question was asked in the Book of Proverbs, Chapter 30, verse 4, which reads in part, “...**What is His NAME, and what is His Son’s NAME, if thou canst tell?**”

The God of the Holy Bible is the God of Israel (Exodus 5:1); the God of the Hebrews (Exodus 7:16); the God of Abraham, the God of

Isaac, and the God of Ya’akob (Exodus 3:6).

Now, as the descendants of slaves in America—the seed of Abraham, Isaac, and Ya’akob—we indeed bear witness that the **NAME** of the God of the Holy Bible, the God of Israel —is, יהוה, transliterated in English as **Yahweh**. The name of His Hebrew Israelite Son, whom He raised up in America from among the tribe of Yehuwdah, is יהוה בן יהוה, transliterated in the English language as **Yahweh Ben Yahweh**.

And although you may not believe as we believe, we invite you to do 2 Timothy 2:15 for yourself. Why? Because when you see the names **Jehovah** and **Jesus** used as substitute names for the God of Israel and the name of His Son, you need to know and understand well that the letter “**J**” is being utilized as the **hook** to

divert your attention away from the original Hebrew—spelling and pronunciation—of the “true” name of the God of the Holy Bible, יהוה (**Yahweh**).

The reason we consider this information of such vital *importance* for you and your family to know in these last days is written in Acts 2:21, 38-39:

*“And it shall come to pass, that whosoever shall call on the ‘NAME’ of the Lord, בן יהוה יהוה, shall be saved.”*

*“...Repent, and be baptized every one of you in the NAME of יהוה בן יהוה for the remission of sins, and ye shall receive the gift of the Holy Ghost. For the promise is unto you, and to your children, and to all that are afar off, even as many as the Lord, יהוה, our God shall call.”*

## BE AWARE, PART FIVE

To reference this study, please refer to the “Be Aware” article published by יהוה בן יהוה in the books, *Our True History*, *The World’s Best Kept Secret* and *You Are Not A Nigger*.

The **second** paragraph of this article reads: *“The fact that Black groups have been in conflict with one another, especially those progressive groups in recent years, is no accident. As the August 25, 1967, memo delineates the **tactics** of **divide and conquer** used by an **arm** of the federal government, it states: “No opportunity should be missed to **exploit**, through **counter-intelligence techniques**, the organizational and personnel conflicts of the leaderships of the groups; and where possible, an effort should be made to capitalize upon existing conflicts between competing Black nationalist organizations.”*

This article begins our study of the second paragraph as stated. First, we are going to define *conflict*, and then *progressive*.

Therefore, as referenced in *Cambridge International Dictionary of English*, copyright 1995, on page 286, **conflict** is described as “an active disagreement between people with opposing opinions.” The word **progressive** (on page 1129) is defined as “ideas that are new and encouraging change in the way that things are done.” From these stated facts, as they relate to memos from former FBI offices, we can note that the active dis-

agreements between Black groups who have opposing opinions is **no accident**, especially among those Black groups whose ideas are new and encourage change in the way that things are done.

To find out why the conflict between Black groups is **no accident**, then we must address the *August 25, 1967 memo* regarding “*the tactics of divide and conquer used by an arm of the federal government.*”

As referenced in *Webster’s Ninth New Collegiate Dictionary*, copyright 1989, **tactic** (on page 1201) is defined as “a method of employing forces in combat.” In accordance with the *Concise Oxford Dictionary*, Tenth Edition, Computer Software, **combat** is described as to “take action to prevent (something undesirable).” **Divide and conquer** (located under the word *divide*) is “to maintain control

over subordinates by encouraging dissent between them so that they do not unite in opposition.”

Moreover, in *Bartlett’s Roget’s Thesaurus*, copyright 1996, on page 1323, **subordinate** (reference number 745.4) is synonymous to “slave.” While **arm** is indicative of “a branch of government”; it is derived from the Latin *arma*, meaning “weapons” (as annotated in the *Webster’s New World Student’s Dictionary*, Revised Edition, copyright 1996, on page 43).

These facts are beginning to shed some light on why the conflict between Black groups is no accident. It is because the FBI—a branch of U.S. government—has employed all of the nation’s political, economic, educational, social, and religious forces to prevent something that they consider undesirable from happening. Since their goal is to *divide and conquer*, then that

undesirable something they wish to prevent is called “unity among Black people”—especially among the progressive groups—who think and do things in a non-traditional manner. The method and the weapons used by their forces are so powerful that they have been able to maintain control over Black Americans—descendants of slaves—by encouraging dissent between them. This dissent has been of such great magnitude that it has kept Black groups from uniting in opposition to the traditions of the *government of America* who held our fathers in slavery for over 400 years.

In our next article, we will decode the words *force*, *weapon*, and *dissent* to shed more light on the power of their method to keep not only Black groups divided, but all “good” people of the world divided—regardless of their race, creed, or color.

Thus saith the Lord, יהוה, Learn not the way of the heathen, ... (Jeremiah 10:2).

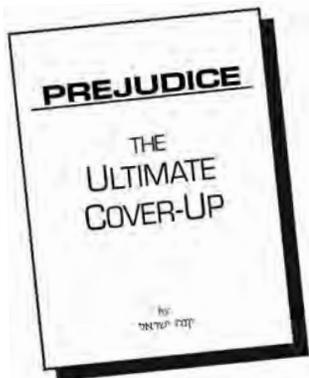

“Whisperers travel in packs to prey on our new brothers and sisters who are just learning about יהוה and יהוה בן יהוה; nevertheless, this book shows you how to defend yourself against whisperers and their attack, whether you are new in the Word or old.”

“In addition, this book shows me that I must build up my shield in the Word of יהוה, by studying the laws of יהוה, to protect myself from whisperers and even more the whisperer within me.”

### Spreading the Word ...

... of יהוה and יהוה בן יהוה throughout the world.

### The Abraham Foundation

“No weapon that is formed against thee shall prosper; and every tongue that shall rise against thee in judgment thou shalt condemn. This is the heritage of the servants of the Lord, יהוה, and their righteousness is of Me, saith the Lord, יהוה” (Isaiah 54:17). Because our “righteousness” is of יהוה בן יהוה, the Lord, יהוה, shall make all that we do to prosper in our hands (Genesis 39:3). Therefore, give to The Abraham Foundation as you are able, according to the blessing of the Lord, יהוה, your God which He has given you (Deuteronomy 16:17).
